C.A. No. PC - 2023- 06413

**FINAL CONSENT JUDGMENT AND DISMISSAL WITH PREJUDICE**

The State of Rhode Island (“*State*”) and CVS Health Corporation and CVS Pharmacy, Inc., together with and all of their past and present direct and indirect parents and subsidiaries (collectively, “*CVS*”) (together with the State, the “*Parties*,” and each a “*Party*”) have entered into a consensual resolution of the above-captioned litigation (the “*Action*”) pursuant to a settlement agreement dated as of December 9, 2022 (as subsequently updated) (the “*Agreement*”), a copy of which is attached hereto as Exhibit A. The Agreement shall become effective by its terms upon the entry of this Final Consent Judgment (the “*Consent Judgment*”) by the Court without trial or adjudication of any contested issue of fact or law, and without finding or admission of wrongdoing or liability of any kind.

**RECITALS:**

1. Each Party warrants and represents that it engaged in arm’s-length negotiations in good faith. In hereby executing the Agreement, the Parties intend to effect a good-faith settlement.
2. The State, acting through its Attorney General, has determined that the Agreement and entry of this Consent Judgment is in the public interest.

3. CVS denies the allegations against it and denies that it has any liability whatsoever to the State, its Subdivisions, and/or (a) any of the State's or its Subdivisions' departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public. CVS is entering into this Consent Judgment solely for the purpose of settlement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, regulation, or ordinance, or of any other matter of fact or law, or of any fault, liability, or wrongdoing, all of which CVS denies.

4. The Parties recognize that the outcome of the Action is uncertain and a final resolution through the adversarial process likely will require protracted litigation.

5. The Parties agree to the entry of the injunctive relief terms attached as Exhibit P to the Agreement.

6. Therefore, without any admission of liability or wrongdoing by CVS or any other Released Entities (as defined in the Agreement), and without this Consent Judgment constituting evidence against or admission by anyone with respect to any issue of fact or law, the Parties now mutually consent to the entry of this Consent Judgment and agree to dismissal of the claims with

prejudice pursuant to the terms of the Agreement to avoid the delay, expense, inconvenience, and uncertainty of protracted litigation.

**NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:**

In consideration of the mutual promises, terms, and conditions set forth in the Agreement, the adequacy of which is hereby acknowledged by all Parties, it is agreed by and between CVS and the State, and adjudicated by the Court, as follows:

1. The foregoing Recitals are incorporated herein and constitute an express term of this Consent Judgment.

2. The Parties have entered into a full and final settlement of all Released Claims of Releasers (including but not limited to the State) against CVS and the Released Entities pursuant to the terms and conditions set forth in the Agreement. This Consent Judgment summarizes and gives effect to those terms. In the event of a conflict between the terms of the Agreement (including its exhibits) and language in this Consent Judgment, the terms of the Agreement shall govern. Nothing in this summary document shall have the effect of expanding, diminishing, explaining, or otherwise modifying any term of the Agreement.

3. The “Definitions” set forth in Section I of the Agreement are incorporated by reference into this Consent Judgment. The State is a “Settling State” within the meaning of the Agreement. Unless otherwise defined herein, capitalized terms in this Consent Judgment shall have the same meaning given to them in the Agreement.

4. The Parties agree that the Court has jurisdiction over the subject matter of the Action and over the Parties with respect to the Action and this Consent Judgment. This Consent Judgment shall not constitute and shall not be construed or used as a waiver of any jurisdictional defense CVS or any other Released Entity may raise in any other proceeding.

5. The Court finds that the Agreement was entered into in good faith and is in the public interest, and that entry of this Consent Judgment is in the public interest. By this Consent Judgment, the Agreement is hereby approved by the Court.

6. The State's Claims against CVS are hereby DISMISSED WITH PREJUDICE, subject to a retention of jurisdiction by the Court as provided herein and in the Agreement.

7. The Court shall have authority to resolve disputes identified in Section VI.F.2 of the Agreement, governed by the rules and procedures of the Court.

8. By this Consent Judgment, the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds, a copy of which is attached hereto as Exhibit B and as incorporated into the Agreement pursuant to Exhibit O of the Agreement, is hereby approved by the Court as the means by which relevant funds paid pursuant to the Agreement will be divided within the State, provided that any Subdivision receiving such funds executes a Subdivision Participation Agreement accepting the terms of the Agreement, including the releases provided therein.

9. The Parties have satisfied the Condition to Effectiveness of Agreement set forth in Section VIII of the Agreement and the Release set forth in Sections XI.A and G of the Agreement, as follows:

- a. The Attorney General of the State exercised the fullest extent of his or her powers to release CVS and all other Released Entities from all Released Claims pursuant to the release attached hereto as Exhibit C (the "*AG Release*").
- b. CVS has determined to proceed with the Agreement.
- c. The Subdivision Participation Agreement for each Participating Subdivision in the State that has joined to date has been made available to CVS. As stated in the Subdivision Participation Agreement, and for the avoidance of doubt, nothing in the Subdivision Participation Agreement executed by the Participating Subdivisions is intended to modify in any way the terms of the Agreement to which the Participating Subdivisions agree. As stated in the Subdivision Participation Agreement, to the extent the terms of the executed version of the

Subdivision Participation Agreement differ from the terms of the Agreement in any respect, the terms of the Agreement control.

- d. Pursuant to Section VIII.C of the Agreement and Paragraph 2 of the Subdivision Participation Agreement, each Litigating Subdivision in the State that has become a Participating Subdivision is dismissing with prejudice any Released Claims that it has filed against CVS or any of the Released Entities.

10. Release. The Parties acknowledge that the release provisions in Section XI of the Agreement and the AG Release, which are incorporated by reference herein, are an integral part of this Consent Judgment. Pursuant to the Agreement and the AG Release and without limitation and to the maximum extent of the power of the State's Attorney General, CVS and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (a) the State and its Participating Subdivisions and any of their departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including the State's Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts, and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to the State or any Subdivision in the State, whether or not any of them participate in the Agreement. Pursuant to the Agreement and the AG Release and to the maximum extent of the State's power, CVS and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (1) the State, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal

controlled substances acts, and (3) any of the State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Further, the provisions set forth in Section XI of the Agreement are incorporated by reference into this Consent Judgment as if fully set forth herein. The Parties acknowledge, and the Court finds, that those provisions are an integral part of the Agreement and this Consent Judgment, and shall govern the rights and obligations of all participants in the settlement, including without limitation the State, CVS and the Released Entities.

11. Release of Unknown Claims. The State (for itself and its Releasers) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

12. The State may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but the State (for itself and its Releasers) expressly waived and fully, finally, and forever settled, released and discharged, through the Agreement and AG Release, any and all Released Claims that may exist as of the Effective Date but which the State does not know or suspect to exist, whether through ignorance,

oversight, error, negligence or through no fault whatsoever, and which, if known, would have materially affected the State's decision to enter into the Agreement.

13. The Court finds that the releases are given in good faith and are effective as to all Releasers and Released Entities.

14. Under Rhode Island law, no state or local governmental entity or sub-entity, including school districts, fire districts, and other such districts, may assert a claim against the Released Entities, where the Attorney General and every city and town have executed a Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds with respect to Agreement between CVS and the State. R.I. Gen. Laws § 42-7.2-10(d). The Attorney General and every city and town have executed the Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds, as amended to include the Agreement with CVS, effective April 28, 2023, thereby binding the State and cities and towns under the applicable statute.

15. Costs and Fees. The Parties will bear their own costs and attorneys' fees except as otherwise provided in the Agreement.

16. No Admission of Liability. CVS is consenting to this Consent Judgment solely for the purpose of effectuating the Agreement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which CVS expressly denies. Neither CVS nor any other Released Entity admits that it caused or contributed to any public nuisance, and neither CVS nor any other Released Entity admits any wrongdoing that was or could have been alleged by the State, its Participating Subdivisions, or any other person or entity. No part of this Consent Judgment shall constitute evidence of any liability, fault, or wrongdoing by

CVS or any other Released Entity. The Parties acknowledge that payments made under the Agreement are not a fine, penalty, or payment in lieu thereof and are properly characterized as described in Section V.F of the Agreement.

17. No Waiver. This Consent Judgment is entered based on the Agreement without trial or adjudication of any contested issue of fact or law or finding of liability of any kind. This Consent Judgment shall not be construed or used as a waiver of CVS's right, or any other Released Entity's right, to defend itself from, or make any arguments in, any other regulatory, governmental, private individual, or class claims or suits relating to the subject matter or terms of this Consent Judgment. Notwithstanding the foregoing, the State may enforce the terms of this Consent Judgment as expressly provided in the Agreement.

18. No Private Right of Action. This Consent Judgment is not for use by any third party for any purpose, including submission to any court for any purpose, except Participating Subdivisions for the limited purposes set forth in Section VI.A of the Agreement. Except as expressly provided in the Agreement, no portion of the Agreement or this Consent Judgment shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. The State shall allow Participating Subdivisions in the State to notify it of any perceived violations of the Agreement or this Consent Judgment. No Settling State, including the State, may assign or otherwise convey any right to enforce any provision of the Agreement.

19. Admissibility. This Consent Judgment shall not be admissible in any other case against CVS or any other Released Entity. This Consent Judgment shall not be binding on CVS or any other Released Entity in any respect other than in connection with the enforcement of this Consent Judgment or the Agreement in the State. For the avoidance of doubt, nothing herein shall prohibit CVS or any other Released Entity from entering this Consent Judgment or the Agreement

into evidence in any litigation or arbitration concerning (1) CVS's right to coverage under an insurance contract or (2) the enforcement of the releases provided for by the Agreement and this Consent Judgment.

20. Preservation of Privilege. Nothing contained in the Agreement or this Consent Judgment, and no act required to be performed pursuant to the Agreement or this Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, patient-safety work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

21. Mutual Interpretation. The Parties agree and stipulate that the Agreement was negotiated on an arm's-length basis between parties of equal bargaining power and was drafted jointly by counsel for each Party. Accordingly, the Agreement is incorporated herein by reference and shall be mutually interpreted and not construed in favor of or against any Party.

22. Retention of Jurisdiction. The Court shall retain jurisdiction over the Parties for the limited purpose of the resolution of disputes identified in Section VI.F.2 of the Agreement. The Court shall have jurisdiction over Participating Subdivisions in the State for the limited purposes identified in the Agreement.

23. Successors and Assigns. This Consent Judgment is binding on CVS's successors and assigns.

24. Modification. This Consent Judgment shall not be modified (by the Court, by any other court, or by any other means) without the consent of the State and CVS. Modification of the Agreement shall be governed by Section XIII.W of the Agreement.

## **CVS SETTLEMENT AGREEMENT**

This Settlement Agreement, dated as of December 9, 2022 (the “*Agreement*”), sets forth the terms of settlement between and among the Settling States, CVS, and the Participating Subdivisions (as those terms are defined below). Upon satisfaction of the conditions set forth in Section II and Section VIII, this Agreement will be binding on all Settling States, Participating Subdivisions, and CVS. This Agreement will then be submitted for entry as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

WHEREAS, certain States and Subdivisions have filed or could file Actions in various forums against CVS raising Claims or allegations concerning, related to, based upon, or in connection with the Alleged Harms and/or the Covered Conduct;

WHEREAS, CVS (i) denies each and all of the Claims and allegations of wrongdoing made by the States and Litigating Subdivisions in each of the Actions and maintains that it has meritorious defenses; (ii) denies all assertions of wrongdoing or liability against CVS arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions already brought or that could be brought by any State or Subdivision related to the Covered Conduct and/or Alleged Harms and contends that the factual allegations made in the current Actions relating to CVS are false and materially inaccurate; (iii) denies that any State, Subdivision, or resident thereof was harmed by any conduct of CVS; (iv) denies liability, denies any wrongdoing, and denies it violated any federal or state statute, regulation, or common law; and (v) maintains that CVS would be able to successfully defend against the Claims and allegations at trial, that the facts do not support the allegations, that CVS engaged in no misconduct or unlawful activity, and that CVS caused no harm to any State, Subdivision, or resident thereof;

WHEREAS, the Parties have investigated the facts and analyzed the relevant legal issues regarding the Claims and defenses that have been or could have been asserted in the Actions;

WHEREAS, the Parties have determined that it is preferable to resolve any Claims the States and Subdivisions may have through a cooperative and mutually beneficial settlement that provides funding to remediate Alleged Harms;

WHEREAS, the Parties have each considered the costs, delays and uncertainty associated with the continued prosecution and defense of the Actions;

WHEREAS, the Parties believe the settlement set forth herein avoids the uncertainties of litigation and assures that the benefits reflected herein are obtained;

WHEREAS, the States have concluded that the terms of the settlement are fair, reasonable and adequate and in the best interests of the States and all Subdivisions and citizens and residents of the States;

WHEREAS, the Parties have agreed to the terms herein for the sole purpose of settlement, and nothing herein may be taken as or construed to be an admission or concession of any violation

of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing or lack thereof;

WHEREAS, no part of this Agreement, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing, or of any lack thereof; and

WHEREAS, unless the contrary is expressly stated, this Agreement is not intended for use by any Party or any third party for any purpose not expressly stated herein, including submission to any court for any purpose other than Court approvals associated with this Agreement.

NOW, THEREFORE, IT IS HEREBY AGREED by and between the Settling States, Participating Subdivisions, and CVS, by and through their respective counsel, as follows:

## **I. Definitions**

For all sections of this Agreement except Exhibit E and Exhibit P, the following definitions apply:

A. “*Actions*” means any lawsuit by a Settling State or Participating Subdivision asserting any Released Claim against one or more Released Entities.

B. “*Additional Remediation Amount*” means the amount available to the Settling States totaling up to \$28,527,739.

C. “*Advisory Committee*” has the meaning set forth in Section V.E.2.d.

D. “*Agreement*” has the definition set forth in the preamble, including all exhibits.

E. “*Alleged Harms*” means the alleged past, present, and future financial and societal harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, including those expenditures that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by CVS.

F. “*Allocation Statute*” means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation as set forth in Section V.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

G. “*Annual Payment*” means the total amount payable to the Settlement Fund Administrator by CVS on the Payment Date each year, as calculated by the Settlement Fund Administrator pursuant to Section IV.C.3. For the avoidance of doubt, this term does not include the Additional Remediation Amount, amounts paid pursuant to Section X, amounts paid for the

cost of the Settlement Fund Administrator pursuant to Section V.C.4, or amounts paid for the cost of the Implementation Administrator pursuant to Section VIII.A.

H. “*Appropriate Official*” has the meaning set forth in Section XIII.F.3.

K. “*Bar*” means either: (1) a law barring Subdivisions in a State from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by the highest court of the State (or, in a State with a single intermediate court of appeals, the intermediate court of appeals when not subject to further review by the highest court of the State) setting forth the general principle that Subdivisions in the State may not maintain any Released Claims against Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments made by CVS under this Agreement) shall not constitute a Bar.

L. “*Case-Specific Resolution*” means either: (1) a law barring the Subdivision at issue from maintaining any Released Claims against any Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by a court of competent jurisdiction over the Subdivision at issue that the Subdivision may not maintain any Released Claims at issue against any Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments made by CVS under this Agreement) shall not constitute a Case-Specific Resolution.

M. “*Claim*” means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, *parens patriae* claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including but not limited to any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, abatement, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever.

N. “*Claim-Over*” means a Claim asserted by a Non-Released Entity against a Released Entity on the basis of contribution, indemnity, or other claim-over on any theory relating to a Non-Party Covered Conduct Claim asserted by a Releasor.

O. “*Consent Judgment*” means a state-specific consent judgment in a form to be agreed by the Settling States and CVS prior to the Initial Subdivision Participation Date that, among other things, (1) approves this Agreement and (2) provides for the release set forth in Section XI.A, including the dismissal with prejudice of any Released Claims that the Settling State has brought against Released Entities.

P. “*Covered Conduct*” means any actual or alleged act, failure to act, negligence, statement, error, omission, breach of any duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity of any kind whatsoever from the beginning of time through the Effective Date (and any past, present or future consequence of any such act, failure to act, negligence, statement, error, omission, breach of duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity) in any line of business arising from or relating in any way to: (1) the distribution, dispensing, delivery, monitoring, reporting, supply, sale, prescribing, physical security, warehousing, coverage, purchases, reimbursement, discovery, development, manufacture, packaging, repackaging, marketing, promotion, advertising, labeling, recall, withdrawal, and/or any similar act or failure to act related to any Product; the use and/or abuse of any Product; orders, prescriptions, formularies, guidelines, payments and/or rebates for any Product; policies, practices and/or operating procedures, statements, contracts, commercial arrangements, insurance, claim and/or benefit administration, claim adjudication, plan design, data and/or sales thereof, and/or any similar act or failure to act relating to any Product; and/or any system, plan, policy and/or advocacy relating to any Product, including but not limited to unbranded promotion, marketing, programs, and/or campaigns related to any Product and/or class of Products; (2) the characteristics, properties, risks and/or benefits of any Product; (3) the reporting, disclosure, non-reporting and/or non-disclosure to federal, state and/or other regulators of orders and/or prescriptions, theft, diversion and/or any similar conduct related to any Product; (4) the purchasing, selling, acquiring, disposing of, importing, exporting, handling, processing, packaging, supplying, distributing, and/or converting any Product; and (5) controls against diversion, corresponding responsibility, and/or suspicious order monitoring related to any Product.

Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct and/or Alleged Harms. The Parties intend that “Released Claims” be interpreted broadly. This Agreement does not release Claims by private individuals. An illustrative list of CVS’s present joint ventures, subsidiaries, affiliates and predecessor entities is set forth in Exhibit J. With respect to joint ventures (including predecessor entities), only entities listed on Exhibit J are Released Entities. Current or former defendants in *In re: National Prescription Opiate Litigation*, No. 1:17-md-2804 (N.D. Ohio) (“MDL”) (or in other pending litigation asserting a Claim for Covered Conduct, as identified in the “*National Opiate Litigation – Case and Defendant Extract*” provided to CVS by the Plaintiffs’ Executive Committee on November 22, 2022) not identified in Exhibit J are not considered Released Entities, *provided, however*, that any CVS entities that fall within clauses (1)-(5) above against whom Released Claims are brought in the MDL on or after December 9, 2022 shall be considered Released Entities even if not listed on Exhibit J. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State’s Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Subdivision Participation Date) the authority set forth in Section XI.G. In addition to being a Releaser as provided herein, a Participating Subdivision shall also provide the Subdivision Participation Agreement referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision’s authority.

If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that Settling State opt out. In seeking certification of any Settlement Class, the applicable Settling State and Participating Subdivisions shall make clear that certification is sought solely for settlement

purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

## **II. Participation by States and Condition to Preliminary Agreement**

A. *Notice to States*. On December 9, 2022, this Agreement shall be distributed to all Eligible States by the Enforcement Committee. The Eligible States’ Attorneys General shall then have until December 31, 2022 (the “*State Participation Date*”), to decide whether to become Settling States. Eligible States that determine to become Settling States shall sign a State Participation Form, in the form attached as Exhibit Y, and provide it to CVS and the Enforcement Committee on or before the State Participation Date. The State Participation Date may be extended by the written agreement of CVS and the Enforcement Committee.

B. *Condition to Preliminary Agreement—Settling States’ Determination to Proceed*. Following the State Participation Date, the Settling States on the Enforcement Committee shall determine whether enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. The Settling States shall have full, unfettered, and unilateral discretion to abandon the Agreement, without prejudice, should they

determine, based on any criteria or factors they deem relevant, that the Eligible State participation level is insufficient. Within seven (7) calendar days after the State Participation Date, the Settling States shall provide notice to CVS and the Enforcement Committee whether they intend to proceed with the Agreement. Should the Settling States give notice of insufficient Eligible State participation and elect not to proceed, then this Agreement shall have no further effect and all releases, payment obligations, and other commitments or obligations contained herein shall be void.

C. *Condition to Preliminary Agreement—CVS's Determination to Proceed.* If the Settling States elect to proceed, then CVS shall determine whether enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. CVS shall have full, unfettered, and unilateral discretion to abandon the Agreement, without prejudice, should it determine, based on any criteria or factors it deems relevant, that the Eligible State participation level is insufficient. Within seven (7) calendar days after receiving notice of the Settling States' election to proceed pursuant to Section II.B, CVS shall provide notice to the Settling States and the Enforcement Committee whether it intends to proceed with the Agreement. Should CVS give notice of sufficient Eligible State participation and elect to proceed, the date of the notice shall be the Preliminary Agreement Date. Should CVS give notice of insufficient Eligible State participation and elect not to proceed, then this Agreement shall have no further effect and all releases, payment obligations, and other commitments or obligations contained herein shall be void.

D. *Later Joinder by States.* Should the Settling States and CVS elect to proceed with the Agreement, then an Eligible State may become a Settling State after the Preliminary Agreement Date only with the consent of CVS, in its sole discretion. If an Eligible State becomes a Settling State more than sixty (60) calendar days after the Preliminary Agreement Date, but on or before May 31, 2023, then the Subdivisions in that Eligible State that become Participating Subdivisions within ninety (90) calendar days of that Eligible State becoming a Settling State shall be considered Initial Participating Subdivisions. An Eligible State may not become a Settling State after May 31, 2023.

E. *Litigation Activity.* Following the State Participation Date, Eligible States that determine to become Settling States shall make reasonable efforts to cease all litigation activity against the Released Entities, including by jointly seeking stays or severance of Claims against Released Entities, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

As a result, and as set forth in Exhibit M-1, base payments in Payment Years 2 through 10 are less than base payments in Payment Year 1 to ensure they do not exceed thirty-eight percent (38%) of each Settling State's allocable share of the Maximum Remediation Amount.

2. In no instance shall CVS's Annual Payment obligation exceed the Maximum Annual Remediation Payments, reduced for Non-Settling States, except as specified in the definition of "Maximum Annual Remediation Payments" for Payment Years 6-10. In no instance shall the sum of CVS's Annual Payment obligations exceed the Maximum Remediation Payment, reduced for Non-Settling States.

C. *Settlement Fund Payment Process*

1. To determine each Annual Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data as of April 30 of the Payment Year for each Annual Payment, unless another provision of the Agreement specifies a different date. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to Settling States and Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. The Settlement Fund Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

a. determining, for each Settling State, the amount of base payments and incentive payments to which the State is entitled by applying the criteria in this Section;

b. applying any reductions or offsets required by Section IV and Section XII; and

c. determining the total amount owed by CVS to all Settling States and Participating Subdivisions listed on Exhibit G.

3. As soon as possible, but no later than forty-five (45) days prior to the Payment Date, the Settlement Fund Administrator shall give notice to CVS, the Settling

States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, following the determination described in Section IV.C.2, and the following timeline shall apply:

a. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, CVS, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Payment, or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and CVS identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and CVS identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and CVS shall pay the adjusted amount as the Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify CVS of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the Maximum Annual Payment. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Maximum Annual Remediation Payments.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by CVS into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G.

e. At any time before the Payment Date for an Annual Payment, CVS and the Enforcement Committee may agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State. If such agreement is reached, CVS and the Enforcement Committee shall inform the Settlement Fund Administrator, and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.2.

4. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have reached consensus on the amount of its Statewide Payment Amount, determined pursuant to Section IV.C.2 or Section IV.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund

Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section V, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section IV.C.2 or Section IV.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

5. Disputes described in this subsection (other than those for which no response is filed under Section IV.C.3.c or Section IV.C.4.d) shall be resolved in accordance with the terms of Section VI.

6. The Settlement Fund Administrator may combine the disbursements of Annual Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements

under other comparable opioid settlements. No such disbursement determinations by the Settlement Fund Administrator shall impact in any respect the amount, composition, or determination of an Annual Payment under this Agreement or CVS's obligations under this Agreement.

7. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive and are not eligible to receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Payment Date and Procedure for Annual Payment in Payment Year 1.* The procedure described in Section IV.C.2 and Section IV.C.3 for determining the amount of the Annual Payment shall not apply to Payment Year 1. The procedure in lieu of Section IV.C.2 and Section IV.C.3 for determining the amount of the Annual Payment for Payment Year 1 is as set forth here. The Payment Date for Payment Year 1 is June 30, 2023 or the Effective Date, whichever is later. On or before such date, and *provided that* the conditions set forth in Section II.B, Section II.C, Section VIII.B, and Section VIII.C have been satisfied, CVS shall deposit into the Settlement Fund the Maximum Annual Remediation Payment for Payment Year 1 as specified in Exhibit M-1 (which, again, shall consist only of base payments). The excess amount paid in Payment Year 1—including without limitation any amounts allocable to Non-Settling States—shall be deducted from the Annual Payment for Payment Year 2, along with any other deductions or reductions to the Annual Payment for Payment Year 2.

E. *Payment Date for Payment Years 2 through 10.* The Payment Date for Payment Years 2 through 10 is June 30 of each Payment Year or thirty (30) calendar days from when the Settlement Fund Administrator gives notice to CVS of the amount of the Annual Payment for a Payment Year, whichever is later. The Annual Payments for those Payment Years shall be made pursuant to the process set forth in Section IV.C.

F. *Offsets to Annual Payments to the Settlement Fund for Non-Settling States.* An offset equal to the Maximum Remediation Payment of \$4,279,160,837 times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by CVS to the Settlement Fund. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the Maximum Annual Remediation Payments specified in Exhibit M-1 are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F-2.

G. *Base Payments.*

1. CVS shall make base payments into the Settlement Fund in an amount equal to thirty-eight percent (38%) of the Maximum Remediation Payment of \$4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F. The maximum total for base payments is \$1,626,081,118. The base payments shall be due in annual installments consistent with Exhibit M-1 over the ten (10) Payment Years, subject to potential offsets for Non-Settling States as provided in Section IV.F.

2. Each Settling State's total base payments for all Payment Years shall not exceed thirty-eight percent (38%) of each Settling State's Overall Allocation Percentage times the Maximum Remediation Payment.

3. The base payment for any Settling State in each Payment Year shall be the base payment for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2.

H. *Incentive Payments.*

1. CVS shall make potential incentive payments into the Settlement Fund, totaling up to a maximum of sixty-two percent (62%) of the Maximum Remediation Payment of \$4,279,160,837, minus any offsets for Non-Settling States specified in Section IV.F, with the actual incentive payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for incentive payments is and cannot exceed \$2,653,079,719.

2. A Settling State qualifies to receive incentive payments in addition to base payments if it meets the incentive eligibility requirements specified below. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for incentive payments listed in Section IV.H.1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2. Incentive payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The incentive payments shall be available from four (4) categories, referred to as Incentive Payments A, B, C, and D. Incentive Payments A, B, and C will be due in annual installments over the nine (9) Payment Years beginning with Payment Year 2, and Incentive Payment D will be due in installments over five (5) years beginning with Payment Year 6, as shown on Exhibit M-1. The total amount of incentive payments in an Annual Payment shall be the sum of the incentive payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be determined with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, B, C, and D shall be determined on a Settling State-by-Settling State basis and for each Payment Year as set forth below. Except to the limited extent provided below for Incentives A (see Section IV.H.6.c) and D (see Section IV.H.9.j), a Settling State may not earn and shall not be paid in any later Payment Year an annual incentive payment for a prior Payment Year, or any portion thereof, that it failed to qualify for in that prior Payment Year.

4. A Settling State may either qualify for Incentive Payment A, or it can alternatively qualify for Incentive Payments B, C, and/or D. A Settling State will be eligible for its full allocable share of the maximum amount available for incentive payments by either (a) achieving Incentive Payment A within two (2) years of the Effective Date or (b) by fully earning Incentive Payment B in each Payment Year it is available and

earning Incentive Payments C and D in a manner that produces that maximum possible combined amount from those two incentives.

5. The following time periods apply to Incentive Payments B and C:
  - a. Period 1: Zero to two hundred ten (210) days after the Effective Date.
  - b. Period 2: Two hundred eleven (211) days to one year after the Effective Date.
  - c. Period 3: One year and one day after the Effective Date to April 30, 2027.

6. Incentive Payment A.

- a. Incentive Payment A is mutually exclusive with Incentive Payments B, C, and D; if a Settling State receives Incentive Payment A in an Annual Payment, such Settling State is not eligible for Incentive Payments B, C, or D in that Annual Payment.

- b. Incentive Payment A shall be up to a maximum of sixty-two percent (62%) of the Maximum Remediation Payment of \$4,279,160,837, minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for Incentive Payment A is \$2,653,079,719.

- c. The Incentive Payment A for any Settling State in each Payment Year shall be the Incentive Payment A for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State achieves Incentive Payment A by two (2) years after the Effective Date. If a Settling State achieves Incentive Payment A after April 30, 2024 but before two (2) years after the Effective Date, it shall receive a catch-up payment as part of the next Annual Payment for the difference between what it would have earned had it qualified for Incentive Payment A for Payment Year 2 and what it was actually paid for Payment Year 2. The Settlement Fund Administrator shall decrease the catch-up payments payable pursuant to this Section IV.H.6.c to the extent they cannot be paid without exceeding an applicable payment limit shown in Exhibit M-1 for the next Payment Year.

- d. A Settling State is eligible for Incentive Payment A if: (i) there is a Bar in that State in full force and effect; (ii) there is a Settlement Class Resolution in that State in full force and effect; (iii) there is a ruling from the State's highest court barring all Subdivisions from bringing or maintaining Released Claims; (iv) the Released Claims of all of the following entities are released through the execution of Subdivision Participation Agreements: (1) all Litigating Subdivisions,

(2) all Non-Litigating Primary Subdivisions, (3) all non-litigating School Districts with a K-12 student enrollment of at least 25,000 or 0.10% of a State's population, whichever is greater, (4) all non-litigating health districts and hospital districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and (5) all Primary Fire Districts; or (v) a combination of the actions in clauses (i)-(iv) has achieved the same level of resolution of Claims by Subdivisions (*e.g.*, a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions.

e. A Settling State that does not achieve Incentive Payment A as of two (2) years after the Effective Date shall not be eligible for, and shall not receive, Incentive Payment A for any Payment Year.

f. CVS shall acknowledge on or before the Initial Subdivision Participation Date the sufficiency of any existing Bars in Settling States, provided that such States shall have provided no less than 30 days' notice to CVS of such Bars. Any other Settling State that believes it qualifies for Incentive Payment A by two (2) years after the Effective Date shall provide prompt notice to CVS, the Enforcement Committee, and the Settlement Fund Administrator, including data sources or other information establishing such Settling State's entitlement to Incentive Payment A. CVS and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

g. If CVS made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently subject to a Revocation Event, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the State requalifies for Incentive Payment A through any method pursuant to Section IV.H.6.d, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by CVS in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by CVS).

## 7. Incentive Payment B.

a. Incentive Payment B shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment B shall be up to a potential maximum of twenty-eight percent (28%) of the Maximum Remediation Payment of \$4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below

are met in each Settling State. The potential maximum total for Incentive Payment B is \$1,198,165,035.

c. The potential maximum Incentive Payment B for any Settling State in each Payment Year shall be the Incentive Payment B for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State becomes eligible for Incentive Payment B by April 30 of the Payment Year or April 30, 2027, whichever is earlier. The Incentive Payment B for any Settling State that qualifies for Incentive Payment B is subject to reduction in accordance with Section IV.H.7.f, Section IV.H.7.g, and Section IV.H.7.h.

d. For Payment Years 2 through 5, the calculations specified by this Section IV.H.7 shall be based on a Settling State's Participation Percentage of Litigating Subdivision Population<sup>6</sup> as of April 30 of that Payment Year. For Payment Years 6 through 10, the calculations specified by this Section IV.H.7 shall be based on a Settling State's Participation Percentage of Litigating Subdivision Population as of April 30, 2027.

e. A Settling State qualifies for an Incentive Payment B if Litigating Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Litigating Subdivision population are either Participating Subdivisions or have their Claims resolved through Case-Specific Resolutions.

f. Within Period 1: If Litigating Subdivisions collectively representing at least eighty-five percent (85%) of a Settling State's Litigating Subdivision population are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, during Period 1, then a sliding scale will determine the share of the Settling State's maximum Incentive Payment B for a Payment Year that it has earned. Under that sliding scale, if Litigating Subdivisions collectively representing eighty-five percent (85%) of a Settling State's Litigating Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 1, a Settling State will receive twenty percent (20%) of its maximum Incentive Payment B for each Payment Year. If more Litigating

---

<sup>6</sup> The "Participation Percentage of Litigating Subdivision Population" shall be determined by the aggregate population of a Settling State's Litigating Subdivisions (including without limitation School Districts and Special Districts) that are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, divided by the aggregate population of that Settling State's Litigating Subdivisions (including without limitation School Districts and Special Districts). In calculating the Settling State's population that resides in Litigating Subdivisions, the population of the Settling State's Litigating Subdivisions shall be the sum of the population of all Litigating Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Litigating Subdivision. An individual Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Litigating Subdivision to be excluded.

Subdivisions become Participating Subdivisions, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the maximum Incentive Payment B for each Payment Year as shown in the table below.

<b>Participation Percentage of Litigating Subdivision Population</b>	<b>Incentive Payment B Percentage</b>
Participation of less than 85%	Payment of 0% of Incentive B
Participation of 85% but less than 86%	Payment of 20% of Incentive B
Participation of 86% but less than 87%	Payment of 30% of Incentive B
Participation of 87% but less than 88%	Payment of 33% of Incentive B
Participation of 88% but less than 89%	Payment of 36% of Incentive B
Participation of 89% but less than 90%	Payment of 40% of Incentive B
Participation of 90% but less than 91%	Payment of 43% of Incentive B
Participation of 91% but less than 92%	Payment of 46% of Incentive B
Participation of 92% but less than 93%	Payment of 50% of Incentive B
Participation of 93% but less than 94%	Payment of 55% of Incentive B
Participation of 94% but less than 95%	Payment of 58% of Incentive B
Participation of 95% but less than 96%	Payment of 60% of Incentive B
Participation of 96% but less than 97%	Payment of 70% of Incentive B
Participation of 97% but less than 98%	Payment of 75% of Incentive B
Participation of 98% but less than 99%	Payment of 85% of Incentive B
Participation of 99% but less than 100%	Payment of 95% of Incentive B
Participation of 100%	Payment of 100% of Incentive B

g. Within Period 2: If a Settling State did not qualify for Incentive Payment B in Period 1, but Litigating Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State’s Litigating Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 2, then the Settling State qualifies in each Payment Year for seventy-five percent (75%) of the Incentive Payment B it would have qualified for in Period 1. If a Settling State qualifies for Incentive Payment B in Period 1 and increases its Participation Percentage of Litigating Subdivision Population in Period 2, the additional Incentive Payment B for each Payment Year shall be eighty-seven and one-half percent (87.5%) of the difference between (i) the Incentive Payment B calculated pursuant to Section IV.H.7.f in Period 2 and (ii) the Incentive Payment B calculated pursuant to Section IV.H.7.f at the end of Period 1.

h. Within Period 3: If a Settling State did not qualify for an Incentive Payment B in Periods 1 or 2, but Litigating Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State’s Litigating Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 3, then the Settling State qualifies for fifty percent (50%) of the Incentive Payment B it would have qualified for in Period 1. If a

Settling State qualifies for Incentive Payment B in Period 2 and increases its Participation Percentage of Litigating Subdivision Population in Period 3, the additional Incentive Payment B in each Payment Year shall be seventy-five percent (75%) of the difference between (i) the Incentive Payment B calculated pursuant to Section IV.H.7.f in Period 3 and (ii) the Incentive Payment B calculated pursuant to Section IV.H.7.f at the end of Period 2.

i. For the avoidance of doubt, an increase in a Settling State's Participation Percentage of Litigating Subdivision Population in Periods 2 and/or 3 from an earlier Period entitles the Settling State to receive the Incentive Payment B Percentage it had earned as of the end of the earlier Period plus the additional Incentive Payment B Percentage specified by the calculations in Section IV.H.7.g and Section IV.H.7.h.

j. If a Settling State has not qualified for Incentive Payment B by April 30, 2027, it shall no longer be eligible to qualify for and shall not receive any Incentive Payment B for any Payment Year.

k. If there are no Litigating Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment B, that Settling State will receive its maximum Incentive Payment B for that Annual Payment provided by Section IV.H.7.c.

8. Incentive Payment C.

a. Incentive Payment C shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment C shall be equal to up to a potential maximum of twenty-eight percent (28%) of the Maximum Remediation Payment of \$4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for Incentive Payment C is \$1,198,165,035.

c. The potential maximum Incentive Payment C for any Settling State in each Payment Year shall be the Incentive Payment C for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State becomes eligible for Incentive Payment B by April 30 of the Payment Year or April 30, 2027, whichever is earlier. The maximum Incentive Payment C for any Settling State that qualifies for Incentive Payment C is subject to reduction in accordance with Section IV.H.8.f, Section IV.H.8.g, and Section IV.H.8.h.

d. For Payment Years 2 through 5, the calculations specified by this Section IV.H.8 shall be based on the participation percentage of a Settling State's Non-Litigating Threshold population and its Litigating Subdivision population

(“*Participation Percentage of Incentive C Eligible Subdivision Population*”)<sup>7</sup> as of April 30 of that Payment Year. For Payment Years 6 through 10, the calculations specified by this Section IV.H.8 shall be based on a Settling State’s Participation Percentage of Incentive C Eligible Subdivision Population as of April 30, 2027.

e. Incentive Payment C shall be available depending on the percentage of the aggregate population of a Settling State’s Non-Litigating Threshold Subdivisions and Litigating Subdivisions (including without limitation School Districts and Special Districts) that are Participating Subdivisions or have their Claims resolved through Case-Specific Resolutions (the “*Incentive C Eligible Subdivisions*”). A Settling State qualifies for an Incentive Payment C if Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State’s Incentive C Eligible Subdivision population are either Participating Subdivisions or have their Claims resolved through Case-Specific Resolutions.

f. Within Period 1: If Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of a Settling State’s Incentive C Eligible Subdivision population are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, during Period 1, then a sliding scale will determine the share of the Settling State’s maximum Incentive Payment C for a Payment Year that it has earned. Under that sliding scale, if Incentive C Eligible Subdivisions collectively representing eighty-five percent (85%) of a Settling State’s Incentive C Eligible population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive twenty percent (20%) of its maximum Incentive Payment C for each Payment Year. If more Incentive C Eligible Subdivisions become Participating Subdivisions, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the maximum Incentive Payment C for each Payment Year as shown in the table below.

---

<sup>7</sup> The “Participation Percentage of Incentive C Eligible Subdivision Population” shall be determined by the aggregate population of a Settling State’s Non-Litigating Threshold Subdivisions and Litigating Subdivisions (including without limitation School Districts and Special Districts) that are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, divided by the aggregate population of that Settling State’s Non-Litigating Threshold Subdivisions and Litigating Subdivisions (including without limitation School Districts and Special Districts). In calculating the Settling State’s population that resides in Non-Litigating Threshold Subdivisions and Litigating Subdivisions, the population of the Settling State’s Non-Litigating Threshold Subdivisions and Litigating Subdivisions shall be the sum of the population of all Non-Litigating Threshold Subdivisions and Litigating Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Non-Litigating Threshold Subdivisions and Litigating Subdivision. An individual Non-Litigating Threshold Subdivisions or Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Non-Litigating Threshold Subdivision or Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Non-Litigating Threshold Subdivision or Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Non-Litigating Threshold Subdivision or Litigating Subdivision to be excluded.

<b>Participation Percentage of Incentive C Eligible Subdivision Population</b>	<b>Incentive Payment C Percentage</b>
Participation of less than 85%	Payment of 0% of Incentive C
Participation of 85% but less than 86%	Payment of 20% of Incentive C
Participation of 86% but less than 87%	Payment of 30% of Incentive C
Participation of 87% but less than 88%	Payment of 33% of Incentive C
Participation of 88% but less than 89%	Payment of 36% of Incentive C
Participation of 89% but less than 90%	Payment of 40% of Incentive C
Participation of 90% but less than 91%	Payment of 43% of Incentive C
Participation of 91% but less than 92%	Payment of 46% of Incentive C
Participation of 92% but less than 93%	Payment of 50% of Incentive C
Participation of 93% but less than 94%	Payment of 55% of Incentive C
Participation of 94% but less than 95%	Payment of 58% of Incentive C
Participation of 95% but less than 96%	Payment of 60% of Incentive C
Participation of 96% but less than 97%	Payment of 70% of Incentive C
Participation of 97% but less than 98%	Payment of 75% of Incentive C
Participation of 98% but less than 99%	Payment of 85% of Incentive C
Participation of 99% but less than 100%	Payment of 95% of Incentive C
Participation of 100%	Payment of 100% of Incentive C

g. Within Period 2: If a Settling State did not qualify for Incentive Payment C in Period 1, but Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Incentive C Eligible Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 2, then the Settling State qualifies in each Payment Year for seventy-five percent (75%) of the Incentive Payment C it would have qualified for in Period 1. If a Settling State qualifies for Incentive Payment C in Period 1 and increases its Participation Percentage of Incentive C Eligible Subdivision Population in Period 2, the additional Incentive Payment C for each Payment Year shall be eighty-seven and one-half percent (87.5%) of the difference between (i) the Incentive Payment C calculated pursuant to Section IV.H.8.f in Period 2 and (ii) the Incentive Payment C calculated pursuant to Section IV.H.8.f at the end of Period 1.

h. Within Period 3: If a Settling State did not qualify for an Incentive Payment C in Periods 1 or 2, but Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Incentive C Eligible Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 3, then the Settling State qualifies for fifty percent (50%) of the Incentive Payment C it would have qualified for in Period 1. If a Settling State qualifies for Incentive Payment C in Period 2 and increases its Participation Percentage of Incentive C Eligible Subdivision Population in Period 3, the additional Incentive Payment B in each Payment Year shall be seventy-five percent (75%) of the difference between (i) the Incentive

Payment B calculated pursuant to Section IV.H.8.f in Period 3 and (ii) the Incentive Payment B calculated pursuant to Section IV.H.8.f at the end of Period 2.

i. For the avoidance of doubt, an increase in a Settling State's Participation Percentage of Incentive C Eligible Subdivision Population in Periods 2 and/or 3 from an earlier Period entitles the Settling State to receive the Incentive Payment C Percentage it had earned as of the end of the earlier Period plus the additional Incentive Payment C Percentage specified by the calculations in Section IV.H.8.g and Section IV.H.8.h.

j. If a Settling State has not qualified for Incentive Payment C by April 30, 2027, it shall no longer be eligible to qualify for and shall not receive any Incentive Payment C for any Payment Year.

k. If there are no Incentive C Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment C, that Settling State will receive its maximum Incentive Payment C for that Annual Payment provided by Section IV.H.8.c.

9. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a potential maximum of fifteen percent (15%) of the Maximum Remediation Payment of \$4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for Incentive Payment D is \$641,874,126.<sup>8</sup>

c. Incentive Payment D shall be available to be earned starting at Payment Year 6 and the amount of Incentive Payment D in Payment Years 6-10 will depend on (i) the Settling State's eligibility as set out in Section IV.H.9.d and (ii) the Participation Percentage of the Incentive C Eligible Subdivision Population achieved by the Settling State as of April 30, 2027.

d. A Settling State is eligible for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the State's population, whichever is greater; (iii) a health district or hospital district that has at least one

<sup>8</sup> The Incentive Payment C table specified in Section IV.H.8.f and Incentive Payment D table specified in Section IV.H.9.e operate so that the combined amount of Incentive Payment C and Incentive Payment D cannot exceed thirty-four percent (34%) of the Maximum Remediation Payment over the term of the Agreement. CVS will have no obligation to pay more than \$1,454,914,684 for the combined amounts of Incentive Payment C and Incentive Payment D minus any offsets for Non-Settling States specified in Section IV.F and reductions for unachieved incentives.

hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that State has a lawsuit against a Released Entity that survived in whole or in part a Threshold Motion and is pending as of April 30 in Payment Years 6 to 10 (“*Incentive Payment D Look-Back Dates*”).

e. The Incentive Payment D for any Settling State in Payment Years 6-10 shall be between six percent (6%) and fifteen percent (15%) of the Maximum Remediation Payment times the Settling State’s Overall Allocation Percentage specified in Exhibit F-2. The applicable percentage shall be determined based on the Participation Percentage of the Incentive C Eligible Subdivision Population achieved by the Settling State as of April 30, 2027 as shown in the table below:

<b>Participation Percentage of Incentive C Eligible Subdivision Population as of April 30, 2027</b>	<b>Settling State’s Applicable Incentive Payment D Percentage</b>
Participation of less than 96%	15% of Maximum Remediation Payment
Participation of 96% but less than 97%	14.4% of Maximum Remediation Payment
Participation of 97% but less than 98%	13% of Maximum Remediation Payment
Participation of 98% but less than 99%	10.2% of Maximum Remediation Payment
Participation of 99% but less than 100%	7.4% of Maximum Remediation Payment
Participation of 100%	6% of Maximum Remediation Payment

f. Incentive Payment D shall be available in equal installments in Payment Years 6-10, unless an adjustment to payment is required by Section IV.H.9.i or Section IV.H.9.j after the Annual Payment is made for Payment Year 6, in which case the adjustment shall be made in a way that equalizes, to the extent possible, its effect over the remaining Payment Years.<sup>9</sup>

g. Prior to determining the Annual Payment for each of Payment Years 6 through 10, the Settlement Fund Administrator shall determine a Settling State’s eligibility for Incentive Payment D as of the Incentive Payment D Look-Back Date

---

<sup>9</sup> The top of the range for Incentive Payment D specified in Exhibit M-2 for Payment Years 6-10 represents five years of equal payments of Incentive Payment D at fifteen percent (15%) of the Maximum Remediation Payment for all Eligible States. The bottom of the range for Incentive Payment D specified in Exhibit M-2 for Payment Years 6-10 represents five years of equal payments of Incentive Payment D at six percent (6%) of the Maximum Remediation Payment for all Eligible States. Incentive Payment D cannot exceed the top of the range for Incentive Payment D specified in Exhibit M-2 for each of Payment Years 6-10. Any Incentive Payment D in excess of the bottom of the range for Incentive Payment D must correspond to reductions to Incentive Payment C in a prior or the same Payment Year, as provided by the Incentive Payment C table specified in Section IV.H.8.f.

in each such Payment Year. Prior to each Incentive Payment D Look-Back Date, CVS may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

h. If, at any time during the term of this Agreement any Subdivision becomes a Later Litigating Subdivision (as that term is limited by Section IV.H.9.c), then CVS shall, within thirty (30) calendar days of CVS or any Released Entity being served, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by CVS under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and CVS shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

i. If a Later Litigation Subdivision's lawsuit results in a money judgment being entered against a Released Entity or reasonable settlement being reached with a Released Entity, the amount is to be set off from the total Incentive Payment D for which the Settling State may become eligible. The total Incentive Payment D for which the Settling State may become eligible shall be reduced by the amount of the judgment or settlement.

j. Notwithstanding Section IV.H.9.d, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for any missed payments of Incentive Payment D in the following Payment Year, less any litigation fees and costs incurred by CVS in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D. The Settlement Fund Administrator shall decrease the missed payments payable pursuant to this Section IV.H.9.j to the extent it cannot be paid without exceeding the top end of an applicable payment range shown in Exhibit M-2 for the remaining Payment Years.

I. In no event shall any Settling State receive base payments and incentive payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F-2 times the Maximum Remediation Payment.

J. *Credit for Dispensing Services.* CVS and a Settling State may enter into an agreement for CVS to earn credits against Annual Payments for dispensing free-of-charge opioid alternatives, for free-of-charge product provided in connection with other opioid-related resolutions, and/or for other initiatives and services.

## V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payment made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds).

### B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation to address Alleged Harms, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than 95.5% of CVS's maximum payment amounts pursuant to Section IV as set forth on Exhibit M-1 over the entirety of all Payment Years (but not in any single Payment Year) be spent on Opioid Remediation; *provided, however*, that the remaining 4.5% only may be spent outside of Opioid Remediation to the extent necessary to satisfy: (a) back-stop attorney fee agreements entered into by Settling States with respect to at least one opioid settlement on or before November 30, 2022, even if such an agreement did not as of that date apply to CVS's Annual Payments; or (b) contingency fee agreements entered into by Settling States covering CVS's Annual Payments. Any amounts not spent to satisfy such agreements must be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision may, subject to the limitation in the second sentence of Section V.B.1, use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation, provided that if, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision listed on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and CVS how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. Such expenditures shall be reported to the Settlement Fund Administrator and CVS by January 31 of the year following the calendar year in which they are made. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Total Remediation Amount for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different Settling States, such as through a State-Subdivision Agreement. Given the uniqueness of Settling States and their Participating Subdivisions, Settling States and their Participating Subdivisions are encouraged to enter into State-Subdivision

Agreements in order to direct the allocation of their portion of the Settlement Fund. This Agreement has no effect on the ability of Settling States and their Participating Subdivisions to internally agree on the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate base payments under Section IV.G among the Settling States pursuant to Section VI.G. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under Section IV.H on a Settling State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Incentive payments for which a Settling State is eligible under Section IV.H will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Settlement Fund Administrator. Prior to the Initial Subdivision Participation Date, CVS and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

4. Settlement Fund Administrator Costs. Any reasonable costs and fees of the Settlement Fund Administrator accruing under this Agreement as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund; *provided, however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, CVS shall pay fifty percent (50%) of the additional amount directly to the Settlement Fund Administrator and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution.*

As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.<sup>10</sup> For a State-Subdivision Agreement to be applied to the relevant portion of the Annual Payment, notice must be provided to CVS and the Settlement Fund Administrator at least ten (10) business days prior to the Settlement Fund Administrator's disbursements of such portion to a Settlement State and its Participating Subdivisions.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such Settling State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation,<sup>11</sup> then, to the extent allocation or distribution is addressed, the amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation and abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that Settling State would still apply, while the distribution of the applicable Settling State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary

redistribution for which notice is provided to it less than sixty (60) calendar days prior to the applicable Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that Settling State's State Fund shall be distributed to that State.

b. Amounts apportioned to that Settling State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust, then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that Settling State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section V.F shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions to the extent such a distribution would violate Section VII.G or Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Non-Participating

Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust in a Settling State may govern the operation and use of amounts in that State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Participating Subdivisions in that State comply with Section VII.G through Section VII.I.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used by a Settling State solely for future Opioid Remediation<sup>12</sup> and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

(i) At least fifty percent (50%) of distributions for remediation from a Settling State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (A) define its initial regions, which shall consist of one (1) or more General-Purpose Subdivision(s) and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated using the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund

<sup>12</sup> Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) A Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General-Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Participating Subdivisions shall be eligible to receive regional allocation funds in the form of block grants for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of Settling States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more, and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Participating Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Participating Subdivisions eligible for block grants under Section V.E.2.c shall be divided regionally so that each block-grant eligible Participating Subdivision is a region and the remainder of the Settling State is a region.

d. *Advisory Committee.* A Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Participating Subdivisions and other communities regarding how the opioid crisis is

affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between CVS and the Enforcement Committee.

F. *Nature of Payment.* CVS, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Total Remediation Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Total Remediation Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Total Remediation Amount by CVS constitutes, and is paid for, compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by CVS in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes compensatory restitution and remediation for alleged damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law; and

4. For the avoidance of doubt: (a) the entire Total Remediation Amount is properly characterized as described in Section V.F, (b) no portion of the Total Remediation Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount constitutes the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for, is in place of, or is properly characterized as the payment of any fine, penalty, punitive damages, or other punitive assessments.

## VI. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and CVS; *provided, however,* that Released Entities may enforce Section XI and Participating Subdivisions listed on Exhibit G have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights with respect to either the terms of this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against CVS with respect to this Agreement or any Consent Judgment except that Participating Subdivisions shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Remediation Accounts Fund pursuant to Section V; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* CVS consents to the jurisdiction of the court in each Settling State in which the Consent Judgment is filed, limited to and for the sole and exclusive purpose of resolution of disputes identified in Section VI.F.2 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that CVS believes that the requirements established in Section V.B.1 are not being satisfied, CVS may request that CVS and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to CVS obtaining a reduction of its Annual Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the 95.5% of CVS's maximum payment amounts pursuant to Section IV as set forth on Exhibit M-1 over the entirety of all Payment Years (but not in any single Payment Year); (ii) only reduce Annual Payments to those Settling States and their Participating Subdivisions that are out of compliance with the requirements established in Section V.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E, or (ii) a Settling State failed to pay funds directly from

the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State pursuant to Section VI.F.3.a(iv) to seek resolution regarding the failure by CVS to make its allocable share of an Annual Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except as provided by Section VI.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section VI.F to resolve the dispute.

2. Except to the extent provided by Section VI.C or Section VI.F.3, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General’s or other participating entity’s authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion has been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.3.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the Agreement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court’s rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys’ fees and costs for preparing any such filing shall be paid for by the requesting Party.

3. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or CVS (together, “*Participating Parties*”) shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.2’s presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State’s law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) The amount of withholding attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms “Alleged Harms,” “Covered Conduct,” “Released Entities,” and “Released Claims”;

(iv) the failure by CVS to pay the Annual Payment, the Additional Remediation Amount in a Payment Year, or the amounts due pursuant to Exhibit S and Exhibit T, but for the avoidance of doubt, disputes between CVS and a Settling State over the amounts owed only to that

Settling State that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of any most-favored-nation provision in Section XIII.E;

(vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vii) disputes involving liability of successor entities;

(viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, B, C or D;

(ix) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(x) any dispute subject to resolution under Section VI.F.2 but for which all Participating Parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.3.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by CVS, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the Participating Parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the Participating Parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any Participating Party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel

shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or CVS on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, CVS, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and CVS whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a Settling State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each Participating Party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between CVS and Settling States/Participating Subdivisions shall be split fifty percent (50%) by CVS and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

4. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining Participating Party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the Participating Parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the Participating Parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the Participating Parties.

5. If the Participating Parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.2 or Section VI.F.3, a committee comprising the Enforcement Committee and sufficient representatives of CVS, such that the members of the Enforcement Committee have a majority of one (1) member, will determine, within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum, the forum where the dispute will be initiated. The forum identified by such committee shall be the sole forum for resolving the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and CVS reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

## **VII. Participation by Subdivisions**

A. *Notice.* Prior to the State Participation Date, the Parties shall agree on a vendor to serve as the Implementation Administrator and provide notice pursuant to this Section VII.A. No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the State Participation Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. The Settling States also may provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such Notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. All notice provided under this subsection will include that the deadline for becoming a Participating Subdivision is the Initial Subdivision Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court’s role under this Agreement. The required Subdivision Participation Agreement is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit following the Reference Date or the date on which the conditions for effectiveness in Section VIII.C have been met, whichever is later. Following its execution of a Subdivision Participation Agreement, a Litigating Subdivision shall take reasonable steps to immediately cease all litigation activity against the Released Entities, where feasible, or to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice, unless the Litigating Subdivision reasonably concludes that it would be prejudiced by doing so. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Participation Agreement whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity. For avoidance of doubt, where a subdivision official other than a General-Purpose Government has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity, that Subdivision may become a Participating Subdivision only if, in addition to the other requirements of this Section VII.C, the lawsuit filed by the subdivision official has also been dismissed with prejudice.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Subdivision Participation Date. All Subdivision Participation Agreements returned to the Implementation Administrator shall be held in escrow by the Implementation Administrator until the Reference Date. Subdivision Participation Agreements returned to the Implementation Administrator shall not be withdrawn

unless notice of the withdrawal is provided to the Implementation Administrator within eighteen (18) days after the Initial Subdivision Participation Date. If, for any reason, the Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and all Subdivision Participation Agreements shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision in a Settling State that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Subdivision Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Annual Payment due before it became a Participating Subdivision.

2. A Subdivision that becomes a Later Participating Subdivision after November 30, 2023 shall receive seventy-five percent (75%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Subdivision Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) is not eligible to become a Participating Subdivision.

4. A Subdivision that becomes a Later Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive twenty-five percent (25%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from CVS.

G. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Payment, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any base payments and incentive payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Remediation Accounts Fund for the Settling State in which the Non-Participating Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

### **VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment**

A. *Distribution of Subdivision Participation Agreements.* No later than three (3) calendar days after the Initial Subdivision Participation Date, the Implementation Administrator shall report to the Settling States and CVS on which Subdivisions in the Settling States have and have not executed Subdivision Participation Agreements and shall provide notice under Section XIII.Q of any withdrawals of Subdivision Participation Agreements within one (1) business day of the withdrawal. The Settling States and CVS each shall have online access to the Subdivision Participation Agreements for the purpose of auditing the Implementation Administrator’s reports but may not maintain copies. CVS shall pay up to and no more than \$1.5 million of the Implementation Administrator’s fees and costs, including advancing such fees and costs prior to the Effective Date. If this Agreement becomes effective, then CVS may deduct from its Annual Payment for Payment Year 2 any amount in excess of \$1.5 million it paid for the Implementation Administrator’s fees and costs.

B. *Determination to Proceed with Settlement—Settling States.* Following the Initial Subdivision Participation Date, the Settling States on the Enforcement Committee shall determine whether to proceed with the Agreement. No later than fifteen (15) calendar days prior to the Reference Date, the Settling States shall provide notice to CVS and the Enforcement Committee of their decision. If the Settling States elect not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Participation Agreements) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

C. *Determination to Proceed with Settlement—CVS.* If the Settling States elect to proceed, CVS shall then determine whether to proceed with the Agreement. This determination shall be in CVS’s sole discretion and may be based on any criteria or factors it deems relevant. CVS shall provide notice to the Settling States and the Enforcement Committee of its decision no later than the Reference Date. If CVS elects to proceed with the Agreement, the Parties will proceed to file the Consent Judgments, and the obligations in the State Participation Forms and the Subdivision Participation Agreements will become effective as of the Reference Date. If CVS elects not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Participation Agreements) and other commitments or obligations contained herein or in Subdivision Participation Agreements will be void.

### **IX. Additional Remediation**

A. *Additional Remediation Amount.* Subject to and without exceeding the maximum payment amounts set forth in the “Additional Remediation Amount” column of Exhibit M-3 and

subject to the reduction specified in Section IX.B, CVS shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth in Exhibit M-3, on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

B. *Reduction of Additional Remediation Amount.* The amounts owed by CVS pursuant to this Section IX shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

C. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with opioid investigations that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section V.C through Section V.E.

## **X. Plaintiffs' Attorneys' Fees and Costs**

The Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. CVS shall pay subdivision attorneys' fees and costs into the Subdivision Attorney's Fee and Subdivision Cost and Expense Fund as set forth in Exhibit R and Exhibit M-3. The Agreement on the State Outside Counsel Fee Fund and Agreement on the Joint State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference. Attorneys' fees, expenses and costs shall not exceed the maximum annual and total amounts set forth in the relevant columns of Exhibits M-1 and M-3 and shall be subject to reduction as set forth in Exhibit R, Exhibit S, and Exhibit T.

## **XI. Release**

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim; or to cause, assist in bringing or permit to be brought, filed, or claimed; or to otherwise seek to establish liability for any Released Claim against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are broad, shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to any Released Claim, and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Alleged Harms and/or Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasers against non-Parties shall not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section XI.B are to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. If any Releaser enters into a Non-Party Settlement on or after the Effective Date, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releaser will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from CVS in Section XI.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. If any Releaser obtains a judgment with respect to a Non-Party Covered Conduct Claim against a Non-Released Entity that does not contain the prohibition described in Section XI.B.3, or any Releaser files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releaser is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section XI.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section XI.B.2 with respect to that Non-Released Entity and that Releaser and CVS shall take the following actions to ensure that

the Released Entities do not pay more with respect to Alleged Harms and/or Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by CVS:

a. CVS shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Agreement, whichever is later;

b. CVS and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by CVS under this Agreement;

c. That Releasor and CVS shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by CVS under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by CVS or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by CVS to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to CVS by that Releasor to ensure CVS is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to CVS under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and CVS may devise to hold CVS harmless from the Claim-Over.

d. The actions of that Releasor and CVS taken pursuant to clause (c) above must, in combination, ensure CVS is not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by CVS under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to clause (c) above, Releasor and CVS may seek review by the National Arbitration Panel, or, upon consent of the parties to the dispute, by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to order a remedy, including one or more of the actions specified in clause (c), sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, CVS shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold CVS harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that CVS may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section XI.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. CVS shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and

that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date even if Releasors do not know or suspect such claims to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and even if knowledge of the existence of such claims would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct or Alleged Harms by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against CVS (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to CVS.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or will obtain no later than the Initial Subdivision Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor, to be materially similar to that in Exhibit X, is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement

Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Settling States will meet and confer with CVS and simultaneously make reasonable efforts to resolve any action filed by a Subdivision involving any Covered Conduct, Alleged Harms, or a Product that remains pending against CVS after the Initial Subdivision Participation Date. Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement. Nothing in this Agreement precludes the Released Entities from asserting, in an action arising from or relating to Claims by private individuals, any defense or argument based on this Agreement that is available under applicable law.

## **XII. Later Litigating Subdivisions; Non-Settling States**

A. *Released Claims against Released Entities.* If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Initial Subdivision Participation Date, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. CVS shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by CVS under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and CVS shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

B. *Non-Settling States.* Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.

C. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Settling State shall seek to obtain either dismissal of the lawsuit in cooperation with CVS, or a release of the Primary Subdivision's claims. If the lawsuit asserting a Released Claim

either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, CVS shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that Settling State and to its Subdivisions.

D. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If CVS made any Annual Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Payment, that Settling State shall seek to obtain a release of the claims impacted by the Revocation Event, including but not limited to defending the legality of the Bar, obtaining a dismissal of the claims made against the Released Entity, and obtaining releases from impacted Subdivisions. If the Settling State is unable to defend the legality of the bar and/or obtain releases from all impacted Subdivisions, then CVS shall receive a dollar-for-dollar offset against the portion of remaining Annual Payments that would be allocated to that Settling State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by CVS by virtue of the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from CVS during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

E. *Certain Taxes.* Amounts paid by CVS under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against CVS's obligation to pay its share of the Annual Payment in that Payment Year that would be allocated to the taxing Settling State or its Participating Subdivisions. If such amounts paid exceed CVS's allocable share of the Annual Payment allocable to the taxing Settling State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its allocable share of remaining Annual Payments that would be allocated to the taxing Settling State or its Participating Subdivisions. CVS represents that as of December 2, 2022, there is no Opioid Tax currently in effect in any Eligible State that would give rise to this offset provision.

### **XIII. Miscellaneous**

A. *Population of General-Purpose Governments.* The population figures for General-Purpose Governments shall be the published U.S. Census Bureau's population estimates for July

1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.<sup>13</sup>

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.H.6.d and Section IV.H.9.d: (a) School Districts' populations will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' populations will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including fire districts' and library districts') populations will be measured at ten percent (10%) of the population served. For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. CVS and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section XIII.B prior to the Preliminary Agreement Date.

C. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* The Parties intend the settlement as described herein to be a final and complete resolution of all disputes between CVS and all Releasers. CVS is entering into this Agreement solely for the purposes of settlement, to resolve all Actions and Released Claims and thereby avoid significant expense, inconvenience and uncertainty. CVS denies the allegations in the Actions and denies any civil or criminal liability in the Actions. Nothing contained herein may be taken as or deemed to be an admission or concession by CVS of: (i) any violation of any law, regulation, or ordinance; (ii) any fault, liability, or wrongdoing; (iii) the strength or weakness of any Claim or defense or allegation made in any Action, or in any other past, present or future proceeding relating to any Covered Conduct, Alleged Harms, or any Product; (iv) the legal viability of the claims and theories in any Action, including but not limited to the legal viability of the relief sought; or (v) any other matter of fact or law. Nothing in this Agreement shall be construed or used to prohibit any Released Entity from engaging in the conduct of its business relating to any Product in accordance with the Injunctive Relief Terms and applicable laws and regulations.

E. *Most-Favored-Nation Provision.*

1. If, after the Effective Date, CVS enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States may elect to seek review, pursuant to Section XIII.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such

The estimates for cities and towns can currently be found at <https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html>.

Settling State(s) may obtain, with respect to CVS, overall payment terms at least as favorable as those obtained by such Non-Settling State. “*Overall payment terms*” refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amounts of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, CVS shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by CVS with a Non-Settling State are more favorable to the Non-Settling State, based on the totality of the considerations set forth in Section XIII.E.1, the Settling State(s) and CVS shall engage in the following process:

a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or consent judgment is provided to the Enforcement Committee, to CVS of its (their) intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the Settling State’s (Settling States’) belief that it (they) is (are) entitled to a revision of the Agreement.

b. CVS shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is (are) entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and CVS do not reach agreement as to the application of Section XIII.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIII.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.3.

d. The Settling State(s) and CVS shall be bound by the determination of the National Arbitration Panel.

4. This Section XIII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with CVS that is entered into with: (a) a Non-Settling State after a date ninety (90) calendar days prior to the scheduled start date of a trial between CVS and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order

to complete a settlement, a Non-Settling State and CVS jointly request an adjournment of the scheduled start date of a trial within ninety (90) calendar days of that date, this exception will apply as if the trial date had not been adjourned; (b) a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against CVS. For avoidance of doubt, the National Arbitration Panel shall have no power to review agreements described in this paragraph.

5. This Section XIII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, (a) any agreement between CVS and Non-Participating Subdivisions, and (b) any global tribal settlement or any agreement between CVS and any federally-recognized tribe.

6. This Section XIII.E will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

F. *Tax Cooperation and Reporting.*

1. Upon request by CVS, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for CVS to establish the statements set forth in Section V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with CVS with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “*Appropriate Official*”). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to CVS and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by CVS, and (b) provides to CVS a copy of (i) the IRS Form 1098-F filed with respect to CVS and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.F.

4. Any return, amended return, or written statement filed or provided pursuant to Section XIII.F.3, and any similar document, shall be prepared and filed in a manner

consistent with reporting the Global Settlement Amount as the “Total amount to be paid” pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Total Remediation Amount as “Restitution/remediation amount” in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XIII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to CVS a draft of such return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from CVS on the return, amended return, or written statement.

5. For the avoidance of doubt, neither CVS nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Total Remediation Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use reasonable efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *Legal Obligations.* Nothing in this Agreement shall relieve CVS of the obligation to comply with all state and federal laws, regulations or rules, nor does any provision herein permit any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that CVS cannot comply with this Agreement without violating such a requirement or requirements, CVS shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement. The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.N.

P. *Non-Admissibility.* Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement: (i) is or may be deemed to be or may be used as an admission or evidence relating to any matter of fact or law alleged in the Actions, the strength or weakness of any claim or defense or allegation made in those cases, or any wrongdoing, fault, or liability of any Released Entities; or (ii) is or may be deemed to be or may be used as an admission or evidence relating to any liability, fault or omission of Released Entities in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purpose, except to enforce the terms of this Agreement, and except that Released Entities may file or use this Agreement in any action (1) involving a determination regarding insurance coverage; (2) involving a determination of the taxable income or tax liability of any Released Entities; (3) to support a defense or counterclaim

based on principles of res judicata, collateral estoppel, release, good-faith settlement, judgment bar or reduction or on any other theory of claim preclusion or issue preclusion or similar defense or counterclaim; (4) to support a claim for contribution and/or indemnification; or (5) to support any other argument or defense by a Released Entities that the Remediation Payment provides a measure of compensation for Alleged Harms or otherwise satisfy the relief sought.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.Q.

R. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Severability.* In the event any one or more immaterial provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent

Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, the Parties and their respective successors and assigns.

2. CVS shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to CVS's obligations under this Agreement.

3. CVS shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by CVS) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of CVS where the sale or transfer transaction is announced after the Effective Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize CVS's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction. The above restriction shall not apply if CVS obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of CVS's remaining payment obligations under this Agreement equal to the percentage of CVS's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of CVS's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.U.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section XIII.U.3 not raised within twenty (20) calendar days from the date that CVS transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XIII.U.3 shall be a National Dispute as described in Section VI.F.3 and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

V. *Waiver.* CVS, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the “*Texas*

*Statutes*”), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of CVS’s payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of CVS’s payment obligations incurred hereunder are satisfied in full, CVS’s rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

W. *Modification, Amendment, Alteration.* In the event the Plaintiffs’ Executive Committee, the Executive Committee of the State Attorneys General, or CVS concludes prior to January 18, 2023 that technical corrections are required to this Agreement, the Plaintiffs’ Executive Committee, the Executive Committee of the State Attorneys General, and CVS shall meet and confer and make such amendments as they agree are appropriate. Except as otherwise provided in this Agreement, after the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by CVS, along with the signatures of at least two-thirds of the Settling States along with a representation from each such Settling State that either: (1) the Advisory Committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in States without any Advisory Committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

X. *Termination.*

1. Unless otherwise agreed to by CVS and the Settling State in question, this Agreement or the Consent Judgment as to that Settling State and all of its terms (except Section XIII.P and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect, only if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement’s terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or

b. this Agreement has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIII.X.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that CVS and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. CVS and the Settling State in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that CVS and the Settling State in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless CVS and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties after the Payment Date for Payment Year 10, *provided* that CVS has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.X.3 or in this Agreement, all releases under this Agreement will remain effective in perpetuity.

Y. *Governing Law.* Except (1) as otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of each Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against CVS or against which CVS is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

**ARTICLE III**

**Members of the Committee**

**(1) Number of Members**

The Committee will consist of sixteen (16) members (the “Members”). 1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.
3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).
7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (“ADAM”) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

## **EXHIBIT G**

### **Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and Default Subdivision Fund Allocation Percentages**

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include all Subdivisions set forth on Exhibit G of the national opioid settlement agreement dated July 21, 2021 with Janssen Pharmaceuticals, Inc., et al., including all amendments up to the Preliminary Agreement Date of this Agreement. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Subdivision Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Subdivision Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated December 9, 2022 (“*CVS Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the CVS Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the CVS Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the CVS Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at [website link to national settlement website to be provided].
3. The Governmental Entity agrees to the terms of the CVS Settlement pertaining to Participating Subdivisions as defined therein.
4. By agreeing to the terms of the CVS Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the CVS Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the CVS Settlement. The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel

as provided in, and for resolving disputes to the extent otherwise provided in, the CVS Settlement.

7. The Governmental Entity has the right to enforce the CVS Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the CVS Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the CVS Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The CVS Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the CVS Settlement.
10. In connection with the releases provided for in the CVS Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the CVS Settlement.

11. Nothing herein is intended to modify in any way the terms of the CVS Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is

interpreted differently from the CVS Settlement in any respect, the CVS Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

## **EXHIBIT L**

### **Settlement Fund Administrator Terms**

#### **I. Definitions**

- A. These Settlement Fund Administrator Terms incorporate all defined terms in the CVS Settlement Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the CVS Settlement Agreement. In the event that these Settlement Fund Administrator Terms conflict with the CVS Settlement Agreement and the other exhibits therein, the CVS Settlement Agreement shall control, and the Parties shall meet and confer to amend these Settlement Fund Administrator Terms to make them consistent with the CVS Settlement Agreement.
- B. *Directed Trustee.* The banking institution where the Settlement Fund is established and which distributes the funds according to the instructions of the Directing Administrator.
- C. *Exhibit G Participant.* A Participating Subdivision listed on Exhibit G to the CVS Settlement Agreement.
- D. *Directing Administrator.* The institution or individual that fulfills the remaining obligations of the Settlement Fund Administrator, other than those performed by the Directed Trustee.
- E. *Settlement Fund Administrator.* The Directed Trustee together with the Directing Administrator (collectively referred to as the “Settlement Fund Administrators”).

#### **II. Establishment of the Settlement Fund Administrator**

- A. *Selection of the Settlement Fund Administrators.*
  - i. The duties of the Settlement Fund Administrators under the CVS Settlement Agreement will be divided between Directed Trustee and Directing Administrator. These may be the same or different entities.
  - ii. The Directed Trustee and Directing Administrator will each be selected by agreement between CVS and the Enforcement Committee.
  - iii. Within sixty (60) calendar days of the selection of the Settlement Fund Administrators, unless such time is extended by written agreement of CVS and the Enforcement Committee, contracts shall be negotiated and finalized with the Directed Trustee and Directing Administrator.
  - iv. The terms of the Directed Trustee and Directing Administrator shall be for the duration of the CVS Settlement Agreement or as otherwise specified in the contract executed with such entity, unless the Directed Trustee or the Directing Administrator is removed pursuant to Section II.C below.
  - v. To promote efficiencies, the Settlement Fund Administrators may place the Settlement Fund into a trust that also holds funds from the similar

opioid settlements with Teva, Allergan, Walgreens, and Walmart. The Settlement Fund Administrators shall create subaccounts (or a similar structure that is approved by CVS) within the trust to separate funds paid by CVS from funds paid by other Defendants. The Settlement Fund Administrators may also create additional subaccounts to separate funds paid by CVS. Interest earned by the trust shall be accounted by subaccount, and the interest accrued in a CVS subaccount shall not be used to pay any Settlement Fund Administrator fees and costs that are allocated to another Defendant's settlement.

*B. Governance of the Settlement Fund Administrators.*

- i. The Settlement Fund Administrators will act as independent and neutral third parties to determine the Annual Payment; administer and disburse funds from the Remediation Accounts Fund, State Fund, Subdivision Fund and Additional Restitution Amount; and perform other duties as described below and in the CVS Settlement Agreement.
- ii. All parties to the CVS Settlement Agreement are entitled to rely upon information received from the Settlement Fund Administrators, whether in oral, written, or other form. No Party to the CVS Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Settlement Fund Administrators. In addition, no Party to the CVS Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by CVS based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Settlement Fund Administrators. For the avoidance of doubt, nothing in this paragraph alters Sections I to XIII of the CVS Settlement Agreement or any of the exhibits therein.

*C. Removal of the Settlement Fund Administrators.*

- i. The Directed Trustee or Directing Administrator may be removed upon agreement between CVS and the Enforcement Committee. The contracts with each entity shall describe the process for removing that entity.
- ii. Disputes regarding the performance and/or removal of the Settlement Fund Administrators will be resolved by the National Arbitration Panel in accordance with Section VI.F of the CVS Settlement Agreement.

*D. Funding of the Settlement Fund Administrators.*

- i. The costs and fees associated with or arising out of the duties of the Settlement Fund Administrators shall be paid first from the interest accrued in the CVS subaccount(s) holding the Settlement Fund.
- ii. To promote efficiencies, CVS and the Enforcement Committee have chosen to use the same Settlement Fund Administrators as Teva, Allergan, Walgreens, and Walmart for purposes of their similar opioid settlements. Each Settlement Fund Administrator shall treat its costs and fees relevant

to the opioid settlement of Teva, Allergan, CVS, Walgreens, and Walmart as joint costs and fees shared among each defendant retaining it (“Joint Costs and Fees”), except for costs and fees performed out of the scope of the contract covering the joint engagement. For the years that Settlement Fund Administrators are used for the CVS Settlement Agreement, the following percentages of the Joint Costs and Fees will be attributed to the CVS Settlement Agreement:

Payment Years 1-6:	20%
Payment Year 7:	25%
Payment Years 8-10:	33 1/3%.

- iii. It is the Parties’ expectation that the costs and fees of the Settlement Fund Administrators allocated to the CVS Settlement Agreement will be paid from the interest accrued in the CVS subaccount(s). In the event that the costs and fees of the Settlement Fund Administrators allocated to the CVS Settlement Agreement exceed the accrued interest available in the CVS subaccount(s), CVS shall pay one-half of the additional amount and one-half shall be paid out of the Settlement Fund pursuant to Section V.C.4 of the CVS Settlement Agreement. CVS will pay its amount to the Settlement Fund Administrators within 30 days of being notified by the Settlement Fund Administrators that the accrued interest is insufficient to pay the fees owed.
- iv. CVS shall not be responsible for any portion of any other Defendants’ allocated share of the Joint Costs and Fees. For the years that CVS is not utilizing the Settlement Fund Administrators, it will not be responsible for any costs or fees.
- v. Representatives of the Enforcement Committee and CVS shall negotiate a budget with the Settlement Fund Administrators, which shall be dependent on the scope of services, the number and timing of distributions from the Settlement Fund, and the reporting requirements. Representatives of the Enforcement Committee and CVS have the right to review the costs and fees of the Settlement Fund Administrators prior to payment and upon request. The deadlines and grounds for reviewing and objecting to such costs and fees will be established in the contracts executed with each of the Directed Trustee and Directing Administrator. Disputes regarding the payment of such costs and fees will be resolved by the National Arbitration Panel in accordance with Section VI.F.3 of the CVS Settlement Agreement.

### **III. Participation in the CVS Settlement Agreement**

#### *A. Repository for Settlement Participation Agreements.*

- i. The Directing Administrator is responsible for receiving and preserving the Settlement Participation Agreements pursuant to Sections VII.B, and VII.C of the CVS Settlement Agreement. The Directing Administrator is responsible for ensuring newly received forms are properly completed and executed. For forms completed, executed and accepted prior to the retention of the Directing Administrator, the Directing Administrator shall rely on information provided by the Implementation Administrator as to the proper completion and execution of the forms unless it is provided information that indicates such information is incorrect.
- ii. Within sixty (60) calendar days of its retention, the Directing Administrator shall establish a process to receive, preserve, and review the Settlement Participation Agreements.
- iii. The Directing Administrator will make the Settlement Participation Agreements available to CVS, the Enforcement Committee, and the Settling States through an online platform. If the requirements for preserving and making available the Settlement Participation Agreements change, the Enforcement Committee will convey any new requirements to the Directing Administrator which will make the change.
- iv. The Directing Administrator shall promptly respond to requests by CVS, the Enforcement Committee, or the Settling States for information concerning the Settlement Participation Agreements. The Directing Administrator will notify CVS and the Enforcement Committee on a regular basis when additional Settlement Participation Agreements are submitted unless such information is readily available to the Parties on the online platform established under Section III.A.iii, above.
- v. Upon reasonable request, the Directing Administrator shall provide reasonably available information to Settling States, Participating Subdivisions, and the Cost and Expense Fund Administrator (as defined by Exhibit R of the CVS Settlement Agreement) relevant to calculating amounts owed under a State Back-Stop Agreement.

### **IV. Calculation and Allocation of Payments.**

#### *A. General Principles.*

- i. This Section IV is intended to implement the relevant provisions of the CVS Settlement Agreement and the exhibits therein. To the extent this Section IV conflicts CVS Settlement Agreement and the other exhibits therein, the CVS Settlement Agreement shall control.
- ii. The Settlement Fund Administrators are entitled to rely upon information received from the Parties to the CVS Settlement Agreement, whether in oral, written, or other form, for the purpose for which it was submitted,

provided that such information is made available to the Parties and is not disputed by another Party.

1. CVS and a Settling State shall provide the Directing Administrator notice of any agreement reached pursuant to Section I.EEE of the CVS Settlement Agreement regarding calculation of populations for fire districts in Settling States where Primary Fire Districts were not identified in connection with the implementation of the July 21, 2021 Janssen Settlement Agreement.
  2. CVS and a Settling State may inform the Directing Administrator that they agree a Settling State qualifies for Incentive Payment A. In such cases, such agreement shall satisfy the Directing Administrator's obligations to determine the Settling State's qualification for Incentive Payment A.
- iii. CVS and the Enforcement Committee may agree to some or all of the calculations and allocations set forth in this Section IV prior to the Directing Administrator making such determination. In such cases, they shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations to determine such calculations and allocations unless the Directing Administrator is provided with information establishing that the agreed-upon calculation or allocation is inaccurate.
- iv. The Settling States have different requirements for how payments are made to each Settling State and its Exhibit G Participants based on applicable State-Subdivision Agreements, Allocation Statutes, Statutory Trusts, State Back-Stop Agreements, fiscal laws, and other differences. The Directing Administrator shall ask the Attorney General's Office in each Settling State to: (a) inform it whether the State has a State-Subdivision Agreement, Allocation Statute, and/or Statutory Trust; and (b) submit instructions on how payments are to be made to the State and its Exhibit G Participants. The Directing Administrator shall comply with such instructions so long as they are timely submitted and are permissible under the CVS Settlement Agreement and the exhibits therein.
1. A Settling State may choose to have all funds for the State and its Exhibit G Participants paid to one or more trust funds (such as a Qualified Settlement Fund or similar fund) or state accounts, which in turn will make payments to the State and its Exhibit G Participants in a manner that complies with all provisions of the CVS Settlement Agreement and the exhibits therein.
  2. An Exhibit G Participant may timely choose to make a voluntary redistribution as provided by Section V.D.3 of the CVS Settlement Agreement by providing notice through the instructions provided by the Attorney General's Office for its State or by providing notice directly to the Directing Administrator through the instructions provided by the Directing Administrator.

3. The Directing Administrator may rely on logistic information, like contact, bank account and tax identification number information, previously collected for purposes of the July 21, 2021 Distributor Settlement Agreement and/or July 21, 2021 Janssen Settlement Agreement for a Settling State and its Exhibit G Participants unless instructed otherwise by the Attorney General's Office.
- v. The Directing Administrator shall request any Settling State without a State-Subdivision Agreement, Allocation Statute, or Statutory Trust to submit a designation of a lead State agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund to comply with Section V.D.4.b of the CVS Settlement Agreement. The designated entity shall be the only entity authorized to request the Directing Administrator instruct the Directed Trustee to disburse from that Settling State's Remediation Accounts Fund. The Directing Administrator shall not instruct the Directed Trustee to disburse any moneys from these Settling States' Remediation Accounts Fund without such instructions.
- vi. In consultation with CVS and the Enforcement Committee, the Directing Administrator may set reasonable limits on the frequency with which it directs the Directed Trustee to make payments and may set other reasonable restrictions on complying with requests made by Settling States or their Participating Subdivisions, to limit the burdens and costs imposed on the Settlement Fund Administrators.
- vii. The Settlement Fund Administrators may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements, provided that a separate accounting of payments made under this Section IV for the CVS Settlement Agreement is maintained. In determining when payments for each Payment Year will be made, the Settlement Fund Administrators may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

*B. Payment Year 1 Annual Payment.*

- i. No later than ten (14) days after CVS receives the necessary wire instructions and IRS Form W-9 from the Settlement Fund Administrators, CVS shall pay into the Settlement Fund the Maximum Annual Remediation Payment for Payment Year 1 as specified in Exhibit M-1, less a \$15,747,278 reduction to Texas's allocable share pursuant to a separate agreement between CVS and the State of Texas. To the extent CVS and another Settling State agree to modify that Settling State's allocable share of the Maximum Annual Remediation Payment for Payment Year 1, the Settlement Fund Administrators shall implement the modification(s).
- ii. If, no later than the date on which CVS makes the payment into the Settlement fund specified by Section IV.B.i, above, CVS and the Enforcement Committee inform the Directing Administrator that they

agree on the amount of the Statewide Payment Amount for each Settling State for Payment Year 1, the Directing Administrator shall treat those amounts as the determination described in Section IV.B.iii, below.

- iii. If by the date on which CVS makes the payment into the Settlement fund specified by Section IV.B.i, above, CVS and the Enforcement Committee have not informed the Directing Administrator of agreed-upon amounts pursuant to Section IV.B.ii, above, the Directing Administrator shall determine the Statewide Payment Amount for each Settling State for Payment Year 1.
  1. The Directing Administrator shall determine each Settling State's Statewide Payment Amount using the Overall Allocation Percentage in Exhibit F-2 of the CVS Settlement Agreement for each Settling State and multiplying it by the Base Payment amount specified in Exhibit M-1 of the CVS Settlement Agreement for Payment Year 1; *provided, however*, that Texas's Statewide Payment Amount shall be reduced by \$15,747,278 pursuant to a separate agreement between CVS and the State of Texas. To the extent CVS and another Settling State agree to modify that Settling State's allocable share of the Maximum Annual Remediation Payment for Payment Year 1, the Settlement Fund Administrators shall implement the modification.
  2. The Directing Administrator shall give notice to CVS, the Settling States, and the Enforcement Committee of the Statewide Payment Amount for each Settling State for Payment Year 1, and these notices shall be subject to dispute pursuant to the procedures provided by Section IV.D.i, below.
  3. If the amount paid into the Settlement Fund pursuant to Section IV.B.i, above, exceeds the sum of the Statewide Payment Amount for each Settling State, the excess amount shall be retained in the Settlement Fund until Payment Year 2.
- iv. The Directing Administrator shall allocate the Payment Year 1 Annual Payment within the Settling States using the Statewide Payment Amount for each Settling State determined pursuant to Section IV.B.ii or Section IV.B.iii, above.
  1. The Directing Administrator shall determine the allocations of the Statewide Payment Amount within each Settling State pursuant to Section V.C, Section V.D and Exhibit G of the CVS Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.
  2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the CVS Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Directing Administrator

and such agreement shall satisfy the Directing Administrator's obligations under Section IV.B.iv.1, above.

3. If the Attorney's General Office in a Settling State does not inform the Directing Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the CVS Settlement Agreement, as soon as possible after making the determinations under Section IV.B.ii or Section IV.B.iii, above, the Directing Administrator shall give notice to the Settling States and their Exhibit G Participants of: (a) the amount to be received by each Settling State; (b) the amount to be received by the separate types of funds for each Settling State (if applicable); and (c) the amount to be received by each Settling State's Exhibit G Participants.
- v. The Directing Administrator shall provide instructions regarding the distribution of the Payment Year 1 Annual Payment to the Directed Trustee, consistent with the allocations determined in Section IV.B.iv, above, as soon as practicable; *provided, however*, the Directing Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.B.iv.3, above, until the distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D, below.
- vi. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.B.v, above, on, or as soon as practicable after the Payment Date for Payment Year 1 unless the requests made pursuant to Section IV.A.iv and .v, above, provide otherwise; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Payment Date for Payment Year 1, the funds allocable to that Settling State and its Exhibit G Participants shall not be transferred from the Settlement Fund or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State; *provided further* that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the CVS Settlement Agreement shall not be disbursed until ten (10) calendar days after the Participating Subdivision has secured such dismissal. CVS shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the CVS Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision and will withhold payment to the Participating Subdivision until ten (10) days after the Participating Subdivision has secured dismissal with prejudice of its lawsuit.
- vii. The Settlement Fund Administrators shall also be responsible for allocating and disbursing the Additional Remediation Amount for Payment Year 1 among Settling States listed in Exhibit N of the CVS Settlement Agreement. Pursuant to Section IX.B of the CVS Settlement

Agreement, the Additional Remediation Amount for Payment Year 1 shall be reduced by the allocations for Non-Settling States specified in Exhibit N of the CVS Settlement Agreement. The Directing Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above, in directing the Directed Trustee's distribution of this money; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Payment Date for Payment Year 1, the Additional Remediation Amount allocable to that Settling State shall not be transferred from the Settlement Fund or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State.

C. *Payment Years 2-10 Annual Payment.*

- i. The Payment Date for Payment Year 2 and successive Payment Years is June 30 of 2024 and successive years, or thirty (30) calendar days from when the Settlement Fund Administrators give notice to CVS of the amount of the Annual Payment for the Payment Year, whichever is later. The Settlement Fund Administrators shall provide the necessary wire instructions and an IRS Form W-9 for the Settlement Fund to CVS by May 31 of the applicable year. If current wire instructions and/or a Form W-9 are not provided by May 31, then the Payment Date for the applicable year shall be no later than fourteen (14) days after CVS receives both the wire instructions and the Form W-9.
- ii. The Directing Administrator shall use the data as of April 30 prior to the Payment Date for each Annual Payment, to fulfill its obligations under this Section IV.C and determine the allocations to the Settling States and their Exhibit G Participants.
- iii. As soon as possible after April 30, but no later than forty-five (45) days prior to the Payment Date for an Annual Payment, the Directing Administrator shall give notice to CVS, the Settling States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, and these notices shall be subject to dispute pursuant to the procedures provided by Section IV.D.i, below. The Directing Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State as follows:
  1. The Directing Administrator shall determine, for each Settling State, the amount of base and incentive payments to which the State is entitled.
    - a. The base payments for all Payment Years will be equal to thirty-eight percent (38%) of the Maximum Remediation Payment multiplied by the aggregate Overall Allocation Percentage of the Settling States in Exhibit F-2 of the CVS Settlement Agreement. These payments will be due in installments consistent with Exhibit M-1 of the CVS Settlement Agreement over the ten (10) Payment Years.

Because the Annual Payment in Payment Year 1 consists solely of base payments, as set forth in Exhibit M-1 to the CVS Settlement Agreement, base payments in Payment Years 2 through 10 are less than base payments in Payment Year 1 to ensure that the sum of base payments for Payment Years 1 through 10 do not exceed thirty-eight percent (38%) of each Settling State's allocable share of the Maximum Remediation Payment. To determine a Settling State's base payment for a Payment Year, the Directing Administrator will multiply the maximum base payment for the applicable Payment Year that is specified in Exhibit M-1 of the CVS Settlement Agreement by the Settling State's Overall Allocation Percentage that is specified in Exhibit F-2 of the CVS Settlement Agreement. In no event shall a Settling State's sum of base payments for Payment Years 1 through 10 exceed thirty-eight percent (38%) of the State's Overall Allocation Percentage times the Maximum Remediation Payment.

- b. The Directing Administrator shall follow the steps outlined in Section IV.H of the CVS Settlement Agreement to determine each Settling State's eligibility for Incentive Payments A-D, the sum of which for Payment Years 2 through 10 shall total up to a maximum of sixty-two percent (62%) of the Maximum Remediation Payment multiplied by the aggregate Overall Allocation Percentage of the Settling States, with the actual incentive payment amount depending on whether and the extent to which the criteria set forth in Section IV.H of the CVS Settlement Agreement are met; *provided, however*, Settling States shall have up to two years after the Effective Date to become eligible for Incentive Payment A, and Settling States that do not qualify for Incentive Payment A shall not be eligible to qualify for Incentive Payment D until Payment Year 6; *provided further* that CVS and the State of Texas have agreed that Texas is not eligible to earn Incentive Payments A-C under the CVS Settlement Agreement and shall not be eligible to earn Incentive Payment D if Texas earns Incentive Payment A under CVS's separate Texas settlement. Incentive payments are state-specific, with the actual amount depending on whether and to what extent a Settling State meets the criteria in Section IV.H of the CVS Settlement Agreement. In no event shall a Settling State's maximum total incentive payment for all Payment Years exceed \$2,653,079,719 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2 of the CVS Settlement Agreement.

- c. To the extent CVS and a Settling State agree to modify that Settling State's base payment or incentive payments for any of Payment Years 2-10, the Settlement Fund Administrator(s) shall implement the modification(s).
    - d. In no event shall CVS's Annual Payment for any of Payment Years 2-10 exceed the Maximum Annual Remediation Payment for that Payment Year, reduced for Non-Settling States, except as specified in Section I.LL of the CVS Settlement Agreement for Payment Years 6-10. In no event shall the sum of CVS's Annual Payments for Payment Years 1 through 10 exceed the Maximum Remediation Payment, reduced for Non-Settling States.
  2. The Directing Administrator shall apply any reductions or offsets required by Section IV and Section XII of the CVS Settlement Agreement, and allocate and track these amounts so that they reduce payments to only those Settling States and their Exhibit G Participants subject to the relevant reduction or offset.
  3. The Directing Administrator shall determine the amount of any Settlement Fund Administrator costs and fees that exceed the accrued interest in the Settlement Fund and Settlement Fund Escrow, as well as the amounts, if any, of such costs and fees owed by CVS and out of the Settlement Fund pursuant to Sections II.D.ii and II.D.iii, above.
  4. The Directing Administrator shall determine the total Annual Payment owed by CVS to the Settlement Fund on the Payment Date, and the amount of the Statewide Payment Amount for each Settling State, consistent with the calculations in Sections IV.C.iv.1 through IV.C.iv.3, above. For the Annual Payment due in Payment Year 2, the Directing Administrator shall deduct from the amount due: a) the excess amount CVS paid into the Settlement Fund for Payment Year 1, as calculated in Section IV.B.iii.3, above, including without limitation any amounts allocable to Non-Settling States; and b) any amount in excess of \$1.5 million CVS paid for the Implementation Administrator's fees and costs.
- iv. At any time before the Payment Date for an Annual Payment, CVS and the Enforcement Committee may inform the Directing Administrator that they agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State. If such agreement is reached, the Directing Administrator shall treat those amounts as the determinations described in Section IV.C.iii, above.
- v. The Directing Administrator shall allocate the Annual Payment (other than the amount owed for Settlement Fund Administrator costs and fees) within

the Settling States using the Statewide Payment Amount for each Settling State determined pursuant to Section IV.C.iii or Section IV.C.iv, above.

1. The allocations within each Settling State will be determined pursuant Section V.C, Section V.D and Exhibit G of the CVS Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.
  2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the CVS Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations under this Section IV.C.v.
  3. If the Attorney's General Office in a Settling State does not inform the Directing Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the CVS Settlement Agreement, as soon as possible following the determination under Section IV.C.iii or Section IV.C.iv, above, the Directing Administrator shall give notice to the Settling States and their Exhibit G Participants of: (a) the amount to be received by each Settling State (specifying the amount of base payment, of each incentive payment, and of each applicable suspension, offset, or reduction); (b) the amount to be received by the separate types of funds for each Settling State (if applicable); and (c) the amount to be received by each Settling State's Exhibit G Participants.
- vi. The Directing Administrator shall provide instructions regarding the distribution of the Annual Payment to the Directed Trustee, consistent with the allocations determined in Section IV.C.v, above, as soon as practicable; *provided, however*, the Directing Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.C.iii or Section IV.C.v.3, above, until the distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D, below.
- vii. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.C.vi, above, on, or as soon as practicable after the Payment Date unless the requests made pursuant to Section IV.A.iv and Section IV.A.v, above, provide otherwise; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Payment Date for a Payment Year, the funds allocable to that Settling State and its Exhibit G Participants shall not be transferred from the Settlement Fund or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State; *provided further* that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under

Section VII.C of the CVS Settlement Agreement shall not be disbursed until ten (10) calendar days after the Participating Subdivision has secured such dismissal. CVS shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the CVS Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision and will withhold payment to the Participating Subdivision until ten (10) days after the Participating Subdivision has secured dismissal with prejudice of its lawsuit.

- viii. The Settlement Fund Administrators shall be also responsible for allocating and disbursing the Additional Remediation Amount for Payment Years 2-5 among Settling States listed in Exhibit N of the CVS Settlement Agreement. Pursuant to Section IX.B of the CVS Settlement Agreement, the Additional Remediation Amounts for Payment Years 2-5 shall be reduced by the allocations for Non-Settling States specified in Exhibit N of the CVS Settlement Agreement. The Directing Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above in directing the Directed Trustee's distribution of this money.

*D. Disputes Regarding Notices.*

- i. For a notice provided pursuant to Section IV.B.iii. or Section IV.C.iii, above, concerning the amount of the Annual Payment for a Payment Year and/or the Statewide Payment Amount for each Settling State for a Payment Year, the following procedures shall apply:
  - 1. Within twenty-one (21) calendar days of the notice provided by the Directing Administrator, CVS, any Settling State or the Enforcement Committee party may dispute, in writing, the calculation of the Annual Payment (including the amount allocated for Settlement Fund Administrator costs and fees), or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and CVS identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Directing Administrator will maintain official contact information for providing a notice of dispute.
  - 2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and CVS identifying the basis for disagreement with the notice of dispute.
  - 3. If no response is filed, the Directing Administrator shall adjust the amount calculated consistent with the written notice of dispute and shall notify CVS of the amount of that year's Annual Payment due

on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrators, the Directing Administrator shall notify CVS of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Directing Administrator or the amount that would be consistent with the notice of dispute, *provided, however,* that in no circumstances shall the preliminary amount to be paid be higher than the Maximum Annual Remediation Payment for that Payment Year times the Overall Allocation Percentage(s) specified in Exhibit F-2 of the CVS Settlement Agreement for the affected Settling State(s), except as specified in Section I.LL of the CVS Settlement Agreement for Payment Years 6-10. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Maximum Annual Remediation Payment for that Payment Year.

4. The Directing Administrator shall instruct the Directed Trustee to place any disputed amount of the preliminary amount paid by CVS into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and its Exhibit G Participants.
- ii. For a notice provided pursuant to Section IV.B.iv or Section IV.C.v, above, concerning the intrastate allocation of the Statewide Payment Amount for each Settling State, the following procedures shall apply:
1. Within twenty-one (21) calendar days of the notice provided by the Directing Administrator, any Settling State or Exhibit G Participants may dispute, in writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. The Directing Administrator shall disregard any dispute that challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O of the CVS Settlement Agreement or by statute. A disputing party must provide a written notice of dispute to the Settlement Fund Administrators, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Directing Administrator will maintain official contact information for providing a notice of dispute.
  2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit a response, in writing, to the Settlement Fund Administrators, any affected Settling State, and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.

3. If no response is filed, the Directing Administrator shall adjust the amount calculated consistent with the written notice of dispute.
  4. The Directing Administrator shall instruct the Directed Trustee to place any disputed amount into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and Exhibit G Participants.
- iii. Disputes described in this Section IV.D shall be resolved in accordance with the terms of Section VI of the CVS Settlement Agreement.
  - iv. The decisions of the National Arbitration Panel on any disputes described in this Section IV.D shall be binding on Settling States, Participating Subdivisions, CVS, and the Settlement Fund Administrators.

*E. Extensions.*

- i. The Settlement Fund Administrators shall provide notice to CVS and the Enforcement Committee should the Directing Administrator and/or Directed Trustee believe that the deadlines provided for in this Section IV need to be adjusted. In such a circumstance, the Settlement Fund Administrators, CVS, and the Enforcement Committee will meet and confer regarding the appropriate timeline. The deadlines in this Section IV may be extended only by the written agreement of CVS and the Enforcement Committee.

**V. Reporting Obligations**

*A. Reporting of Non-Opioid Remediation Uses.*

- i. The Directing Administrator shall set up a system to receive and preserve reports from Settling States and Participating Subdivisions that have used monies from the Settlement Fund for purposes that do not qualify as Opioid Remediation, pursuant to Section V.B.2 of the CVS Settlement Agreement. The Directing Administrator will not require Settling States and their Exhibit G Participants without any such uses of money to submit a report, and the Directing Administrator may treat the failure to submit a report as confirmation that a Settling State or Exhibit G Participants had no such uses of money.
- ii. Settling States and their Exhibit G Participants shall report to the Directing Administrator the amount of funds received from the Settlement Fund used for purposes that do not qualify as Opioid Remediation (pursuant to Section V.B.2 of the CVS Settlement Agreement). The format of Settling States and Exhibit G Participants' reports to the Directing Administrator shall match the format of the reports Settling States and Participating Subdivisions were required to submit on March 31, 2023 pursuant to the distributor and Janssen settlements. Such Settling State or their Exhibit G Participants shall make such reports to the Directing Administrator with respect to each six-month period ending on

June 30 or December 31 of any year in which funds are received from the Settlement Fund. Such Settling State or Exhibit G Participants shall make each such report within ninety (90) days of the end of the applicable six-month period. The Directing Administrator shall make such reports available to CVS and the Enforcement Committee.

- iii. The Directing Administrator shall establish a process by the due date of the first report to make the reporting under this Section V.A available to the public.

*B. Remediation Accounts Fund Reporting.*

- i. Upon request by CVS, the Settlement Fund Administrators shall agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for CVS to establish the statements set forth in Section V.F of the CVS Settlement Agreement to the satisfaction of its tax advisors, its independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance. Nothing herein shall be read to conflict with or limit the Parties' obligations under Sections V.F and XIII.F of the CVS Settlement Agreement.

*C. Qualified Settlement Fund Treatment.*

- i. CVS and the Settlement Fund Administrators shall agree that the Settlement Fund is intended to be classified as a "qualified settlement fund" within the meaning of Treasury regulations Section 1.468B-1, et seq. (and corresponding or similar provisions of state, local, or foreign law, as applicable). The Settlement Fund Administrators shall not take any action or tax position inconsistent with such treatment. The Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible, and CVS and the Settlement Fund Administrators shall agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible.

*D. Tax Administration.*

- i. The Directing Administrator shall serve as administrator of the Settlement Fund for tax purposes. The Directing Administrator shall (i) obtain federal and state taxpayer identification numbers for the Settlement Fund and provide the same to CVS and the Settlement Fund Administrators, (ii) seek a Private Letter Ruling from the IRS determining that all investment income earned on the Trust Assets is excludible from gross income under Section 115 of the Internal Revenue Code, 26 U.S.C. § 115, (iii) be responsible for all tax reporting, withholding and filing requirements for the Settlement Fund, (iv) provide instructions to CVS and the Settlement Fund Administrators for the release of sufficient funds from the Settlement Fund to pay all taxes owed by the Settlement Fund in accordance with

Treasury regulations Section 1.468B-2 and any applicable state, local or other tax laws, (v) send copies of all such tax filings and returns to CVS, the Enforcement Committee, and the Settlement Fund Administrators, and (vi) engage, with prior approval from CVS and the Enforcement Committee, any other professionals necessary to complete these tasks. CVS, the Enforcement Committee, and the Directed Trustee shall provide such cooperation and information as the Directing Administrator may reasonably request in performing the responsibilities set forth in this Section V.D.

**NOTES:**

1. The Maximum Additional Remediation Amount and the state and subdivision attorneys' fees and costs amounts are broken out into separate columns in Exhibit M-3. All payments shown in this schedule are maximum figures.
2. All annual and total figures for Maximum Additional Remediation Amount & All Attorneys' Fees & Costs Fund are maximum figures that may never be exceeded. They are subject to reduction as set forth in the Agreement and its exhibits.
3. All annual and total figures for Maximum Base Payment, Maximum Incentive Payment A, Maximum Incentive Payment B, and Maximum Incentive Payment C are maximum figures that may never be exceeded and reflect the following:
  - An assumption that all Eligible States are Settling States.
  - An assumption that all Settling States earn the full amount of the relevant incentive payment.
  - The figures are subject to reduction as set forth in the Agreement.
4. All annual and total figures for Maximum Incentive Payment D are maximum figures that reflect the following:
  - An assumption that all Eligible States are Settling States.
  - An assumption that all Settling States earn 100% of Incentive Payment C and hence the full amount of D at a value of 6%.
  - Exhibit M-2 shows maximums based on Incentive Payment D values higher than 6% if Incentive Payment C is not earned in full. As set forth in the Agreement and Exhibit M-2, any Incentive Payments D at values higher than 6% for a Settling State must be offset in full by corresponding reductions to Incentive Payment C for that Settling State in prior Payment Years and the same Payment Year, resulting in zero increase to the total Maximum Total Remediation amount (\$4,279,160,837) and the total Maximum Overall Total amount (\$4,904,201,178).
  - The figures are subject to reduction as set forth in the Agreement.
5. All annual and total figures for Maximum Total Remediation and Maximum Overall Total are maximum payments that reflect the following:
  - The credit amount of \$117,882,400 for prior settlements has already been applied.
  - An assumption that all Eligible States are Settling States.
  - An assumption that all Settling States earn their full potential maximum amount of the Maximum Total Remediation through either Incentive Payment A, or Incentive Payments B, C, and D with Incentive Payment D at a value of 6%.
  - All annual and total figures for Maximum Total Remediation and Maximum Overall Total may never be exceeded with the sole and exclusive exception of the annual amounts for Years 6-10, which may increase based on Incentive Payment D as set forth in Exhibit M-2 when Incentive Payment C is not earned in full. Any such increases must be offset in full by corresponding reductions to Incentive Payment C in prior Payment Years and the same Payment Year for that Settling State, resulting in zero increase to the total Maximum Total Remediation amount (\$4,279,160,837) and the total Maximum Overall Total amount (\$4,904,201,178).
  - Exhibit M-2 shows maximums based on Incentive Payment D values higher than 6%.
  - The figures are subject to reduction as set forth in the Agreement.
6. Any offsets for Eligible States that are Non-Settling States would be deducted from Maximum Base Payment, Maximum Incentive Payment A, Maximum Incentive Payment B, Maximum Incentive Payment C, Maximum Incentive Payment D, and Maximum Total Remediation by

subtracting from all annual and total payments the amount of the payment times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2.

**NOTES:**

- The ranges for Incentive Payment D show the amount earned based on all Settling States obtaining its minimum value of 6% and its maximum value of 15%, and reflect the following:
  - An assumption that all Eligible States are Settling States.
  - An assumption that all Settling States qualify for Incentive Payment D.
  - The high end of the annual and total ranges for Incentive Payment D may never be exceeded and assume that all Settling States earn the full amount of the Total Remediation that they are eligible to receive by achieving, among other incentives, Incentive Payment D at a value of 14.4%. (The Incentive Payment C and Incentive Payment D payment tables do not allow Settling States earning Incentive Payment D at a value of 15% to earn their full potential amount of the Total Remediation.)
  - Any increase above the low end of the annual and total ranges for Incentive Payment D must be offset in full by corresponding reductions to Incentive Payment C in prior Payment Years and the same Payment Year, resulting in zero increase to the total Maximum Total Remediation amount (\$4,279,160,837) and the total Maximum Overall Total amount (\$4,904,201,178).

- The total Maximum Total Remediation amount (\$4,279,160,837) and total Maximum Overall Total amount (\$4,904,201,178) may never be exceeded and do not change regardless if all Settling States earn their full potential amount of the total Maximum Total Remediation through Incentive Payment D at a value of 6% or at a value of 14.4%.
  - The amounts are subject to reduction as set forth in the Agreement.
2. All ranges for Total Remediation payments reflect the following:
- The credit amount of \$117,882,400 for prior settlements has already been applied.
  - An assumption that all Eligible States are Settling States.
  - The low end of the ranges assume that all Settling States earn their full potential amount of the Total Remediation through 100 percent of Incentive Payment B, 100 percent of Incentive Payment C, and thus Incentive Payment D at a value of 6%.
  - The high end of the annual ranges may never be exceeded and assume that all Settling States earn the full amount of the Total Remediation that they are eligible to receive by achieving, among other incentives, Incentive Payment D at a value of 14.4%. (The Incentive Payment C and Incentive Payment D payment tables do not allow Settling States earning Incentive Payment D at a value of 15% to earn their full potential amount of the Total Remediation.)
  - Any increase above the low end of the annual ranges must be offset in full by corresponding reductions to Incentive Payment C in prior Payment Years and the same Payment Year, resulting in zero increase to the total Maximum Total Remediation amount (\$4,279,160,837) and the total Maximum Overall Total amount (\$4,904,201,178).
  - The total Maximum Total Remediation amount (\$4,279,160,837) and total Maximum Overall Total amount (\$4,904,201,178) may never be exceeded and do not change regardless if all Settling States earn their full potential amount of the total Maximum Total Remediation through Incentive Payment D at a value of 6% or at a value of 14.4%.
  - The amounts are subject to reduction as set forth in the Agreement.
3. Any offsets for Eligible States that are Non-Settling States would be deducted from the Incentive Payment D and Total Remediation by subtracting from all payments the amount of the payment times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2.

### **Adoption of a State-Subdivision Agreement**

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes<sup>1</sup> the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or

---

<sup>1</sup> Certain states do not have counties or parishes that have functional governments, including Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

statutory provision be part of the requirements to be an Initial Participating Subdivision.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

**EXHIBIT P**

**CVS Pharmacy Inc. Injunctive Terms**

1. Except where these Injunctive Terms specify a different implementation period, CVS Pharmacy, Inc. (“Settling Pharmacy”) shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).
2. To the extent that Settling Pharmacy already have in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.
3. Overview

  - d. Settling Pharmacy shall provide a copy of the relevant CSDOP Policies and Procedures to each Settling State within 60 days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than 30 days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Settling Pharmacy must provide a copy of the relevant CSDOP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.
  - e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Settling Pharmacy and to perform such other roles as set forth herein. Upon the committee’s formation, Settling States shall provide notice to Settling Pharmacy of the members of the committee.

#### 4. Compliance with Laws

- a. Each Settling Pharmacy acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving the Settling Pharmacy of the obligation of their pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Settling Pharmacy to engage in any acts or practices prohibited by such laws, regulations or rules.
- b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Settling Pharmacy from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Settling Pharmacy to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.
- c. In the event that a Settling Pharmacy determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court (“Express Interpretations”), such that the Settling Pharmacy determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Settling Pharmacy shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from a Settling Pharmacy referenced above, the Settling Pharmacy and the State shall meet and discuss the potential conflict, and the Settling Pharmacy shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that a Settling Pharmacy believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then the Settling Pharmacy may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or

administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with a Settling Pharmacy as to the conflict; (ii) be deemed to relieve a Settling Pharmacy from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms; (iii) or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iv) be deemed to relieve a Settling Pharmacy from adhering to the outcome of a court or administrative determination that there is no conflict; or (v) limit a Settling State's ability to relieve a Settling Pharmacy of a duty under these Injunctive Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

- d. A Settling Pharmacy shall retain all records it is required to create pursuant to its obligations hereunder for a period no shorter than three years, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.
5. No Admission and No Use as Evidence. Settling Pharmacy do not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, (2) an admission, concession or evidence of the reach, requirements, meaning or interpretation of any statute or regulation, or (3) a waiver or limitation of any defense otherwise available to Settling Pharmacy. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

## **II. TERM AND SCOPE**

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until August 15, 2032, unless otherwise specified herein.
2. Should Settling Pharmacy operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these

Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.<sup>1</sup>

2. The Chief Pharmacy Controlled Substances Officer shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. 1306.04.
3. The Chief Pharmacy Controlled Substances Officer shall provide at least quarterly reports to the Controlled Substance Oversight Committee (described below in Section VI) regarding Settling Pharmacy’s compliance with these Injunctive Terms, including the implementation of any changes to the CSDOP Policies and Procedures required by these Injunctive Terms.
4. Staffing levels of Settling Pharmacy’s Controlled Substance Professional Practices Department shall be reviewed periodically, but at least on an annual basis, by Settling Pharmacy’s Controlled Substance Oversight Committee to assess whether such staffing levels are sufficient for the Controlled Substance Professional Practices Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

5. Throughout the term of these Injunctive Terms, Settling Pharmacy shall maintain a telephone and electronic submission hotline(s) (the “Hotline”) to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSDOP Policies and Procedures, these Injunctive Terms, Settling Pharmacy’s company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Settling Pharmacy shall publish their Hotline contact information to its employees and Patients in the Settling States. Settling Pharmacy shall maintain for the duration of Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Settling Pharmacy to investigate a pharmacist’s professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

**V. INDEPENDENCE**

1. Settling Pharmacy’s Controlled Substance Professional Practices Department personnel, pharmacists and pharmacist technicians who work at Settling Pharmacy’s pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, “CSDOP Employees”), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
2. No CSDOP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Settling Pharmacy from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
3. Personnel in Settling Pharmacy’s Controlled Substance Professional Practices Department shall not report to Settling Pharmacy’s sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Professional Practices Department personnel.

This provision does not apply to an officer or executive to whom both the Controlled Substance Professional Practices Department and sales, marketing and/or business development departments report.

4. Settling Pharmacy's sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Professional Practices Department or Controlled Substance Committee decision-making. This provision does not apply to an officer or executive to whom both the Controlled Substance Professional Practices Department and sales, marketing and/or business development departments report.
5. To the extent necessary to comply with this section, a Settling Pharmacy's Controlled Substance Oversight Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

## **VI. OVERSIGHT**

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, each Settling Pharmacy shall establish an oversight committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSDOP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Oversight Committee." Settling Pharmacy shall maintain its Controlled Substance Oversight Committee for the duration of the term of the Injunctive Terms. The Chief Pharmacy Controlled Substances Officer shall be a member of the Controlled Substance Oversight Committee.
2. A Settling Pharmacy's Controlled Substance Oversight Committee shall have quarterly meetings during which the Chief Pharmacy Controlled Substances Officer shall report on, and the Controlled Substance Oversight Committee shall review, among other things, (a) the Prescription Validation Process, including the CSDOP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Settling Pharmacy's adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSDOP. The Controlled Substance Oversight Committee shall have access to all CSDOP reports described in the following subsection.
3. On an annual basis, a Settling Pharmacy's Controlled Substance Oversight Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settlement Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the CVS Health

- Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSDOP that the Controlled Substance Oversight Committee has approved. The CVS Health Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.
4. Settling Pharmacy, through its Controlled Substance Professional Practices Department and Oversight Committee, shall, at least once every year, review and oversee any enhancements to the CSDOP Policies and Procedures and systems for dispensing activity that the Controlled Substance Oversight Committee deems necessary.
  5. The Controlled Substance Oversight Committee shall be responsible for the approval of all material revisions to the CSDOP Policies and Procedures, provided that nothing herein shall prevent Settling Pharmacy from implementing changes to the CSDOP Policies and Procedures pending such review and approval.

## **VII. MANDATORY TRAINING**

1. The CSDOP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy personnel at each of the Settling Pharmacy's retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy personnel have access to a computer with access to the CSDOP Policies and Procedures.
2. Settling Pharmacy shall launch training for all existing CSDOP Employees, to the extent practical (for example, accounting for employee leave), on the CSDOP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within 120 days of the Injunctive Terms Implementation Date. All CSDOP Employee new hires, to the extent practical, shall be required to participate in such trainings within 60 days of hiring or 6 months of the Injunctive Terms Implementation Date, whichever is later. Settling Pharmacy will further require that every CSDOP Employee, to the extent practical, receive such training at least once every 3 years for the term of these Injunctive Terms.
3. On an annual basis for the duration of these Injunctive Terms, Settling Pharmacy shall test their CSDOP Employees on their knowledge regarding the CSDOP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.

4. It shall be a part of the CSDOP Policies and Procedures and all trainings of all CSDOP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.
5. All trainings required under these Injunctive Terms shall also make clear that i) Settling Pharmacy's compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSDOP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of 2023.

### **VIII. THE PRESCRIPTION VALIDATION PROCESS**

1. As part of its CSDOP, Settling Pharmacy shall maintain a Prescription Validation Process in the CSDOP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Settling Pharmacy in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an admission, concession, or evidence of any factual or legal contention related to such Red Flag. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.
2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.
3. A Settling Pharmacy's CSDOP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information

available to the pharmacist.

4. Each Settling Pharmacy's CSDOP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.
5. Settling Pharmacy's CSDOP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Settling Pharmacy records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the Settling Pharmacy.
6. A Settling Pharmacy's CSDOP Policies and Procedures shall provide that the resolution of all Red Flags identified by the pharmacist, as well as sufficient details to reflect the steps taken to resolve the Red Flags must be documented by the pharmacist. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in a Settling Pharmacy's records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives 55 miles from a Settling Pharmacy but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation does not create a presumption that a pharmacist did not resolve any identified Red Flags.
7. Settling Pharmacy's CSDOP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

**IX. RED FLAGS**

1. Settling Pharmacy shall provide quarterly to the Settling States, beginning with an initial report four months after the Injunctive Terms Implementation Date, and quarterly thereafter, (1) data reports (the “Quarterly Data Reports”) for each retail pharmacy operated by Settling Pharmacy containing data generated by the periodic proactive compliance reviews set forth in Section XI.1, subject to any potential modifications as a result of the meet and confer process set forth in Section IX.2, on cash, high MME patients, and cocktail prescriptions consistent with the sample report provided by Settling Pharmacy on November 21, 2022, (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State from CVS’s retail dispensing data, and (3) the lists of prescribers subject to disclosure in section X.5. Each Settling State shall provide contact information for receipt of the above information and shall update such contact information as necessary. A Settling State shall not disclose or provide any data provided under this provision during or after the Term of these Injunctive Terms unless required to do so by law or in a proceeding to enforce these Injunctive Terms. If a Settling State receives a request, demand or subpoena for such information or data, or intends to produce said data in a proceeding to enforce these Injunctive Terms, the Settling State shall, before producing any information or data, provide to Settling Pharmacy no less than ten (10) days’ notice, unless a shorter period is required by law, and an opportunity to object, seek a protective order, or come to an agreement on confidentiality protections, prior to the expiration of the 10-day notice period. It is CVS’s position that the information and data to be provided under these Injunctive Terms is confidential in nature, shall not be disclosed or produced by a Settling State, and is exempted from public record requests under exemptions for confidential commercial information and all other applicable exemptions and exclusions. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies, provided that such agencies acknowledge and comply with the nondisclosure and notice obligations set forth in the preceding sentences.
2. Within the three months following the provision of the Annual Data Reports, either Settling Pharmacy or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Settling Pharmacy or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, a Settling Pharmacy might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

- a. If Settling Pharmacy and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.
  - b. If Settling Pharmacy and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.
  - c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration or any Settling State's Board of Pharmacy or other Controlled Substance government regulators.
  - d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event such a dispute is submitted to the National Arbitration Panel, it shall be the Settling Pharmacy's burden to prove that the Red Flag(s) at issue are too numerous or complex to be reasonably workable for pharmacists. The Arbitration Panel should consider information regarding potential impacts on public health in determining if the red flag(s) at issue are too numerous or complex to be reasonably workable for pharmacists.
3. Settling Pharmacy's CSDOP Policies and Procedures shall require their pharmacists to treat the following circumstances as "Patient Red Flags":

- a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;
  - b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Settling Pharmacy from more than four other Prescribers, from separate practices, in a given 6-month period;<sup>2</sup>
  - c. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at the same Settling Pharmacy's pharmacies within 30 days;
  - d. The distance between a Patient's residence and the Settling Pharmacy receiving the Designated Controlled Substance prescription is farther than 50 miles ;
  - e. The Patient resides more than 100 miles from the Prescriber who issued the Designated Controlled Substances prescription;
  - f. To the extent personally known to the pharmacist filling the prescription, a Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to refusals to fill by a Settling Pharmacy pharmacist within the past 30 days;
  - g. A patient pays in cash for a Designated Controlled Substance despite having prescription drug insurance on file for that medication;
  - h. Three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substances;
  - i. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and
  - j. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated or incoherent.
4. Settling Pharmacy's CSDOP Policies and Procedures shall require their pharmacists to treat the following circumstances as "Prescription Red Flags:"

---

<sup>2</sup> In Settling Pharmacies' sole discretion, for administrative convenience Settling Pharmacies may implement this Red Flag without regard to whether Prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

- a. A Controlled Substance prescription fails to meet the requirements of law;
  - b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;
  - c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;
  - d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and
  - e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.
5. Settling Pharmacy's CSDOP Policies and Procedures shall require their pharmacists to the following circumstances as "Prescriber Red Flags:"
- a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;
  - b. A Prescriber has no office within 50 miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and
  - c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

**X. PRESCRIBER REVIEW**

1. Settling Pharmacy shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Settling Pharmacy's retail dispensing for potential Prescribers of concern.
2. Settling Pharmacy shall initiate Prescriber Review Process in the following circumstances:
  - a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of the Settling Pharmacy's retail pharmacy stores in the Settling States;
  - b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or

- c. A Settling Pharmacy has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Designated Controlled Substances.
3. Based on the professional judgment of the employees operating the Prescriber Review Process, a Settling Pharmacy may also initiate the Prescriber Review Process when:
  - a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of controlled substances;
  - b. A Prescriber of Designated Controlled Substances was flagged for review by a Settling Pharmacy pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise a Settling Pharmacy's pharmacies in a Settling State; or
  - c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Settling Pharmacy's retail dispensing.
4. Once a Settling Pharmacy identifies a Prescriber for further investigation, the Settling Pharmacy shall review pertinent and available data or information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by the Settling Pharmacy for the term of these Injunctive Terms. When permitted by law, nothing contained in this Section prevents a Settling Pharmacy from taking immediate action to Block a Prescriber.
5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused a Settling Pharmacy to further investigate the Prescriber, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at the Settling Pharmacy's retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of the Settling Pharmacy to seek future reinstatement by providing information to the Settling Pharmacy that may resolve its concerns. Nothing in this Section shall limit the right or ability of an individual Settling Pharmacy pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given Prescriber independent of any decision by the Settling Pharmacy to Block or not Block a given Prescriber. On written demand, on a quarterly basis, a Settling Pharmacy shall provide to each Settling State the names and DEA or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the

Settling States, on a quarterly basis, a Settling Pharmacy shall provide to the Injunctive Relief Committee the number, names and DEA or NPI numbers of Prescribers who were: (a) blocked, and the number of prescribers who were (b) reviewed but not blocked.

**XI. PROACTIVE DUE DILIGENCE AND SITE VISITS**

1. During the term of these Injunctive Terms, Settling Pharmacy shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by the Settling Pharmacy and made accessible to all Controlled Substance Professional Practices Department personnel upon request for the duration of these Injunctive Terms.
2. During the term of these Injunctive Terms, Settling Pharmacy personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy identified for further review in a calendar year. Settling Pharmacy shall provide a list of such pharmacies to Settling States on an annual basis. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSDOP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.
3. During site visits, Settling Pharmacy's personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSDOP Policies and Procedures, and these Injunctive Terms.
4. A Settling Pharmacy's personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSDOP Policies and Procedures, and these Injunctive Terms.
5. The site visit reports described above shall be maintained by the Settling Pharmacy and made accessible to all Controlled Substance Professional Practices Department personnel. Upon its request, the States Injunctive Relief Committee shall be provided

sample reports or a report for a particular store.

## **XII. THEFT AND LOSS PREVENTION**

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, each Settling Pharmacy shall maintain for at least three years information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store.
2. In addition to any other reporting obligations under state and federal law, Settling Pharmacy must provide to each Settling State on a quarterly basis any reports it has made to the Drug Enforcement Administration regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 CFR §1301.76(b). Each Settling State shall provide contact information in order to receive such reports. There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy.

## **XIII. REPORTING TO LAW ENFORCEMENT**

1. The Settling States shall inform the Settling Pharmacy to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Settling Pharmacy shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within 5 business days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.
2. Settling Pharmacy shall document and for at least 2 years maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

## **XIV. ENFORCEMENT OF INJUNCTIVE TERMS**

1. Notice of Potential Violations and Opportunity to Cure.
  - a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that a Settling Pharmacy is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement is not presumed to occur when a pharmacist, pharmacist technician,

or other field personnel who supervise pharmacists and/or pharmacist technicians employed by a Settling Pharmacy violates the Settling Pharmacy's CSDOP Policies and Procedures.

- b. Potential Violation Discovered by Settling State.
  - i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify the Settling Pharmacy in writing (the "State's Notice").
  - ii. Within thirty (30) days of receipt of the State's Notice, the Settling Pharmacy shall provide a written response to the Settling State. The response shall include Settling Pharmacy's position as to the act(s) of non-compliance, including, possibly, a statement setting forth why the Settling Pharmacy believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.
  - iii. If the Settling State wishes to meet with a Settling Pharmacy, that Settling Pharmacy shall promptly make itself available for such a meeting.
- c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to a Settling Pharmacy and work in conjunction with the Settling Pharmacy to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.
- d. Within 60 and 120 days after implementing the Corrective Action Plan, the Settling Pharmacy will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with the Settling Pharmacy. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.

- e. If a Settling Pharmacy fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with the Settling Pharmacy. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.
  - f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within 30 days of reaching its conclusion.
2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

## **XV. COMPLIANCE CERTIFICATION**

1. Each Settling Pharmacy's Chief Pharmacy Controlled Substances Officer shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).
2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.
3. The certification shall state:

“I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State].”

4. If the Chief Pharmacy Controlled Substances Officer is unable to provide such a certification, the Chief Pharmacy Controlled Substances Officer shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

## **XVI. DATA SHARING**

1. Each Settling Pharmacy shall consent to the provision by their distributors of the Settling Pharmacy’s unblinded “867 Data” (data sent from the distributor to the manufacturer concerning the sale of its products to Settling Pharmacy) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Settling Pharmacy, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.
2. To the extent that Settling Pharmacy provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Settling Pharmacy agree that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Settling Pharmacy, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors’ compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

## **XVII. CLEARINGHOUSE**

1. The Settling Pharmacy will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from the Settling Pharmacy for a Settling Distributor to perform suspicious order monitoring,; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by the Settling Pharmacy to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt “deidentified” does not refer to omission of information about Prescribers. If agreements are not reached, the matters in dispute shall be submitted to arbitration. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, the Settling Pharmacy may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.
2. The Settling Pharmacy and Settling Distributors will also determine whether and in what amount each Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When a Settling Pharmacy contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of the Settling Pharmacy’s contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.
3. Any data provided by a Settling Pharmacy to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and all applicable state and federal privacy laws.

## **XVIII. CHANGES & MODIFICATIONS**

1. These Injunctive Terms may be amended or modified with the written consent of Settling Pharmacy and a majority of the States Injunctive Relief Committee.

## II. Fees and Costs

### A. Total Attorneys’ Fees and Costs

1. Total attorneys’ fees and costs to be paid by CVS to Attorneys under this Fee Agreement shall be up to, but in no event more than, \$530,615,944, subject to the reductions and provisions set forth below. The total attorneys’ fees and costs consists of up to \$500,615,944 for the Attorney Fee Fund, as set forth in Section II, and \$30,000,000 in total for the Cost Fund, divided between the Subdivision Cost and Expense Fund and MDL Direct Cost Fund as set forth in Sections II.E and II.F, respectively. Additionally, CVS shall also pay \$8,841,180 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3, and such amount shall be paid on the schedule set forth in Ex. M-3. The maximum attorney fees and costs allowed under this Fee Agreement, subject to the reductions set forth herein, are set forth in Ex. M-3 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys’ fees and costs to be

---

<sup>1</sup> Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

paid under this Fee Agreement by CVS shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the CVS Agreement.

3. The total attorneys' fees and costs to be paid under this Fee Agreement by CVS shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that continue to pursue Released Claims ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below.

4. If CVS settles with any Non-Settling State after December 9, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, CVS agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the CVS Settlement and been awarded its full portion of the Remediation Payment (the "*CVS State Settlement CBF Assessment*"). If CVS settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after December 9, 2022, then CVS agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the "*CVS Subdivision CBF Assessment*," and, along with the CVS State Settlement CBF Assessment, each a "*CVS CBF Assessment*"). If (a) CVS settles with a Non-Settling State after December 9, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) CVS later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, CVS agrees to deposit the CVS State Settlement CBF Assessment in the Common Benefit Fund. Any CVS CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order. To the extent that CVS is required to pay any additional and/or separate assessment on such settlement as a result of the Common Benefit Order, the CVS CBF Assessment shall be reduced by the amount required to be paid pursuant to the Common Benefit Order.

*B. Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall

be separate funds under the control of the Settling States and are not part of this Fee Agreement.

3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the CVS Agreement, or if the CVS Agreement does not proceed. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. In no event shall CVS be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified in paragraph II.A.1., which amounts are reflected in Exhibit M to the CVS Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the CVS Agreement, as set forth in Exhibit G to the CVS Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in

Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund)

1. The maximum potential total Common Benefit Fund payment to be made by CVS into the Attorney Fee Fund is \$300,369,566.40, and in no event shall it exceed that amount. CVS’s maximum potential Common Benefit Fund payments are subject to the reductions set forth in Section II.A.2. for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	<b>CVS Maximum Common Benefit</b>
Payment Year 1	\$54,779,142.60
Payment Year 2	\$48,406,953.60
Payment Year 3	\$65,727,823.80
Payment Year 4	\$65,727,823.20
Payment Year 5	\$65,727,823.20
Total	\$300,369,566.40

Additionally, CVS shall also pay \$8,841,180 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3, which shall be paid on the schedule set forth in Ex. M-3.<sup>2</sup>

---

<sup>2</sup> For the avoidance of doubt, CVS is not required to pay any sums under this Agreement for matters settled prior to December 6, 2022, other than the \$8,841,180 credit referenced above.

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
  - a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and
  - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against CVS have also reached a settlement for Released Claims with CVS. These settlements are the subject of agreements with CVS. Attorneys representing Tribal Nations are eligible for Common Benefit consideration provided such agreements with CVS became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. CVS's Common Benefit Fund payments under this Fee Agreement satisfy, at a minimum, any assessments or withholdings for the CVS Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.
4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Initial Participation in the CVS Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the CVS Agreement, including the CVS Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients,

whether they participated in the CVS Agreement or not. It is the intent of this provision to recognize that the goal of the CVS Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the CVS Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions or Later Litigating States is antithetical to the CVS Settlement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to CVS as set forth in Section II.H.<sup>3</sup> The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by CVS under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors not inconsistent with the factors set forth in paragraph II.C.4. and Section II.H. Any reduction in payment obligation or credit to be given CVS in this Fee Agreement shall be applied against Payment Year 5 and then working backwards. Any reduction to an Applicant not credited to CVS shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Subdivision Participation Date.

*D. Contingency Fee Fund (40% of the Attorney Fee Fund)*

1. The maximum potential total Contingency Fee Fund payment to be made by CVS into the Attorney Fee Fund is \$200,246,378.60, and in no event shall it exceed that amount. CVS's maximum potential Contingency Fee Fund payment shall be subject to the reductions set forth in Section II.A.2. for Non-

---

<sup>3</sup> Regardless of the status of the CT-3 bellwether counties under the CVS Agreement and this Fee Agreement, and notwithstanding any provisions in those agreements to the contrary, it is expressly agreed that the attorneys who represent or worked on behalf of the CT-3 bellwether counties in the CT-3 litigation are eligible to apply to the Fee Panel for attorneys' fees from the Common Benefit Fund for the CT-3 representation and that the Fee Panel has discretion to determine that such representation has achieved common benefit.

Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	<b>CVS Maximum Contingency Fee</b>
Payment Year 1	\$36,519,428.40
Payment Year 2	\$32,271,302.40
Payment Year 3	\$43,818,549.20
Payment Year 4	\$43,818,548.80
Payment Year 5	\$43,818,548.80
Total	\$200,246,377.60

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.
  - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.
  - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
3. The amount owed by CVS to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
4. In the event that after the date of the CVS Agreement, CVS, prior to the Effective Date of the CVS Agreement, settles with any Litigating Subdivision

that would have been eligible to participate in the CVS Agreement, and, under such settlement agreement pays attorneys’ fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the CVS Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be returned to CVS, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision’s prior settlement agreement.

E. *Subdivision Cost and Expense Fund*

1. CVS shall pay \$22,500,000 into the Subdivision Cost and Expense Fund on the schedule set forth below.

	Cost Fund
Payment Year 1	\$11,250,000.00
Payment Year 2	\$11,250,000.00
Total	\$22,500,000.00

2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Subdivision Cost and Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022.

3. During the period between December 9, 2022 and the Effective Date of the CVS Agreement, the MDL PEC, as well as Litigating Subdivisions’ Attorneys, shall make best efforts to cease litigation activity against CVS, including by jointly seeking stays or severance of claims against CVS, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that CVS, prior to the Effective Date of the CVS Agreement, settles with any Litigating Subdivision and, under such settlement agreement, pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating

Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the CVS Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to CVS, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims against CVS. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than CVS that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that separate global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, the Subdivision Cost and Expense Fund is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions, and no funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Direct Cost Fund*

1. CVS shall pay \$7,500,000 into the MDL Direct Cost Fund on the schedule set forth below.

	MDL Direct Cost Fund
Payment Year 1	\$3,750,000.00
Payment Year 2	\$3,750,000.00
Total	\$7,500,000.00

2. The MDL Direct Cost Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Direct Cost Fund will be paid directly to the MDL Opiate Capital Account. The Cost and Expense Fund Administrator may include costs incurred by the MDL PEC in furtherance of litigation, mediation, implementation, and management of the Settlement.

3. In allocating the MDL Direct Cost Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022, unless the Administrator determines that there are sufficient funds to cover all Subdivision costs incurred prior to December 9, 2022 and that special circumstances exist to justify costs incurred following the public announcement of the CVS Agreement, including reasonable costs related to the implementation of the CVS Agreement.

*G. Eligibility*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.
2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.
3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
  - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications

for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

- b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
- c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date except that the Attorney may recommend participation in the Agreement.
- d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.
- e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.
- f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the CVS Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
- g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

- h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the CVS Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.
4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.
7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify CVS when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the CVS Agreement represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to CVS. CVS or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to CVS, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the CVS Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from CVS as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as CVS may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for CVS) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
  - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
  - b. The novelty, time, and complexity of the Qualifying Representations;
  - c. The skill requisite to perform legal services properly and undesirability of the case;
  - d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
  - e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities

whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

- f. Any “common detriment,” as set forth in paragraph II.C.4;
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Applicant in cases against CVS or any risk for CVS created by the Applicant in cases against CVS;
- m. Any risk for defendants created by Applicants in cases against CVS;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- o. The date of filing of any cases filed by the Applicant;
- p. Obtaining consolidation of the litigation in the Applicant’s jurisdiction;
- q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Applicant’s clients brought claims against CVS prior to the announcement of this settlement on December 9, 2022;

- s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
  - t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;
  - u. Whether the Applicant's cases have survived motions to dismiss;
  - v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
  - w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the CVS Agreement on December 9, 2022, such latter litigation both being of less value and, the case of litigation filed after the announcement of the CVS Agreement on December 9, 2022, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and
  - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the CVS Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:
- a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 1, 2022;
  - b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;
  - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
  - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

- e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:
    - a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
    - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
    - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
    - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
    - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
    - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
    - g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
  - a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.
  - b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.
7. With respect to the Contingency Fee Fund, the Fee Panel shall:
  - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
  - b. Apply the Mathematical Model in Exhibit A.
  - c. Use such allocations to determine refund amounts owed to CVS from the Attorney Fee Fund, and inform CVS and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that CVS is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

*I. Miscellaneous*

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by CVS.
2. The MDL PEC will seek, and the Attorneys General for Settling States and the CVS will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision in a non-Settling State that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.
3. The MDL PEC shall provide to CVS information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.
4. The MDL PEC and CVS agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision to represent a Later Litigating Subdivision or Later Litigating State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the CVS Agreement until the Effective Date of the CVS Agreement, as well as thereafter, if the CVS Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

**III. Miscellaneous**

- A. *Termination.* If the CVS Agreement does not proceed past the Reference Date, whether because CVS does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, CVS shall have no obligation to make any payments under this Fee Agreement, and CVS and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.
1. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the CVS Agreement. This Fee Agreement shall also be submitted by CVS and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached. The MDL Court shall have no authority to increase the payments made by CVS under this Fee Agreement beyond the amounts described in this Fee Agreement.
  2. In the event that the MDL Court, through an order, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, CVS and the MDL PEC shall meet and confer concerning such changes.
  3. If CVS and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, CVS shall have no obligation to make any payments under this Fee Agreement, and CVS and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante*.
- B. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of CVS and the MDL PEC and (2) approval by the MDL Court.
- C. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of CVS as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against CVS, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement, or provides the MDL Court with jurisdiction over the CVS Agreement.

## Description of Mathematical Model for the Allocation of the Contingency Fee Funds

### CVS Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the CVS Settlement Agreement.<sup>4</sup> Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the CVS Settlement Agreement.<sup>5</sup> A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named CVS (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the CVS Settlement Agreement is \$200,246,377.60.<sup>6</sup>

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, *not* for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the CVS Settlement Agreement.

#### Illustrative example:

- Assume that State A is allocated 1.00000% of the \$4,279,160,837 Remediation amount [see Exhibit M of the CVS Settlement Agreement].
- 50% of the 1% share allocated to State A is \$21,395,804.19.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation

---

<sup>4</sup> See CVS Settlement Agreement, Exhibit R § II.D.2.

<sup>5</sup> CVS Settlement Agreement, Exhibit R § II.D.2.

<sup>6</sup> CVS Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

Percentage for City B in State A is 1.00000000%.

- For purposes of determining its counsel’s share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$21,395,804.19, or \$213,958.04.

(2) Adjust the amounts in paragraph 1 as follows:

- Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named CVS in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name CVS in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
- If City C named CVS before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.

- Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- National Fee Pool Calculation.* Determine each Litigating Subdivision’s

percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named CVS in a lawsuit).

Illustrative example:

- $\$220,000$  [from para. 2.b]  $\div$   $\$220,000,000$  [total amount owed under contingency fee contracts nationwide] =  $0.1\%$ <sup>7</sup>
- $0.1\% * \$200,246,377.60$  [Contingency Fee Fund] =  $\$200,246.38$

- b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the CVS Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named CVS in a lawsuit).

Illustrative example:

- $1\% * \$200,246,377.60 = \$2,002,463.78$  [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of  $\$2,500,000$  is owed under contingency fee contracts for State A.
- $\$220,000$  [from para. 2.b]  $\div$   $\$2,500,000 = 8.8\%$
- $8.8\% * \$2,002,463.78 = \$176,216.81$

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.<sup>8</sup>

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool,

---

<sup>7</sup> In this example, \$220 million is the amount theoretically owed under all contingency fee contracts for litigation against CVS as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

<sup>8</sup> The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

**EXHIBIT S**

**Agreement on the State Outside Counsel Fee Fund  
for Chain Pharmacy Settlements**

1. **Definitions.**

- a. “Chain Pharmacy” means any of CVS, Walgreens, and Walmart, and “Chain Pharmacies” means all of the foregoing.
- b. “Multistate Chain Pharmacy Settlement Agreement” means This Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and a Chain Pharmacy.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Chain Pharmacy to which this Agreement is attached as an Exhibit.
- d. “Settling Chain Pharmacy” means the Chain Pharmacy that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Chain Pharmacy Settlement Agreement.

2. **Creation of a State Outside Counsel Chain Pharmacies Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Chain Pharmacies (such fund, the “State Outside Counsel Chain Pharmacies Fee Fund”).

3. **State Outside Counsel Chain Pharmacies Fee Fund Administration.** The State Outside Counsel Chain Pharmacies Fee Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Chain Pharmacies Fee Fund (the “Chain Pharmacies Fee Fund Committee”). The Chain Pharmacies Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Chain Pharmacies. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Chain Pharmacies Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Chain Pharmacies Fee Fund Committee.

4. **State Outside Counsel Chain Pharmacies Fee Eligibility.**

- a. To receive any amount from the State Outside Counsel Chain Pharmacies Fee Fund, an outside counsel to a Settling State must have filed and maintained an

action in the name of a Settling State or its Attorney General against a Chain Pharmacy in a state or federal court as of November 1, 2022. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Chain Pharmacies Fee Fund and any “Additional Remediation Amount” as may be provided for in This Settlement Agreement.

- b. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Chain Pharmacies Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Chain Pharmacies Fee Fund Amount.** The Settling Chain Pharmacy shall pay funds into the State Outside Counsel Chain Pharmacies Fee Fund in an amount equal to, and on the schedule identified in, Exhibit M (the “Contribution”). The Settling Chain Pharmacy’s Contribution shall subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Chain Pharmacies Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Chain Pharmacies Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraph 6.c, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Fees shall be aggregated across the Multistate Chain Pharmacy Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Chain Pharmacy Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State’s outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State’s contract with its outside counsel assuming that fifty percent (50%) of the Settling State’s recovery is allocable to a Settling State (rather than allocable to the Settling State’s Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have

been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Chain Pharmacies Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Chain Pharmacies Fee Fund. Fees shall be split proportionally among each Multistate Chain Pharmacy Settlement Agreement, as set forth on the Fee Schedule.

- d. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator. The remainder of any unused administrative expenses shall be disbursed pro rata to States receiving monies from the State Outside Counsel Chain Pharmacies Fee Fund at the conclusion of such administration.

7. **Payment by the Fee Fund Administrator.**

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) the last of the three Multistate Chain Pharmacy Settlement Agreements becomes effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Chain Pharmacies Fee Fund in the following scenarios ("Payment Scenarios"):
  1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Chain Pharmacy Settlement Agreement.
  2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Chain Pharmacies Fee Fund.
  3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Chain Pharmacies Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside

counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.

- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Chain Pharmacies Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Chain Pharmacy bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Chain Pharmacy.

8. **Reduction of Amounts owed**

- a. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Chain Pharmacy to the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. Specifically, the reduction in the amount owed by the Settling Chain Pharmacy shall be calculated as 2.25% times the total Remediation Payments that would have been allocated to the Non-Settling State had it been a Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.
- b. **Settling States; Redistribution.** If a Settling State under This Settlement Agreement (i) would otherwise be entitled to a payment from the State Outside Counsel Chain Pharmacies Fee Fund and (ii) is eligible to be a

“Settling State” under either of the two other Multistate Chain Pharmacy Settlement Agreements but does not become such a “Settling State”, then that Settling State’s payment from the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced to an amount equal to the Contribution times the Settling State’s allocation percentage on Exhibit F, which shall be treated as an additional remediation payment in lieu of a fee payment. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

- c. If either or both of the other Chain Pharmacies fail to enter into a Multistate Chain Pharmacy Settlement Agreement, or if such Multistate Chain Pharmacy Settlement Agreements fail to take effect by December 15, 2023, then the Settling Chain Pharmacy and the Enforcement Committee shall renegotiate the terms of Paragraph 8.b in order to permit prompt payment to Settling States that terminated contested litigation with the Settling Chain Pharmacy, and permitting additional time if necessary to finalize payments to the other Settling States. In no event will such renegotiation result in additional reversion of monies in the State Outside Counsel Chain Pharmacies Fee Fund to the Settling Chain Pharmacy.

9. **Interpretation.**

- a. This Agreement shall be an Exhibit to each Multistate Chain Pharmacy Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.
- b. It is the intent of all parties that the State Outside Counsel Chain Pharmacies Fee Fund function in a similar manner, with similar calculations and mechanics, as the “State Outside Counsel Fee Fund” established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

**EXHIBIT T****Agreement on the Joint State Cost Fund**

1. **Definitions.**
  - a. “Opioids Defendant” means Walmart, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
  - b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
  - c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
  - d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
  - e. “Settling States” has the meaning given such term in the Settlement Agreement.
2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.
3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and expenses associated with to the opioid litigation.
4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated

representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

**5. Joint State Cost Fund Administrator.**

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

**6. State Cost Fund Guidelines and Principles.**

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
  1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)
  2. Funds in any State Cost Fund shall be primarily used to reimburse costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid

before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:
  - the reasonable costs of the Joint State Cost Fund Administrator;
  - repayment of National Association of Attorneys General grants made in connection with opioid litigation, without regard to when the grants were made;
  - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
  - litigation-related costs; then
  - investigation-related costs; then
  - settlement and negotiation related costs; then
  - cost shares.
5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual state settlements.
8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.

9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.
  10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.
  11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).
- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
  - d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.
  - e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.
  - f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to

incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:
- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
  - b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;
  - c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and
  - d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

the CVS Settlement Agreement**

I, [NAME], Governor of the [Commonwealth]/[State]/[Territory] of [Commonwealth]/[State]/[Territory], hereby authorize Attorney General [NAME] to settle and release, to the maximum extent of my power as Governor, all Released Claims of (1) all of [Commonwealth]/[State]/[Territory]’s past and present executive departments, agencies, divisions, boards, commissions and instrumentalities with regulatory authority to enforce state and federal controlled substances acts and (2) all of [Commonwealth]/[State]/[Territory]’s past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. The foregoing authorization is given in connection with Section XI.G of the CVS Settlement Agreement dated as of December [●], 2022 setting forth the terms of settlement between and among CVS, on the one hand, and the Settling States and Participating Subdivisions, on the other hand. # **EXHIBIT B**

**RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

Whereas, the people of the State of Rhode Island and its communities have been harmed by the opioid epidemic, which was caused, in part, by manufacturers and distributors of opioids, and dispensers of opioids and related drugs (collectively, “Opioids Defendants”); and

Whereas, the actions of the Opioids Defendants have resulted in a rise in opioid addiction, overdoses, and deaths in Rhode Island, as well as increased healthcare, social services, and criminal justice costs and the destabilization of families and communities across the state; and

Whereas, the State and certain Rhode Island cities and towns are engaged in litigation seeking to hold certain Opioids Defendants accountable for the damage they have caused; and

Whereas, the State and the Eligible Cities and Towns share a common desire to abate and alleviate the impacts of the Opioids Defendants’ misconduct through the State of Rhode Island in a coordinated and expeditious manner; and

Whereas, upon satisfaction of the terms of each of the Settlement Agreements, each will become binding on all Settling States and Participating Cities and Towns, and other settling entities party thereto;

Whereas, each Settlement Agreement encourages or allows each Settling State and its respective cities and towns to enter into a State-Subdivision Agreement, or a similar framework, in order to direct allocation of their portion of the Opioid Settlement Funds.

Now, therefore, the State and its Participating Cities and Towns enter into this Agreement (the “Agreement”) relating to the allocation and use of the proceeds of the Settlement Agreements:

**I. Definitions**

As used in this Agreement:

- A. “Approved Purposes” means care, treatment, and other programs and expenditures designed to (1) address the misuse and abuse of opioid products; (2) treat or mitigate opioid use or related disorders; or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic as identified by the terms of Exhibit C of the Distributor Settlement Agreement, Exhibit E of the Janssen Settlement Agreement, or any other relevant Settlement Agreement. For purposes of any payments pursuant to a Confirmation Order in a bankruptcy proceeding, the Approved Purposes means those approved by the confirmed plan. Qualifying expenditures may include reasonable related administrative expenses.

- G. “Opioid Settlement Funds” means all the funds deposited into a Rhode Island Settlement Fund or sub-fund, deposited into a Rhode Island Qualified Settlement Fund, or held and distributed by an administrator or a Rhode Island Qualified Settlement Administrator pursuant to the terms of the relevant Settlement Agreements, except for any funds needed to pay an administrator or a Rhode Island Qualified Settlement Administrator, or designated by a Settlement Agreement or court order for State or Participating Subdivision attorneys’ fees and costs.
- H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in each Settlement Agreement. Together the Participating Cities or Towns are the “Participating Cities and Towns.”

In addition to the foregoing, upon confirmation of the plan in any bankruptcy proceeding for which the State will receive a payment or distribution in connection with claims similar to those released in the Settlement Agreements, which shall include both *In re Purdue Pharma L.P., et al*, No-19-23649 (RDD) (Bankr. S.D. N.Y.) and *In re: Mallinckrodt PLC, et al.*, No. 20-12522 (JTD) (Bankr. D. Del.), such confirmed plan will also become a Settlement Agreement hereunder.

- K. “State” means the State of Rhode Island acting through its Attorney General.

Capitalized terms used and not otherwise defined herein have the meaning given to them in the Settlement Agreements.

## **II. Allocation of Settlement Proceeds**

- A. *Allocation.* All Opioid Settlement Funds, at the times designated in the Settlement Agreements, shall be divided and distributed as follows:
1. 20% directly to the Participating Cities and Towns (“City and Town Share”) for Approved Purposes in accordance with Section III below.
  2. 80% directly to the State (“Statewide Abatement Share”) for forward-looking Approved Purposes throughout the state, which share shall be held in the Rhode Island Statewide Opioid Abatement Account in accordance with Sections IV and V below.
- B. *Use of Funds.* All Opioid Settlement Funds, regardless of allocation, shall be utilized solely for Approved Purposes to abate the harms of the opioid epidemic.

## **III. City and Town Share**

- A. *Allocation and Payment.* The division of the City and Town Share paid to Participating Cities and Towns shall be based on the allocation set forth in Exhibit A, which assigns each Eligible City or Town a percentage share of funds.
- B. *Use of Funds.* The City and Town Share shall be used for Approved Purposes and the Parties intend for the Opioid Settlement Funds to be used on forward-looking opioid abatement efforts. But, the City and Town Share may also be used for past expenditures so long as the expenditures were made for Approved Purposes and are not otherwise restricted by a confirmed plan in a bankruptcy proceeding. Prior to using any portion of the City and Town Share as restitution for past expenditures, a Participating City or Town

shall pass a resolution or take equivalent governmental action that explains its determination that its prior expenditures for Approved Purposes are greater than or equal to the amount of the City and Town Share that the City or Town seeks to use for restitution.

- C. *Collaborative Abatement Initiatives Encouraged.* Participating Cities and Towns may, and are encouraged to, share, pool, or collaborate on opioid abatement efforts with their respective allocation of the City and Town Share in any manner they choose, so long as the shared, pooled, or collaborative abatement efforts comply with the terms of this Agreement and the Settlement Agreements.
- D. *Option to Direct Allocation to Statewide Abatement.* Participating Cities and Towns may, at their discretion, forego their allocation of the City and Town Share and direct their allocation to the Statewide Abatement Share by affirmatively notifying the Advisory Committee and any relevant settlement fund administrator on an annual basis of their decision to forego their allocation of the City and Town Share and designation to the Statewide Abatement Share.
- E. *Non-participating City or Town.* In the event an Eligible City or Town does not participate in the Settlement Agreements, the allocation percentage for that Eligible City or Town shall be redistributed to the Participating Cities and Towns based on a recalculated allocation that does not include the non-participating city or town.
- F. *Municipal Merger or Dissolution.* In the event an Eligible City or Town merges, dissolves, or ceases to exist, the allocation percentage for that City or Town shall be redistributed equitably based on the composition of the successor City or Town.
- G. *City and Town Attorneys' Fees.* The Parties agree that attorneys representing the Participating Cities and Towns in litigation against the Opioids Defendants will satisfy any contractual obligations relating to those legal representations through the mechanisms provided for in the Settlement Agreements. Notwithstanding the provisions of part B of this subsection, no portion of the City and Town Share shall be used to pay any attorneys' fees, costs, or other contractual obligations relating to legal representation in litigation against the Opioids Defendants.

#### **IV. Statewide Abatement Share**

- A. *Allocation and Payment.* The Statewide Abatement Share will be paid directly to the State and these funds shall be held in an account, the Rhode Island Statewide Opioid Abatement Account (the "R.I. Statewide Opioid Abatement Account"), that (1) is established by, authorized by, or subject to any court orders or consent judgments entered to effectuate the terms of the Settlement Agreements including in *State of Rhode Island v. Purdue Pharma L.P. et al.*, C.A. No. PC-2018-4555; (2) has the restricted purpose of holding these funds separately, ensuring they are not comingled with non-Opioid Settlement Funds, and distributing the funds for Approved Purposes; and (3) otherwise meets any requirements for such a fund or account in the Settlement Agreements. The Parties intend for the R.I. Statewide Opioid Abatement Account to hold and distribute the

Statewide Abatement Share in a manner substantially similar to the Opioid Stewardship Fund created under Chapter 28.10 of Title 21 of the Rhode Island General Laws and agree that the R.I. Statewide Opioid Abatement Account may be similarly codified into law by the General Assembly.

**B. *Use of Funds.***

1. The Statewide Abatement Share shall be used for forward-looking Approved Purposes only.
2. Consistent with the provisions of Section V of this Agreement and Section 15 of Article IX of the Rhode Island Constitution, at least annually the Secretary shall present to the Governor, for inclusion in the Governor's budget presentation to the General Assembly, the Secretary's recommendations on the use of the Statewide Abatement Share.

**C. *Reporting.*** The Secretary shall report to the Advisory Committee annually on the distribution and use of funds from the Statewide Abatement Share.

**D. *Compliance.*** Recipients of funds distributed from the Statewide Abatement Share shall be subject to auditing and other compliance procedures as deemed appropriate by the Secretary.

**V. Advisory Committee**

**A. *Committee Established.*** An Advisory Committee (the "Advisory Committee"), consisting of the representatives in part B of this subsection, shall be created to ensure that the State and the Participating Cities and Towns have equal input into the distribution of the Statewide Abatement Share for Approved Purposes across the state of Rhode Island.

**B. *Representatives.*** The Advisory Committee shall consist of the following seventeen (17) members:

1. *State Representatives.* Six (6) State representatives as follows:

- a) Attorney General or designee;
- b) Speaker of the House or designee;
- c) Senate President or designee;
- d) Chief Justice of the Rhode Island Supreme Court or designee;
- e) Director of the Rhode Island Department of Health ("RIDOH"); and
- f) Director of the Rhode Island Department of Behavioral Healthcare, Developmental Disabilities & Hospitals ("BHDDH").

2. *Participating City and Town Representatives.* Six (6) Participating City and Town representatives as follows:
  - a) Mayor of the City of Providence or designee;
  - b) Representative from a city or town in Bristol County;
  - c) Representative from a city or town in Kent County;
  - d) Representative from a city or town in Newport County;
  - e) Representative from a city or town in Providence County other than the City of Providence; and
  - f) Representative from a city or town in Washington County (together with the Representatives from a city or town in Bristol, Kent, Newport, and Providence Counties are the “County Representatives”).

Participating Cities and Towns from Bristol, Kent, Newport, Providence, and Washington counties shall collaborate to appoint the County Representatives. The County Representatives shall serve three (3) year terms.

3. *Expert Representatives.* Three (3) experts (“Expert Representatives”) drawn from fields including but not limited to: public health, pharmacology, epidemiology, emergency medicine, behavioral health, and recovery. The Expert Representatives shall be appointed by a majority vote of the State Representatives and the Participating City and Town Representatives. To stagger the Expert Representative terms, the initial Expert Representative appointments shall be for two (2) years, three (3) years, and four (4) years, and all subsequent Expert Representative appointments shall be for three (3) year terms.
4. *Community Representatives.* Two (2) Community Representatives (“Community Representatives”). The Community Representatives shall be appointed by a majority vote of the State Representatives and the Participating City and Town Representatives. To stagger the Community Representative terms, the initial Community Representative appointments shall be for two (2) years, and three (3) years, and all subsequent Community Representative appointments shall be for two (2) year terms.

C. *Chair.* The Advisory Committee shall be chaired by a non-voting representative appointed by the Governor.

D. *Administrative and Technical Support.* EOHHS shall provide staff support to the Advisory Committee and assist the Advisory Committee in the fulfillment of its responsibilities under this Agreement.

E. *Meetings and Process for Receiving Public and Local Government Input.*

1. The Advisory Committee shall meet at least quarterly.
2. Meetings of the Advisory Committee shall be public, open meetings consistent with the Open Meetings Act, Chapter 46 of Title 42 of the Rhode Island General Laws.
3. The Advisory Committee shall, in consultation with EOHHS, establish a process for receiving input from Rhode Island's communities, provider organizations, and cities and towns regarding how the opioid crisis is affecting their communities, understanding their abatement needs, and considering proposals for opioid abatement strategies and responses.

The Advisory Committee is encouraged to further coordinate with established groups like the Governor's Overdose Prevention and Intervention Task Force, as well as organizations focusing on prevention, rescue, harm reduction, treatment, and recovery strategies, to gather community input, understand abatement needs, and consider proposals for opioid abatement strategies and responses.

F. *Recommendations.*

1. *Statewide Abatement Recommendations.* The Advisory Committee shall, at least annually, make formal recommendations to the Secretary on the use of the Statewide Abatement Share (the "Statewide Abatement Recommendations"). To aid the Advisory Committee in formulating the Statewide Abatement Recommendations, EOHHS, RIDOH, and BHDDH shall present information regarding the State's opioid abatement strategy and appropriations plan, and information on how that strategy responds to the opioids crisis and the abatement needs of Rhode Island's communities. The Advisory Committee may also consider how non-Opioid Settlement Funds are used as part of the State's opioid abatement strategy when formulating the Statewide Abatement Recommendations.
2. *Good Faith Review and Consideration by Secretary.* The Secretary shall review and consider the Statewide Abatement Recommendations and shall make a good faith effort to incorporate the Statewide Abatement Recommendations into EOHHS's annual budget process.
3. *Deviation from Statewide Abatement Recommendations.* If the Secretary substantially deviates from the Statewide Abatement Recommendations, the Secretary shall provide the Advisory Committee with a written explanation, that will be made public, of any substantial deviations.

## VI. General Terms

- A. *Relationship of this Agreement to Other Agreements and Resolutions.* The Parties acknowledge and agree the Distributor Settlement Agreement and the Janssen Settlement Agreement will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement and

the Janssen Settlement Agreement that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement and the Janssen Settlement Agreement to release the city or town's claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town's claims.

- B. *Scope of this Agreement.* The Parties acknowledge and agree that they must comply with all the requirements of the Settlement Agreements and that this Agreement does not excuse any requirements placed upon them by the terms of the Settlement Agreements, except to the extent those terms allow for a State-Subdivision Agreement or Statewide Abatement Agreement to do so.
- C. *Legislation.* The Parties may seek to further codify the terms of this Agreement in the Rhode Island General Laws through legislation that may be submitted to the General Assembly.
- D. *Applicable Law, Venue, and Severability.* Unless required otherwise by a Settlement Agreement, this Agreement shall be interpreted using Rhode Island law and any action related to the provisions of this Agreement must be adjudicated by the Superior Court of Providence County. If any provision of this Agreement is held invalid by a court of competent jurisdiction, this invalidity does not affect any other provision which can be given effect without the invalid provision.

**FIRST AMENDMENT TO RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

The State of Rhode Island (the “State”) and the Participating Cities and Towns entered into the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioid Settlement Funds (the “R.I. MOU”), which became effective on January 21, 2022, and governs the allocation and use of the proceeds of Settlement Agreements as that term is defined in the R.I. MOU. This First Amendment (the “First Amendment”) modifies the R.I. MOU pursuant to Section VII of the agreement.

**I. Amendment to Cover Additional Settlement Agreements**

The State and the Participating Cities and Towns agree to amend the R.I. MOU as follows:

A. The Teva Settlement Agreement and the Allergan Settlement Agreement (jointly the “Teva and Allergan Settlement Agreements”) are Settlement Agreements under Section I.J of the R.I. MOU.

B. Section I, “Definitions” will be modified to add the following:

“L. “Teva Settlement Agreement” means an agreement between Teva Pharmaceuticals Ltd., on the one hand, and the State of Rhode Island on the other hand, to resolve opioid related claims against Teva.”

“M. “Allergan Settlement Agreement” means an agreement between Allergan, on the one hand, and the State of Rhode Island on the other hand, to resolve opioid related claims against Allergan.”

“H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in each Settlement Agreement; and, for the purposes of the Teva and Allergan Settlement Agreements, is both (i) a signatory to the First Amendment and (ii) a Participating Subdivision as defined in those agreements. Together the Participating Cities or Towns are the “Participating Cities and Towns.”

C. Section II, “Allocation of Settlement Proceeds” will be modified to add the following:

“C. *Payment of City and Town Share of the Teva and Allergan Settlement Agreements.* For the City and Town Share of the Opioid Settlement Funds resulting from the Teva and Allergan Settlement Agreements:

1. If, within 60 days of the Effective Date of the Teva and Allergan Settlement Agreements, a sufficient number of Eligible Cities and Towns have become Participating Cities and Towns such that the population of the Participating Cities and Towns accounts for 95% or more of the population of all Eligible Cities and Towns,

each Participating City or Town that has joined by that date shall be paid an amount equal to the full amount of Opioid Settlement Funds the City or Town is due to receive over the duration of the Teva and Allergan Settlement Agreements, based on the allocation in Section III.A, within the first year of the Teva and Allergan Settlement Agreements. A Participating City or Town that receives such a lump-sum payment will not receive any further payments from the Teva and Allergan Settlement Agreements.

2. An Eligible City or Town that becomes a Participating City or Town after 60 days following the Effective Date of the Teva and Allergan Settlement Agreements, shall receive its share of Opioid Settlement Funds as determined under Section III.A at the times designated in those settlement agreements.”

- D. Section VI.A, “*Relationship of this Agreement to Other Agreements and Resolutions*” will be modified as follows, “The Parties acknowledge and agree the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ the Teva Settlement Agreement, and the Allergan Settlement Agreement will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ and the Teva and Allergan Settlement Agreement that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ and the Teva and Allergan Settlement Agreement to release the city or town’s claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town’s claims.”

## II. Related Terms

- A. *Relationship of this Amendment to Other Provisions.* Except as amended in this First Amendment, all other provisions within the R.I. MOU shall remain in full force and effect.
- B. *Counterparts.* This First Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

The State of Rhode Island (the “State”) and the Participating Cities and Towns entered into the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioid Settlement Funds (the “R.I. MOU”), which became effective on January 21, 2022, and governs the allocation and use of the proceeds of Settlement Agreements as that term is defined in the R.I. MOU. On May 17, 2022 the Attorney General executed and made effective the First Amendment to the R.I. MOU (the “First Amendment”), which addressed the Teva and Allergan Settlement Agreements. This Second Amendment (the “Second Amendment”) modifies the R.I. MOU pursuant to Section VII of the agreement and addresses the Pharmacy Settlement Agreements and the Endo Resolution.

**I. Amendment to Cover Additional Settlement Agreements**

The State and the Participating Cities and Towns agree to amend the R.I. MOU as follows:

A. The CVS Settlement Agreement, the Endo Resolution, the Walgreens Settlement Agreement, and the Walmart Settlement Agreement are Settlement Agreements under Section I.J of the R.I. MOU.

B. Section I, “Definitions” will be modified to add the following:

“N. “CVS Settlement Agreement” means an agreement between CVS Health Corporation and CVS Pharmacy, Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“O. “Endo Resolution” means the confirmation of the plan in the bankruptcy proceeding *In re Endo International plc., et al*, No-22-22549 (JLG) (Bankr. S.D. N.Y.), or similar resolution of opioid claims against Endo International plc for which the State will receive a payment or distribution in connection with claims similar to those released in the Settlement Agreements.”

“P. “Walgreens Settlement Agreement” means an agreement between Walgreens, on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“Q. “Walmart Settlement Agreement” means an agreement between Walmart Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

**FINAL CONSENT JUDGMENT AND DISMISSAL WITH PREJUDICE**

The State of Rhode Island (“*State*”) and Walgreen Co. (“*Walgreens*”) (together with the State, the “*Parties*,” and each a “*Party*”) have entered into a consensual resolution of the above-captioned litigation (the “*Action*”) pursuant to a settlement agreement dated as of December 9, 2022 (as subsequently updated) (the “*Agreement*”), a copy of which is attached hereto as Exhibit A. The Agreement shall become effective by its terms upon the entry of this Final Consent Judgment (the “*Consent Judgment*”) by the Court without trial or adjudication of any contested issue of fact or law, and without finding or admission of wrongdoing or liability of any kind.

**RECITALS:**

1. Each Party warrants and represents that it engaged in arm’s-length negotiations in good faith. In hereby executing the Agreement, the Parties intend to effect a good-faith settlement.
2. The State, acting through its Attorney General, has determined that the Agreement and entry of this Consent Judgment is in the public interest.
3. Walgreens denies the allegations against it and denies that it has any liability whatsoever to the State, its Subdivisions, and/or (a) any of the State’s or its Subdivisions’

departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public. Walgreens is entering into this Consent Judgment solely for the purpose of settlement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, regulation, or ordinance, or of any other matter of fact or law, or of any fault, liability, or wrongdoing, all of which Walgreens denies.

4. The Parties recognize that the outcome of the Action is uncertain and a final resolution through the adversarial process likely will require protracted litigation.

5. The Parties agree to the entry of the injunctive relief terms attached as Exhibit P to the Agreement.

6. Therefore, without any admission of liability or wrongdoing by Walgreens or any other Released Entities (as defined in the Agreement), and without this Consent Judgment constituting evidence against or admission by anyone with respect to any issue of fact or law, the Parties now mutually consent to the entry of this Consent Judgment and agree to dismissal of the claims with prejudice pursuant to the terms of the Agreement to avoid the delay, expense, inconvenience, and uncertainty of protracted litigation.

**NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:**

In consideration of the mutual promises, terms, and conditions set forth in the Agreement, the adequacy of which is hereby acknowledged by all Parties, it is agreed by and between Walgreens and the State, and adjudicated by the Court, as follows:

1. The foregoing Recitals are incorporated herein and constitute an express term of this Consent Judgment.

2. The Parties have entered into a full and final settlement of all Released Claims of Releasers (including but not limited to the State) against Walgreens and the Released Entities pursuant to the terms and conditions set forth in the Agreement. This Consent Judgment summarizes and gives effect to those terms. In the event of a conflict between the terms of the Agreement (including its exhibits) and language in this Consent Judgment, the terms of the Agreement shall govern. Nothing in this summary document shall have the effect of expanding, diminishing, explaining, or otherwise modifying any term of the Agreement.

3. The “Definitions” set forth in Section I of the Agreement are incorporated by reference into this Consent Judgment. The State is a “Settling State” within the meaning of the Agreement. Unless otherwise defined herein, capitalized terms in this Consent Judgment shall have the same meaning given to them in the Agreement.

4. The Parties agree that the Court has jurisdiction over the subject matter of the Action and over the Parties with respect to the Action and this Consent Judgment. This Consent Judgment shall not constitute and shall not be construed or used as a waiver of any jurisdictional defense Walgreens or any other Released Entity may raise in any other proceeding.

5. The Court finds that the Agreement was entered into in good faith and is in the public interest, and that entry of this Consent Judgment is in the public interest. By this Consent Judgment, the Agreement is hereby approved by the Court.

6. The State's Claims against Walgreens are hereby DISMISSED WITH PREJUDICE, subject to a retention of jurisdiction by the Court as provided herein and in the Agreement.

7. The Court shall have authority to resolve disputes identified in Section VI.F.1 of the Agreement, governed by the rules and procedures of the Court.

8. By this Consent Judgment, the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds, a copy of which is attached hereto as Exhibit B and as incorporated into the Agreement pursuant to Exhibit O of the Agreement, is hereby approved by the Court as the means by which relevant funds paid pursuant to the Agreement will be divided within the State, provided that any Subdivision receiving such funds executes a Subdivision Participation Agreement accepting the terms of the Agreement, including the releases provided therein.

9. The Parties have satisfied the Condition to Effectiveness of Agreement set forth in Section VIII of the Agreement and the Release set forth in Sections X.A and F of the Agreement, as follows:

- a. The Attorney General of the State exercised the fullest extent of his or her powers to release Walgreens and all other Released Entities from all Released Claims pursuant to the release attached hereto as Exhibit C (the "*AG Release*").
- b. Walgreens has determined to proceed with the Agreement.
- c. The Subdivision Participation Agreement for each Participating Subdivision in the State that has joined to date has been made available to Walgreens. As stated in the Subdivision Participation Agreement, and for the avoidance of doubt, nothing in the Subdivision Participation Agreement executed by the Participating Subdivisions is intended to modify in any way the terms of the Agreement to which the Participating Subdivisions agree. As stated in the Subdivision Participation Agreement, to the extent the terms of the executed version of the Subdivision Participation Agreement differ from the terms of the Agreement in any respect, the terms of the Agreement control.

- d. Pursuant to Section VIII.B of the Agreement and Paragraph 2 of the Subdivision Participation Agreement, each Litigating Subdivision in the State that has become a Participating Subdivision is dismissing with prejudice any Released Claims that it has filed against Walgreens or any of the Released Entities.

10. Release. The Parties acknowledge that the release provisions in Section X of the Agreement and the AG Release, which are incorporated by reference herein, are an integral part of this Consent Judgment. Pursuant to the Agreement and the AG Release and without limitation and to the maximum extent of the power of the State's Attorney General, Walgreens and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (a) the State and its Participating Subdivisions and any of their departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including the State's Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to the State or any Subdivision in the State, whether or not any of them participate in the Agreement. Pursuant to the Agreement and the AG Release and to the maximum extent of the State's power, Walgreens and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (1) the State, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of the State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring

Claims related to Alleged Harms seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Further, the provisions set forth in Section X of the Agreement are incorporated by reference into this Consent Judgment as if fully set forth herein. The Parties acknowledge, and the Court finds, that those provisions are an integral part of the Agreement and this Consent Judgment, and shall govern the rights and obligations of all participants in the settlement, including without limitation the State, Walgreens and the Released Entities.

11. Release of Unknown Claims. The State (for itself and its Releasers) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The State may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but the State (for itself and its Releasers) expressly waived and fully, finally, and forever settled, released and discharged, through the Agreement and AG Release, any and all Released Claims that may exist as of the Effective Date but which the State does not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would have materially affected the State's decision to enter into the Agreement.

12. The Court finds that the releases are given in good faith and are effective as to all Releasers and Released Entities.

13. Under Rhode Island law, no state or local governmental entity or sub-entity, including school districts, fire districts, and other such districts, may assert a claim against the Released Entities, where the Attorney General and every city and town have executed a Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds with respect to Agreement between Walgreens and the State. R.I. Gen. Laws § 42-7.2-10(d). The Attorney General and every city and town have executed the Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds, as amended to include the Agreement with Walgreens, effective April 28, 2023, thereby binding the State and cities and towns under the applicable statute.

14. Costs and Fees. The Parties will bear their own costs and attorneys' fees except as otherwise provided in the Agreement.

15. No Admission of Liability. Walgreens is consenting to this Consent Judgment solely for the purpose of effectuating the Agreement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which Walgreens expressly denies. Neither Walgreens nor any other Released Entity admits that it caused or contributed to any public nuisance, and neither Walgreens nor any other Released Entity admits any wrongdoing that was or could have been alleged by the State, its Participating Subdivisions, or any other person or entity. No part of this Consent Judgment shall constitute evidence of any liability, fault, or wrongdoing by Walgreens or any other Released Entity. The Parties acknowledge that payments

made under the Agreement are not a fine, penalty, or payment in lieu thereof and are properly characterized as described in Section V.F of the Agreement.

16. No Waiver. This Consent Judgment is entered based on the Agreement without trial or adjudication of any contested issue of fact or law or finding of liability of any kind. This Consent Judgment shall not be construed or used as a waiver of Walgreens' right, or any other Released Entity's right, to defend itself from, or make any arguments in, any other regulatory, governmental, private individual, or class claims or suits relating to the subject matter or terms of this Consent Judgment. Notwithstanding the foregoing, the State may enforce the terms of this Consent Judgment as expressly provided in the Agreement.

17. No Private Right of Action. This Consent Judgment is not for use by any third party for any purpose, including submission to any court for any purpose, except Participating Subdivisions for the limited purposes set forth in Section VI.A of the Agreement. Except as expressly provided in the Agreement, no portion of the Agreement or this Consent Judgment shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. The State shall allow Participating Subdivisions in the State to notify it of any perceived violations of the Agreement or this Consent Judgment. No Settling State, including the State, may assign or otherwise convey any right to enforce any provision of the Agreement.

18. Admissibility. This Consent Judgment shall not be admissible in any other case against Walgreens or any other Released Entity. This Consent Judgment shall not be binding on Walgreens or any other Released Entity in any respect other than in connection with the enforcement of this Consent Judgment or the Agreement in the State. For the avoidance of doubt, nothing herein shall prohibit Walgreens or any other Released Entity from entering this Consent Judgment or the Agreement into evidence in any litigation or arbitration concerning (1) Walgreens'

right to coverage under an insurance contract or (2) the enforcement of the releases provided for by the Agreement and this Consent Judgment.

19. Preservation of Privilege. Nothing contained in the Agreement or this Consent Judgment, and no act required to be performed pursuant to the Agreement or this Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, patient-safety work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

20. Mutual Interpretation. The Parties agree and stipulate that the Agreement was negotiated on an arm's-length basis between parties of equal bargaining power and was drafted jointly by counsel for each Party. Accordingly, the Agreement is incorporated herein by reference and shall be mutually interpreted and not construed in favor of or against any Party.

21. Retention of Jurisdiction. The Court shall retain jurisdiction over the Parties for the limited purpose of the resolution of disputes identified in Section VI.F.1 of the Agreement. ## **WALGREENS SETTLEMENT AGREEMENT**

This Settlement Agreement, dated as of December 9, 2022 (the "*Agreement*"), sets forth the terms of settlement between and among the Settling States, the Participating Subdivisions, and Walgreens (as those terms are defined below). Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Walgreens and the Participating Subdivisions. This Agreement will then be filed as part of a Consent Judgment in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

### **I. Definitions**

Unless otherwise specified, the following definitions apply:

A. "*Additional Remediation Amount.*" The amount available to the Settling States totaling up to \$31,921,103, to be paid in accord with the payment schedule at Exhibit M-3.

B. "*Adjusted State Remediation Payment.*" The State Remediation Payment reduced by the Overall State Allocation for each Non-Settling State on Exhibit F-2. For the avoidance of doubt, this amount shall be the same as the Base State Remediation Payment reduced by the State Global Allocation Percentage for each Non-Settling State and Florida on Exhibit F-1.

C. "*Agreement.*" This agreement, as set forth above. For the avoidance of doubt, this Agreement is inclusive of all exhibits.

D. "*Alleged Harms.*" The alleged past, present, and future financial, societal, and public nuisance harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Released Entities.

E. "*Allocation Statute.*" A state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. An Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

F. "*Annual Remediation Payment.*" The amount payable to the Settlement Fund by Walgreens for Settling States' Base Payments and Incentive Payments on the Payment Date for each Payment Year, as calculated by the Settlement Fund Administrator.

G. "*Annual Fees Payment.*" The amounts payable by Walgreens in each Payment Year comprised of the State AG Fees and Costs payment and Additional Remediation Amount, as reduced for non-Settling States, and the Private Attorneys Fees, including any reduction to the Contingency Fee Fund, and not including the Annual Remediation Payment.

For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the Annual Remediation Payments by Walgreens under this Agreement) shall not constitute a Bar.

"Primary Fire Districts" shall mean fire districts as identified in connection with the implementation of the July 21, 2021 Janssen Settlement Agreement.

EEE. "*Preliminary Agreement Date.*" The date on which Walgreens is to inform the Settling States of their determination whether the condition in Section II.B has been satisfied. III. "*Product.*" Any chemical substance, whether used for medicinal or non-medicinal purposes, and whether natural, synthetic, or semi-synthetic, or any finished pharmaceutical product made from or with such substance, that is: (1) an opioid or opiate, as well as any product containing any such substance; or (2) benzodiazepine, carisoprodol, or gabapentin; or (3) a combination or "cocktail" of chemical substances prescribed, sold, bought, or dispensed to be used together that includes opioids or opiates. "Product" shall include, but is not limited to, any substance consisting of or containing buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, oxycodone, oxymorphone, tapentadol, tramadol, opium, heroin, carfentanil,

diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triazolam, temazepam, midazolam, carisoprodol, gabapentin, or any variant of these substances or any similar substance. Notwithstanding the foregoing, nothing in this section prohibits a Settling State from taking administrative or regulatory action related to benzodiazepine (including, but not limited to, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triazolam, temazepam, and midazolam), carisoprodol, or gabapentin that is wholly independent from the use of such drugs in combination with opioids, *provided* such action does not seek money (including abatement and/or remediation) for conduct prior to the Effective Date.

JJJ. *"Reduced Payment Termination Date."* As defined in Section IV.K.3.

KKK. *"Reference Date."* The date on which Walgreens is to inform the Settling States of its determination whether the condition in Section VIII has been satisfied. The Reference Date shall be no later than thirty (30) calendar days after the Initial Participation Date, unless it is extended by written agreement of Walgreens and the Enforcement Committee.

LLL. *"Released Claims."* Any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct occurring prior to the Reference Date. Without limiting the foregoing, Released Claims include any Claims that have been asserted against Walgreens, including claims arising from Walgreens' acquisition of other firms or assets prior to the Reference Date, by a Settling State or Litigating Subdivision in any federal, state, or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of, or relating to, in whole or in part, the Covered Conduct, or any such Claims that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, Subdivision, or Releasor (whether or not such State, Subdivision, or Releasor has brought such action or proceeding), including any subsidiaries thereof to the extent permissible by law. Released Claims include any claims of a Non-Released Entity held by a Released Entity by way of assignment. Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to this Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that this term, "Released Claims," be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Released Claims is also used herein to describe claims brought by a Later Litigating Subdivision or other non-party Subdivision that would have been Released Claims if they had been brought by a Releasor against a Released Entity.

MMM. *"Released Entities."* With respect to Released Claims, Walgreens and (1) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect) of Walgreens; (2) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in subsection (1); (3) the respective past and present officers, directors, members, trustees, and employees of any of the foregoing (each for actions that occurred during and related to their work for, or employment with, any of Walgreens or the foregoing entities); (4) all past and present joint ventures (whether direct or indirect) of Walgreens or its subsidiaries, including in any Walgreens or subsidiary's capacity as a participating member in such joint venture; (5) all direct or indirect parents and shareholders of Walgreens (solely in their capacity as parents or shareholders of Walgreens with respect to Covered Conduct); and (6) any insurer of Walgreens or any person or entity otherwise described in subsections (1)-

(5) (solely in its role as insurer of such person or entity and subject to the last sentence of Section X.C.) An illustrative list of Walgreens' present joint ventures, subsidiaries and affiliates and predecessor entities is set forth in Exhibit J. Any person or entity described in subsections (3)-(6) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. Any joint venture or past or present subsidiary of Walgreens is a Released Entity, including any joint venture between Walgreens and any distributor, provided, however, that any joint venture partner of Walgreens or any of Walgreens subsidiaries is not a Released Entity unless it falls within subsections (1)-(6) above. With respect to joint ventures (including predecessor entities), only entities listed on Exhibit J are Released Entities. With respect to wholly-owned subsidiaries (including predecessor entities), Exhibit J represents a good faith effort by Walgreens to list all such entities, but any and all wholly-owned subsidiaries (including predecessor entities) of Walgreens are Released Entities, whether or not they are listed on Exhibit J. For the avoidance of doubt, Exhibit J is illustrative, not exhaustive, and may not specifically identify or correctly name each and every Released Entity. Any entity acquired, or joint venture entered into, by Walgreens after the Reference Date is not a Released Entity.

NNN. "*Releasers.*" With respect to Released Claims, (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General's and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in this Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section X.F. In addition to being a Releaser as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority.

OOO. "*Remediation Accounts Fund.*" The component of the Settlement Fund described in Section V.C.

PPP. "*Revocation Event.*" With respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on Released Claims, or any other action or event that otherwise deprives the Bar, Settlement Class Resolution, or Case-Specific Resolution of force or effect in any material respect.

QQQ. *"Settlement Class Resolution."* A class action resolution in a court of competent jurisdiction in a Settling State (that is not successfully removed to federal court) with respect to a class of Subdivisions in that State that (1) conforms with that Settling State's statutes, case law, and rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and such order has become a Final Order; (3) is binding on all Non-Participating Subdivisions in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions may not bring any Released Claims against any Released Entities, whether on the ground of this Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Walgreens other than those provided for in this Agreement, or contain any provision inconsistent with any provision of this Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that State opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

RRR. *"Settlement Fund."* The interest-bearing fund established pursuant to this Agreement into which the Annual Remediation Payments are made under Section IV.

SSS. *"Settlement Fund Administrator."* The entity that annually determines the Annual Remediation Payment (including calculating suspension, offset or reduction and Incentive Payments pursuant to Section IV and any amounts subject to offset or reduction pursuant to Section XI and Section XII), administers the Settlement Fund, and distributes amounts into the Remediation Accounts Fund, State Fund, and Subdivision Fund pursuant to this Agreement. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Participation Date, Walgreens and the Enforcement Committee shall agree to selection and removal processes for and the identity of the Settlement Fund Administrator, and a detailed description of the Settlement Fund Administrator's duties and responsibilities, including a detailed mechanism for paying the Settlement Fund Administrator's fees and costs, all of which shall be appended to the Agreement as Exhibit L.

the use of non-capitalized “state” to describe something (e.g., “state court”) shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (e.g., “territorial court”).

XXX. “*State Allocation.*” The State Remediation Payment multiplied by the percentage for each State listed in Exhibit F-2. For the avoidance of doubt, this amount shall be the same as the Base State Remediation Payment multiplied by the percentage for each Eligible State listed in Exhibit F-1, and it does not include the Additional Remediation Amount.

YYY. “*State AG Fees and Costs.*” The amount to be paid by Walgreens to the States for their litigation fees and costs pursuant to Exhibit S and Exhibit T. The State AG Fees and Costs are 2% times the State Remediation Payment, minus the Additional Remediation Amount, with the maximum amount being \$63,842,206.

ZZZ. “*State Fund.*” The component of the Settlement Fund described in Section V.C.

BBBB. “*Statewide Payment Amount.*” The amount from an Annual Remediation Payment to be paid to a Settling State, its separate types of funds (if applicable), and its Participating Subdivision listed on Exhibit G.

CCCC. “*State Remediation Payment.*” The maximum amount owed by Walgreens to the States and Subdivisions, exclusive of the Private Attorney Fees, State AG Fees and Costs, Additional Remediation Amount, and is in the amount of \$4,788,165,456, consisting of the Base State Remediation Payment and including a credit for Walgreens’ settlement with the State of Florida in the amount of 7.02591344086813% of the Base State Remediation Payment. An additional credit for Walgreens’ settlement with Suffolk and Nassau Counties in New York State in the amount of 15.31% of New York’s State Allocation will be applied to New York’s State Allocation pursuant to Section IV.L. For the avoidance of doubt, the credit for Walgreens’ settlement with Suffolk and Nassau Counties in New York State does not reduce the State Remediation Payment as defined herein, but shall nevertheless reduce the amount owed by Walgreens pursuant to this Agreement to New York State and its Subdivisions.

DDDD. “*State-Specific Agreement.*” As defined in Section IV.J.

EEEE. “*State-Subdivision Agreement.*” An agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to its Subdivisions. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

FFFF. *"Statutory Trust."* A trust fund established by state law to receive funds allocated to a Settling State's Remediation Accounts Fund and restrict any expenditures made using funds from the Settling State's Remediation Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one (1) or more of the three (3) types of funds comprising such State's Settlement Fund, but this is not required.

GGGG. *"Subdivision."* Any (1) General Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government), School District, or Special District within a State, and (2) any other subdivision, subdivision official (acting in an official capacity on behalf of the subdivision) or sub-entity of or located within a State (whether political, geographical or otherwise, whether functioning or non-functioning, regardless of population overlap, and including, but not limited to, Nonfunctioning Governmental Units and public institutions) that has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity. "General Purpose Government," "School District," and "Special District" shall correspond to the "five basic types of local governments" recognized by the U.S. Census Bureau and match the 2017 list of Governmental Units.<sup>2</sup> The three (3) General Purpose Governments are county, municipal, and township governments; the two (2) special purpose governments are School Districts and Special Districts.<sup>3</sup> "Fire District," "Health District," "Hospital District," and "Library District" shall correspond to categories of Special Districts recognized by the U.S. Census Bureau.<sup>4</sup> References to a State's Subdivisions or to a Subdivision "in," "of," or "within" a State include Subdivisions located within the State even if they are not formally or legally a sub-entity of the State; *provided, however*, that a "Health District" that includes any of the following words or phrases in its name shall not be considered a Subdivision: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary. Each of Lake and Trumbull Counties of Ohio shall not be considered "Subdivisions" for purposes of this Agreement.

HHHH. *"Subdivision Allocation Percentage."* The portion of a Settling State's Subdivision Fund set forth in Exhibit G that a Subdivision will receive pursuant to Section V if it becomes a Participating Subdivision. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal one hundred percent (100%). Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to Section VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

III. *"Subdivision Fund."* The component of the Settlement Fund described in Section V.A.

JJJJ. *Subdivision Settlement Participation Form*" The form attached as Exhibit K that Participating Subdivisions must execute and return to the Implementation Administrator or Settlement Fund Administrator, and which shall (1) make such Participating Subdivisions signatories to this Agreement, (2) include a full and complete release of any and of such Subdivision's claims, and (3) require the prompt dismissal with prejudice of any Released Claims that have been filed by any such Participating Subdivision

NNNN. *"Walgreens."* Walgreen Co.

## **II. Participation by States and Condition to Preliminary Agreement**

A. *Notice to States.* On December 7, 2022, this Agreement shall be distributed to all States. The States' Attorneys General shall then have until December 30, 2022 to decide whether to become Settling States. States that determine to become Settling States shall so notify Walgreens and shall further commit to obtaining any necessary additional State releases prior to the Reference

Date. This notice period may be extended by written agreement of Walgreens and the Enforcement Committee.

B. *Condition to Preliminary Agreement.* Following the notice period set forth in Section II.A above, Walgreens shall determine whether, in its sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If Walgreens determines that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Walgreens determine that this condition has not been satisfied, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by States.* After the Preliminary Agreement Date, a State may only become a Settling State with the consent of Walgreens and the Enforcement Committee. If a State becomes a Settling State more than sixty (60) calendar days after the Preliminary Agreement Date, but on or before June 30, 2023, the Subdivisions in that State that become Participating Subdivisions within ninety (90) calendar days of the State becoming a Settling State shall be considered Initial Participating Subdivisions. A State may not become a Settling State after June 30, 2023.

D. *Litigation Activity.* Following the Preliminary Agreement Date, States that determine to become Settling States shall make reasonable efforts to cease litigation activity against Walgreens, including by jointly seeking stays or, where appropriate, severance of claim against Walgreens, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

### **III. Injunctive Relief**

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the entry of the injunctive relief terms attached in Exhibit P.

### **IV. Settlement Payments**

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

#### **B. Annual Remediation Payments**

1. Walgreens shall make fifteen (15) Annual Remediation Payments, each comprised of Base Payments and Incentive Payments as provided in this Section IV and as determined by the Settlement Fund Administrator as set forth in this Agreement, *provided that* the Annual Remediation Payment in Payment Year 1 shall consist solely of Base Payments.

2. The combination of the Annual Remediation Payment and the Annual Fee Payment in any given Payment Year shall not exceed one-fifteenth (1/15<sup>th</sup>) of the Total Available

Amount (the “Annual Maximum”). Payments may be lower than one-fifteenth (1/15<sup>th</sup>) of the Total Available Amount due to credits and incentive eligibility. In the event that the full amount of the Annual Remediation Payment calculated by the Settlement Fund Administrator pursuant to Section IV.C exceeds the Annual Maximum, Settling States will be paid a prorated amount of payment available up to the Annual Maximum, and any unpaid amount will be due the following Payment Year and each succeeding Payment Year until the remediation is fully paid. The payment schedule for the Annual Remediation Payments is attached hereto as Exhibit M-2. The payment schedule for the Annual Fee Payments is attached hereto as Exhibit M-3.

C. *Settlement Fund Payment Process*

1. To determine each Annual Remediation Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data as of sixty (60) days prior to the Payment Date for each payment, unless another provision of the Agreement specifies a different date. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to the Settling States and their Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. The Settlement Fund Administrator shall determine the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

- a. Determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the State is entitled by applying the criteria under Section IV.F, Section IV.G, and Section IV.H;
- b. applying any offsets, credits or reductions as specified under Section IV, Section XI, and Section XII;
- c. applying the annual cap on payments as specified under Section IV.B.
- d. applying any adjustment required as a result of significant financial constraint, as specified under Section IV.K
- e. determining the total amount owed by Walgreens to all Settling States and the Participating Subdivisions listed on Exhibit G; and
- f. the Settlement Fund Administrator shall then allocate, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, the Annual Remediation Payment pursuant to Section V among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions listed on Exhibit G.

3. If, no later than fifty (50) days prior to the Payment Date, Walgreens and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, Walgreens shall pay the agreed-upon Annual Remediation Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.2. If the Settlement Fund Administrator is not so informed, it shall give notice to Walgreens, the Settling States, and the Enforcement Committee of the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, following the determination described in Section IV.C.2, and the following timeline shall apply:

a. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Walgreens, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Remediation Payment or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Walgreens identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Walgreens identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Walgreens shall pay the adjusted amount, collectively totaling that year's Annual Remediation Payment, on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Walgreens of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the Annual Maximum as set forth in Section IV.B.2. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Annual Maximum.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Walgreens into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4.

4. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have agreed on the amount of its Statewide

Payment Amount, determined pursuant to Section IV.C.2 or Section IV.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State as quickly as practical. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section V, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section IV.C.2 or Section IV.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

5. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F.

6. The Settlement Fund Administrator may combine the disbursements of Annual Remediation Payments with disbursement of funds under other comparable opioid

settlements. In determining when disbursements for each Annual Remediation Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

7. For the avoidance of doubt, a Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Procedure for Annual Remediation Payment in Payment Year 1.* The process described in Section IV.C shall not apply to Payment Year 1. The procedure in lieu of Section IV.C for Payment Year 1 is as set forth below:

1. The Payment Date for Payment Year 1 is December 31, 2022 or five (5) business days after the Preliminary Agreement Date, whichever is later. Walgreens shall pay into the Settlement Fund Escrow the total amount of the Base Payment for the Eligible States that have agreed to become Settling States, pursuant to Section II.A, as of December 31, 2022 or the Preliminary Agreement Date, whichever is later. This amount shall be calculated by multiplying the aggregate Overall Allocation Percentage attributable to Eligible States that have agreed to become Settling States by the amount specified in Exhibit M-2 for Payment Year 1. Walgreens shall inform the Enforcement Committee of the Statewide Payment Amount for each Eligible State that has agreed to become a Settling State as of December 31, 2022 or the Preliminary Agreement Date, whichever is later.

2. In the event that, in accordance with the terms of Section VIII.A, Walgreens determines not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the Settlement Fund Escrow shall immediately revert to Walgreens. If the condition set forth in Section VIII.A is met, Walgreens shall pay into the Settlement Fund Escrow, no later than five (5) business days after the Reference Date, the difference between the existing escrowed amount and the total amount of the Base Payment for the Settling States as of the Initial Participation Date, which shall be calculated by multiplying those Settling States' Overall Allocation Percentage by the amount specified in Exhibit M-2 for Payment Year 1. Walgreens shall inform the Enforcement Committee of the Statewide Payment Amount for each Settling State with money included in the payment.

3. The Annual Remediation Payment for Payment Year 1 placed in the Settlement Fund Escrow pursuant to Section IV.D.1 or Section IV.D.2 shall be transferred by the Settlement Fund Administrator on the Effective Date from the Settlement Fund Escrow to the Settlement Fund for distribution to each Settling State and to its Initial Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4 through Section IV.C.7; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions listed on Exhibit G shall not be disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State.

E. *Payment Date for Payment Years 2 through 15.* The Payment Date for Payment Year 2 is December 31, 2023. The Payment Date for Payment Year 3 is March 31, 2025, and the

Payment Date for Payment Years 4 through 14 shall be each successive March 31. The Payment Date for Payment Year 15 is December 31, 2036. The Annual Remediation Payments for those Payment Years shall be made pursuant to the process set forth in Section IV.C.

F. *Offsets to Annual Remediation Payments to the Settlement Fund for Non-Settling States.* An offset equal to \$4,788,165,456 times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by Walgreens to the Settlement Fund. For the avoidance of doubt, the Adjusted State Remediation Payment is calculated in a way that reflects this offset. The Base Payments and Incentive Payments are also subject to suspension, offset, and reduction as provided in Section IV.K, Section XI and Section XII.

G. *Base Payments.*

1. Subject to the offset and reduction provisions set forth in Section XI and Section XII, Walgreens shall make Base Payments into the Settlement Fund in an amount equal to forty-one percent (41%) of the Adjusted State Remediation Payment. The maximum total for Base Payments is \$1,963,147,836. The Base Payments shall be due in installments consistent with Exhibit M-2 over the fifteen (15) Payment Years, subject to potential offsets for Non-Settling States as provided in Section IV.F.

2. The Base Payment for any Settling State in each Payment Year shall be the Base Payment for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2.

H. *Incentive Payments.*

1. Subject to the offset and reduction provisions set forth in Section XI and Section XII, Walgreens shall make potential additional incentive payments totaling up to a maximum of fifty-nine percent (59%) of the Adjusted State Remediation Payment, with the Incentive Payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is \$2,825,017,620.

2. A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section IV.H.1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2. Incentive Payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The incentive payments shall be divided among three (3) categories, referred to as Incentive Payments A, BC and D. Incentive Payments A and BC will be due in installments over the fourteen (14) Payment Years beginning with Payment Year 2, and Incentive Payment D will be due in installments over Payment Years 6 through 15, as shown on Exhibit M-2. The total amount of incentive payments in an Annual Remediation Payment

shall be the sum of the incentive payments for which the individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, BC, and D shall be determined on a Settling State-by-Settling State basis.

4. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A in an Annual Remediation Payment, such Settling State is not eligible for Incentive Payments BC or D in that Annual Remediation Payment.

b. Incentive Payment A shall be equal to fifty-nine percent (59%) of the Adjusted State Remediation Payment, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Annual Remediation Payment over fourteen (14) Payment Years, starting in Annual Remediation Payment 2, and shall equal a total potential maximum of \$2,825,017,620 if all states are eligible. Each Settling State's share of Incentive Payment A in a given year, *provided* that Settling State is eligible, shall equal the total maximum amount available for Incentive Payment A for that year as reflected in Exhibit M-2 times the Settling State's Overall Allocation Percentage.

c. Eligibility for Incentive Payment A is as follows: A Settling State is eligible for Incentive Payment A if, as of two (2) years of the Effective Date: (i) there is a Bar in that State in full force and effect, (ii) there is a Settlement Class Resolution in that State in full force and effect, (iii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a State's population, whichever is greater, Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and Primary Fire Districts; or (iv) a combination of the actions in clauses (i)-(iii) has achieved the same level of resolution of Claims by Subdivisions (*e.g.*, a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Walgreens and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

d. A Settling State that is not eligible for Incentive Payment A as of two (2) years after the Effective Date shall not be eligible for Incentive Payment A for that Payment Year or any subsequent Payment Years.

e. Walgreens shall indicate before the Initial Participation Date whether existing legislation in a Settling State is sufficient to qualify as a Bar.

f. If a Settling State is not eligible for Incentive Payment A as of the Payment Date for Payment Year 2, and becomes eligible for Incentive Payment A as of Payment Date for Payment Year 3, it shall receive the payment that it would have received for Incentive Payment A for Payment Year 2 (the “Incentive Payment A Catch-up Payment”) beginning on the Payment Date for Payment Year 3. If a Settling State is not eligible for Incentive Payment A as of the Payment Date for Payment Year 3, and becomes eligible for Incentive Payment A as two (2) years after the Effective Date, it shall receive the payment that it would have received for Incentive Payment A for Payment Years 2 and 3 (also an “Incentive Payment A Catch-up Payment”) beginning on the Payment Date for Payment Year 4. The Incentive A Catch-up Payment shall be reduced by any amounts paid to the Settling State under Incentives Payments B or C prior to the Settling State’s eligibility for Incentive Payment A. The Incentive Payment A Catch-up Payment is subject to the Annual Maximum as set forth in Section IV.B.2. In the event that the full amount of Incentive Payment A Catch-up Payments is limited by the Annual Maximum, the process set forth in Section IV.B.2 shall apply.

g. If Walgreens made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently removed, revoked, rescinded, reversed, overruled, interpreted in a manner to limit the scope of the release, or otherwise deprived of force or effect in any material respect, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the State requalifies for Incentive Payment A through any method pursuant to Section IV.H.4.b, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by Walgreens in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by Walgreens).

5. Incentive Payment BC.

a. Incentive Payment BC shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment BC shall be up to a maximum of fifty-six percent (56%) of the Settling State’s State Allocation. Incentive Payment A will be due to a Settling State as part of the Annual Remediation Payment over fourteen (14) Payment Years, starting in Annual Remediation Payment 2. Subject to Section IV.F, Incentive Payment BC shall equal a total potential maximum of \$2,681,372,654 if all states are eligible.

c. A Settling State may earn Incentive Payment BC in Annual Remediation Payments 2 through 15 and may receive, when combined with the

Settling State’s Base Payment, a maximum of up to ninety-seven 97% of the Settling State’s State Allocation. The maximum Incentive Payment BC for any Settling State in a given Payment Year shall be the Incentive Payment BC for that Payment Year specified in Exhibit M-2 times the Settling State’s Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State becomes eligible for Incentive Payment BC by sixty (60) days before the Payment Date for Payment Year 6.

d. The amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State’s Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all the Settling State’s Incentive BC Subdivisions. The Settling State’s Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are “*Incentive BC Subdivisions*”).

e. The percentage of the Settling State’s maximum Incentive Payment BC for the Payment Year provided by Section IV.H.5.c to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

<b>Participation Percentage of Incentive BC Eligible Subdivision Population<sup>5</sup></b>	<b>Incentive Payment BC Percentage for the Relevant Payment Year</b>
Less than 85%	0%
85% or more but less than 86%	3.57%
86% or more but less than 87%	8.93%
87% or more but less than 88%	14.29%

<sup>5</sup> The “Participation Percentage of Incentive BC Eligible Subdivision Population” shall be determined by the aggregate population of the Settling State’s Incentive BC Subdivisions that are Participating Subdivisions, or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of the Settling State’s Incentive BC Subdivisions. In calculating the Settling State’s population that resides in Incentive BC Subdivisions, the population of the Settling State’s Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; provided, however, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Subdivision to be excluded.

88% or more but less than 89%	19.64%
89% or more but less than 90%	25%
90% or more but less than 91%	30.36%
91% or more but less than 92%	35.71%
92% or more but less than 93%	41.07%
93% or more but less than 94%	46.43%
94% or more but less than 95%	51.79%
95% or more but less than 96%	60.71%
96% or more but less than 97%	68.75%
97% or more but less than 98%	76.79%
98% or more but less than 99%	84.82%
99% or more but less than 100%	92.86%
100%	100%

f. For Payment Years 2-5, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date. For Payment Years 6-15, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date for Payment Year 6. If Incentive BC Eligible Subdivisions that have become Participating Subdivisions, or achieved Case-Specific Resolution status, collectively represent less than eighty-five percent (85%) of a Settling State's Incentive BC Eligible Subdivision population by sixty (60) days before the Payment Date for Payment Year 6, the Settling State shall not receive any Incentive Payment BC.

g. If there are no Incentive BC Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment BC because it is not eligible for Incentive Payment A, that Settling State will receive its maximum Incentive Payment BC for that Annual Remediation Payment provided by Section IV.H.5.c.

6. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a maximum of ten percent (10%) of the Adjusted State Remediation Payment, with the actual amount depending whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payment D is \$478,816,550.<sup>6</sup>

c. Incentive Payment D shall be paid starting at Payment Year 6 and the amount of Incentive Payment D in Payment Years 6-15 will depend on (i) the Settling State's eligibility as set out in Section IV.H.6.d and (ii) the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6.

d. A Settling State is eligible for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the State's population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that State has a lawsuit against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

e. A Settling State's eligibility for Incentive Payment D shall be determined as of sixty (60) calendar days prior to the Payment Date ("*Incentive Payment D Look-Back Date*"). If a Later Litigating Subdivision's lawsuit in that State survives more than six (6) months after denial in whole or in part a Threshold Motion after that date, that State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year.

f. The Incentive Payment D for any Settling State eligible for Incentive Payment D in Payment Years 6-15 shall be equal to between three percent (3%) and ten percent (10%) of the of the State Remediation Payment times the Settling State's Overall Allocation Percentage specified in Exhibit F-2. The applicable percentage shall be determined based on the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6 as shown in the table below:

---

<sup>6</sup> The Incentive Payment BC table specified in Section IV.H.5.f and Incentive Payment D table specified in Section IV.H.6.e operate so that the combined amount of Incentive Payment BC and Incentive Payment D cannot exceed fifty-nine percent (59%) of the Adjusted State Remediation Payment over the term of the Agreement. Walgreens will have no obligation to pay more than \$2,825,017,620 for the combined amounts of Incentive Payment BC and Incentive Payment D minus any offsets for Non-Settling States specified in Section IV.F.

<b>Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days prior to the Payment Date for Payment Year 6</b>	<b>Each Eligible Settling State's Applicable Incentive Payment D Percentage</b>
Participation of less than 95%	10% of State Allocation
Participation of 95% but less than 96%	9% of State Allocation
Participation of 96% but less than 97%	8% of State Allocation
Participation of 97% but less than 98%	7% of State Allocation
Participation of 98% but less than 99%	6% of State Allocation
Participation of 99% but less than 100%	5% of State Allocation
Participation of 100%	3% of State Allocation

g. Incentive Payment D shall be paid in the installments of ten percent (10%) per year. In the event that the full amount of Incentive D is limited by the Annual Maximum, the process set forth in Section IV.B.2 shall apply. Prior to making the Annual Remediation Payment for Payment Years 6 through 15, the Settlement Fund Administrator shall determine a Settling State's eligibility for Incentive Payment D as of the Incentive Payment D Look-Back Date for that Payment Year. Prior to the Incentive Payment D Look-Back Date for each Payment Year, Walgreens may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

h. Notwithstanding Section IV.H.6.d and Section IV.H.6.e, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D less any litigation fees and costs incurred by Walgreens in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

I. In no event shall any Settling State receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F-2 times the State Remediation Payment.

J. *State Specific Agreements.* Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) Walgreens enters into an agreement with any Eligible State that resolves with finality such State's Claims consistent with Section XI of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "*State-Specific Agreement*") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by the Walgreens thereunder are made in lieu of any payments, or any portion thereof, to be made under this Agreement and Walgreens makes such a payment pursuant to the State-Specific Agreement, then Walgreens will reduce any payments allocable to such State (whether made to the Settlement Fund Escrow or the Settlement

Fund) made pursuant to this Agreement in proportion to the Overall Allocation Percentage for such State.

K. *Significant Financial Constraint.*

1. Walgreens may suspend its payments if, as of thirty (30) calendar days preceding an annual Payment Date, Walgreens' credit rating from one or more of the three nationally recognized rating agencies is below BBB- or Baa3, except if within the prior three (3) months it repurchased any shares (other than those shares required to make the Company's compensation programs non-dilutive), funded new acquisitions with a purchase price greater than \$250 million, or paid a dividend. Walgreens shall not utilize this provision until after payment of the first two Annual Remediation Payments.

2. The suspension shall last until thirty (30) days after Walgreens achieves a BBB- or Baa3 or higher credit rating from all nationally recognized rating agencies that rate Walgreens, at which point Walgreens shall make a payment equal to the lowest of the remaining Total Available Amount or one-thirtieth (1/30<sup>th</sup>) of the Total Available Amount (the "*Post-Suspension Payment*").

3. Annual Remediation Payments and Annual Fees Payments shall be made on the schedule prescribed in Exhibit M-2 and Exhibit M-3 beginning in the Payment Year following the Post-Suspension Payment (i.e., if the last payment made pre-suspension was the Annual Remediation Payment 6, the Post-Suspension Payment would be made on schedule for Annual Remediation Payment 7), but shall remain capped at one-thirtieth (1/30<sup>th</sup>) of the Total Available Amount for two Payment Years until and unless Walgreens' credit rating from all of the three nationally recognized rating agencies that rate Walgreens increases to BBB or Baa2 (the "*Reduced Payment Termination Date*").

4. If Walgreens has reason to believe that it will not be able to the Annual Remediation Payment or Annual Fees Payment for a Payment Year, it shall provide at least ninety (90) calendar days' prior written notice to the Settlement Fund Administrator and Enforcement Committee (a "*Deferred Payment Notice*"). Any Deferred Payment Notice shall specify and include: (a) the gross amount of the payments owed, (b) the amount that Walgreens believes it will be unable to pay, (c) the accounting and audited financial documents upon which Walgreens relied for making this determination, and (d) any other relevant information for the Enforcement Committee to consider.

5. Deferrals and payments made pursuant to Section IV.K.2-3 will apply proportionally across Base Payments and Incentive Payments. For the avoidance of doubt, this Section IV.K applies fully to Payment Years after the first two (2) Annual Remediation Payment Dates, including the Base Payments and all Incentive Payments due pursuant to this Agreement during the Payment Year at issue.

6. Walgreens shall pay any amounts deferred due to suspension or reduced Post-Suspension Payments, including applicable interest, or before the Payment Date for Payment Year 15.

7. If Walgreens defers some or all of the payments due in a Payment Year pursuant to this Section IV.K, it shall not repurchase any shares (other than those shares required to make the Company's compensation programs non-dilutive), or fund new acquisitions with a purchase price greater than \$250 million during the deferral period or until the deferred amount is fully repaid with interest.

8. Any payments deferred under this Section IV.K shall bear interest at a 7% per annum.

9. In the event that Walgreens suspends and/or defers Annual Payments pursuant to Section IV.K.1-2, Walgreens shall repay the suspended and/or deferred payments as follows:

a. If Walgreens suspends payments for up to one year, it shall repay the suspended and/or deferred payments within three Payment Years after the Reduced Payment Termination Date. For each of those three Payment Years, Walgreens shall pay its Annual Remediation Payment and Annual Fee Payment, if applicable, plus the sum of (1) the amount of payments suspended pursuant to Section IV.K.1; (2) the amount of underpayments due to deferral pursuant to Section IV.K.2; and (3) interest pursuant to Section IV.K.8, divided by three or the remaining number of Payment Years, whichever is smaller.

b. If Walgreens suspends payments for longer than one year and up to three years, it shall repay the suspended and/or deferred payments within six Payment Years after the Reduced Payment Termination Date. For each of those six Payment Years, Walgreens shall pay its Annual Remediation Payment and Annual Fee Payment, if applicable, plus the sum of (1) the amount of payments suspended pursuant to Section IV.K.1; (2) the amount of underpayments due to deferral pursuant to Section IV.K.2; and (3) interest pursuant to Section IV.K.8, divided by six or the remaining number of Payment Years, whichever is smaller.

c. If Walgreens suspends payments for longer than three years, it shall repay the suspended and/or deferred payments by no later than the Payment Date for Payment Year 15. For each of the remaining Payment Years, Walgreens shall pay its Annual Remediation Payment and Annual Fee Payment, if applicable, plus the sum of (1) the amount of payments suspended pursuant to Section IV.K.1; (2) the amount of underpayments due to deferral pursuant to Section IV.K.2; and (3) interest pursuant to Section IV.K.8, divided by the number of remaining Payment Years.

L. New York Prior Settlement Credit. Walgreens shall not be required to pay into the Settlement Fund 15.31% of New York's State Allocation as otherwise calculated pursuant to this Section IV as a credit for Walgreens' settlement with Suffolk and Nassau Counties in New York State. For the avoidance of doubt, this credit shall solely reduce the amount New York State and its Subdivisions would otherwise have received under this Agreement, and it shall not affect the amount received by any other Settling State or their Subdivisions.

## V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be funded by the Annual Remediation Payments and comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Payments placed into the Settlement Fund do not revert back to Walgreens.

### B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than ninety-five (95%) of Walgreens' maximum amount of payments pursuant to Section IV as set forth on Exhibit M-2 over the entirety of all Payments Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Walgreens how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs by December 15 each year shall be included in the Compensatory Restitution Amount for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.G among the Settling States pursuant to Section IV.G.2. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%)

to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under Section IV.H on a State-specific basis. Incentive Payments for which a Settling State is eligible under Section IV.F will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Application of Adjustments. If a suspension, offset or reduction under Section XI or Section XII applies with respect to a Settling State, the suspension, offset or reduction shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Remediation Accounts Fund, and the Subdivision Fund for that State.

4. Settlement Fund Administrator. Prior to the Initial Participation Date, Walgreens and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; *provided, however,* that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Walgreens shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.<sup>7</sup> For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Walgreens and the Settlement

---

<sup>7</sup> Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms

Fund Administrator at least ten (10) business days prior to the Settlement Fund Administrator's disbursement of such portion to a Settling State and its Participating Subdivisions.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2<sup>8</sup>, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation, then the default provisions of this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary redistribution for which notice is provided to it less than sixty (60) calendar days prior to the applicable Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that State's State Fund shall be distributed to that State.

b. Amounts apportioned to that State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the

Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, i.e., no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VII.E through Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation<sup>9</sup> and the following shall apply with respect to a Settling State:

a. Regional Remediation.

(i) At least fifty percent (50%) of distributions for remediation from a State's Remediation Accounts Fund shall be annually allocated and

tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.c to define its regions and assign regional allocations percentages. Otherwise, the State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.b shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their remediation needs, and proposals for remediation strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Walgreens and the Enforcement Committee

F. Nature of Payment. Each of the Settling States, the Participating Subdivisions and Walgreens acknowledges, agrees and understands that, notwithstanding anything to the contrary in this Agreement, for purposes of Section 162(f) of the Internal Revenue Code, the Compensatory Restitution Amount paid by Walgreens (up to \$4,788,165,456 to be paid out over fifteen (15) years) constitutes restitution or remediation, as defined in Treasury Regulation § 1.162-21(e)(4), for damage or harm allegedly caused by the potential violation of a law and is an amount paid for the purpose of remediating the damage or harm allegedly caused, including to restore the affected persons, Settling States and Participating Subdivisions to the same or substantially similar position or condition as existed prior to such damage or harm allegedly caused. The Parties acknowledge, agree and understand that only the Private Attorneys Fees, State AG Fees and Costs, and Additional Remediation Amount (up to \$734,363,310) represent reimbursement to Settling States, Participating Subdivisions listed on Exhibit G, or any other person or entity for the fees and costs of any investigation or litigation, that no portion of the Compensatory Restitution Amount represents reimbursement to Plaintiffs or any other person or entity for the fees and costs of any investigation or litigation, and no portion of the Compensatory Restitution Amount represents or should properly be characterized as the payment of fines, penalties or other punitive assessments. Releasees acknowledge, agree and understand that Walgreens intends to allocate the cost of the Annual Remediation Payments among the Releasees using a reasonable basis. The Designated

State, on behalf of all Settling States and Participating Subdivisions shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. The Form 1098-F shall identify the entire Adjusted State Remediation Payment except as reported pursuant to Section V.B.2 as of December 31, 2023, as remediation/restitution amounts, and Releasors shall furnish Copy B of such Form 1098-F to Walgreens on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding. Walgreens makes no warranty or representation to Releasors as to the tax consequences of the Compensatory Restitution Amount, Adjusted State Remediation Payment, the Private Attorneys Fees, or State AG Fees and Costs or any portion thereof. Further, Releasors specifically acknowledge that no portion of the Compensatory Restitution Amount shall be used for general enforcement efforts or other discretionary purposes as described in Treasury Regulation § 1.162-21(e)(4)(i)(C).

## **VI. Enforcement**

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Walgreens; *provided, however,* that Released Entities may enforce Section X and Participating Subdivisions listed on Exhibit G have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights against Walgreens with respect to either the terms of this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Walgreens with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Remediation Accounts Fund pursuant to Section V; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Walgreens consents to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VI.F.1 for resolution in that court.

### *C. Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Walgreens believes that the ninety-five percent (95%) threshold established in Section V.B.1 is not being satisfied, any Party may request that Walgreens and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to Walgreens seeking to reduce their Annual Remediation Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the ninety-five percent (95%) threshold established in Section V.B.1; (ii) only reduce Annual Remediation Payments to those Settling States and their Participating Subdivision(s) that are below the ninety-five percent (95%)

threshold established in Section V.B.1; and (iii) not reduce Annual Remediation Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between the Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Walgreens Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State to seek resolution regarding the failure by Walgreens to make its Annual Remediation Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except to the extent provided by Section VI.C or Section VI.F.2, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-

Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims; and

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.2.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

2. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Walgreens shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.1's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms “Covered Conduct,” “Released Entities,” and “Released Claims”;

(iv) the failure by Walgreens to pay the Annual Remediation Payment or the Additional Restitution Amount in a Payment Year, but for the avoidance of doubt, disputes between Walgreens and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of the significant financial constraint provision in Section IV.K, including, without limitation, eligibility for and amount of deferrals for any given year, time for repayment, and compliance with restrictions during deferral term;

(vi) the interpretation and application of any most-favored-nation provision in Section XIII.E;

(vii) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(viii) disputes involving liability of successor entities;

(ix) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;

(x) disputes involving a Releasor’s compliance with, and the appropriate remedy under, Section X.B.4.c;

(xi) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(xii) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Walgreens, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Walgreens on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Walgreens, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Walgreens whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, e.g., a dispute between Walgreens and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Walgreens and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

3. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining party must:

a. Provide written notice to the Enforcement Committee and/or Walgreens of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

4. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Walgreens such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

5. To the extent allowed by applicable law, this Settlement Agreement shall not be deemed to create a lien or encumbrance against any real property owned by Walgreens or its affiliates, unless in the event of a default or breach of the payment provisions by Walgreens. Nothing in this Section VI.F.5 shall be construed to limit any remedy of any Settling State or Participating Subdivision in the event of a default or breach of this Agreement by Walgreens.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("*CID*") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Walgreens reserve all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

## **VII. Participation by Subdivisions**

A. *Notice.* Prior to the State Participation Date, the Parties shall agree on a vendor to serve as the Implementation Administrator and provide notice pursuant to this Section VII.A. No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision

Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the State Participation Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. Up to \$1,500,000 of the costs of the Implementation Administrator shall be paid for by Walgreens. The Settling States, with the cooperation of Walgreens, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

*B. Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

*C. Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of

opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Implementation Administrator until the Reference Date.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Annual Remediation Payment due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after November 30, 2023 shall receive seventy-five percent (75%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive fifty percent (50%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payment or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive twenty-five percent (25%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Walgreens.

G. *Ineligible Subdivisions.* Prior Litigating Subdivisions whose claims have already been resolved and Subdivisions in Non-Settling States are not eligible to be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Remediation Payment, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any Base Payment and Incentive Payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Remediation Accounts Fund for the State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

### **VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment**

#### *A. Determination to Proceed With Settlement.*

1. The Settling States shall confer with legal representatives of the Participating Subdivisions listed on Exhibit G and inform Walgreens no later than eighteen (18) calendar days prior to the Reference Date whether the Settling States agree that there is sufficient participation to proceed with this Agreement. Within seven (7) calendar days of informing Walgreens that there is sufficient participation to proceed, the Settling States will deliver all signatures and releases required by the Agreement to be provided by the Settling States to Walgreens.

2. If the Settling States inform Walgreens that they agree that there is sufficient participation, Walgreens will then determine on or before the Reference Date whether there is sufficient State participation, sufficient Subdivision participation, and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Walgreens and may be based on any criteria or factors deemed relevant by Walgreens.

B. *Notice by Walgreens.* On or before the Reference Date, Walgreens shall inform the Settling States of its determination pursuant to Section VIII.A.2. If Walgreens determines to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If Walgreens determines not to proceed, this Agreement will have no further effect, any amounts placed in escrow for Payment Year 1, including funds referenced in Section IV.C.1 and Exhibit M-2, shall be returned to Walgreens, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

### **IX. Settling State and Participating Subdivision Attorneys' Fees and Costs and Additional Remediation Amount**

A. The Agreement on Subdivision Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee

Fund for Chain Pharmacy Settlement and the Agreement on the Joint State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

**B. *Additional Remediation Amount.***

1. Subject to and without exceeding the maximum payment amounts set forth in the "Additional Remediation Amount" column of Exhibit M-3 and subject to the reduction specified in Section IX.B.2, Walgreens shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth in Exhibit M-3, as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

2. *Reduction of Additional Remediation Amount.* The amounts owed by Walgreens pursuant to this Section IX.B shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

3. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with the investigation of one or more Chain Pharmacies, as that term is defined in Exhibit S, that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section V.C through Section V.E.

**C.** All payments addressed by this Section IX will be made on December 31 for each Payment Year in which they are due pursuant to Exhibit M-3.

**X. **Release****

**A. *Scope.*** As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivisions hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

**B. *Claim-Over and Non-Party Settlement.***

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts, and nothing herein shall prohibit a Released Entity from seeking a voluntary agreement providing indemnification for liability and/or expenses arising from Walgreens' post-Effective Date implementation of the Injunctive Relief Terms set forth in Exhibit P.

3. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Walgreens in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section X.B.3 or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-

Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Walgreens shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Walgreens:

a. Walgreens shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Walgreens and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Covered Conduct than the amounts owed by Walgreens under this Agreement;

c. That Releasor and Walgreens shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Walgreens under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Walgreens or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Walgreens to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Walgreens by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Walgreens under this Agreement to reduce the overall amounts to be paid under the Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Walgreens may devise to hold Walgreens harmless from the Claim-Over.

d. The actions of that Releasor and Walgreens taken pursuant to paragraph (c) must, in combination, ensure Walgreens is not required to pay more with respect to Covered Conduct than the amounts owed by Walgreens under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Walgreens may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Walgreens shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Walgreens harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Walgreens may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a clinic, hospital or other purchaser, distributor or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Walgreens shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

6. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts and nothing herein shall prohibit a Released Entity from seeking a voluntary agreement providing indemnification for liability and/or expenses arising from Walgreens' post-Effective Date implementation of the Injunctive Relief Terms set forth in Exhibit P.

C. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and

that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

D. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Walgreens (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, the Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Walgreens.

E. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

F. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or have obtained, or will obtain no later than the Initial Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions, and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor as set forth in Exhibit X is sufficient to demonstrate that the appropriate releases have been obtained.

G. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

H. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Walgreens to secure the prompt dismissal of any and all Released Claims, including suits brought by non-Releasors based on Released Claims. Releasors will meet and confer and make reasonable efforts to resolve any action that is filed by a Subdivision against Walgreens on or after the date the Preliminary Agreement Date. This provision shall not require a State to make any monetary payment or adjustment to allocation or incur other obligation.

I. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, workers' compensation Claims, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement.

## **XI. Later Litigating Subdivisions**

A. Released Claims against Released Entities. Subject to Section XI.B, the following shall apply in the event a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim, and shall not oppose a Settling State's submission in support of the Threshold Motion.

2. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, Walgreens shall receive a dollar-for-dollar offset against Incentive Payment D for the amount paid. The offset shall be applied against the relevant portion of the Annual Remediation Payments starting in Payment Year 15 and working backwards.

3. For the avoidance of doubt, any offset pursuant to this Section XI in a Settling State if it at the time is not eligible for Incentive Payment A shall continue to apply even if the Settling State at issue subsequently becomes eligible for Incentive Payment A.

4. "*Terms requiring payment*" shall mean (i) a final monetary judgment or (ii) a settlement; *provided* that the Released Entity sought the applicable State Attorney General's consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

### **B. Exceptions.**

1. Section XI.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A for the Payment Year at issue, except as expressly provided therein.

2. An offset under Section XI.A.2 shall not apply where the Later Litigating Subdivision opted out of a Settlement Class Resolution in the Settling State at issue that was in full force and effect in that Settling State as of the due date of the payment for Payment Year 2 and remains in full force and effect; *provided* that an offset relating to that Subdivision may apply under Section XII.

3. Section XI.A shall not apply where the Later Litigating Subdivision seeks less than \$10 million, or so long as its total claim is reduced to less than \$10 million, in the lawsuit for a Released Claim at issue.

C. *No Effect on Other Provisions.* A suspension or offset under Section XI.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States.* A suspension or offset under Section XI.A applicable to one State shall not affect the allocation or payment of the Annual Remediation Payment to other Settling States.

## **XII. Other Reductions/Offsets**

A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Walgreens shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that State and to its Subdivisions. For the avoidance of doubt, an offset shall not be applicable under this subsection if it is applicable under Section XI.A with respect to the Subdivision at issue.

B. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If Walgreens made any Annual Remediation Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Remediation Payment, the Walgreens shall receive a dollar-for-dollar offset against the portion of remaining Annual Remediation Payments that would be allocated to that State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by the Walgreens by virtue of the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from the Walgreens during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims

are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

C. *Certain Taxes.* Amounts paid by Walgreens under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against Walgreens obligation to pay its share of the Annual Remediation Payment in that Payment Year that would be allocated to the taxing State or its Participating Subdivisions. If such amounts paid exceed that Walgreens allocable share of the Annual Remediation Payment allocable to the taxing State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its allocable share of remaining Annual Remediation Payments that would be allocated to the taxing State or its Participating Subdivisions. Walgreens represents that as of December 6, 2022, there is no Opioid Tax currently in effect in any Eligible State that would give rise to this offset provision.

### **XIII. Miscellaneous**

A. *Population of New York.* Calculation of the population of New York State for any purpose under the Agreement shall not include the respective populations of Nassau and Suffolk Counties.

B. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

C. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.H.4.b and Section IV.H.6.d: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served.<sup>8</sup> For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Walgreens and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

D. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

E. *Most-Favored-Nation Provision – Walgreens*

1. If, after the Effective Date, Walgreens enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a

Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XIII.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain overall payment terms at least as favorable as those obtained by such Non-Settling State. "Overall payment terms" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Walgreens shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Walgreens with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the consideration set forth in Section XIII.E.1, the Settling State(s) and Walgreens shall engage in the following process:

a. Within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement agreement or consent judgment to Settling States, the Settling State(s) shall provide notice to Walgreens, of their intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the State's belief that it is entitled to a revision of the Agreement.

b. Walgreens shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Walgreens do not reach agreement as to the application of Section XIII.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIII.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.2.

d. The Settling State and Walgreens shall be bound by the determination of the National Arbitration Panel of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may

obtain, with respect to Walgreens, overall payment terms at least as favorable as those obtained by such Non-Settling State.

4. This Section XIII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Walgreens that is entered into: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Walgreens and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Walgreens jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) with a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; (c) the earlier of (i) after a Non-Settling State has obtained any court order or judicial determination that grants judgment (in whole or in part) against Walgreens in the Non-Settling State's case, (ii) after a sanctions ruling against Walgreens in the Non-Settling State's case against Walgreens; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability; or (d) with West Virginia or New Mexico. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.

5. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Walgreens and Non-Participating Subdivisions or Non-Participating Special Districts.

6. This Section XII.E will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

F. *No Admission.* Walgreens does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Walgreens

G. *Tax Cooperation and Reporting.*

1. Upon request by Walgreens, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Walgreens to establish the statements set forth in Section V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIII.G.1, each Settling State and Participating Subdivision shall cooperate in good faith with Walgreens with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the "*Appropriate Official*"). The State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Walgreens and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by Walgreens, and (b) provides Walgreens a copy of (i) the IRS Form 1098-F filed with respect to Walgreens and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.F.

4. The Settling States and Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to Section XIII.G.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 2 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XIII.G other than an IRS Form 1098-F, the Designated State shall direct and ensure that the Appropriate Official provides to Walgreens a draft of such return, amended return, or written statement in respect of Walgreens no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of Walgreens on the return, amended return, or written statement in respect of Walgreens.

5. For the avoidance of doubt, neither Walgreens nor the Settling States and Participating Subdivisions make any warranty or representation to any State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

H. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not the Settling State or Released Entity. The State may not assign or otherwise convey any right to enforce any provision of this Agreement.

I. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

J. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

K. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and

authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

L. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

M. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

N. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement

O. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving Walgreens of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Walgreens cannot comply with this Agreement without violating such a requirement or requirements, Walgreens shall document such conflicts and notify the State Attorneys General of the relevant Settling States that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in the Injunctive Relief Terms will be followed.

P. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement.

Q. *Waive Challenge.* The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or

future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.O.

R. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.S.

T. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

U. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

V. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Walgreens and its respective successors and assigns.

2. Walgreens shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Walgreens (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by Walgreens) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Walgreens' ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction, unless Walgreens obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Walgreens remaining Payment Obligations under this Agreement equal to the percentage of Walgreens' consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of Walgreens most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.V shall be enforceable solely by the Settling States, and any objection under this Section XIII.V not raised within sixty (60) calendar days of the announcement of the relevant transaction is waived.

W. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Walgreens concludes prior to December 21, 2022 that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Walgreens shall meet and confer and make such amendments as they agree are appropriate. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Walgreens, along with the signature of at least

thirty-seven (37) of those then serving as Attorney General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that State (either pursuant to Section V.E.2.c, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

X. *Termination.*

1. Unless otherwise agreed to by each of Walgreens and the State, this Agreement and all of its terms (except Section XIII.R and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to a Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIII.X.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Walgreens and the Settling State shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Walgreens and the State shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that

Walgreens and the State shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Walgreens and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 15, *provided* that Walgreens' has performed its Payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.X.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIII.X.3.

Y. *Governing Law.* Except as (1) otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Walgreens or against which Walgreens is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the State where the escrow agent has its primary place of business.

Z. *Bankruptcy.* The following provisions shall apply if Walgreens enters Bankruptcy and (i) the Walgreens bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by Walgreens pursuant to 11 U.S.C. § 365:

1. In the event that the both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate Overall Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate Overall Allocation Percentages assigned to all Settling States deem (by written notice to Walgreens) that the financial obligations of this Agreement have been terminated and rendered null and void (except as provided in Section XIII.Z.1.a) due to a material breach by Walgreens, whereupon:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to Walgreens; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to Walgreens shall have the right to assert any and all claims against Walgreens in the Bankruptcy or otherwise without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided, however*, that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than Walgreens itself; and (ii) in the event the State asserts any Released Claim against Walgreens after the rejection and/or termination of this Agreement as described in this Section XIII.Z.1.a and receives a judgment,

settlement or distribution arising from such Released Claim, then the amount of any payments the State has previously received from Walgreens under this Agreement shall be applied to reduce the amount of any such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that the State is required to disgorge or repay to Walgreens' bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Walgreens subject to all defenses and rights of the Walgreens.

AA. *Waiver.* Walgreens, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the “Texas Statutes”), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Walgreens' payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Walgreens' payment obligations incurred hereunder are satisfied in full, Walgreens' rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.
