1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (*e.g.*, health care, primary care, pharmacies, PDMPs, etc.).

## **L. RESEARCH**

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.
3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).
7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (“ADAM”) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

**Exhibit G**  
**Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and**  
**Subdivision Fund Allocation Percentages**

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include all Subdivisions set forth on Exhibit G of the national opioid settlement agreement dated July 21, 2021 with Janssen Pharmaceuticals, Inc., et al., including all amendments up to the Preliminary Agreement Date of this Agreement. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated December [ ], 2022 (“*Walgreens Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the Walgreens Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Walgreens Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the Walgreens Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at [website link to national settlement website to be provided].
3. The Governmental Entity agrees to the terms of the Walgreens Settlement pertaining to Participating Subdivisions as defined therein.
4. By agreeing to the terms of the Walgreens Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Walgreens Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role

as provided in, and for resolving disputes to the extent provided in, the Walgreens Settlement. The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Walgreens Settlement.

7. The Governmental Entity has the right to enforce the Walgreens Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Walgreens Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Walgreens Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Walgreens Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Walgreens Settlement.
10. In connection with the releases provided for in the Walgreens Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would

materially affect the Governmental Entities' decision to participate in the Walgreens Settlement.

11. Nothing herein is intended to modify in any way the terms of the Walgreens Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Walgreens Settlement in any respect, the Walgreens Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

## EXHIBIT L

### Settlement Fund Administrator Terms

#### **I. Definitions**

- A. This Settlement Fund Administrator Terms incorporates all defined terms in the Walgreens Settlement Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Walgreens Settlement Agreement.
- B. *Directed Trustee*. The banking institution where the Settlement Fund is established and which distributes the funds according to the instructions of the Directing Administrator.
- C. *Exhibit G Participant*. A Participating Subdivision listed on Exhibit G to the Walgreens Settlement Agreement.
- D. *Directing Administrator*. The institution or individual that fulfills the remaining obligations of the Settlement Fund Administrator, other than those performed by the Directed Trustee.
- E. *Settlement Fund Administrator*. The Directed Trustee together with the Directing Administrator (collectively referred to as the “Settlement Fund Administrators”).

#### **II. Establishment of the Settlement Fund Administrator**

- A. *Selection of the Settlement Fund Administrators*.
  - i. The duties of the Settlement Fund Administrator under the Walgreens Settlement Agreement will be divided between Directed Trustee and Directing Administrator. These may be the same or different entities.
  - ii. The Directed Trustee and Directing Administrator will each be selected by agreement between Walgreens and the Enforcement Committee.
  - iii. Within sixty (60) calendar days of the selection of the Settlement Fund Administrators, unless such time is extended by written agreement of Walgreens and the Enforcement Committee, contracts shall be negotiated and finalized with the Directed Trustee and Directing Administrator.
  - iv. The terms of the Directed Trustee and Directing Administrator shall be for the duration of the Walgreens Settlement Agreement or as otherwise specified in the contract executed with such entity, unless the Directed Trustee or the Directing Administrator is removed pursuant to Section II.C below.
  - v. To promote efficiencies, the Settlement Fund Administrators may place the Settlement Fund into a trust that also holds funds from the similar opioid settlements with Teva, Allergan, CVS, and Walmart. The Settlement Fund Administrators shall create subaccounts (or a similar structure) within the trust to separate funds paid by Walgreens from funds paid by other Defendants. The Settlement Fund Administrators may also

create additional subaccounts to separate funds paid by Walgreens. The Parties agree, notwithstanding the foregoing, that Trust Assets shall not be considered as fungible across the trust, and that Trust Assets held in subaccounts designated as Walgreens subaccounts, shall be for the sole benefit of Walgreens Beneficiaries and that Walgreens Trust Assets shall not be co-mingled with the Trust Assets of other Defendants. Interest earned by the trust shall be accounted by subaccount.

*B. Governance of the Settlement Fund Administrators.*

- i. The Settlement Fund Administrators will act as independent and neutral third parties to determine the Annual Remediation Payment; administer and disburse funds from the Abatement Accounts Fund, State Fund, Subdivision Fund, and Additional Restitution Amount; and perform other duties as described below and in the Walgreens Settlement Agreement.
- ii. All parties to the Walgreens Settlement Agreement are entitled to rely upon information received from the Settlement Fund Administrators, whether in oral or written. No Party to the Walgreens Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Settlement Fund Administrators. In addition, no Party to the Walgreens Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Walgreens based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Settlement Fund Administrators. For the avoidance of doubt, nothing in this paragraph alters Sections I to XIII of the Walgreens Settlement Agreement or any of the exhibits therein.

*C. Removal of the Settlement Fund Administrators.*

- i. The Directed Trustee or Directing Administrator may be removed upon agreement between Walgreens and the Enforcement Committee. The contracts with each entity shall describe the process for removing that entity.
- ii. Disputes regarding the performance and/or removal of the Settlement Fund Administrators will be resolved by the National Arbitration Panel in accordance with Section V.I.F of the Walgreens Settlement Agreement.

*D. Funding of the Settlement Fund Administrators.*

- i. The costs and fees associated with or arising out of the duties of the Settlement Fund Administrators shall be paid first from the interest accrued in the Walgreens subaccount(s) holding the Settlement Fund.
- ii. To promote efficiencies, Walgreens has chosen to use the same Settlement Fund Administrators as Teva, Allergan, CVS, and Walmart for purposes of their similar opioid settlements. Each Settlement Fund Administrator shall treat its costs and fees relevant to the opioid settlement of Teva, Allergan, CVS, Walgreens, and Walmart as joint costs and fees shared

among each Defendant retaining it (“Joint Costs and Fees”), except for costs and fees performed out of the scope of the contract covering the joint engagement. For the years that Settlement Fund Administrators are used for the Walgreens Settlement Agreement, the following percentages of the Joint Costs and Fees will be attributed to the Walgreens Settlement Agreement:

Payment Years 1-6:	20%
Payment Year 7:	25%
Payment Years 8-10:	33 1/3%
Payment Years 11-13	50%
Payment Years 14-15	100%.

- iii. In the event that the costs and fees of the Settlement Fund Administrators allocated to the Walgreens Settlement Agreement exceeds the accrued interest available in the Walgreens subaccount(s), Walgreens shall pay one-half of the additional amount and one-half shall be paid out of the Settlement Fund pursuant to Section V.C.5 of the Walgreens Settlement Agreement. Walgreens will pay its amount to the Settlement Fund Administrators within 30 days of being notified by the Settlement Fund Administrators that the accrued interest is insufficient to pay the fees owed.
- iv. Walgreens shall not be responsible for any portion of any other Defendants’ allocated share of the Joint Costs and Fees.
- v. Representatives of the Enforcement Committee and Walgreens shall negotiate a budget with the Settlement Fund Administrators, which shall be dependent on the scope of services, the number and timing of distributions from the Settlement Fund, and the reporting requirements. Representatives of the Enforcement Committee and Walgreens have the right to review the costs and fees of the Settlement Fund Administrators prior to payment and upon request. The deadlines and grounds for reviewing and objecting to such costs and fees will be established in the contracts executed with each of the Directed Trustee and Directing Administrator. Disputes regarding the payment of such costs and fees will be resolved by the National Arbitration Panel in accordance with Section VI.F of the Walgreens Settlement Agreement.
- vi. Walgreens, the Enforcement Committee, and the Directing Administrator shall agree on a defined list of investments in which the Directing Administrator may invest the Trust Assets in designated Walgreens subaccounts, which may be updated and amended from time to time in writing by Walgreens, the Enforcement Committee, and the Directing Administrator.
- vii. Walgreens shall not have any liabilities or funding obligations with respect to the trust other than the funding obligations expressly set forth in the Settlement Agreements. For the avoidance of doubt, Walgreens shall not

be required to further fund the trust in the event that the value of the Fund Assets are diminished in any way, through the investment decisions of the Directing Administrator or otherwise.

### **III. Participation in the Walgreens Settlement Agreement**

#### *A. Repository for Settlement Participation Forms.*

- i. The Directing Administrator is responsible for receiving and preserving the Settlement Participation Forms pursuant to Sections VII.B and VII.C of the Walgreens Settlement Agreement. The Directing Administrator is responsible for ensuring newly received forms are properly executed. For forms executed and accepted prior to the retention of the Directing Administrator, the Directing Administrator shall rely on information provided by the Implementation Administrator as to the proper execution of the forms unless it is provided information that indicates such information is incorrect.
- ii. Within sixty (60) calendar days of its retention, the Directing Administrator shall establish a process to receive, preserve, and review the Settlement Participation Forms.
- iii. The Directing Administrator will make the Settlement Participation Forms available to Walgreens, the Enforcement Committee, and the Settling States through an online platform. If the requirements for preserving and making available the Settlement Participation Forms change, the Enforcement Committee will convey any new requirements to the Directing Administrator which will make the change.
- iv. The Directing Administrator shall promptly respond to requests by Walgreens, the Enforcement Committee, or the Settling States for information concerning the Settlement Participation Forms. The Directing Administrator will notify Walgreens and the Enforcement Committee on a regular basis when additional Settlement Participation Forms are submitted unless such information is readily available to the Parties on the online platform established under Section III.A.iii, above.
- v. Upon reasonable request, the Directing Administrator shall provide reasonably available information to Settling States, Participating Subdivisions, Participating Special Districts, and the Cost and Expense Fund Administrator (as defined by Exhibit R of the Walgreens Settlement Agreement) relevant to calculating amounts owed under a State Back-Stop Agreement.

### **IV. Calculation and Allocation of Payments.**

#### *A. General Principles.*

- i. This Section IV is intended to implement the relevant provisions of Sections I through XIII of the Walgreens Settlement Agreement and the

exhibits therein. To the extent this Section IV conflicts with Sections I through XIII of the Walgreens Settlement Agreement and the exhibits therein, the Walgreens Settlement Agreement shall control.

- ii. The Settlement Fund Administrators are entitled to rely upon information received from the Parties to the Walgreens Settlement Agreement, whether in oral or written, for the purpose for which it was submitted, provided that such information is not disputed by another Party.
  1. Walgreens and a Settling State shall provide the Directing Administrator notice of agreement pursuant to Section I.DDD of the Walgreens Settlement Agreement to populations to be used for fire districts in Settling States where Primary Fire Districts were not identified in connecting with the implementation of the July 21, 2021 Janssen Settlement Agreement.
  2. Walgreens and a Settling State may inform the Directing Administrator that they agree the Settling State qualifies for Incentive Payment A. In such cases, such agreement shall satisfy the Directing Administrator's obligations to determine the Settling State's qualification for Incentive Payment A.
- iii. Walgreens and the Enforcement Committee may agree to some or all of the calculations and allocations set forth in this Section IV prior to the Directing Administrator making such determination. In such cases, they shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations to determine such calculations and allocations unless the Directing Administrator is provided with information establishing that the agreed-upon calculation or allocation is inaccurate.
- iv. The Settling States have different requirements for how payments are made to the State and its Exhibit G Participants based on applicable State-Subdivision Agreements, Allocation Statutes, Statutory Trusts, State Back-Stop Agreements, fiscal laws, and other differences. The Directing Administrator shall ask the Attorney General's Office in each Settling State to: (a) inform it whether the State has a State-Subdivision Agreement, Allocation Statute, and/or Statutory Trust; and (b) submit instructions on how payments are to be made to the State and its Exhibit G Participants. The Directing Administrator shall comply with such instructions so long as it is timely submitted and permissible under Sections I through XIII of the Walgreens Settlement Agreement and the exhibits therein.
  1. A Settling State may choose to have all funds for the State and its Exhibit G Participants paid to one or more trust funds (such as a Qualified Settlement Fund or similar fund) or state accounts, which in turn will make payments to the State and its Exhibit G Participants in a manner that complies with all provisions of

Sections I through XIII of the Walgreens Settlement Agreement and the exhibits therein.

2. An Exhibit G Participant may timely choose to make a voluntary redistribution as provided by Section V.D.3 of the Walgreens Settlement Agreement by providing notice through the instructions provided by the Attorney General's Office for its State or by providing notice directly to the Directing Administrator through the instructions provided by the Directing Administrator.
  3. The Directing Administrator may rely on logistic information, like contact, bank account and tax identification number information, previously collected for purposes of the July 21, 2021 Distributor Settlement Agreement and/or July 21, 2021 Janssen Settlement Agreement for a Settling State and its Exhibit G Participants unless instructed otherwise by the Attorney General's Office, and agreed in accordance with the security procedures as established and agreed between the Directing Administrator and the Directing Trustee in the Operating Agreement or otherwise.
- v. The Directing Administrator shall request any Settling State without a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to submit a designation of a lead State agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund to comply with Section V.D.4.b of the Walgreens Settlement Agreement. The designated entity shall be the only entity authorized to request the Directing Administrator instruct the Directed Trustee to disburse from that Settling State's Abatement Accounts Fund. The Directing Administrator shall not instruct the Directed Trustee to disburse any moneys from these Settling States' Abatement Accounts Fund without such instructions.
  - vi. In consultation with Walgreens and the Enforcement Committee, the Directing Administrator may set reasonable limits on the frequency with which it directs the Directed Trustee to make payments and may set other reasonable restrictions on complying with requests made by Settling States or their Participating Subdivisions, to limit the burdens and costs imposed on the Settlement Fund Administrators.
  - vii. The Settlement Fund Administrators may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements. In determining when payments for each Payment Year will be made, the Settlement Fund Administrators may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

*B. Payment Year 1 Annual Remediation Payment.*

- i. On August 31, 2023, Walgreens transferred its Initial Year Payment of \$359,763,189.57 to a Qualified Settlement Fund under the control of the

Settlement Fund Administrators. The Settlement Fund Administrators shall transfer these funds into the Walgreens subaccount(s) in the trust provided by Section II.A.v, above, once established.

- ii. Appendix 1 to this Exhibit L lists each Settling State's Statewide Payment Amount included within the transfer Walgreens made on August 31, 2023, and the amount included within the transfer that constituted interest to be used to pay costs and fees associated with or arising out of the duties of the Settlement Fund Administrators pursuant to Section II.D.i, above.
- iii. The Directing Administrator shall allocate the Payment Year 1 Annual Remediation Payment within the Settling States using the Statewide Payment Amount for each Settling State listed in Appendix 1 to this Exhibit L.
  1. The Directing Administrator shall determine the allocations of the Statewide Payment Amount within each Settling State pursuant to Section V.C, Section V.D and Exhibit G of the Walgreens Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.
  2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Walgreens Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations under Section IV.B.iii.1, above.
  3. If the Attorney's General Office in a Settling State does not inform the Directing Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Walgreens Settlement Agreement, the Directing Administrator shall give notice to the Settling States and their Exhibit G Participants of: (a) the amount to be received by each Settling State; (b) the amount to be received by the separate types of funds for each Settling State (if applicable); and (c) the amount to be received by each Settling State's Exhibit G Participants.
- iv. The Directing Administrator shall provide instructions regarding the distribution of the Payment Year 1 Annual Remediation Payment to the Directed Trustee, consistent with the allocations determined in Section IV.B.iii, above, as soon as practicable; *provided, however*, the Directing Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.B.iii.3, above, until the distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D, below.
- v. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.B.iv, above, on, or as soon

as practicable after the Payment Date for Payment Year 1 unless the requests made pursuant to Section IV.A.iv and .v, above, provide otherwise; *provided, however*, that for any Settling State where the Consent Judgment has not been entered, the funds allocable to that Settling State and its Exhibit G Participants shall not be transferred from the Settlement Fund or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State; *provided further* that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Walgreens Settlement Agreement shall not be disbursed until the Participating Subdivision has secured such dismissal. Walgreens shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section X.C of the Walgreens Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision.

*C. Payment Years 2-15 Annual Remediation Payment.*

- i. The Payment Date for Payment Year 2 is December 31, 2023. The Payment Date for Payment Year 3 is March 31, 2025, and the Payment Date for Payment Years 4 through 14 shall be each successive March 31. The Payment Date for Payment Year 15 is December 31, 2036.
- ii. The Directing Administrator shall use the data provided to it by Walgreens and the Enforcement Committee, which shall be submitted to the Directing Administrator no later than sixty (60) calendar days prior to the Payment Date, to fulfill its obligations under this Section IV.C and determine the allocations to Settling States and their Exhibit G Participants.
- iii. If, no later than fifty (50) calendar days prior to the Payment Date, Walgreens and the Enforcement Committee inform the Directing Administrator that they agree on the amount of the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, Walgreens shall pay the agreed-upon Annual Remediation Payment amount on the Payment Date and the Directing Administrator shall treat those amounts as the determination described in Section IV.C.iv, below.
- iv. If fifty (50) calendar days prior to the Payment Date, Walgreens and the Enforcement Committee have not informed the Directing Administrator of agreed-upon amounts pursuant to Section IV.C.iii, above, the Directing Administrator shall determine the Annual Remediation Payment and the Statewide Payment Amount for each Settling State as follows:
  1. The Directing Administrator shall determine, for each Settling State, the amount of base and incentive payments to which the State is entitled.

- a. The base payments will be equal to forty-one percent (41%) of the Adjusted State Remediation Payment. These payments will be due in installments consistent with Exhibit M-2 of the Walgreens Settlement Agreement over the fifteen (15) Payment Years.
  - b. The Directing Administrator shall follow the steps outlined in Section IV.H of the Walgreens Settlement Agreement to determine each Settling State's eligibility for Incentive Payments A-D, which total up to a maximum of fifty-nine percent (59%) of the Adjusted State Remediation Payment; *provided, however*, Settling States shall have up to two years after the Effective Date to become eligible for Incentive Payment A.
2. The Directing Administrator shall apply any offsets, credits or reductions as specified under Section IV, Section XI and Section XII of the Walgreens Settlement Agreement, and allocate and track these amounts so that they reduce payments to only those Settling States and their Exhibit G Participants subject to the relevant offset, credit, or reduction.
3. The Directing Administrator shall apply any adjustment required as a result of the annual cap on payments, as specified under Section IV.B of the Walgreens Settlement Agreement.
4. The Directing Administrator shall apply any adjustment required as a result of significant financial constraint, as specified under Section IV.K of the Walgreens Settlement Agreement.
5. The Directing Administrator shall determine the amount of any Settlement Fund Administrator costs and fees that exceed the accrued interest in the Settlement Fund and Settlement Fund Escrow, as well as the amounts, if any, of such costs and fees owed by Walgreens and out of the Settlement Fund pursuant to Sections II.D.ii and II.D.iii, above.
6. The Directing Administrator shall determine the total Annual Remediation Payment owed by Walgreens to the Settlement Fund on the Payment Date, and the amount of the Statewide Payment Amount for each Settling State, consistent with the calculations in Sections IV.C.iv.1 through IV.C.iv.5, above. For the Annual Remediation Payment due in Payment Year 2, the Directing Administrator shall deduct any amount in excess of \$1.5 million Walgreens paid for the Implementation Administrator's fees and costs from the amount due.
7. The Directing Administrator shall give notice to Walgreens, the Settling States, and the Enforcement Committee of the amount of the Annual Remediation Payment, and the Statewide Payment

Amount for each Settling State, and these notices shall be subject to dispute pursuant to the procedures provided by Section IV.D.i, below.

- v. The Directing Administrator shall allocate the Annual Remediation Payment (other than the amount owed for Settlement Fund Administrator costs and fees) within the Settling States using the Statewide Payment Amount for each Settling State determined pursuant to Section IV.C.iii or Section IV.C.iv, above.
  - 1. The allocations within each Settling State will be determined pursuant Section V.C, Section V.D and Exhibit G of the Walgreens Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.
  - 2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Walgreens Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations under this Section IV.C.v.
  - 3. If the Attorney's General Office in a Settling State does not inform the Directing Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Walgreens Settlement Agreement, as soon as possible following the determination under Section IV.C.iii or Section IV.C.iv, above, the Directing Administrator shall give notice to the Settling States and their Exhibit G Participants of: (a) the amount to be received by each Settling State (specifying the amount of base payment, of each incentive payment, and of each applicable offset, credit, or reduction); (b) the amount to be received by the separate types of funds for each Settling State (if applicable); and (c) the amount to be received by each Settling State's Exhibit G Participants.
- vi. The Directing Administrator shall provide instructions regarding the distribution of the Annual Remediation Payment to the Directed Trustee, consistent with the allocations determined in Section IV.C.v, above, as soon as practicable; *provided, however*, the Directing Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.C.v.3, above, until the distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D.ii, below.
- vii. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.C.vi, above, on, or as soon as practicable after the Payment Date unless the requests made pursuant to Section IV.A.iv and .v, above, provide otherwise; *provided, however*, that any amounts allocated to a Participating Subdivision that has not yet

secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Walgreens Settlement Agreement shall not be disbursed until the Participating Subdivision has secured such dismissal. Walgreens shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Walgreens Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision.

- viii. The Settlement Fund Administrators shall be also responsible for allocating and disbursing the Additional Remediation Amount for Payment Years 2-7 among Settling States listed in Exhibit N of the Walgreens Settlement Agreement. The Directing Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above in directing the Directed Trustee's distribution of this money.

*D. Disputes Regarding Notices.*

- i. For a notice provided pursuant to Section IV.C.iv.7, above, concerning the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, the following procedures shall apply:
  - 1. Within twenty-one (21) calendar days of the notice provided by the Directing Administrator, Walgreens, any Settling State or the Enforcement Committee party may dispute, in writing, the calculation of the Annual Remediation Payment (including the amount allocated for Settlement Fund Administrator costs and fees), or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and Walgreens identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Directing Administrator will maintain official contact information for providing a notice of dispute.
  - 2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrators, the Enforcement Committee, any affected Settling State, and Walgreens identifying the basis for disagreement with the notice of dispute.
  - 3. If no response is filed, the Directing Administrator shall adjust the amount calculated consistent with the written notice of dispute and shall notify Walgreens of the amount of that year's Annual Remediation Payment due on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrators, the Directing Administrator shall notify Walgreens of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Directing Administrator or the amount that would be consistent with the

notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the Annual Maximum as set forth in Section IV.B.2 of the Walgreens Settlement Agreement. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Annual Maximum as set forth in Section IV.B.2 of the Walgreens Settlement Agreement.

4. The Directing Administrator shall instruct the Directed Trustee to place any disputed amount of the preliminary amount paid by Walgreens into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and Exhibit G Participants.
- ii. For a notice provided pursuant to Section IV.B.iii.3 or Section IV.C.v.3, above, concerning the intrastate allocation of the Statewide Payment Amount for each Settling State, the following procedures shall apply:
1. Within twenty-one (21) calendar days of the notice provided by the Directing Administrator, any Settling State or Exhibit G Participants may dispute, in writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. The Directing Administrator shall disregard any dispute that challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O of the Walgreens Settlement Agreement or by statute. A disputing party must provide a written notice of dispute to the Settlement Fund Administrators, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Directing Administrator will maintain official contact information for providing a notice of dispute.
  2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit a response, in writing, to the Settlement Fund Administrators, any affected Settling State, and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.
  3. If no response is filed, the Directing Administrator shall adjust the amount calculated consistent with the written notice of dispute.
  4. The Directing Administrator shall instruct the Directed Trustee to place any disputed amount into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and Exhibit G Participants.

- iii. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F of the Walgreens Settlement Agreement.
- iv. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Walgreens, and the Settlement Fund Administrators.

E. *Extensions.*

- i. The schedule provided for in this Section IV shall be adjusted based on what is practicable. The Settlement Fund Administrators shall provide notice to Walgreens and the Enforcement Committee should the Directing Administrator and/or Directed Trustee believe that the deadlines provided for in this Section IV need to be adjusted. In such a circumstance, the Settlement Fund Administrators, Walgreens, and the Enforcement Committee will meet and confer regarding the appropriate timeline, seeking to balance practical realities with the importance of expediting the receipt of funds by the Settling States and their Exhibit G Participants so that they can be used to provide Opioid Remediation.
- ii. The deadlines in this Section IV may be extended by the written agreement of Walgreens and the Enforcement Committee.

**V. Reporting Obligations**

A. *Reporting of Non-Opioid Remediation Uses.*

- i. The Directing Administrator shall set up a system to receive and preserve reports from Settling States and Participating Subdivisions that have used monies from the Settlement Fund for purposes that do not qualify as Opioid Remediation, pursuant to Section V.B.2 of the Walgreens Settlement Agreement. The Directing Administrator will not require Settling States and Exhibit G Participants without any such uses of money to submit a report, and the Directing Administrator may treat the failure to submit a report as confirmation that a Settling State or Exhibit G Participants had no such uses of money.
- ii. Settling States and Exhibit G Participants shall report to the Directing Administrator the amount of funds received from the Settlement Fund used for purposes that do not qualify as Opioid Remediation (pursuant to Section V.B.2 of the Walgreens Settlement Agreement). The format of Settling States and Exhibit G Participants' reports to the Directing Administrator shall match the format of the reports Settling States and Participating Subdivisions were required to submit on March 31, 2023 pursuant to the distributor and Janssen settlements. Such Settling State or Exhibit G Participants shall make such reports to the Directing Administrator with respect to each six-month period ending on June 30 or December 31 of any year in which funds are received from the Settlement Fund. Such Settling State or Exhibit G Participants shall make each such report within ninety (90) days of the end of the applicable six-month

period. The Directing Administrator shall make such reports available to Walgreens and the Enforcement Committee.

- iii. The Directing Administrator shall establish a process by the due date of the first report to make the reporting under this Section V.A available to the public.

*B. Abatement Accounts Fund Reporting.*

- i. Upon request by Walgreens, the Settlement Fund Administrators shall agree to perform such further acts and to execute and deliver such further documents (including by online platform if requested) as may be reasonably necessary for Walgreens to establish the statements set forth in Section V.F of the Walgreens Settlement Agreement to the satisfaction of its tax advisors, its independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance. Nothing herein shall be read to conflict with or limit the Parties' obligations under Sections V.F and XIII.G of the Walgreens Settlement Agreement.

*C. Qualified Settlement Fund Treatment.*

- i. Walgreens and the Settlement Fund Administrators shall agree that the Settlement Fund is intended to be classified as a "qualified settlement fund" within the meaning of Treasury regulations Section 1.468B-1, et seq. (and corresponding or similar provisions of state, local, or foreign law, as applicable). The Settlement Fund Administrators shall not take any action or tax position inconsistent with such treatment. The Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible, and Walgreens and the Settlement Fund Administrators shall agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible.

*D. Tax Administration.*

- i. The Directing Administrator shall serve as administrator of the Settlement Fund for tax purposes. The Directing Administrator shall (i) obtain federal and state taxpayer identification numbers for the Settlement Fund and provide the same to Walgreens and the Settlement Fund Administrators, (ii) seek a Private Letter Ruling from the IRS determining that all investment income earned on the Trust Assets is excludible from gross income under Section 115 of the Internal Revenue Code, 26 U.S.C. § 115, (iii) be responsible for all tax reporting, withholding and filing requirements for the Settlement Fund, (iv) provide instructions to Walgreens and the Settlement Fund Administrators for the release of sufficient funds from the Settlement Fund to pay all taxes owed by the Settlement Fund in accordance with Treasury regulations Section 1.468B-2 and any applicable state, local or other tax laws, (v) send copies of all

such tax filings and returns to Walgreens, the Enforcement Committee, and the Settlement Fund Administrators, and (vi) engage, with prior approval from Walgreens and the Enforcement Committee, any other professionals necessary to complete these tasks. Walgreens, the Enforcement Committee, and the Directed Trustee shall provide such cooperation and information as the Directing Administrator may reasonably request in performing the responsibilities set forth in this Section V.D.

## NOTES TO EXHIBIT M-2:

1. All figures for the Maximum Base Payment, Maximum Incentive A Payment, and Maximum Incentive Payment BC are maximum figures that reflect the following:
  - An assumption that all Eligible States are Settling States.
  - An assumption that all Settling States earn the full amount of the relevant incentive payment.
2. All figures for the Maximum Incentive Payment D show the amount earned based on all Settling States obtaining its maximum value of 10%, and reflect the following:
  - An assumption that all Eligible States are Settling States.
  - An assumption that all Settling States are eligible for Incentive Payment D in every Payment Year in which Incentive D is paid.
3. All figures for the Maximum Annual Remediation Payment reflect the following:
  - The credit amount of \$361,834,542 for Florida's prior settlements have already been applied. The credit amount for Suffolk and Nassau Counties in New York in the amount of 15.31% of New York State's Allocation has not been applied against New York's allocation.
  - An assumption that all Eligible States are Settling States.
  - An assumption that each Settling State earn the maximum amount of the available Incentive Payment by either qualifying for Incentive Payment A, or the combination of obtaining a 100% participation percentage for Incentive Payment BC and earning Incentive Payment D at a value of 3%).
4. Any offsets for Eligible States that are Non-Settling States would be deducted from the Maximum Base Payment, Maximum Incentive Payments (A, BC, and D), and Maximum Annual Remediation Payment by subtracting the amount of the payment times the Overall State Allocation Percentage for each Non-Settling State.

**Exhibit O**  
**Adoption of a State-Subdivision Agreement**

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes<sup>3</sup> the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to

---

<sup>3</sup> Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

## EXHIBIT P

# **Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms**

### **I. INTRODUCTION**

1. Except where these Injunctive Terms specify a different implementation period, Walgreens shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).
2. To the extent that Walgreens already has in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.
3. Overview
  - a. Walgreens will implement or maintain a Controlled Substance Compliance Program (“CSCP”).
  - b. The CSCP must include written standard operating procedures and/or corporate policies (the “CSCP Policies and Procedures”) required by these Injunctive Terms.
  - c. The CSCP shall apply during the term of these Injunctive Terms, to each of Walgreens’ retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.
  - d. Walgreens shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within sixty (60) days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than thirty (30) days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Walgreens must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.
  - e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Walgreens and to perform such other roles as set forth herein. Upon the committee’s formation, Settling States shall provide notice to Walgreens of the members of the committee.
4. Compliance with Laws

- a. Walgreens acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Walgreens of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Walgreens to engage in any acts or practices prohibited by such laws, regulations or rules.
- b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Walgreens from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Walgreens to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.
- c. In the event that Walgreens determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court (“Express Interpretations”), such that Walgreens determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Walgreens shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from Walgreens referenced above, Walgreens and the State shall meet and discuss the potential conflict, and Walgreens shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that Walgreens believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Walgreens may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with Walgreens as to the conflict; (ii) be deemed to relieve Walgreens from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over

controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iii) be deemed to relieve Walgreens from adhering to the outcome of a court or administrative action when it is determined that there is no conflict; or (iv) limit a Settling State's ability to relieve Walgreens of a duty under these Injunctive Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

- d. Walgreens shall retain all records it is required to create pursuant to its obligations hereunder for a period no shorter than three years, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.
5. No Admission and No Use as Evidence. Walgreens does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or to impose the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, or (2) a waiver or limitation of any defense otherwise available to Walgreens. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

## **II. TERM AND SCOPE**

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until August 15, 2032, unless otherwise specified herein.
2. Except as otherwise stated herein, the Injunctive Terms shall apply to Walgreens' retail pharmacy stores located in, and registered or licensed with, each Settling State that dispense Schedule II Designated Controlled Substances to Patients, including any Schedule II Designated Controlled Substances dispensed by any such retail pharmacy stores that are mailed or shipped to patients in a Settling State. Should Walgreens operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.<sup>1</sup>
3. These Injunctive Terms may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Settling Pharmacy. Any such amendments must be in writing.

---

<sup>1</sup> Walgreens' specialty and mail order pharmacies are not subject to, and are not online pharmacies for purposes of, these Injunctive Terms.

### **IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL**

1. Walgreens shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance

- Compliance Department and Walgreens' compliance with 21 C.F.R. 1306.04 and these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.
2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. § 1306.04.
  3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Walgreens' compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.
  4. Staffing levels of Walgreens' Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Walgreens' Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.
  5. Throughout the term of these Injunctive Terms, Walgreens shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms, Walgreens' company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Walgreens shall publish its Hotline contact information to its employees and Patients in the Settling States. Walgreens shall maintain for the duration of Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Walgreens to investigate a pharmacist's professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

**V. INDEPENDENCE**

1. Walgreens' Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Walgreens' pharmacies within the Settling States,

- and field personnel who supervise pharmacists and pharmacist technicians (together, “CSCP Employees”), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Walgreens from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
  3. Personnel in Walgreens’ Controlled Substance Compliance Department shall not report to Walgreens’ sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.
  4. Walgreens’ sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-making. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.
  5. To the extent necessary to comply with this section, Walgreens’ Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

## **VI. OVERSIGHT**

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Walgreens shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the “Controlled Substance Compliance Committee.” Walgreens shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.

2. Walgreens' Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Walgreens' adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.
3. On an annual basis, Walgreens' Controlled Substance Compliance Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settlement Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the corporate Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The corporate Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.
4. Walgreens, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.
5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Walgreens from implementing changes to the CSCP Policies and Procedures pending such review and approval.

**VII. MANDATORY TRAINING**

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each of Walgreens' retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.
2. Walgreens shall launch training for all existing CSCP Employees, to the extent practical (for example, accounting for employee leave), on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within one hundred twenty (120) days of the Injunctive Terms Implementation Date. All CSCP Employee new hires, to the extent practical, shall be required to participate in such trainings within sixty (60) days of hiring or six (6) months of the Injunctive Terms Implementation Date, whichever is later. Walgreens will further require that

- every CSCP Employee, to the extent practical, receive such training at least once every three (3) years for the term of these Injunctive Terms.
3. On an annual basis for the duration of these Injunctive Terms, Walgreens shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.
  4. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.
  5. All trainings required under these Injunctive Terms shall also make clear that (i) Walgreens' compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of 2023.

#### **VIII. THE PRESCRIPTION VALIDATION PROCESS**

1. As part of its CSCP, Walgreens shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Walgreens in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an admission, concession, or evidence of any factual or legal contention related to such Red Flag. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.
2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.
3. Walgreens' CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with

the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information available to the pharmacist.

4. Walgreens' CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with Walgreens, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.
5. Walgreens' CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Walgreens records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Walgreens.
6. Walgreens' CSCP Policies and Procedures related to Schedule II Designated Controlled Substances shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any prescriptions that were rejected pursuant to Red Flags identified by the pharmacist, and the reasons why they were rejected, must be documented by the pharmacist, unless if based on the pharmacist's pre-existing knowledge of the Patient or Prescriber. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Walgreens' records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives fifty-five (55) miles from a Walgreens but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation shall not be interpreted to create a presumption that a pharmacist did not resolve any identified Red Flags. Nothing in these Injunctive Terms shall require Walgreens to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist rejects a prescription for clinical reasons,

or where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.

7. Walgreens' CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

## **IX. RED FLAGS**

1. Upon request by the Settling States, but no more than annually, and no earlier than four months after the Injunctive Terms Implementation Date, Walgreens shall provide to the Settling States a report (the "Annual Data Report") that sets forth: (1) the total number of prescriptions for Controlled Substances dispensed annually, aggregated nationally and by state; (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State; (3) the list of prescribers subject to disclosure in section X.5; (4) the specific process, system, metrics or algorithms (if any) sufficient to demonstrate the operational system's ability to identify each category of Red Flag listed in this section; and (5) the total number of prescriptions that pharmacists at the Settling Pharmacy refused to dispense using Walgreens' Good Faith Dispensing worksheet. The Settling States acknowledge that the Good Faith Dispensing worksheet documents the resolution of some Red Flags listed in this section, but does not document the resolution of every Red Flag listed in this section. Upon request, the State Injunctive Relief Committee may request a reasonable sample of completed Good Faith Dispensing worksheets. Unless otherwise required by law, if a Settling State seeks to disclose any data and/or information provided under this provision as part of a proceeding to enforce these Injunctive Terms or otherwise, it shall first provide ten (10) days' notice to Walgreens unless doing so would conflict with applicable law. A Settling State shall not otherwise disclose or provide any data provided under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any data under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Walgreens unless doing so would conflict with applicable law. All data and/or information provided under this paragraph shall be deemed confidential law enforcement material, to the extent state law permits, and shall not be subject to production unless required by law. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies.
2. Within the three months following the provision of the Annual Data Reports, either Walgreens or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red

Flags. At such a meeting, Walgreens or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, Walgreens might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

- a. If Walgreens and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.
  - b. If Walgreens and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.
  - c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration (DEA) or other law enforcement agencies tasked with the regulation of Controlled Substances.
  - d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event a dispute is submitted to the National Arbitration Panel, it shall be Walgreens' burden to prove that the Red Flag(s) at issue are overly burdensome and that their burdensome nature outweighs any public health benefit.
3. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Patient Red Flags":

- a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;
  - b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Walgreens from more than four other Prescribers, from separate practices, in a given 6-month period;<sup>2</sup>
  - c. To the extent personally known by the dispensing pharmacist, Prescriber has been the subject of more than ten (10) documented refusals to fill within a six-month period;
  - d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at Walgreens' pharmacies within thirty (30) days;
  - e. The distance between a Patient's residence and the Walgreens receiving the Designated Controlled Substance prescription is farther than 50 miles;
  - f. The Patient resides more than one hundred (100) miles from the Prescriber who issued the Designated Controlled Substances prescription;
  - g. To the extent personally known by the dispensing pharmacist, a Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to documented refusals to fill by a Walgreens pharmacist within the past thirty (30) days;
  - h. A patient pays in cash for a Designated Controlled Substance despite having prescription drug insurance on file for that medication;
  - i. Three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substances;
  - j. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and
  - k. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated, or incoherent.
4. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescription Red Flags:"
    - a. A Controlled Substance prescription fails to meet the requirements of law;

---

<sup>2</sup> In Walgreens' sole discretion, for administrative convenience Walgreens may implement this Red Flag without regard to whether Prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

- b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;
  - c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;
  - d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and
  - e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.
5. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescriber Red Flags:"
- a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;
  - b. A Prescriber has no office within fifty (50) miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and
  - c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

**X. PREScriBER REVIEW**

1. Walgreens shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Walgreens' retail dispensing for potential Prescribers of concern.
2. Walgreens shall initiate Prescriber Review Process in the following circumstances:
  - a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of Walgreens' retail pharmacy stores in the Settling States;
  - b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or
  - c. Walgreens has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Designated Controlled Substances.
3. Based on the professional judgment of the employees operating the Prescriber Review Process, Walgreens may also initiate the Prescriber Review Process when:

- a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of Controlled Substances;
  - b. A Prescriber of Designated Controlled Substances was flagged for review by a Walgreens pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise Walgreens' pharmacies in a Settling State; or
  - c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Walgreens' retail dispensing.
4. Once Walgreens identifies a Prescriber for further investigation, Walgreens shall review pertinent and available data or information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by Walgreens for the length of these Injunctive Terms. When permitted by law, nothing contained in this Section prevents Walgreens from taking immediate action to Block a Prescriber.
5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused Walgreens to further investigate the Prescriber, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at Walgreens' retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of Walgreens to seek future reinstatement by providing information to Walgreens that may resolve its concerns. Nothing in this Section shall limit the right or ability of Walgreens pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given Prescriber independent of any decision by Walgreens to Block or not Block a given Prescriber. On written demand, on an annual basis, Walgreens shall provide to each Settling State the names of and DEA registration or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the Settling States, on an annual basis, Walgreens shall provide to the Injunctive Relief Committee the number, names and DEA registration or NPI numbers of Prescribers who were: (a) blocked, and (b) the number of prescribers who were reviewed but not blocked.

## **XI. PROACTIVE DUE DILIGENCE AND SITE VISITS**

1. During the term of these Injunctive Terms, Walgreens shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated

Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Walgreens and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.

2. During the term of these Injunctive Terms, Walgreens personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy in a calendar year. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.
3. During site visits, Walgreens' personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.
4. Walgreens' personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.
5. The site visit reports described above shall be maintained by Walgreens and made accessible to all Controlled Substance Compliance Department personnel for the duration of these Injunctive Terms. Upon its request, the States Injunctive Relief Committee shall be provided sample reports or a report for a particular store.

## **XII. THEFT AND LOSS PREVENTION**

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, Walgreens shall maintain for at least three years information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store.

2. In addition to any other reporting obligations under state and federal law, Walgreens must provide to each Settling State on a quarterly basis any reports it has made to the DEA regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 C.F.R. §1301.76(b). Each Settling State shall provide contact information in order to receive such reports. There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy.

### **XIII. REPORTING TO LAW ENFORCEMENT**

1. The Settling States shall inform Walgreens to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Walgreens shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within five (5) days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.
2. Walgreens shall document and for at least two (2) years maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

### **XIV. ENFORCEMENT OF INJUNCTIVE TERMS**

1. Notice of Potential Violations and Opportunity to Cure.
  - a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Walgreens is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement is not presumed to occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Walgreens violates Walgreens' CSCP Policies and Procedures.
  - b. Potential Violation Discovered by Settling State.
    - i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Walgreens in writing (the "State's Notice").

- ii. Within thirty (30) days of receipt of the State's Notice, Walgreens shall provide a written response to the Settling State. The response shall include Walgreens' position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Walgreens believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.
  - iii. If the Settling State wishes to meet with Walgreens, Walgreens shall promptly make itself available for such a meeting.
- c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Walgreens and work in conjunction with Walgreens to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.
- d. Within sixty (60) and one hundred twenty (120) days after implementing the Corrective Action Plan, Walgreens will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Walgreens. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.
- e. If Walgreens fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Walgreens. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

- f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within thirty (30) days of reaching its conclusion.
2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

## **XV. COMPLIANCE CERTIFICATION**

1. Walgreens' Controlled Substance Compliance Director shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).
2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.
3. The certification shall state:

“I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State].”

4. If the Controlled Substance Compliance Director is unable to provide such a certification, the Controlled Substance Compliance Director shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

## **XVI. DATA SHARING**

1. Walgreens shall consent to the provision by its distributors of Walgreens' unblinded “867 Data” (data sent from the distributor to the manufacturer concerning the sale of

- its products to Walgreens) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Walgreens, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.
2. To the extent that Walgreens provide McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Walgreens agree that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Walgreens, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

## **XVII. CLEARINGHOUSE**

1. Walgreens will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six (6) months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from Walgreens for a Settling Distributor to perform suspicious order monitoring; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by Walgreens to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt "deidentified" does not refer to Prescribers. If agreements are not reached, the matters in dispute shall be submitted to arbitration. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, Walgreens may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.
2. Walgreens and Settling Distributors will also determine whether and in what amount each Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When Walgreens contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of Walgreens' contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.

3. Any data provided by Walgreens to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and all applicable state and federal privacy laws.
4. No Settling Distributor or other participant in the Clearinghouse shall receive from the Clearinghouse information specific to Walgreens.

**II.** Fees and Costs

A. Total Attorneys’ Fees and Costs

- 1. Total attorneys’ fees and costs to be paid by Walgreens to Attorneys under this Fee Agreement shall be up to, but in no event more than, \$593,732,518.00, subject to the reductions and provisions set forth below. The total attorneys’ fees and costs consists of up to \$563,732,518 for the Attorney Fee Fund, as set forth in Section II, and \$30,000,000 in total for the Cost Fund, divided between the Subdivision Cost and Expense Fund and MDL Expense Fund, as set forth in Sections II.E and II.F, respectively. Additionally, Walgreens shall also pay \$44,867,483.00 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3, and shall be paid on the schedule set forth in Ex. M-3. The

---

<sup>6</sup> Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

Maximum Attorney Fees and Costs, subject to the reductions set forth herein, are set forth in Ex. M-3 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Walgreens shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Walgreens Agreement.
3. The total attorneys' fees and costs to be paid under this Fee Agreement by Walgreens shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that do not participate in the Walgreens Agreement ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below.
4. If Walgreens settles with any Non-Settling State after December 9, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Walgreens agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the Walgreens Settlement and been awarded its full portion of the Remediation Payment (the "*Walgreens State Settlement CBF Assessment*"). If Walgreens settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after December 9 2022, then Walgreens agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the "*Walgreens Subdivision CBF Assessment*," and, along with the Walgreens State Settlement CBF Assessment, each a "*Walgreens CBF Assessment*"). If (a) Walgreens settles with a Non-Settling State after December 9, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Walgreens later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Walgreens agrees to deposit the Walgreens State Settlement CBF Assessment in the Common Benefit Fund. Any Walgreens CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order. To the extent that Walgreens is required to pay any additional and/or separate assessment on such settlement as a result of the Common Benefit Order, the Walgreens CBF Assessment shall be reduced by the amount required to be paid pursuant to the Common Benefit Order.

**B. Attorney Fee Fund and Sub Funds**

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into

the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Expense Fund and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States .
3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Walgreens Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.
5. In no event shall Walgreens be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.
6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walgreens Agreement, as set forth in Exhibit G to the Walgreens Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in

Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund (60% of the Attorney Fee Fund)*

1. The maximum potential total Common Benefit Fund payment to be made by Walgreens into the Attorney Fee Fund is \$338,239,510.80, and in no event shall it exceed that amount. Walgreens’ maximum potential Common Benefit Fund payments are subject to the reductions set forth in Section II.A.2. for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	<b>Walgreens Shall Pay Common Benefit</b>
Year 2 December 31, 2023	\$50,373,251.40
Year 3 December 31, 2024	\$50,373,251.40
Year 4 December 31, 2025	\$59,373,251.40
Year 5 December 31, 2026	\$59,373,250.00
Year 6 December 31, 2027	\$59,373,250.00
Year 7 December 31, 2028	\$59,373,250.60
Total	\$338,239,510.80

Additionally, Walgreens shall pay \$44,867,483.00 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3 and shall be paid on the schedule set forth in Ex. M-3.<sup>7</sup>

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
  - a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and
  - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Walgreens have also reached a settlement for Released Claims with Walgreens, and these settlements are the subject of agreements with Walgreens. Attorneys are eligible for Common Benefit consideration provided such agreement with Walgreens became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. Walgreens' Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Walgreens Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.
4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Walgreens Agreement as of the Initial Participation Date, and (ii) the Applicant and his or her clients have contributed to

<sup>7</sup> For the avoidance of doubt, Walgreens is not required to pay any sums under this Agreement for matters settled prior to December 6, 2022, other than the \$44,867,483.00 payment referenced above.

increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Walgreens Agreement, including the Walgreens Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Walgreens Agreement or not. It is the intent of this provision to recognize that the goal of the Walgreens Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivision does not further the goal of the Walgreens Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions is antithetical to the Walgreens Agreement and detracts from Common Benefit; the Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to Walgreens as set forth in Section II.H.<sup>8</sup> The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Walgreens under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Walgreens in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Walgreens shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

*D. Contingency Fee Fund (40% of the Attorney Fee Fund)*

1. The maximum potential total Contingency Fee Fund payment to be made by Walgreens into the Attorney Fee Fund is \$225,493,007.20, and in no event shall it exceed that amount. Walgreens' maximum potential Contingency Fee Fund payment shall be subject to the reductions set forth in Section II.A.2 for Non-Settling States and to the

<sup>8</sup> Notwithstanding any provisions set forth herein, it is expressly understood and agreed that continued representation of CT-3 Bellwether jurisdictions, Lake County or Trumbull County, shall not be considered by the Fee Panel as common detriment or adverse to the stated purposes of the Master Settlement Agreement and will not in any way prejudice counsel in seeking common benefit for the work related to the representations of these counties or in any other respect.

adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

		<b>Walgreens Shall Pay Contingency Fee Fund</b>
Year 2		
December 31, 2023		\$33,582,167.60
Year 3		
December 31, 2024		\$33,582,167.60
Year 4		
December 31, 2025		\$39,582,167.60
Year 5		
December 31, 2026		\$39,582,168.00
Year 6		
December 31, 2027		\$39,582,168.00
Year 7		
December 31, 2028		\$39,582,168.00
Total		\$225,493,007.20

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

- a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.
  - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
3. The amount owed by Walgreens to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
  4. In the event that after the date of the Walgreens Agreement, Walgreens, prior to the Effective Date of the Walgreens Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Walgreens Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be returned to Walgreens, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

E. *Subdivision Cost and Expense Fund*

1. Walgreens shall pay \$22,500,000 into the Subdivision Cost and Expense Fund on the schedule set forth below.

	Cost Fund
Year 2 December 31, 2023	\$11,250,000
Year 3 December 31, 2024	\$11,250,000

2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating

Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Subdivision Cost and Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022.

3. During the period between December 9, 2022 and the Effective Date of the Walgreens Agreement, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Subdivision Cost and Expense Fund, shall make best efforts to cease litigation activity against Walgreens, including by jointly seeking stays or severance of claims against Walgreens, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.
4. In the event that Walgreens, prior to the Effective Date of the Walgreens Agreement, settles with any Litigating Subdivision and, under such settlement agreement, pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the Walgreens Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Walgreens, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.
5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.
7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims against Walgreens. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or

federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Walgreens that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, the Subdivision Cost and Expense Fund is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions, and no funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Expense Fund*

1. Walgreens shall pay \$7,500,000 into the MDL Expense Fund on the schedule set forth below.

	MDL Expense Fund
Year 2 December 31, 2023	\$3,750,000
Year 3 December 31, 2024	\$3,750,000

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid directly to the MDL Opiate Capital Account. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions, or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions or Non-Litigating Subdivisions.
3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022, unless the Administrator determines that there are sufficient funds to cover all Subdivision costs incurred prior to December 9, 2022 and that special circumstances exist to justify costs incurred following the public announcement of the Walgreens Agreement, including reasonable costs related to the implementation of the Walgreens Agreement.

*G. Eligibility*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.
2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.
3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

- a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
- b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
- c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement..
- d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.
- e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.
- f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Walgreens Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
- g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or

deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

- h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Walgreens Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.
4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.
7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below.. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Walgreens when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Walgreens Agreement represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Walgreens. Walgreens or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Walgreens, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Walgreens Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

*H. Calculation of Amounts Due*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from

Walgreens as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Walgreens may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Walgreens) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
  - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
  - b. The novelty, time, and complexity of the Qualifying Representations;
  - c. The skill requisite to perform legal services properly and undesirability of the case;
  - d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
  - e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
  - f. Any "common detriment," as set forth in paragraph II.C.4;

- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant's clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Applicant in cases against Walgreens or any risk for Walgreens created by the Applicant in cases against Walgreens;
- m. Any risk for defendants created by Applicants in cases against Walgreens;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- o. The date of filing of any cases filed by the Applicant;
- p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;
- q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Applicant's clients brought claims against Walgreens prior to the announcement of this settlement on December 9, 2022;
- s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

- u. Whether the Applicant's cases have survived motions to dismiss;
  - v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
  - w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Walgreens Agreement on December 9, 2022, such latter litigation both being of less value and, the case of litigation filed after the announcement of the Walgreens Agreement on December 9, 2022, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and
  - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Walgreens Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:
- a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;
  - b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;
  - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
  - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
  - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for

attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
  - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
  - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
  - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
  - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
  - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
  - g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.
6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
- a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.
  - b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set

forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:
  - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
  - b. Apply the Mathematical Model in Exhibit A.
  - c. Use such allocations to determine refund amounts owed to Walgreens from the Attorney Fee Fund, and inform Walgreens and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Walgreens is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

*I. Miscellaneous*

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Walgreens.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the Walgreens will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.
3. The MDL PEC shall provide to Walgreens information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.
4. The MDL PEC and Walgreens agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision to represent a Later Litigating Subdivision or Later Litigating State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the Walgreens Agreement until the Effective Date of the Walgreens Agreement, as well as thereafter, if the Walgreens Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

### III. Miscellaneous

- A. *Termination.* If the Walgreens Agreement does not proceed past the Reference Date, whether because Walgreens does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Walgreens shall have no obligation to make any payments under this Fee Agreement, and Walgreens and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.
- B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Walgreens Agreement. This Fee Agreement shall also be submitted by Walgreens and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached.
  1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Walgreens under this Fee Agreement, makes any change to

the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Walgreens and the MDL PEC shall meet and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Walgreens related to fees and costs beyond the amounts described in this Fee Agreement.

2. If Walgreens and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Walgreens shall have no obligation to make any payments under this Fee Agreement, and Walgreens and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante*.

C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Walgreens and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Walgreens as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Walgreens, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Walgreens Agreement.

## Description of Mathematical Model for the Allocation of the Contingency Fee Funds

### Walgreens Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Walgreens Settlement Agreement.<sup>9</sup> Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walgreens Settlement Agreement.<sup>10</sup> A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Walgreens (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Walgreens Settlement Agreement is \$225,493,007.20.<sup>11</sup>

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, *not* for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Walgreens Settlement Agreement.

#### Illustrative example:

- Assume that State A is allocated 1.00000% of the \$4,788,165,458 Remediation amount [see Exhibit M of the Walgreens Settlement Agreement].
- 50% of the 1% share allocated to State A is \$23,940,827.29.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.

---

<sup>9</sup> See Walgreens Settlement Agreement, Exhibit R § II.D.2.

<sup>10</sup> Walgreens Settlement Agreement, Exhibit R § II.D.2.

<sup>11</sup> Walgreens Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$23,940,827.29, or \$239,408.27.

(2) Adjust the amounts in paragraph 1 as follows:

- a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Walgreens in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Walgreens in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
  - If City C named Walgreens before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.
- b. *Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee

Fund (but only if the Subdivision timely named Walgreens in a lawsuit).

Illustrative example:

- $\$220,000$  [from para. 2.b]  $\div$   $\$280,000,000$  [total amount owed under contingency fee contracts nationwide] =  $0.0785714\%$ <sup>12</sup>
- $0.0785714\% * \$225,493,007.20$  [Contingency Fee Fund] =  $\$177,173.01$

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Walgreens Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Walgreens in a lawsuit).

Illustrative example:

- $1\% * \$225,493,007.20 = \$2,254,930.072$  [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of  $\$2,500,000$  is owed under contingency fee contracts for State A.
- $\$220,000$  [from para. 2.b]  $\div$   $\$2,500,000 = 8.8\%$
- $8.8\% * \$2,254,930.072 = \$198,433.85$

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.<sup>13</sup>

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are

---

<sup>12</sup> In this example, \$280 million is the amount theoretically owed under all contingency fee contracts for litigation against Walgreens as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

<sup>13</sup> The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

## EXHIBIT S

### Agreement on the State Outside Counsel Fee Fund for Chain Pharmacy Settlements

1. **Definitions.**

- a. “Chain Pharmacy” means any of CVS, Walgreens, and Walmart, and “Chain Pharmacies” means all of the foregoing.
- b. “Multistate Chain Pharmacy Settlement Agreement” means This Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and a Chain Pharmacy.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Chain Pharmacy to which this Agreement is attached as an Exhibit.
- d. “Settling Chain Pharmacy” means the Chain Pharmacy that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Chain Pharmacy Settlement Agreement.

2. **Creation of a State Outside Counsel Chain Pharmacies Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Chain Pharmacies (such fund, the “State Outside Counsel Chain Pharmacies Fee Fund”).

3. **State Outside Counsel Chain Pharmacies Fee Fund Administration.** The State Outside Counsel Chain Pharmacies Fee Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Chain Pharmacies Fee Fund (the “Chain Pharmacies Fee Fund Committee”). The Chain Pharmacies Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Chain Pharmacies. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Chain Pharmacies Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Chain Pharmacies Fee Fund Committee.

4. **State Outside Counsel Chain Pharmacies Fee Eligibility.**

- a. To receive any amount from the State Outside Counsel Chain Pharmacies Fee Fund, an outside counsel to a Settling State must have filed and maintained an

action in the name of a Settling State or its Attorney General against a Chain Pharmacy in a state or federal court as of November 1, 2022. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Chain Pharmacies Fee Fund and any “Additional Remediation Amount” as may be provided for in This Settlement Agreement.

- b. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Chain Pharmacies Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Chain Pharmacies Fee Fund Amount.** The Settling Chain Pharmacy shall pay funds into the State Outside Counsel Chain Pharmacies Fee Fund in an amount equal to, and on the schedule identified in, Exhibit M (the “Contribution”). The Settling Chain Pharmacy’s Contribution shall subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Chain Pharmacies Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Chain Pharmacies Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraph 6.c, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Fees shall be aggregated across the Multistate Chain Pharmacy Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Chain Pharmacy Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State’s outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State’s contract with its outside counsel assuming that fifty percent (50%) of the Settling State’s recovery is allocable to a Settling State (rather than allocable to the Settling State’s Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States)

exhausts the State Outside Counsel Chain Pharmacies Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Chain Pharmacies Fee Fund. Fees shall be split proportionally among each Multistate Chain Pharmacy Settlement Agreement, as set forth on the Fee Schedule.

- d. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator. The remainder of any unused administrative expenses shall be disbursed pro rata to States receiving monies from the State Outside Counsel Chain Pharmacies Fee Fund at the conclusion of such administration.

7. **Payment by the Fee Fund Administrator.**

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) the last of the three Multistate Chain Pharmacy Settlement Agreements becomes effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Chain Pharmacies Fee Fund in the following scenarios ("Payment Scenarios"):
  1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Chain Pharmacy Settlement Agreement.
  2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Chain Pharmacies Fee Fund.
  3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Chain Pharmacies Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or

such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.

- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Chain Pharmacies Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Chain Pharmacy bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Chain Pharmacy.

8. **Reduction of Amounts owed**

- a. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Chain Pharmacy to the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. Specifically, the reduction in the amount owed by the Settling Chain Pharmacy shall be calculated as 2.25% times the total Remediation Payments that would have been allocated to the Non-Settling State had it been a Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.
- b. **Settling States; Redistribution.** If a Settling State under This Settlement Agreement (i) would otherwise be entitled to a payment from the State Outside Counsel Chain Pharmacies Fee Fund and (ii) is eligible to be a "Settling State" under either of the two other Multistate Chain Pharmacy

Settlement Agreements but does not become such a “Settling State”, then that Settling State’s payment from the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced to an amount equal to the Contribution times the Settling State’s allocation percentage on Exhibit F, which shall be treated as an additional remediation payment in lieu of a fee payment. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

- c. If either or both of the other Chain Pharmacies fail to enter into a Multistate Chain Pharmacy Settlement Agreement, or if such Multistate Chain Pharmacy Settlement Agreements fail to take effect by December 15, 2023, then the Settling Chain Pharmacy and the Enforcement Committee shall renegotiate the terms of Paragraph 8.b in order to permit prompt payment to Settling States that terminated contested litigation with the Settling Chain Pharmacy, and permitting additional time if necessary to finalize payments to the other Settling States. In no event will such renegotiation result in additional reversion of monies in the State Outside Counsel Chain Pharmacies Fee Fund to the Settling Chain Pharmacy.

**9. Interpretation.**

- a. This Agreement shall be an Exhibit to each Multistate Chain Pharmacy Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.
- b. It is the intent of all parties that the State Outside Counsel Chain Pharmacies Fee Fund function in a similar manner, with similar calculations and mechanics, as the “State Outside Counsel Fee Fund” established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

## **EXHIBIT T**

### **Agreement on the Joint State Cost Fund**

1. **Definitions.**
  - a. “Opioids Defendant” means Walmart, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
  - b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
  - c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
  - d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
  - e. “Settling States” has the meaning given such term in the Settlement Agreement.
2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.
3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and expenses associated with to the opioid litigation.
4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the

Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

**5. Joint State Cost Fund Administrator.**

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

**6. State Cost Fund Guidelines and Principles.**

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
  1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)
  2. Funds in any State Cost Fund shall be primarily used to reimburse costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.
  3. The Joint State Cost Fund shall prioritize the reimbursement of the

following over reimbursement of any State's litigation or investigation costs:

- the reasonable costs of the Joint State Cost Fund Administrator;
  - repayment of National Association of Attorneys General grants made in connection with opioid litigation, without regard to when the grants were made;
  - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
    - litigation-related costs; then
    - investigation-related costs; then
    - settlement and negotiation related costs; then
    - cost shares.
  5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
  6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
  7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual state settlements.
  8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.
  9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute

reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.

10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.

11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).

- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
- d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.
- e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.
- f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
- b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;
- c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and
- d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

# **EXHIBIT B**

**RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

Whereas, the people of the State of Rhode Island and its communities have been harmed by the opioid epidemic, which was caused, in part, by manufacturers and distributors of opioids, and dispensers of opioids and related drugs (collectively, “Opioids Defendants”); and

Whereas, the actions of the Opioids Defendants have resulted in a rise in opioid addiction, overdoses, and deaths in Rhode Island, as well as increased healthcare, social services, and criminal justice costs and the destabilization of families and communities across the state; and

Whereas, the State and certain Rhode Island cities and towns are engaged in litigation seeking to hold certain Opioids Defendants accountable for the damage they have caused; and

Whereas, the State and the Eligible Cities and Towns share a common desire to abate and alleviate the impacts of the Opioids Defendants’ misconduct through the State of Rhode Island in a coordinated and expeditious manner; and

Whereas, upon satisfaction of the terms of each of the Settlement Agreements, each will become binding on all Settling States and Participating Cities and Towns, and other settling entities party thereto;

Whereas, each Settlement Agreement encourages or allows each Settling State and its respective cities and towns to enter into a State-Subdivision Agreement, or a similar framework, in order to direct allocation of their portion of the Opioid Settlement Funds.

Now, therefore, the State and its Participating Cities and Towns enter into this Agreement (the “Agreement”) relating to the allocation and use of the proceeds of the Settlement Agreements:

**I. Definitions**

As used in this Agreement:

- A. “Approved Purposes” means care, treatment, and other programs and expenditures designed to (1) address the misuse and abuse of opioid products; (2) treat or mitigate opioid use or related disorders; or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic as identified by the terms of Exhibit C of the Distributor Settlement Agreement, Exhibit E of the Janssen Settlement Agreement, or any other relevant Settlement Agreement. For purposes of any payments pursuant to a Confirmation Order in a bankruptcy proceeding, the Approved Purposes means those approved by the confirmed plan. Qualifying expenditures may include reasonable related administrative expenses.

- B. “Attorney General,” “Chief Justice of the Rhode Island Supreme Court,” “Director of the Department of Behavioral Healthcare, Developmental Disabilities & Hospitals,” “Director of the Department of Health,” “Governor,” “Senate President,” and “Speaker of the House,” mean the officials holding these offices under Rhode Island law.
- C. “Distributor Settlement Agreement” means an agreement between McKesson Corporation (“McKesson”), Cardinal Health, Inc. (“Cardinal”), and AmerisourceBergen Corporation (“Amerisource”), on the one hand, and the State of Rhode Island and Participating Subdivisions as that term is defined therein, on the other hand, to resolve opioid related claims against McKesson, Cardinal, and/or Amerisource.
- D. “Eligible City or Town” means the cities or towns of Barrington, Bristol, Burrillville, Central Falls, Charlestown, Coventry, Cranston, Cumberland, East Greenwich, East Providence, Exeter, Foster, Glocester, Hopkinton, Jamestown, Johnston, Lincoln, Little Compton, Middletown, Narragansett, New Shoreham, Newport, North Kingstown, North Providence, North Smithfield, Pawtucket, Portsmouth, Providence, Richmond, Scituate, Smithfield, South Kingstown, Tiverton, Warren, Warwick, West Greenwich, West Warwick, Westerly, and Woonsocket. Together the Eligible Cities or Towns are the “Eligible Cities and Towns.”
- E. “EOHHS” means the Rhode Island Executive Office of Health and Human Services, or successor agency, and “Secretary” means the Secretary of EOHHS, or successor official.
- F. “Janssen Settlement Agreement” means that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among Janssen Pharmaceuticals, Inc., Johnson & Johnson, Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.
- G. “Opioid Settlement Funds” means all the funds deposited into a Rhode Island Settlement Fund or sub-fund, deposited into a Rhode Island Qualified Settlement Fund, or held and distributed by an administrator or a Rhode Island Qualified Settlement Administrator pursuant to the terms of the relevant Settlement Agreements, except for any funds needed to pay an administrator or a Rhode Island Qualified Settlement Administrator, or designated by a Settlement Agreement or court order for State or Participating Subdivision attorneys’ fees and costs.
- H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in each Settlement Agreement. Together the Participating Cities or Towns are the “Participating Cities and Towns.”
- I. “Parties” means the State and each Eligible City or Town that is a signatory to this Agreement.

- J. “Settlement Agreements” means the Distributor Settlement Agreement, the Janssen Settlement agreement, and any similar agreement (including consent judgments or consent decrees) entered into after the date of this Agreement, by between, or among one or more opioid manufacturers, pharmaceutical distributors, or pharmacies, or an affiliate, agent, consultant, or advisor of an opioid manufacturer, if mutually agreed to by the Parties in writing. “Settlement Agreement” means one such agreement.

In addition to the foregoing, upon confirmation of the plan in any bankruptcy proceeding for which the State will receive a payment or distribution in connection with claims similar to those released in the Settlement Agreements, which shall include both *In re Purdue Pharma L.P., et al*, No-19-23649 (RDD) (Bankr. S.D. N.Y.) and *In re: Mallinckrodt PLC, et al.*, No. 20-12522 (JTD) (Bankr. D. Del.), such confirmed plan will also become a Settlement Agreement hereunder.

- K. “State” means the State of Rhode Island acting through its Attorney General.

Capitalized terms used and not otherwise defined herein have the meaning given to them in the Settlement Agreements.

## **II. Allocation of Settlement Proceeds**

- A. *Allocation.* All Opioid Settlement Funds, at the times designated in the Settlement Agreements, shall be divided and distributed as follows:
1. 20% directly to the Participating Cities and Towns (“City and Town Share”) for Approved Purposes in accordance with Section III below.
  2. 80% directly to the State (“Statewide Abatement Share”) for forward-looking Approved Purposes throughout the state, which share shall be held in the Rhode Island Statewide Opioid Abatement Account in accordance with Sections IV and V below.
- B. *Use of Funds.* All Opioid Settlement Funds, regardless of allocation, shall be utilized solely for Approved Purposes to abate the harms of the opioid epidemic.

## **III. City and Town Share**

- A. *Allocation and Payment.* The division of the City and Town Share paid to Participating Cities and Towns shall be based on the allocation set forth in Exhibit A, which assigns each Eligible City or Town a percentage share of funds.
- B. *Use of Funds.* The City and Town Share shall be used for Approved Purposes and the Parties intend for the Opioid Settlement Funds to be used on forward-looking opioid abatement efforts. But, the City and Town Share may also be used for past expenditures so long as the expenditures were made for Approved Purposes and are not otherwise restricted by a confirmed plan in a bankruptcy proceeding. Prior to using any portion of the City and Town Share as restitution for past expenditures, a Participating City or Town

shall pass a resolution or take equivalent governmental action that explains its determination that its prior expenditures for Approved Purposes are greater than or equal to the amount of the City and Town Share that the City or Town seeks to use for restitution.

- C. *Collaborative Abatement Initiatives Encouraged.* Participating Cities and Towns may, and are encouraged to, share, pool, or collaborate on opioid abatement efforts with their respective allocation of the City and Town Share in any manner they choose, so long as the shared, pooled, or collaborative abatement efforts comply with the terms of this Agreement and the Settlement Agreements.
- D. *Option to Direct Allocation to Statewide Abatement.* Participating Cities and Towns may, at their discretion, forego their allocation of the City and Town Share and direct their allocation to the Statewide Abatement Share by affirmatively notifying the Advisory Committee and any relevant settlement fund administrator on an annual basis of their decision to forego their allocation of the City and Town Share and designation to the Statewide Abatement Share.
- E. *Non-participating City or Town.* In the event an Eligible City or Town does not participate in the Settlement Agreements, the allocation percentage for that Eligible City or Town shall be redistributed to the Participating Cities and Towns based on a recalculated allocation that does not include the non-participating city or town.
- F. *Municipal Merger or Dissolution.* In the event an Eligible City or Town merges, dissolves, or ceases to exist, the allocation percentage for that City or Town shall be redistributed equitably based on the composition of the successor City or Town.
- G. *City and Town Attorneys' Fees.* The Parties agree that attorneys representing the Participating Cities and Towns in litigation against the Opioids Defendants will satisfy any contractual obligations relating to those legal representations through the mechanisms provided for in the Settlement Agreements. Notwithstanding the provisions of part B of this subsection, no portion of the City and Town Share shall be used to pay any attorneys' fees, costs, or other contractual obligations relating to legal representation in litigation against the Opioids Defendants.

#### **IV. Statewide Abatement Share**

- A. *Allocation and Payment.* The Statewide Abatement Share will be paid directly to the State and these funds shall be held in an account, the Rhode Island Statewide Opioid Abatement Account (the "R.I. Statewide Opioid Abatement Account"), that (1) is established by, authorized by, or subject to any court orders or consent judgments entered to effectuate the terms of the Settlement Agreements including in *State of Rhode Island v. Purdue Pharma L.P. et al.*, C.A. No. PC-2018-4555; (2) has the restricted purpose of holding these funds separately, ensuring they are not comingled with non-Opioid Settlement Funds, and distributing the funds for Approved Purposes; and (3) otherwise meets any requirements for such a fund or account in the Settlement Agreements. The Parties intend for the R.I. Statewide Opioid Abatement Account to hold and distribute the

Statewide Abatement Share in a manner substantially similar to the Opioid Stewardship Fund created under Chapter 28.10 of Title 21 of the Rhode Island General Laws and agree that the R.I. Statewide Opioid Abatement Account may be similarly codified into law by the General Assembly.

**B. *Use of Funds.***

1. The Statewide Abatement Share shall be used for forward-looking Approved Purposes only.
2. Consistent with the provisions of Section V of this Agreement and Section 15 of Article IX of the Rhode Island Constitution, at least annually the Secretary shall present to the Governor, for inclusion in the Governor's budget presentation to the General Assembly, the Secretary's recommendations on the use of the Statewide Abatement Share.

**C. *Reporting.*** The Secretary shall report to the Advisory Committee annually on the distribution and use of funds from the Statewide Abatement Share.

**D. *Compliance.*** Recipients of funds distributed from the Statewide Abatement Share shall be subject to auditing and other compliance procedures as deemed appropriate by the Secretary.

**V. Advisory Committee**

**A. *Committee Established.*** An Advisory Committee (the "Advisory Committee"), consisting of the representatives in part B of this subsection, shall be created to ensure that the State and the Participating Cities and Towns have equal input into the distribution of the Statewide Abatement Share for Approved Purposes across the state of Rhode Island.

**B. *Representatives.*** The Advisory Committee shall consist of the following seventeen (17) members:

1. *State Representatives.* Six (6) State representatives as follows:

- a) Attorney General or designee;
- b) Speaker of the House or designee;
- c) Senate President or designee;
- d) Chief Justice of the Rhode Island Supreme Court or designee;
- e) Director of the Rhode Island Department of Health ("RIDOH"); and
- f) Director of the Rhode Island Department of Behavioral Healthcare, Developmental Disabilities & Hospitals ("BHDDH").

2. *Participating City and Town Representatives.* Six (6) Participating City and Town representatives as follows:
  - a) Mayor of the City of Providence or designee;
  - b) Representative from a city or town in Bristol County;

  - f) Representative from a city or town in Washington County (together with the Representatives from a city or town in Bristol, Kent, Newport, and Providence Counties are the “County Representatives”).

Participating Cities and Towns from Bristol, Kent, Newport, Providence, and Washington counties shall collaborate to appoint the County Representatives. The County Representatives shall serve three (3) year terms.

3. *Expert Representatives.* Three (3) experts (“Expert Representatives”) drawn from fields including but not limited to: public health, pharmacology, epidemiology, emergency medicine, behavioral health, and recovery. The Expert Representatives shall be appointed by a majority vote of the State Representatives and the Participating City and Town Representatives. To stagger the Expert Representative terms, the initial Expert Representative appointments shall be for two (2) years, three (3) years, and four (4) years, and all subsequent Expert Representative appointments shall be for three (3) year terms.
  4. *Community Representatives.* Two (2) Community Representatives (“Community Representatives”). The Community Representatives shall be appointed by a majority vote of the State Representatives and the Participating City and Town Representatives. To stagger the Community Representative terms, the initial Community Representative appointments shall be for two (2) years, and three (3) years, and all subsequent Community Representative appointments shall be for two (2) year terms.
- C. *Chair.* The Advisory Committee shall be chaired by a non-voting representative appointed by the Governor.
- D. *Administrative and Technical Support.* EOHHS shall provide staff support to the Advisory Committee and assist the Advisory Committee in the fulfillment of its responsibilities under this Agreement.
- E. *Meetings and Process for Receiving Public and Local Government Input.*

1. The Advisory Committee shall meet at least quarterly.
2. Meetings of the Advisory Committee shall be public, open meetings consistent with the Open Meetings Act, Chapter 46 of Title 42 of the Rhode Island General Laws.
3. The Advisory Committee shall, in consultation with EOHHS, establish a process for receiving input from Rhode Island's communities, provider organizations, and cities and towns regarding how the opioid crisis is affecting their communities, understanding their abatement needs, and considering proposals for opioid abatement strategies and responses.

The Advisory Committee is encouraged to further coordinate with established groups like the Governor's Overdose Prevention and Intervention Task Force, as well as organizations focusing on prevention, rescue, harm reduction, treatment, and recovery strategies, to gather community input, understand abatement needs, and consider proposals for opioid abatement strategies and responses.

F. *Recommendations.*

1. *Statewide Abatement Recommendations.* The Advisory Committee shall, at least annually, make formal recommendations to the Secretary on the use of the Statewide Abatement Share (the "Statewide Abatement Recommendations"). To aid the Advisory Committee in formulating the Statewide Abatement Recommendations, EOHHS, RIDOH, and BHDDH shall present information regarding the State's opioid abatement strategy and appropriations plan, and information on how that strategy responds to the opioids crisis and the abatement needs of Rhode Island's communities. The Advisory Committee may also consider how non-Opioid Settlement Funds are used as part of the State's opioid abatement strategy when formulating the Statewide Abatement Recommendations.
2. *Good Faith Review and Consideration by Secretary.* The Secretary shall review and consider the Statewide Abatement Recommendations and shall make a good faith effort to incorporate the Statewide Abatement Recommendations into EOHHS's annual budget process.
3. *Deviation from Statewide Abatement Recommendations.* If the Secretary substantially deviates from the Statewide Abatement Recommendations, the Secretary shall provide the Advisory Committee with a written explanation, that will be made public, of any substantial deviations.

## VI. General Terms

- A. *Relationship of this Agreement to Other Agreements and Resolutions.* The Parties acknowledge and agree the Distributor Settlement Agreement and the Janssen Settlement Agreement will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement and

the Janssen Settlement Agreement that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement and the Janssen Settlement Agreement to release the city or town's claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town's claims.

- B. *Scope of this Agreement.* The Parties acknowledge and agree that they must comply with all the requirements of the Settlement Agreements and that this Agreement does not excuse any requirements placed upon them by the terms of the Settlement Agreements, except to the extent those terms allow for a State-Subdivision Agreement or Statewide Abatement Agreement to do so.
- C. *Legislation.* The Parties may seek to further codify the terms of this Agreement in the Rhode Island General Laws through legislation that may be submitted to the General Assembly.
- D. *Applicable Law, Venue, and Severability.* Unless required otherwise by a Settlement Agreement, this Agreement shall be interpreted using Rhode Island law and any action related to the provisions of this Agreement must be adjudicated by the Superior Court of Providence County. If any provision of this Agreement is held invalid by a court of competent jurisdiction, this invalidity does not affect any other provision which can be given effect without the invalid provision.
- E. *Counterparts.* This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

## **VII. Amendments**

- A. *Amendments as Necessary.* The Parties agree to make such amendments as necessary to implement the intent of this Agreement.
- B. *Written Amendments.* This Agreement may be amended by written agreement of the Parties.

**FIRST AMENDMENT TO RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

The State of Rhode Island (the “State”) and the Participating Cities and Towns entered into the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioid Settlement Funds (the “R.I. MOU”), which became effective on January 21, 2022, and governs the allocation and use of the proceeds of Settlement Agreements as that term is defined in the R.I. MOU. This First Amendment (the “First Amendment”) modifies the R.I. MOU pursuant to Section VII of the agreement.

**I. Amendment to Cover Additional Settlement Agreements**

The State and the Participating Cities and Towns agree to amend the R.I. MOU as follows:

A. The Teva Settlement Agreement and the Allergan Settlement Agreement (jointly the “Teva and Allergan Settlement Agreements”) are Settlement Agreements under Section I.J of the R.I. MOU.

B. Section I, “Definitions” will be modified to add the following:

“L. “Teva Settlement Agreement” means an agreement between Teva Pharmaceuticals Ltd., on the one hand, and the State of Rhode Island on the other hand, to resolve opioid related claims against Teva.”

“M. “Allergan Settlement Agreement” means an agreement between Allergan, on the one hand, and the State of Rhode Island on the other hand, to resolve opioid related claims against Allergan.”

“H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in each Settlement Agreement; and, for the purposes of the Teva and Allergan Settlement Agreements, is both (i) a signatory to the First Amendment and (ii) a Participating Subdivision as defined in those agreements. Together the Participating Cities or Towns are the “Participating Cities and Towns.”

C. Section II, “Allocation of Settlement Proceeds” will be modified to add the following:

“C. *Payment of City and Town Share of the Teva and Allergan Settlement Agreements.* For the City and Town Share of the Opioid Settlement Funds resulting from the Teva and Allergan Settlement Agreements:

1. If, within 60 days of the Effective Date of the Teva and Allergan Settlement Agreements, a sufficient number of Eligible Cities and Towns have become Participating Cities and Towns such that the population of the Participating Cities and Towns accounts for 95% or more of the population of all Eligible Cities and Towns,

each Participating City or Town that has joined by that date shall be paid an amount equal to the full amount of Opioid Settlement Funds the City or Town is due to receive over the duration of the Teva and Allergan Settlement Agreements, based on the allocation in Section III.A, within the first year of the Teva and Allergan Settlement Agreements. A Participating City or Town that receives such a lump-sum payment will not receive any further payments from the Teva and Allergan Settlement Agreements.

2. An Eligible City or Town that becomes a Participating City or Town after 60 days following the Effective Date of the Teva and Allergan Settlement Agreements, shall receive its share of Opioid Settlement Funds as determined under Section III.A at the times designated in those settlement agreements.”

- D. Section VI.A, “*Relationship of this Agreement to Other Agreements and Resolutions*” will be modified as follows, “The Parties acknowledge and agree the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ the Teva Settlement Agreement, and the Allergan Settlement Agreement will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ and the Teva and Allergan Settlement Agreement that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ and the Teva and Allergan Settlement Agreement to release the city or town’s claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town’s claims.”

## II. Related Terms

- A. *Relationship of this Amendment to Other Provisions.* Except as amended in this First Amendment, all other provisions within the R.I. MOU shall remain in full force and effect.
- B. *Counterparts.* This First Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

**SECOND AMENDMENT TO RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

The State of Rhode Island (the “State”) and the Participating Cities and Towns entered into the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioid Settlement Funds (the “R.I. MOU”), which became effective on January 21, 2022, and governs the allocation and use of the proceeds of Settlement Agreements as that term is defined in the R.I. MOU. On May 17, 2022 the Attorney General executed and made effective the First Amendment to the R.I. MOU (the “First Amendment”), which addressed the Teva and Allergan Settlement Agreements. This Second Amendment (the “Second Amendment”) modifies the R.I. MOU pursuant to Section VII of the agreement and addresses the Pharmacy Settlement Agreements and the Endo Resolution.

**I. Amendment to Cover Additional Settlement Agreements**

The State and the Participating Cities and Towns agree to amend the R.I. MOU as follows:

A. The CVS Settlement Agreement, the Endo Resolution, the Walgreens Settlement Agreement, and the Walmart Settlement Agreement are Settlement Agreements under Section I.J of the R.I. MOU.

B. Section I, “Definitions” will be modified to add the following:

“N. “CVS Settlement Agreement” means an agreement between CVS Health Corporation and CVS Pharmacy, Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“O. “Endo Resolution” means the confirmation of the plan in the bankruptcy proceeding *In re Endo International plc., et al*, No-22-22549 (JLG) (Bankr. S.D. N.Y.), or similar resolution of opioid claims against Endo International plc for which the State will receive a payment or distribution in connection with claims similar to those released in the Settlement Agreements.”

“P. “Walgreens Settlement Agreement” means an agreement between Walgreens, on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“Q. “Walmart Settlement Agreement” means an agreement between Walmart Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“R. “Pharmacy Settlement Agreements” means the CVS Settlement Agreement, the Walgreens Settlement Agreement, and the Walmart Settlement Agreement.”

“H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in

each Settlement Agreement and, for the purposes of the Teva and Allergan Settlement Agreements, and the Pharmacy Settlement Agreements is both (i) a signatory to the First Amendment and the Second Amendment and (ii) a Participating Subdivision as defined in those agreements. Together the Participating Cities or Towns are the “Participating Cities and Towns.”

- C. Section VI.A, “*Relationship of this Agreement to Other Agreements and Resolutions*” will be modified as follows, “The Parties acknowledge and agree the Distributor Settlement Agreement, the Janssen Settlement Agreement, the Teva and Allergan Settlement Agreements, ~~and the Allergan Settlement Agreement~~ and the Pharmacy Settlement Agreements will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement, the Janssen Settlement Agreement, ~~and the Teva and Allergan Settlement Agreements~~, and the Pharmacy Settlement Agreements that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement, the Janssen Settlement Agreement, ~~and the Teva and Allergan Settlement Agreements~~, and the Pharmacy Settlement Agreements to release the city or town’s claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town’s claims.”

## II. Related Terms

- A. *Relationship of this Amendment to Other Provisions.* Except as amended in this Second Amendment, all other provisions within the R.I. MOU shall remain in full force and effect.
- B. *Counterparts.* This Second Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

unincorporated districts, fire districts, irrigation districts, and other Special Districts in the State of Rhode Island and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to the State of Rhode Island or Subdivision in the State of Rhode Island, whether or not any of them participate in this Agreement; and

THEREFORE, pursuant to the foregoing provisions of the Agreement and to the maximum extent of the State of Rhode Island's power, the Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (1) the State of Rhode Island, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of the State of Rhode Island's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. any violation of law, rule, regulation, or ordinance, or of any other matter of fact or law, or of any fault, liability, or wrongdoing, all of which Walmart denies. Walmart denies the allegations against it and denies that it has any liability whatsoever to the State, its Subdivisions, and/or (a) any of the State's or its Subdivisions' departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public, and (d) any other person or entity alleging harm or damages related to prescription opioids.

4. The Parties recognize that the outcome of the Action is uncertain and a final resolution through the adversarial process likely will require protracted litigation.

5. The Parties agree to the entry of the injunctive relief terms attached as Exhibit P to the Agreement.

6. Therefore, without any admission of liability or wrongdoing by Walmart or any other Released Entities (as defined in the Agreement), and without this Consent Judgment constituting evidence against or admission by anyone with respect to any issue of fact or law, the Parties now mutually consent to the entry of this Consent Judgment and agree to dismissal of the

claims with prejudice pursuant to the terms of the Agreement to avoid the delay, expense, inconvenience, and uncertainty of protracted litigation.

**NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:**

In consideration of the mutual promises, terms, and conditions set forth in the Agreement, the adequacy of which is hereby acknowledged by all Parties, it is agreed by and between Walmart and the State, and adjudicated by the Court, as follows:

1. The foregoing Recitals are incorporated herein and constitute an express term of this Consent Judgment.

2. The Parties have entered into a full and final settlement of all Released Claims of Releasers (including but not limited to the State) against Walmart and the Released Entities pursuant to the terms and conditions set forth in the Agreement. This Consent Judgment summarizes and gives effect to those terms. In the event of a conflict between the terms of the Agreement (including its exhibits) and language in this Consent Judgment, the terms of the Agreement shall govern. Nothing in this Consent Judgment shall have the effect of expanding, diminishing, explaining, or otherwise modifying any term of the Agreement.

3. The “Definitions” set forth in Section I of the Agreement are incorporated by reference into this Consent Judgment. The State is a “Settling State” within the meaning of the Agreement. Unless otherwise defined herein, capitalized terms in this Consent Judgment shall have the same meaning given to them in the Agreement.

4. The Parties agree that the Court has jurisdiction over the subject matter of the Action and over the Parties with respect to the Action and this Consent Judgment. This Consent Judgment shall not constitute and shall not be construed or used as a waiver of any jurisdictional defense Walmart or any other Released Entity may raise in any other proceeding.

5. The Court finds that the Agreement was entered into in good faith.

6. The Court finds that entry of this Judgment is in the public interest and reflects a negotiated settlement agreed to by the Parties. The State's claims against Walmart are hereby DISMISSED WITH PREJUDICE, subject to a retention of jurisdiction by the Court as provided herein and in the Agreement.

7. By this Judgment, the Agreement is hereby approved by the Court, and the Court hereby adopts the Agreement's terms as its own determination of this matter and the Parties' respective rights and obligations.

8. The Court shall have authority to resolve disputes identified in Section VI.F.2 of the Agreement, governed by the rules and procedures of the Court.

9. By this Consent Judgment, the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds, a copy of which is attached hereto as Exhibit B and as incorporated into the Agreement pursuant to Exhibit O of the Agreement, is hereby approved by the Court as the means by which relevant funds paid pursuant to the Agreement will be divided within the State, provided that any Subdivision receiving such funds has executed a Subdivision Participation Form accepting the terms of the Agreement, including the releases provided therein.

10. The Parties have satisfied the Condition to Effectiveness of Agreement set forth in Section II.C of the Agreement and the Release set forth in Sections X.A and G of the Agreement, as follows:

- a. The Attorney General of the State exercised the fullest extent of his or her powers to release Walmart and all other Released Entities from all Released Claims pursuant to the release attached hereto as Exhibit C (the "*AG Release*").
- b. The State Participation Threshold was met by the State Participation Date, and the Subdivision Participation Thresholds were met by the Threshold Subdivision Participation Date.

- c. The Subdivision Participation Form for each Participating Subdivision in the State that has joined to date has been made available to Walmart. As stated in the Subdivision Participation Form, and for the avoidance of doubt, nothing in the Subdivision Participation Form executed by the Participating Subdivisions is intended to modify in any way the terms of the Agreement to which the Participating Subdivisions agree. As stated in the Subdivision Participation Form, to the extent the terms of the executed version of the Subdivision Participation Form differ from the terms of the Agreement in any respect, the terms of the Agreement controls.
- d. Pursuant to Section II.D of the Agreement and Paragraph 2 of the Subdivision Participation Form, each Litigating Subdivision in the State that has become a Participating Subdivision is dismissing with prejudice any Released Claims that it has filed against Walmart or any of the Released Entities.

11. Release. The Parties acknowledge that the release provisions in Section X of the Agreement and the AG Release, which are incorporated by reference herein, are an integral part of this Consent Judgment. Pursuant to the Agreement and the AG Release and without limitation and to the maximum extent of the power of the State's Attorney General, Walmart and the other Released Entities are, as of the Effective Date, hereby released from any and all Released Claims of (a) the State and its Participating Subdivisions and any of their departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including the State's Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts, and other Special Districts in the State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to the State or any Subdivision in the State, whether or not any of them participate in the Agreement. Pursuant to the Agreement

and the AG Release and to the maximum extent of the State's power, Walmart and the other Released Entities are, as of the Threshold Subdivision Participation Date, hereby released from any and all Released Claims of (1) the State, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of the State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Further, the provisions set forth in Section X of the Agreement are incorporated by reference into this Consent Judgment as if fully set forth herein. The Parties acknowledge, and the Court finds, that those provisions are an integral part of the Agreement and this Consent Judgment, and shall govern the rights and obligations of all participants in the settlement, including without limitation the State, Walmart and the Released Entities.

12. Release of Unknown Claims. The State (for itself and its Releasers) expressly waive, release, and forever discharge any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

13. The State may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but the State (for itself and its Releasers) expressly waived and fully, finally, and forever settled, released and discharged, through the Agreement and AG Release, any and all Released Claims that may exist as of the Threshold Subdivision Participation Date but which the State does not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would have materially affected the State's decision to enter into the Agreement.

14. The Court finds that the releases are given in good faith and are effective as to all Releasers and Released Entities.

15. Under Rhode Island law, no state or local governmental entity or sub-entity, including school districts, fire districts, and other such districts, may assert a claim against the Released Entities, where the Attorney General and every city and town have executed a Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds with respect to Agreement between Walmart and the State. R.I. Gen. Laws § 42-7.2-10(d). The Attorney General and every city and town have executed the Memorandum of Understanding Between the State and Cities and Towns Receiving Opioids Settlement Funds, as amended to include the Agreement with Walmart, effective April 28, 2023, thereby binding the State and cities and towns under the applicable statute.

16. Costs and Fees. The Parties will bear their own costs and attorneys' fees except as otherwise provided in the Agreement.

17. No Admission of Liability. Walmart is consenting to this Consent Judgment solely for the purpose of effectuating the Agreement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any

other matter of fact or law, or of any liability or wrongdoing, all of which Walmart expressly denies. Neither Walmart nor any other Released Entity admits that it caused or contributed to any public nuisance, and neither Walmart nor any other Released Entity admits any wrongdoing that was or could have been alleged by the State, its Participating Subdivisions, or any other person or entity. No part of this Consent Judgment shall constitute evidence of any liability, fault, or wrongdoing by Walmart or any other Released Entity. The Parties acknowledge that payments made under the Agreement are not a fine, penalty, or payment in lieu thereof and are properly characterized as described in Section V.F of the Agreement.

18. No Waiver. This Consent Judgment is entered based on the Agreement without trial or adjudication of any contested issue of fact or law or finding of liability of any kind. This Consent Judgment shall not be construed or used as a waiver of Walmart's right, or any other Released Entity's right, to defend itself from, or make any arguments in, any other regulatory, governmental, private individual, private entity, or class claims or suits relating to the subject matter or terms of this Consent Judgment. Notwithstanding the foregoing, the State may enforce the terms of this Consent Judgment as expressly provided in the Agreement.

19. No Private Right of Action. This Consent Judgment is not for use by any third party for any purpose, including submission to any court for any purpose, except Participating Subdivisions for the limited purposes set forth in Section VI.A of the Agreement. Except as expressly provided in the Agreement, no portion of the Agreement or this Consent Judgment shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. The State shall allow Participating Subdivisions in the State to notify it of any perceived violations of the Agreement or this Consent Judgment. No Settling State, including the State, may assign or otherwise convey any right to enforce any provision of the Agreement.

20. Admissibility. This Consent Judgment shall not be admissible in any other case against Walmart or any other Released Entity. This Consent Judgment shall not be binding on Walmart or any other Released Entity in any respect other than in connection with the enforcement of this Consent Judgment or the Agreement in the State. For the avoidance of doubt, nothing herein shall prohibit Walmart or any other Released Entity from entering this Consent Judgment or the Agreement into evidence in any litigation or arbitration concerning (1) Walmart's right to coverage under an insurance contract or (2) the enforcement of the releases provided for by the Agreement and this Consent Judgment.

21. Preservation of Privilege. Nothing contained in the Agreement or this Consent Judgment, and no act required to be performed pursuant to the Agreement or this Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, patient-safety work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

22. Mutual Interpretation. The Parties agree and stipulate that the Agreement was negotiated on an arm's-length basis between parties of equal bargaining power and was drafted jointly by counsel for each Party. Accordingly, the Agreement is incorporated herein by reference and shall be mutually interpreted and not construed in favor of or against any Party.

23. Retention of Jurisdiction. The Court shall retain jurisdiction over the Parties for the limited purpose of the resolution of disputes identified in Section VI.F.2 of the Agreement. The Court shall have jurisdiction over Participating Subdivisions in the State for the limited purposes identified in the Agreement.

24. Successors and Assigns. This Consent Judgment is binding on Walmart's successors and assigns.

25. Modification. This Consent Judgment shall not be modified (by the Court, by any other court, or by any other means) without the consent of the State and Walmart. Modification of the Agreement shall be governed by Section XII.W of the Agreement.

## **WALMART SETTLEMENT AGREEMENT**

This Settlement Agreement, dated as of November 14, 2022 (the “*Agreement*”), sets forth the terms of settlement between and among the Settling States, Walmart, and the Participating Subdivisions (as those terms are defined below). Upon satisfaction of the conditions set forth in Section II, this Agreement will be binding on all Settling States, Participating Subdivisions, and Walmart. This Agreement will then be submitted for entry as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section II.

WHEREAS, certain States and Subdivisions have filed or could file Actions in various forums against Walmart raising Claims or allegations concerning, related to, based upon, or in connection with the Alleged Harms and/or the Covered Conduct;

WHEREAS, Walmart (i) denies each and all of the Claims and allegations of wrongdoing made by the States and Litigating Subdivisions in each of the Actions and maintains that it has meritorious defenses; (ii) denies all assertions of wrongdoing or liability against Walmart arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions already brought or that could be brought by any State or Subdivision related to the Covered Conduct and/or Alleged Harms and contends that the factual allegations made in the current Actions relating to Walmart are false and materially inaccurate; (iii) denies that any State, Subdivision, or resident thereof, was harmed by any conduct of Walmart; (iv) denies liability, denies any wrongdoing, and denies it violated any federal or state statute or common law; and (v) maintains that Walmart would be able to successfully defend against the Claims and allegations at trial, that the facts do not support the allegations, that Walmart engaged in no misconduct or unlawful activity, and that Walmart caused no harm to any State, Subdivisions, or resident thereof;

WHEREAS, the Parties have investigated the facts and analyzed the relevant legal issues regarding the Claims and defenses that have been or could have been asserted in the Actions;

WHEREAS, objective data metrics reported in the federal ARCOS database demonstrate that on a national basis Walmart dispensed on average materially fewer and less potent opioids per store than other major chain pharmacies and many independent pharmacies nationwide, and Walmart’s share of opioids distributed and dispensed nationwide was substantially lower than other major chain pharmacies;

WHEREAS, Walmart has implemented policies, procedures, and controls relating to the dispensing of prescription opioid medications and other controlled substances, including pharmacist training and empowerment programs, company-wide limitations on strength and duration of acute opioid prescriptions, and opioid data analytics, which Walmart uses to identify and investigate potentially problematic prescribing practices;

WHEREAS, the Parties have determined that it is preferable to resolve any claims the States and Subdivisions may have through a cooperative and mutually beneficial settlement that provides funding to remediate Alleged Harms;

WHEREAS, the Parties have each considered the costs, delays and uncertainty associated with the prosecution and defense of an action and the continued prosecution and defense of the Actions;

WHEREAS, the Parties believe the settlement set forth herein avoids the uncertainties of litigation and assures that the benefits reflected herein are obtained;

WHEREAS, the States have concluded that the terms of the settlement are fair, reasonable and adequate and in the best interest of the States and all Subdivisions and citizens and residents of the States;

WHEREAS, the Parties have agreed to the terms herein for the sole purpose of settlement, and nothing herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing or lack thereof;

WHEREAS no part of this Agreement, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing, or of any lack thereof;

WHEREAS, unless the contrary is expressly stated, this Agreement is not intended for use by any Party or any third party for any purpose not expressly stated herein, including submission to any court for any purpose other than Court approvals associated with this Agreement;

NOW, THEREFORE, IT IS HEREBY AGREED by and between the States, Participating Subdivisions, and Walmart, by and through their respective counsel, as follows:

## **I. Definitions**

For all sections of this Agreement except Exhibit E and Exhibit P, the following definitions apply:

A. “*Remediation Accounts Fund*” means the component of the Settlement Fund described in Section V.E.

B. “*Actions*” means any lawsuit by a Settling State or Participating Subdivision asserting any Released Claim against one or more Released Entities.

C. “*Additional Remediation Amount*” means the amount available to the Settling States totaling up to \$16,006,471.88.

D. “*Advisory Committee*” has the meaning set forth in Section V.E.2.d.

E. “*Agreement*” has the definition set forth in the preamble, including all exhibits.

F. “*Alleged Harms*” means the alleged past, present, and future financial and societal harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, including those expenditures that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Walmart.

G. “*Allocation Statute*” means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation as set forth in Section V.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

H. “*Appropriate Official*” has the meaning set forth in Section XII.F.3.

I. “*Base Payment*” has the meaning set forth in Section IV.D.

J. “*Bankruptcy Code*” means Title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.*

K. “*Bar*” means either: (1) a law barring Subdivisions in a State from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by the highest court of the State (or, in a State with a single intermediate court of appeals, the intermediate court of appeals when not subject to further review by the highest court of the State) setting forth the general principle that Subdivisions in the State may not maintain any Released Claims against Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments made by Walmart under this Agreement) shall not constitute a Bar.

L. “*Case-Specific Resolution*” means either: (1) a law barring the Subdivision at issue from maintaining any Released Claims against any Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by a court of competent jurisdiction over the Subdivision at issue that the Subdivision may not maintain any Released Claims at issue against any Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments made by Walmart under this Agreement) shall not constitute a Case-Specific Resolution.

M. “*Claim*” means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, *parens patriae* claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including but not limited to any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution,

abatement, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever.

N. “*Claim-Over*” means a Claim asserted by a Non-Released Entity against a Released Entity on the basis of contribution, indemnity, or other claim-over on any theory relating to a Non-Party Covered Conduct Claim asserted by a Releasor.

O. “*Consent Judgment*” means a state-specific consent judgment in a form to be agreed by the Settling States and Walmart prior to the State Participation Date that, among other things, (1) approves this Agreement and (2) provides for the release set forth in Section X.A, including the dismissal with prejudice of any Released Claims that the Settling State has brought against Released Entities.

P. “*Covered Conduct*” means any actual or alleged act, failure to act, negligence, statement, error, omission, breach of any duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity of any kind whatsoever from the beginning of time through the Threshold Subdivision Participation Date (and any past, present, or future consequence of any such act, failure to act, negligence, statement, error, omission, breach of duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity) relating in any way to (a) the distribution, dispensing, delivery, monitoring, reporting, supply, sale, prescribing, physical security, warehousing, coverage, purchases, reimbursement, discovery, development, manufacture, packaging, repackaging, marketing, promotion, advertising, labeling, recall, withdrawal, or use or abuse of any Product; orders, prescriptions, formularies, guidelines, payments or rebates for any Product; policies, practices and/or operating procedures, insurance, claim or benefit administration, claim adjudication, plan design, data and sales thereof, relating to any Product; and any system, plan, policy or advocacy relating to any Product, including, but not limited to, any unbranded promotion, marketing, programs, or campaigns relating to any Product; (b) the characteristics, properties, risks, or benefits of any Product; (c) the reporting, disclosure, nonreporting or non-disclosure to federal, state or other regulators of orders or prescriptions, related to any Product; (d) the purchasing, selling, acquiring, disposing of, importing, exporting, handling, processing, packaging, supplying, distributing, or converting of any Product; or (e) controls against diversion, corresponding responsibility, and suspicious order monitoring; *provided, however*, that as to any Claim that a Releasor has brought or could bring, Covered Conduct does not include noncompliance with statutory or administrative supply security standards concerning cleanliness of facilities or stopping counterfeit products, so long as such standards apply to the storage and distribution of both controlled and non-controlled pharmaceuticals.

U. “*Enforcement Committee*” means a committee consisting of certain representatives of the Settling States and of the Participating Subdivisions selected and operating pursuant to the organizational bylaws set forth at Exhibit B. Notice pursuant to Section XII.Q shall be provided when there are changes in membership or contact information.

Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct and/or Alleged Harms. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Each Settling State’s Attorney General represents that he or she has or has obtained (or will obtain no later than the Threshold Subdivision Participation Date) the authority set forth in Section X.G. In addition to being a Releaser as provided herein, a Participating Subdivision shall also provide the Subdivision Participation Agreement referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision’s authority.

In seeking certification of any Settlement Class, the applicable Settling State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. ## II. Participation by States and Subdivisions; Effectiveness of Agreement

### A. *State Participation Threshold.*

1. On November 14, 2022, this Agreement shall be distributed to all Eligible States by the Enforcement Committee. The Eligible States' Attorneys General shall then have until December 15, 2022, or such later date as agreed to in writing by Walmart and the Enforcement Committee prior to December 15, 2022 (the "*State Participation Date*"), to decide whether to become Settling States. Eligible States that determine to become Settling States shall sign a Participation Form, in the form attached as Exhibit V, on or before the State Participation Date and provide it to Walmart and the Enforcement Committee.

2. To meet the State Participation Threshold, more than 85% of all Threshold States, by number of such states (the "*State Participation Threshold*"), must have joined this Agreement as Settling States on or before the State Participation Date. For purposes of calculating the State Participation Threshold, each Separately Settling State that is also a Threshold State shall be included in both the numerator and the denominator for purposes of calculating whether the State Participation Threshold has been satisfied. For the avoidance of doubt, to be satisfied, the State Participation Threshold requires that 43 or more of the 50 Threshold States (a) become Settling States by signing a Participation Form or (b) be included in both the numerator and the denominator for purposes of calculating the State Participation Threshold by virtue of being a Separately Settling State that is also a Threshold State.

3. Within the first business day on or after three (3) calendar days after the State Participation Date, the Enforcement Committee will deliver all signed State Participation Forms to Walmart. If the State Participation Threshold has not been satisfied by the State Participation Date, this Agreement will have no further effect and all releases and other commitments or obligations contained herein or in State Participation Forms will be void, provided, however, that on or after the State Participation Date, Walmart shall have the unilateral right in its sole discretion to extend the State Participation Date or to proceed with the Settlement if the State Participation Threshold has not been satisfied.

### B. *Subdivision Participation Thresholds.*

1. If the State Participation Threshold has been satisfied by the State Participation Date, each of the Settling States will use reasonable efforts to ensure that, by April 18, 2023, or such later date as agreed to in writing by Walmart and the Enforcement Committee prior to April 18, 2023 (the "*Threshold Subdivision Participation Date*"), the Settling States have met the following "*Subdivision Participation Thresholds*": (1) more than 85% of the aggregate population of all Litigating Subdivisions located in the Settling States and Separately Settling States (calculated on an aggregated basis and not a State-by-State basis): (a) have become Participating Subdivisions by executing a Subdivision Participation Agreement, including a release (subject to Section VII.D), in accordance with Section VII.C, (b) are subject to a Bar or Case-Specific Resolution or (c) have joined a settlement between Walmart and a Separately Settling State by executing a participation

form, including a release; and (2) more than 85% of the aggregate population of all Non-Litigating Threshold Subdivisions located in the Settling States and Separately Settling States (calculated on an aggregated basis and not a State-by-State basis): (a) have become Participating Subdivisions by executing a Subdivision Participation Agreement, including a release (subject to Section VII.D), in accordance with Section VII.B, (b) are subject to a Bar or Case-Specific Resolution, or (c) have joined a settlement between Walmart and a Separately Settling State by executing a participation form, including a release (together, the “*Participating Population Levels*”). For the avoidance of doubt, for purposes of calculating the Participating Population Levels for the Subdivision Participation Thresholds, all Litigating Subdivisions and Non-Litigating Threshold Subdivisions located in Separately Settling States shall be included in the respective denominators for purposes of calculating whether the Subdivision Participation Thresholds have been satisfied, and any such Litigating Subdivisions or Non-Litigating Threshold Subdivisions located in Separately Settling States that have joined such separate settlement agreement with Walmart by executing a participation form, including a release, shall be included in the respective numerators for purposes of calculating whether the Subdivision Participation Thresholds have been satisfied.<sup>6</sup>

2. As soon as practicable following the Threshold Subdivision Participation Date, the Settlement Fund Administrator shall calculate the Participating Population Levels and determine whether the Subdivision Participation Thresholds have been met.

a. As soon as practicable following calculation of the Participating Population Levels, the Settlement Fund Administrator shall give notice to Walmart, the Settling States, and the Enforcement Committee of the Participating Population Levels and whether the Subdivision Participation Thresholds have been met.

b. Within ten (10) calendar days of the notice provided by the Settlement Fund Administrator, any Party or the Enforcement Committee may dispute, in writing, the calculation of the Participating Population Levels or the determination of whether the Subdivision Participation Thresholds have been met. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, and Walmart (and the affected Settling State, as applicable) identifying the nature of the dispute.

c. Within ten (10) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, Walmart, and the disputing Party (and the affected Settling State, as applicable) identifying the basis for disagreement with the notice of dispute.

---

<sup>6</sup> For purposes of calculating the Participating Population Levels for the Subdivision Participation Thresholds, the populations of Lake and Trumbull Counties of Ohio and Nassau and Suffolk Counties of New York shall be excluded entirely from both the numerator and denominator of the Subdivision Participation Thresholds of both the Litigating Subdivisions and Non-Litigating Threshold Subdivisions. Nassau and Suffolk Counties of New York also shall be excluded from both the numerator and denominator for purposes of calculating New York’s Incentive BC Subdivision participation.

d. After the time period for a response to be filed has passed, the Settlement Fund Administrator, the Enforcement Committee, Walmart, and the disputing Party (and the affected Settling State, as applicable) shall meet and confer within ten (10) calendar days in an attempt to resolve the dispute. If no resolution is reached, disputes described in this subsection shall be handled in accordance with the terms of Section VI.F.3.

3. If the Subdivision Participation Thresholds are not satisfied by the Threshold Subdivision Participation Date, then any and all releases, commitments or obligations contained herein or in State Participation Forms or Subdivision Participation Agreements shall be void, provided, however, that on or after the Threshold Subdivision Participation Date, Walmart shall have the unilateral right in its sole discretion to extend the Threshold Subdivision Participation Date or to proceed with the Settlement if one or both of the Subdivision Participation Thresholds have not been satisfied.

C. *Conditions to Effectiveness.* If (1) the State Participation Threshold is met by the State Participation Date and (2) the Subdivision Participation Thresholds are met by the Threshold Subdivision Participation Date, then this Agreement will be deemed effective fifteen (15) days after (a) the Threshold Subdivision Participation Date, or (b) such time as the Settlement Fund Administrator has completed the Participating Population Level calculations necessary to determine whether the Subdivision Participation Thresholds have been achieved, the Settlement Fund Administrator has provided notice of such calculations and determinations to the Parties, and any disputes concerning such calculations and determinations have been resolved subject to Section II.B.2.a-d, whichever is later (the “*Effective Date*”). Subject to Walmart’s unilateral right in its sole discretion to extend the State Participation Date and/or the Threshold Subdivision Participation Date if the State Participation Threshold or Subdivision Participation Thresholds have not been met by their respective deadlines, or to proceed with the Settlement if one or more of the State Participation Threshold or Subdivision Participation Thresholds have not been met, as set forth in Sections II.A.3 and II.B.3, if either of the foregoing clauses (1) or (2) is not satisfied by the State Participation Date or the Threshold Subdivision Participation Date, respectively, then any and all commitments or obligations (including any and all releases) contained herein or in any State Participation Form or Subdivision Participation Agreement shall be void.

D. *Consent Judgments.* Promptly after the Effective Date, the Parties will proceed to file the Consent Judgments, and the obligations in the State Participation Forms and Subdivision Participation Agreements will become effective and binding as of the Effective Date.

### **III. Injunctive Relief**

A. *Injunctive Relief.* As part of the Consent Judgments, the Parties agree to the entry of the injunctive relief terms as set forth in Exhibit P.

### **IV. Settlement Payments**

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Payment by Walmart.*

1. Provided the conditions set out in Sections II.A-C are met, within seven (7) calendar days after the Effective Date, the Settlement Fund Administrator shall determine the amount representing the maximum total allocation of opioid remediation and abatement payments for the Settling States (the “*Remediation Payment*”), as calculated by multiplying (a) the total allocation percentages accorded to the Settling States in accordance with Exhibit F by (b) the Global Settlement Remediation Amount.

2. Fifteen (15) calendar days after the Effective Date (the “*Deposit Date*”), Walmart shall deposit the Remediation Payment into the Settlement Fund. The Remediation Payment shall be distributed to the Settling States and/or refunded to Walmart by the Settlement Fund Administrator consistent with the terms of this Agreement. Any interest earned on the Remediation Payment within the Settlement Fund, to the extent not used to pay the fees for the Settlement Fund Administrator, shall become and remain part of the Remediation Payment within the Settlement Fund and be made available for payments on a pro rata basis to the eventual recipients of the funds (either to Walmart in the case of refund or to the applicable Settling State) in accordance with this Agreement.

3. The Settlement Fund Administrator shall determine the Remediation Payment to be deposited by Walmart on the Deposit Date pursuant to Section IV.B.1. The allocation for each Settling State shall be based on the percentages set out in Exhibit F. For the avoidance of doubt, each of West Virginia, New Mexico, Florida, Alabama, and any other Separately Settling State are not eligible to receive payments under this Agreement.

C. *Payments to Settling States and Reversions to Walmart.*

1. *Payments and Refunds.* Subject to the terms of this Section IV.C.1, Settling States shall be eligible to receive payments under this Agreement over a period not to exceed six (6) years. Such payments shall be paid from the Settlement Fund by the Settlement Fund Administrator. Settling States shall be eligible for at most two payments from the Payout Amount in Payment Year 1 and one payment of the Payout Amount for each of Payment Years 2 through 6. Walmart shall be refunded any portion of the Remediation Payment that Settling States failed to earn in a given Payment Year and that Settling States are not able to earn in future years, as well as accrued interest on such amounts, as of the First Subdivision Participation Date and each subsequent anniversary of the First Subdivision Participation Date. The Settlement Fund Administrator will retain sufficient funds in the Settlement Fund in Payment Years 1 and 2 to pay amounts owed to Settling States due to additional Subdivision participation in Payment Years 2 and/or 3.

2. *Procedure for Calculation of Payments and Refunds; Disputes.*

a. Calculation of Payments and Refunds. As soon as practicable following the Threshold Subdivision Participation Date, after determining the Remediation Payment in accordance with Section IV.B, and as soon as practical after each of the First, Second, and Third Subdivision Participation Dates, and as soon as practical after each of the Incentive Payment D Look-Back Dates, the

Settlement Fund Administrator shall calculate (1) the Payout Amount (including the amount of the Settlement Fund to be allocated to the Settlement Fund Administrator in costs and fees pursuant to Section V.C.4); (2) the amount to be received by each Settling State; (3) the amount to be received by the separate types of funds for each Settling State (if applicable); (4) the allocation to be received by each Settling State's Participating Subdivisions listed on Exhibit G; and (5) the amount of any refund due to Walmart, and the Settlement Fund Administrator shall give notice to Walmart, the Settling States, and the Enforcement Committee of each such amount in clauses (1) through (5). If Walmart and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amounts to be calculated pursuant to clauses (1), (2), and (5) above, the Settlement Fund Administrator shall treat those amounts as the calculated amount. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have reached consensus on the amounts to be calculated pursuant to clauses (3) and/or (4) above, the Settlement Fund Administrator shall use those amounts so long as they are consistent with the amount calculated pursuant to clause (2). The Payout Amount shall be based on each Settling State's eligibility to receive one or more Incentive Payment(s) as set out in Section IV.E. For the avoidance of doubt, any Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund, and no provision of this Agreement shall be interpreted to create such an entitlement.

b. Notice of Dispute. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, (1) Walmart, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Payout Amount (including the amount allocated for Settlement Fund Administrator costs and fees), whether a Settling State qualifies for an Incentive Payment, or the amount to be received by a Settling State and/or its Participating Subdivisions listed on Exhibit G and (2) a Participating Subdivision may dispute, in writing, the calculation of the amounts under Section IV.C.2.a clauses 3 or 4 solely with respect to such amounts calculated for the Settling State in which it is located and without disputing the amounts calculated under Section IV.C.2.a clauses 1, 2, or 5. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State or Participating Subdivision, and Walmart identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) or Participating Subdivision(s) affected.

c. Response to Notice of Dispute. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State or Participating Subdivision, and Walmart identifying the basis for disagreement with the notice of dispute.

d. Resolution of Disputes. If no response is filed within the specified time period, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, the Settlement Fund Administrator shall pay the adjusted Payout Amount, and the dispute shall be considered finally resolved. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Walmart and the Enforcement Committee of the preliminary amount to be paid out by the Settlement Fund Administrator, which shall be the smaller of the amount originally calculated by the Settling Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid to a Settling State be higher than the maximum amount of Incentive Payment A for that Payment Year.

e. Final resolution of such disputes shall be handled in accordance with the terms of Section VI.F and the Settlement Fund Administrator shall not distribute any amount subject to a dispute being resolved under Section VI.F until such time when the dispute is finally resolved.

3. *Timing of Payments and Reversions.*

a. Payment to the Settling States from the Settlement Fund of the Base Payment will be made as soon as practicable following the Threshold Subdivision Participation Date and the Settlement Fund Administrator's calculation of payment amounts, provision of notice to the Parties, and resolution of any disputes, as applicable and as set forth in Section IV.C.2.a-e (the "*Payout Procedure*"). Any additional payments to the Settling States and/or any reversion to Walmart for Payment Year 1 will be made as soon as practicable following July 15, 2023 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*First Subdivision Participation Date*") and the Settlement Fund Administrator's completion of the Payout Procedure.

b. In Payment Year 2, payment to the Settling States and/or any reversion to Walmart will be based on Subdivision Participation as of July 15, 2024 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*Second Subdivision Participation Date*") and will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

c. In Payment Year 3, payment to the Settling States and/or any reversion to Walmart will be based on (i) Subdivision Participation as of July 15, 2025 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*Third Subdivision Participation Date*") and (ii) eligibility for Incentive D, as set forth in Section IV.E.3, and will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

d. In Payment Years 4 through 6, payment to the Settling States and/or any reversion to Walmart will be based on eligibility for Incentive Payment D, as set forth in Section IV.E.3. Payment will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

e. The Settlement Fund Administrator may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements. In determining when payments for each Payment Year will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

D. *Base Payment.* Each Settling State will receive a base payment equal to thirty-eight percent (38%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount (the "*Base Payment*"). The Base Payment shall be made as soon as practicable after the Effective Date.

E. *Incentive Payments.* Each Settling State shall be eligible to receive additional incentive payments totaling up to a maximum of sixty two percent (62%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State. In no event shall any Settling State receive more than one hundred percent (100%) of its respective Overall Allocation Percentage of the Global Settlement Remediation Amount under this Agreement. The incentive payments shall be divided among three (3) categories, referred to as Incentive Payments A, BC, and D. As applicable, Incentive Payments A and BC will be paid in at most three payments in Payment Years 1 through 3: one payment in Payment Year 1, one payment in Payment Year 2, and one payment in Payment Year 3. Incentive Payment D will be paid over four installments in Payment Years 3 through 6, provided a Settling State remains eligible to receive Incentive Payment D throughout that period and has not otherwise earned Incentive Payment A. The incentive payments shall be determined by the Settlement Fund Administrator and made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.

1. Incentive Payment A. Incentive Payment A shall be equal to sixty-two (62%) of a Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, provided such Settling State becomes eligible for Incentive Payment A and subject to Section IV.E.1.a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A, such Settling State is not eligible for Incentive Payments BC or D. If a Settling State is not eligible for Incentive Payment A by the Third Subdivision Participation Date, it shall not be eligible for Incentive Payment A in any succeeding year. Eligibility for Incentive Payment A is as follows:

a. A Settling State is eligible for Incentive Payment A if, as of the First Subdivision Participation Date in Payment Year 1, the Second Subdivision Participation Date in Payment Year 2, or the Third Subdivision Participation Date in Payment Year 3, (i) there is a Bar in that State in full force and effect; (ii) there

is a Settlement Class Resolution in that State in full force and effect; (iii) there is a ruling from the State's highest court barring all Subdivisions from bringing or maintaining Released Claims; (iv) the Released Claims of all of the following entities are released through the execution of Subdivision Participation Agreements: (1) all Litigating Subdivisions, (2) all Non-Litigating Primary Subdivisions, (3) all non-litigating School Districts with a K-12 student enrollment of at least 25,000 or 0.10% of a State's population, whichever is greater, (4) all non-litigating Health Districts and Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and (5) all Primary Fire Districts; or (v) a combination of the actions in clauses (i)-(v) has achieved the same level of resolution of Claims by Subdivisions (e.g., a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Each Settling State that believes it qualifies for Incentive A shall provide notice to Walmart, the Enforcement Committee, and the Settlement Fund Administrator, including data sources or other information establishing such Settling State's entitlement to Incentive A, by the First, Second, or Third Participation Dates, as applicable. Walmart and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section IV.E.1.a prior to the State Participation Date. For the avoidance of doubt, any disputes regarding whether a Settling State qualifies for Incentive A shall be handled in accordance with the Payout Procedure.

b. If a Settling State becomes eligible for Incentive A in Payment Years 2 or 3, then the Settling State shall be entitled to receive the remaining incentive payments that the Settling State could have earned (the "*Remaining Incentive Payments*"), which equals (i) ninety-seven percent (97%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, representing the maximum Incentive Payment BC, minus any Incentive Payment BC amounts previously paid to such Settling State in Payment Year 1 (or, if such Settling State first becomes eligible for Incentive Payment A in Payment Year 3, the sum of any Incentive Payment BC payment amounts previously paid to the Settling State in Payment Years 1 and 2), the resulting difference of which shall be reduced by 12.5% if Incentive Payment A is achieved in Payment Year 2 or by 25% if Incentive Payment A is achieved in Payment Year 3; and (ii) three percent (3%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, representing Incentive Payment D, as described in Section IV.E.3.

2. Incentive Payment BC. If a Settling State does not qualify for Incentive Payment A, it may still qualify to receive up to fifty-nine percent (59%) of the Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount under Incentive Payment BC. A Settling State may earn Incentive Payment BC in Payment Years 1 through 3 and may receive, when combined with the Settling State's Base Payment, a

maximum of up to 97% of the Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount. Eligibility for Incentive Payment BC is as follows:

a. Subject to Section IV.E.1, the amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State’s Incentive BC Subdivisions that participate in the Agreement or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all of the Settling State’s Incentive BC Subdivisions. The Settling State’s Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are “*Incentive BC Subdivisions*”). The percentage of the Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount, inclusive of the Base Payment, to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

<b>Percentage of Incentive BC Subdivision Population<sup>7</sup></b>	<b>Percentage of Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount (includes the Base Payment)</b>
Participation of 85% but less than 86%	Payment of 43%
Participation of 86% but less than 87%	Payment of 46%
Participation of 87% but less than 88%	Payment of 49%
Participation of 88% but less than 89%	Payment of 52%
Participation of 89% but less than 90%	Payment of 55%
Participation of 90% but less than 91%	Payment of 58%
Participation of 91% but less than 92%	Payment of 61%
Participation of 92% but less than 93%	Payment of 64%
Participation of 93% but less than 94%	Payment of 67%
Participation of 94% but less than 95%	Payment of 70%
Participation of 95% but less than 96%	Payment of 75%
Participation of 96% but less than 97%	Payment of 79.5%
Participation of 97% but less than 98%	Payment of 84%
Participation of 98% but less than 99%	Payment of 88.5%
Participation of 99% but less than 100%	Payment of 93% o

<sup>7</sup> The “Percentage of Incentive BC Subdivision Population” shall be determined by the aggregate population of the Settling State’s Incentive BC Subdivisions that participate in the Agreement or have had their claims resolved through a Case-Specific Resolution divided by the aggregate population of the Settling State’s Incentive BC Subdivisions. In calculating the Settling State’s population that resides in Incentive BC Subdivisions, the population of the Settling State’s Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in either the numerator or denominator of the calculation regardless if it (or any of its officials) is named more than once as plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Subdivision to be excluded.

Participation of 100%	Payment of 97%
-----------------------	----------------

b. For Payment Year 1, the Settlement Fund Administrator shall calculate and allocate Incentive Payment BC payments to Settling States based on the Settling State’s Incentive BC Subdivision Population participation rate as of the First Subdivision Participation Date. Payments to the Settling States and/or any refund to Walmart shall be made as soon as practicable after the Settlement Fund Administrator’s completion of the Payout Procedure, as applicable.

c. For Payment Year 2, additional payments of Incentive Payment BC shall be made to any Settling State for which the Settling State’s Incentive BC Subdivision Population participation rate as of the Second Subdivision Participation Date results in a higher payment level than for Payment Year 1. Any Incentive Payment BC payment to a Settling State in Payment Year 2 will be 87.5% of the difference between (i) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Second Subdivision Participation Date and (ii) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the First Subdivision Participation Date. Any payments to Settling States or reversion to Walmart will be made as soon as practicable following the Settlement Fund Administrator’s completion of the Payout Procedure, as applicable.

d. For Payment Year 3, additional payments of Incentive Payment BC shall be made to any Settling State for which the Settling State’s Incentive BC Subdivision Population participation rate as of the Third Subdivision Participation Date results in a higher payment level than for Payment Year 2. Any Incentive Payment BC payment to a Settling State in Payment Year 3 will be 75% of the difference between (i) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Third Subdivision Participation Date and (ii) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Second Subdivision Participation Date. Any payments to Settling States or reversion to Walmart will be made as soon as practicable following the Settlement Fund Administrator’s completion of the Payout Procedure, as applicable.

e. The Settlement Fund Administrator shall withhold sufficient funds from Participating Subdivisions in each Payment Year to pay Non-Participating Subdivisions listed on Exhibit G for the Payment Year if they become Participating Subdivisions by the Second Subdivision Participation Date or Third Subdivision Participation Date. If such Non-Participating Subdivisions do not become Participating Subdivisions by the Third Subdivision Participation Date, such withheld funds will be allocated to Participating Subdivisions based on the allocation percentages on Exhibit G. For the avoidance of doubt, nothing in this subsection allows a Non-Participating Subdivision to receive funds until and unless it becomes a Participating Subdivision.

3. Incentive Payment D. Incentive Payment D shall be applied starting at Payment Year 3 and the amount of Incentive Payment D in each year will depend on (i) the Settling State’s eligibility as set out in Section IV.E.3.a and (ii) the Percentage of

Incentive BC Subdivision Population achieved by the Settling State as of the Third Subdivision Participation Date. Incentive Payment D shall be equal to between three percent (3%) and fifteen percent (15%) of the of the Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount. The Incentive Payment D may be earned in each of Payment Years 3 through 6. Eligibility for Incentive Payment D is as follows:

a. A Settling State is eligible for Incentive Payment D if there has been no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the State’s population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that State that has had a Claim against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion as of July 15 of Payment Years 3 to 6 (each, an “*Incentive Payment D Look-Back Date*”).

b. To the extent a Settling State achieves a Percentage of Incentive BC Subdivision Population of 95% or above as of the Third Subdivision Participation Date, the level of Incentive Payment D is reduced according to the schedule below. The following portions of Incentive Payment D are paid in equal installments in Payment Years 3 through 6:

<b>Percentage of Incentive BC Subdivision Population as of the Third Subdivision Participation Date</b>	<b>Incentive Payment D Amount as a Percentage of Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount</b>
Participation below 95%	15%
Participation of 95% but less than 96%	13%
Participation of 96% but less than 97%	11%
Participation of 97% but less than 98%	9%
Participation of 98% but less than 99%	7%
Participation of 99% but less than 100%	5%
Participation of 100%	3%

c. The Settlement Fund Administrator shall determine a Settling State’s eligibility for Incentive Payment D as of the Incentive Payment D Look-Back Date in Payment Years 3 through 6. If a Later Litigating Subdivision’s lawsuit in that Settling State survives more than six (6) months after denial in whole or in part of a Threshold Motion, that State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year. Prior to the Incentive Payment D Look-Back Date in Payment Years 3 through 6, Walmart may provide the Settlement Fund Administrator and the

Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

d. If, at any time within six (6) years of the Threshold Subdivision Participation Date, any Subdivision becomes a Later Litigating Subdivision (as that term is limited by Section IV.E.3.a), then Walmart shall, within thirty (30) days of Walmart or any Released Entity being served or otherwise informed of the prosecution of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Walmart under the Agreement or the Injunctive Relief Terms imposed on it). The relevant Settling State and Walmart shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

e. Notwithstanding Section IV.E.3, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for any missed payments of Incentive Payment D in the following Payment Year, less any litigation fees and costs incurred by Walmart in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

## **V. Allocation and Use of Settlement Payments**

A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payment made under Section IV into the Settlement Fund shall be initially allocated among those three (3) Sub-Funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds).

### **B. Use of Settlement Payments.**

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation to address Alleged Harms, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than eighty-five percent (85%) of Walmart's maximum payment amounts, distributed pursuant to Section IV, Section VIII, and Section IX as set forth on Exhibit M over the entirety of all Payment Years (but not in any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision may, subject to the limitation in the second sentence of Section V.B.1, use

monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation, provided that if, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision listed on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Walmart how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "*Total Remediation Amount*" for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different States, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. This Agreement has no effect on the ability of Settling States and their Subdivisions to internally agree on the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level Sub-Funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.D on a State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Base Payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under Section IV.E on a State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Incentive payments for which a Settling State is eligible under Section IV.E will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Settlement Fund Administrator. Prior to the Threshold Subdivision Participation Date, Walmart and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

4. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund; *provided, however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Walmart shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution.*

As set forth below, within a particular Settling State's account, amounts contained in the Sub-Funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Sub-Funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after November 14, 2022 shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.<sup>8</sup> For a State-Subdivision Agreement to be applied to the relevant portion of the Payout Amount, notice must be provided to Walmart and the Settlement Fund Administrator at least ten (10) business days prior to the Settlement Fund Administrator issuing payment to Settling States pursuant to the Payout Procedure.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such Sub-Funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation,<sup>9</sup> then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) Sub-Funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not

---

<sup>8</sup> Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

address distribution of all or some of these three (3) Sub-Funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation and abatement, then the default provisions in this Agreement concerning allocation among the three (3) Sub-Funds and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that State's State Fund shall be distributed to that State.

b. Amounts apportioned to that State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust, then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section V.F shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any

amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions to the extent such a distribution would violate Section VII.E or Section VII.F. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.G.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation<sup>10</sup> and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

(i) At least fifty percent (50%) of distributions for remediation from a State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (A) define its initial regions, which shall consist of one (1) or more General-Purpose Subdivision(s) and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the

Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated using the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General-Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of block grants for future Opioid Remediation.<sup>11</sup> A Participating Subdivision eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more, and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.c shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-

Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Walmart and the Enforcement Committee.

F. *Nature of Payment.* Walmart, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) as damages for the Alleged Harms; (b) the Total Remediation Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Total Remediation Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Total Remediation Amount by Walmart constitutes restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Walmart in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes restitution and

remediation for alleged damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law; and

4. For the avoidance of doubt: (a) the entire Total Remediation Amount is properly characterized as described in Section V.F, (b) no portion of the Total Remediation Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount represents the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for or in place of any fine, penalty, punitive damages, or other punitive assessments.

## **VI. Enforcement**

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Walmart; *provided, however*, that Released Entities may enforce Section X and Participating Subdivisions have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights with respect to either the terms of this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Walmart with respect to this Agreement or any Consent Judgment except that Participating Subdivisions shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Remediation Accounts Fund pursuant to Section V; *provided, however*, that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Walmart consents to the jurisdiction of the court in which the Consent Judgment is filed, limited to resolution of disputes identified in Section VI.F.2 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Walmart believes that the eighty-five percent (85%) requirement established in Section V.B.1 is not being satisfied, Walmart may request that Walmart and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall (i) be limited to Walmart obtaining a reversion of its Payout Amount by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the eighty-five percent (85%) requirement established in Section V.B.1; and (ii) only reduce payments to those Settling States and their Participating Subdivisions that are below the eighty-five percent (85%) requirement established in Section V.B.1;

provided that Walmart shall not obtain a reversion of funds restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State pursuant to Section VI.F.3.a(iv) to seek resolution regarding the failure by Walmart to make its Payout Amount.

F. *Other Terms Regarding Dispute Resolution.*

1. Except as provided by Section VI.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section VI.F to resolve the dispute.

2. Except to the extent provided by Section VI.C or Section VI.F.3, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.3.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

3. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Walmart (together, "*Participating Parties*") shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.2's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of withholding attributable to Non-Settling States;

- (ii) issues involving the scope and definition of Product;
- (iii) interpretation and application of the terms Alleged Harms,” “Covered Conduct,” “Released Entities,” and “Released Claims”;
- (iv) the failure by the Settlement Fund Administrator to pay the Payout Amount or the Additional Remediation Amount in a Payment Year, but for the avoidance of doubt, disputes between Walmart and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;
- (v) the interpretation and application of any most-favored-nation provision in Section XII.E;
- (vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;
- (vii) disputes involving liability of successor entities;
- (viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;
- (ix) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and
- (x) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Walmart, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible,

and with a presumption in favor of remote participation to minimize the burdens on the Participating Parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any Participating Party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Walmart on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Walmart, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Walmart whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each Participating Party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Walmart and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Walmart and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

4. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining Participating Party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for

obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

5. If the Participating Parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Walmart such that the members of the Enforcement Committee have a majority of one (1) member will determine, within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum, the forum where the dispute will be initiated. The forum identified by such committee shall be the sole forum for resolving the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Walmart reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

## **VII. Participation by Subdivisions**

A. *Notice.* Prior to the State Participation Date, the Parties shall agree on a vendor to serve as the Implementation Administrator and provide notice pursuant to this Section VII.A. No later than fifteen (15) calendar days after the State Participation Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States, shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the State Participation Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. The notice will include that the deadline for becoming a Participating Subdivision is the Threshold Subdivision Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating

Subdivision, including beginning any of the activities described in this paragraph prior to the State Participation Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Settlement Fund Administrator (subject to Section VII.D) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the relevant state seat of government is located for purposes limited to that court's role under this Agreement. The required Participation Agreement is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Settlement Fund Administrator (subject to Section VII.D) and upon prompt dismissal with prejudice of its lawsuit following the Threshold Subdivision Participation Date or the date on which the conditions for effectiveness in Section II.C have been met, whichever is later. A Settling State may require each Litigating Subdivision in that State to specify on the Participation Agreement whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity. For avoidance of doubt, where a subdivision official other than a General-Purpose Government has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity, that Subdivision may become a Participating Subdivision only if, in addition to the other requirements of this Section VII.C, the lawsuit filed by the subdivision official has also been dismissed with prejudice.

D. All Subdivision Participation Agreements returned to the Settlement Fund Administrator prior to the Effective Date (if any) shall be held by the Settlement Fund Administrator until the Effective Date, at which time the obligations created by such forms and releases in them become effective. If, for any reason, the Settlement Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then-existing document preservation obligations.

E. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

F. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Payout Amount, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

G. *Unpaid Allocations to Non-Participating Subdivisions.* Any payments allocated pursuant to Section V.D to a Non-Participating Subdivision that cannot be paid pursuant to this Section VII will either be allocated to the Settlement Fund for the Settling State in which the Non-Participating Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust, or be refunded to Walmart, if such funds may no longer be earned by the applicable Settling State pursuant to Section IV.C.1.

## **VIII. Additional Remediation**

A. *Additional Remediation Amount.* Pursuant to the maximum payment amounts set forth in Exhibit M and subject to the reduction specified in Section VIII.B, Walmart shall pay an Additional Remediation Amount to the Settling States.

B. *Reduction of Additional Remediation Amount.* The amounts owed by Walmart pursuant to this Section VIII shall be reduced by the allocations set forth on Exhibit N for any Non-Settling States.

C. *Use of Funds.* All funds paid as an Additional Remediation Amount shall be part of the Total Remediation Amount, shall be used for Opioid Remediation, except as allowed by Section V.B.2, and shall be governed by the same requirements as specified in Section V.F. Such funds shall be disbursed by the Settlement Fund Administrator to the relevant Settling States as allocated by Exhibit N as part of the first payment in Payment Year 1.

D. For the avoidance of doubt, (1) notwithstanding anything to the contrary in Section VIII.C, but subject to the limitation in the second sentence of Section V.B.1 and the identification and reporting requirements in Section V.B.2, a Settling State that retained outside counsel in connection with the investigation of one or more Chain Pharmacies, as that term is defined in Exhibit S, that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Sections V.C through V.E.

## **IX. Plaintiffs' Attorneys' Fees and Costs**

The Agreement on Attorneys' Fees, Costs, and Expenses is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the Joint State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

## **X. Release**

A. *Scope.* As of the Threshold Subdivision Participation Date, the Released Entities are hereby released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim; or to cause, assist in bringing or permit to be brought, filed, or claimed; or to otherwise seek to establish liability for any Released Claim against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are broad, shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to any Released Claim, and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

### *B. Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Alleged Harms and/or Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasers against non-Parties shall not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. If any Releaser enters into a Non-Party Settlement on or after the Effective Date, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releaser will include (or in the case of a Non-

Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Walmart in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. If any Releasor obtains a judgment with respect to a Non-Party Covered Conduct Claim against a Non-Released Entity that does not contain the prohibition described in Section X.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Walmart shall take the following actions to ensure that the Released Entities do not pay more with respect to Alleged Harms and/or Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Walmart:

a. Walmart shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Agreement, whichever is later;

b. Walmart and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement;

c. That Releasor and Walmart shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Walmart or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Walmart to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Walmart by that Releasor to ensure Walmart is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Walmart under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Walmart may devise to hold Walmart harmless from the Claim-Over.

d. The actions of that Releasor and Walmart taken pursuant to clause (c) above must, in combination, ensure Walmart is not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to clause (c) above, Releasor and Walmart may seek review by the National Arbitration Panel, or, upon consent of the parties to the dispute, by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to order a remedy, including one or more of the actions specified in clause (c), sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Walmart shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Walmart harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Walmart may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Walmart shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a

Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releaser may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date even if Releasers do not know or suspect such claims to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and even if knowledge of the existence of such claims would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct or Alleged Harms by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Walmart (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Walmart.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or will obtain no later than the Threshold Subdivision Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past

and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor, to be materially similar to that in Exhibit X, is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasers. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Settling States will meet and confer with Walmart and simultaneously make reasonable efforts to resolve any action filed by a Subdivision involving any Covered Conduct, Alleged Harms, or a Product that remains pending against Walmart after the First Subdivision Participation Date or that is filed by a Subdivision against Walmart after November 14, 2022. Releasers (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, Claims for liability under tax law, Claims under securities law by a State Releaser as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any Claims arising under this Agreement for enforcement of this Agreement.

## **XI. Later Litigating Subdivisions; Non-Settling States**

A. *Released Claims against Released Entities.* If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Effective Date, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Walmart shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Walmart under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Walmart shall confer and use reasonable efforts to promptly resolve

the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

B. *Non-Settling States.* Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.

C. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Settling State shall seek to obtain either dismissal of the lawsuit in cooperation with Walmart, or a release of the Primary Subdivision's claims.

D. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If a Settling State received any Payout Amounts that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Payout Amount, that Settling State shall seek to obtain a release of the claims impacted by the Revocation Event, including but not limited to defending the legality of the Bar, obtaining a dismissal of the claims made against the Released Entity, and obtaining releases from impacted Subdivisions.

## **XII. Miscellaneous**

A. *Population of General-Purpose Governments.* The population figures for General-Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.<sup>12</sup>

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.E.1.a and Section IV.E.3.b: (a) School Districts' populations will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("IDEA") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' populations will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including fire districts' and library districts') populations will be measured at ten percent (10%) of the population served. For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Walmart and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section XII.B prior to the State Participation Date.

The estimates for cities and towns can currently be found at <https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html>.

C. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* The Parties intend the settlement as described herein to be a final and complete resolution of all disputes between Walmart and all Releasors. Walmart is entering into this Agreement solely for the purposes of settlement, to resolve all Actions and Released Claims and thereby avoid significant expense, inconvenience and uncertainty. Walmart denies the allegations in the Actions and denies any civil or criminal liability in the Actions. Nothing contained herein may be taken as or deemed to be an admission or concession by Walmart of: (i) any violation of any law, regulation, or ordinance; (ii) any fault, liability, or wrongdoing; (iii) the strength or weakness of any Claim or defense or allegation made in any Action, or in any other past, present or future proceeding relating to any Covered Conduct, Alleged Harms, or any Product; (iv) the legal viability of the Claims and theories in any Action, including but not limited to the legal viability of the relief sought; or (v) any other matter of fact or law. Nothing in this Agreement shall be construed or used to prohibit any Released Entity from engaging in the conduct of its business relating to any Product in accordance with the Injunctive Relief Terms and applicable laws and regulations.

E. *Most-Favored-Nation Provision.*

1. If, after the Effective Date, Walmart enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States may elect to seek review, pursuant to Section XII.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to Walmart, overall payment terms at least as favorable as those obtained by such Non-Settling State. “*Overall payment terms*” refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amounts of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Walmart shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Walmart with a Non-Settling State are more favorable to the Non-Settling State, based on the totality of the considerations set forth in Section XII.E.1, the Settling State(s) and Walmart shall engage in the following process:

a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement

agreement or consent judgment to Walmart of their intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the State's belief that it is entitled to a revision of the Agreement.

b. Walmart shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Walmart do not reach agreement as to the application of Section XII.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XII.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.3.

d. The Settling State and Walmart shall be bound by the determination of the National Arbitration Panel.

4. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Walmart that is entered into with: (a) a Non-Settling State after a date ninety (90) calendar days prior to the scheduled start date of a trial between Walmart and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Walmart jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against Walmart. For avoidance of doubt, the National Arbitration Panel shall have no power to review agreements described in this paragraph.

5. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Walmart and Non-Participating Subdivisions.

6. This Section XII.E will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

F. *Tax Cooperation and Reporting.*

1. Upon request by Walmart, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Walmart to establish the statements set forth in Section

V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with Walmart with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “*Appropriate Official*”). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Walmart and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by Walmart, and (b) provides to Walmart a copy of (i) the IRS Form 1098-F filed with respect to Walmart and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.F.

4. Any return, amended return, or written statement filed or provided pursuant to Section XII.F.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the “Total amount to be paid” pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Total Remediation Amount as “Restitution/remediation amount” in Box 2 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Walmart a draft of such return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Walmart on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Walmart nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Total Remediation Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not affect the meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use reasonable efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *Legal Obligations.* Nothing in this Agreement shall relieve Walmart of the obligation to comply with all state and federal laws, regulations or rules, nor does any provision herein permit any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Walmart cannot comply with this Agreement without violating such a requirement or requirements, Walmart shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict.

With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in Exhibit P at § I(4)(c) of the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement. The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XII.N.

P. *Non-Admissibility.* Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement: (i) is or may be deemed to be or may be used as an admission or evidence relating to any matter of fact or law alleged in the Actions, the strength or weakness of any Claim or defense or allegation made in those cases, or any wrongdoing, fault, or liability of any Released Entities; or (ii) is or may be deemed to be or may be used as an admission or evidence relating to any liability, fault or omission of Released Entities in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purpose, except to enforce the terms of this Agreement, and except that Released Entities may file or use this Agreement in any action (1) involving a determination regarding insurance coverage; (2) involving a determination of the taxable income or tax liability of any Released Entities; (3) to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good-faith settlement, judgment bar or reduction or on any other theory of claim preclusion or issue preclusion or similar defense or counterclaim; (4) to support a Claim for contribution and/or indemnification; or (5) to support any other argument or defense by a Released Entities that the Remediation Payment provides a measure of compensation for Alleged Harms or otherwise satisfy the relief sought.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XII.Q.

R. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Severability.* In the event any one or more immaterial provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Walmart and its respective successors and assigns.

2. Walmart shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Walmart's obligations under this Agreement.

3. Walmart shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Walmart) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Walmart where the sale or transfer transaction is announced after the Effective Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Walmart's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close

of a sale or transfer transaction. The above restriction shall not apply if Walmart obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Walmart's remaining payment obligations under this Agreement equal to the percentage of Walmart's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Walmart's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XII.U.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section XII.U.3 not raised within twenty (20) calendar days from the date that Walmart transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XII.U.3 shall be a National Dispute as described in Section VI.F.3 and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

4. The restrictions set forth in Sections XII.U.2-3 shall expire sixty (60) days after Walmart satisfies the payment terms in Section IV.B.

V. *Waiver.* Walmart, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. 1. The Governmental Entity is aware of and has reviewed the Walmart Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Walmart Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall promptly, and in any event within 14 days of the Effective Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in In re National Prescription Opiate Litigation, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at <https://nationalopiodsettlement.com/>.
3. The Governmental Entity agrees to the terms of the Walmart Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Walmart Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Walmart Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Walmart Settlement.

7. The Governmental Entity has the right to enforce the Walmart Settlement as provided therein.
8. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The Walmart Settlement shall be a complete bar to any Released Claim.
9. In connection with the releases provided for in the Walmart Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Walmart Settlement.

10. Nothing herein is intended to modify in any way the terms of the Walmart Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Walmart Settlement in any respect, the Walmart Settlement controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

## EXHIBIT L

### Settlement Fund Administrator Terms

#### **I. Definitions**

- A. This Settlement Fund Administrator Terms incorporates all defined terms in the Walmart Settlement Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Walmart Settlement Agreement.
- B. *Directed Trustee*. The banking institution where the Settlement Fund is established and which distributes the funds according to the instructions of the Directing Administrator.
- C. *Directing Administrator*. The institution or individual that fulfills the remaining obligations of the Settlement Fund Administrator, other than those performed by the Directed Trustee.
- D. *Settlement Fund Administrator*. The Directed Trustee together with the Directing Administrator (collectively referred to as the “Settlement Fund Administrators”).

#### **II. Establishment of the Settlement Fund Administrator**

- A. *Selection of the Settlement Fund Administrators*.
  - i. The duties of the Settlement Fund Administrator under the Walmart Settlement Agreement will be divided between Directed Trustee and Directing Administrator. These may be the same or different entities.
  - ii. The Directed Trustee and Directing Administrator will each be selected by agreement between Walmart and the Enforcement Committee.
  - iii. Within sixty (60) calendar days of the selection of the Settlement Fund Administrators, unless such time is extended by written agreement of Walmart and the Enforcement Committee, contracts shall be negotiated and finalized with the Directed Trustee and Directing Administrator.
  - iv. The terms of the Directed Trustee and Directing Administrator shall be for the duration of the Walmart Settlement Agreement or as otherwise specified in the contract executed with such entity, unless the Directed Trustee or the Directing Administrator is removed pursuant to Section II.C below.
  - v. To promote efficiencies, the Settlement Fund Administrators may place the Settlement Fund into a trust that also holds funds from the opioid settlements with Teva, Allergan, CVS, and Walgreens. The Settlement Fund Administrators shall create subaccounts (or a similar structure) within the trust to separate funds paid by Walmart from funds paid by other Defendants. The Settlement Fund Administrators may also create additional subaccounts to separate funds paid by Walmart. Interest earned by the trust shall be accounted by subaccount.

*B. Governance of the Settlement Fund Administrators.*

- i. The Settlement Fund Administrators will act as independent and neutral third parties to determine whether the Subdivision Participation Thresholds specified in Section II.B of the Walmart Settlement Agreement has been met; determine the payments and reversions, including the Remediation Payment and the Additional Remediation, the Payout Amounts and Incentive Payments; administer and disburse funds from the Remediation Accounts Fund, State Fund, Subdivision Fund and Additional Remediation Account; and perform other duties as described below and in the Walmart Settlement Agreement.
- ii. All parties to the Walmart Settlement Agreement are entitled to rely upon information received from the Settlement Fund Administrators, whether in oral, written, or other form. No Party to the Walmart Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Settlement Fund Administrators. In addition, no Party to the Walmart Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Walmart based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Settlement Fund Administrators. For the avoidance of doubt, nothing in this paragraph alters Sections I to XII of the Walmart Settlement Agreement or any of the exhibits therein.

*C. Removal of the Settlement Fund Administrators.*

- i. The Directed Trustee or Directing Administrator may be removed upon agreement between Walmart and the Enforcement Committee. The contracts with each entity shall describe the process for removing that entity.
- ii. Disputes regarding the performance and/or removal of the Settlement Fund Administrators will be resolved by the National Arbitration Panel in accordance with Section VI.F of the Walmart Settlement Agreement.

*D. Funding of the Settlement Fund Administrators.*

- i. The costs and fees associated with or arising out of the duties of the Settlement Fund Administrators, including third party costs associated with the selection of the Settlement Fund Administrator, shall be paid from the interest accrued in the Walmart subaccount(s) holding the Settlement Fund except that Walmart shall pay a maximum of \$50,000, without reimbursement, for costs incurred in connection with the selection of the Directing Administrator.
- ii. To promote efficiencies, Walmart has chosen to use the same Settlement Fund Administrators as will be used in connection with the Teva, Allergan, CVS, and Walgreens opioid settlements. Each Settlement Fund Administrator shall treat its costs and fees relevant to the opioid settlement

of Teva, Allergan, CVS, Walgreens, and Walmart as joint costs and fees shared among each defendant retaining it (“Joint Costs and Fees”), except for costs and fees performed out of the scope of the contract covering the joint engagement. Twenty percent (20%) of the Joint Costs and Fees will be attributed to the Walmart Settlement Agreement through Payment Year 6, after which Walmart will not be responsible for the Joint Costs and Fees.

- iii. In the event that Walmart’s share of the Joint Costs and Fees of the Settlement Fund Administrators exceeds the accrued interest available in the Walmart subaccount(s), Walmart shall pay fifty percent (50%) of such exceedance and fifty percent (50%) shall be paid out of the Settlement Fund pursuant to Section V.C.4 of the Walmart Settlement Agreement. Walmart will pay its amount to the Settlement Fund Administrators within 30 days of being notified by the Settlement Fund Administrators that the accrued interest is insufficient to pay the fees owed.
- iv. Walmart shall not be responsible for any portion of any other Defendants’ share of the Settlement Fund Administrators’ cost and fees. For the years that Walmart is not utilizing the Settlement Fund Administrators, it will not be responsible for any costs.
- v. Representatives of the Enforcement Committee and Walmart shall negotiate a budget with the Settlement Fund Administrators, which shall be dependent on the scope of services, the number and timing of distributions from the Settlement Fund, and the reporting requirements. Representatives of the Enforcement Committee and Walmart have the right to review the costs and fees of the Settlement Fund Administrators prior to payment and upon request. The deadlines and grounds for reviewing and objecting to such costs and fees will be established in the contracts executed with each of the Directed Trustee and Directing Administrator. Disputes regarding the payment of such costs and fees will be resolved by the National Arbitration Panel in accordance with Section VI.F of the Walmart Settlement Agreement.

### **III. Participation in the Walmart Settlement Agreement**

#### *A. Repository for Settlement Participation Forms.*

- i. The Directing Administrator is responsible for receiving and preserving the Subdivision Settlement Participation Forms pursuant to Sections VII.B and VII.C of the Walmart Settlement Agreement. The Directing Administrator is responsible for ensuring newly received forms are properly executed. For forms executed and accepted prior to the retention of the Directing Administrator, the Directing Administrator shall rely on information provided by the Implementation Administrator as to the proper execution of the forms unless it is provided information that indicates such information is incorrect.

- ii. Within sixty (60) calendar days of its retention, the Directing Administrator shall establish a process to receive, preserve, and review the Subdivision Settlement Participation Forms.
- iii. The Directing Administrator will make the Subdivision Settlement Participation Forms available to Walmart, the Enforcement Committee, and the Settling States through an online platform. If the requirements for preserving and making available the Subdivision Settlement Participation Forms change, the Enforcement Committee will convey any new requirements to the Directing Administrator which will make the change.
- iv. The Directing Administrator shall promptly respond to requests by Walmart, the Enforcement Committee, or the Settling States for information concerning the Subdivision Settlement Participation Forms. The Directing Administrator will notify Walmart and the Enforcement Committee on a regular basis when additional Subdivision Settlement Participation Forms are submitted unless such information is readily available to the Parties on the online platform established under Section III.A.iii, above.
- v. The Directing Administrator shall provide quarterly reports pursuant to Section VII.C of the Walmart Settlement Agreement for Settling States that require information regarding contingency fee contracts on their Subdivision Settlement Participation Form. Upon reasonable request, the Directing Administrator shall also provide reasonably available information to Settling States, Participating Subdivisions, and the Cost and Expense Fund Administrator (as defined by Exhibit R of the Walmart Settlement Agreement) relevant to calculating amounts owed under a State Back-Stop Agreement.

*B. Determination of the Subdivision Participation Thresholds.*

- i. Within fourteen (14) calendar days of its selection pursuant to Section II.A.ii, above, the Directing Administrator shall calculate the Participating Population Levels applying the criteria set forth in Section II.B.1 of the Walmart Settlement Agreement and determine whether the Subdivision Participation Thresholds have been met. The Directing Administrator shall notify Walmart and the Enforcement Committee of the Participating Population Levels and whether the Subdivision Participation Thresholds have been met immediately upon making these determinations.
- ii. In making the determinations specified by Section III.B.i, above:
  - 1. The Directing Administrator shall rely upon information received from the Implementation Administrator regarding which Litigating Subdivisions located in the Settling States and Separately Settling States and Non-Litigating Threshold Subdivisions located in the Settling States and Separately Settling States (a) have become Participating Subdivisions by executing a Subdivision Participation Agreement, (b) are subject to a Bar or Case-Specific Resolution,

- (c) have joined a settlement between Walmart and a Separately Settling State by executing a participation form, including a release, and (d) have not satisfied any of clauses (a)-(c) of this Section III.B.ii.1.
2. For Subdivisions relevant to the Participating Population Levels for which the Distributor and/or Janssen settlements determined population figures (including figures for Alabama not ultimately relied on for purposes of those settlements), as reflected in the records of the Implementation Administrator, the Directing Administrator shall rely on those population figures.
  3. For population figures not set pursuant to Section III.B.ii.2, above, the Directing Administrator shall rely upon population figures agreed to by Walmart and the Enforcement Committee.
  4. The Directing Administrator shall exclude Litigating Subdivisions that satisfy clauses (a)-(c) of Section III.B.ii.1, above, but for which population figures are not available pursuant to Sections III.B.ii.2 or III.B.ii.3, above, from both the numerator and denominator of calculating whether the Litigating Subdivision Participation Threshold has been satisfied unless the threshold does not exceed 85% after their exclusion.
  5. For Subdivisions relevant to the Participation Population Levels for which population figures are not set pursuant to Sections III.B.ii.2 or III.B.ii.3, above, and which are not excluded pursuant to Section III.B.ii.4, above, the Directing Administrator shall determine population figures based on Section XII.A-C of the Walmart Settlement Agreement.
- iii. The Directing Administrator shall accept and review any disputes and responses submitted pursuant to Sections II.B.2.b-c of the Walmart Settlement Agreement, shall participate in any meet and confer required by Section II.B.2.d of the Walmart Settlement Agreement, and shall provide all reasonably requested assistance to the National Arbitration Panel if the panel is called upon to resolve a dispute over whether the Subdivision Participation Thresholds have been met.

#### **IV. Calculation and Allocation of Payments**

##### *A. General Principles.*

- i. This Section IV is intended to implement the relevant provisions of Sections I through XII of the Walmart Settlement Agreement and the exhibits therein. To the extent this Section IV conflicts with Sections I through XII of the Walmart Settlement Agreement and the exhibits therein, the Walmart Settlement Agreement shall control.
- ii. The Settlement Fund Administrators are entitled to rely upon information received from the Parties to the Walmart Settlement Agreement, whether

in oral, written, or other form, for the purpose for which it was submitted, provided that such information is not disputed by another Party.

1. Where population figures from the Distributor and/or Janssen settlements do not already exist, Walmart and a Settling State shall provide the Directing Administrator notice of agreement pursuant to Sections I.YY and IV.E.1.a of the Walmart Settlement Agreement to populations to be used for fire districts in the Settling State.
- iii. Walmart and a Settling State may inform the Directing Administrator that they agree the Settling State qualifies for Incentive Payment A. In such cases, such agreement shall satisfy the Directing Administrator's obligations to determine the Settling State's qualification for Incentive Payment A.
  - iv. The Settling States have different requirements for how payments are made to the State and its Participating Subdivisions listed in Exhibit G based on applicable State-Subdivision Agreements, Allocation Statutes, Statutory Trusts, State Back-Stop Agreements, fiscal laws, and other differences. The Directing Administrator shall ask the Attorney General's Office in each Settling State to: (a) inform it whether the State has a State-Subdivision Agreement, Allocation Statute, and/or Statutory Trust; and (b) submit instructions on how payments are to be made to the State and its Participating Subdivisions listed on Exhibit G of the Walmart Settlement Agreement. The Directing Administrator shall comply with such instructions so long as it is timely submitted and permissible under Sections I through XII of the Walmart Settlement Agreement and the exhibits therein.
    1. A Settling State may choose to have all funds for the State and its Participating Subdivisions listed in Exhibit G paid to one or more trust funds (such as a Qualified Settlement Fund or similar fund) or state accounts, which in turn will make payments to the State and its Participating Subdivisions listed in Exhibit G in a manner that complies with all provisions of Sections I through XII of the Walmart Settlement Agreement and the exhibits therein.
    2. A Participating Subdivision listed on Exhibit G of the Walmart Settlement Agreement may timely choose to make a voluntary redistribution as provided by Section V.D.3 of the Walmart Settlement Agreement by providing notice through the instructions provided by the Attorney General's Office for its State or by providing notice directly to the Directing Administrator through the instructions provided by the Directing Administrator.
    3. The Directing Administrator may rely on logistic information, like contact, bank account and tax identification number information, previously collected for purposes of the July 21, 2021 Distributor Settlement Agreement and/or July 21, 2021 Janssen Settlement

Agreement for a Settling State and its Exhibit G Participants unless instructed otherwise by the Attorney General's Office.

- v. The Directing Administrator shall request any Settling State without a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to submit a designation of a lead State agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund to comply with Section V.D.4.b of the Walmart Settlement Agreement. The designated entity shall be the only entity authorized to request the Directing Administrator instruct the Directed Trustee to disburse from that Settling State's Remediation Accounts Fund. The Directing Administrator shall not instruct the Directed Trustee to disburse any moneys from these Settling States' Remediation Accounts Fund without such instructions.
- vi. In consultation with Walmart and the Enforcement Committee, the Directing Administrator may set reasonable limits on the frequency with which it directs the Directed Trustee to make payments and may set other reasonable restrictions on complying with requests made by Settling States or their Participating Subdivisions to limit the burdens and costs imposed on the Settlement Fund Administrators.
- vii. The Settlement Fund Administrators may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements. In determining when payments for each Payment Year will be made, the Settlement Fund Administrators may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

*B. Calculation of Initial Walmart Deposit into the Settlement Fund.*

- i. Within seven (7) calendar days after the Effective Date, the Directing Administrator shall determine the Remediation Payment to be deposited by Walmart into the Settlement Fund by multiplying (a) the total allocation percentages accorded to the Settling States in accordance with Exhibit F by (b) the Global Settlement Remediation Amount.

*C. Initial Year 1 Payment.*

- i. As soon as practicable following the Threshold Subdivision Participation Date, after determining the Remediation Payment in accordance with Section IV.B, above, the Directing Administrator shall be responsible for allocating the Base Payment among the Settling States and Subdivisions listed on Exhibit G of the Walmart Settlement Agreement.
  - 1. The Base Payment due to each Settling State will be equal to 38% of the Global Settlement Remediation Amount multiplied by such Settling State's Overall Allocation Percentage in Exhibit F of the Walmart Settlement Agreement.
    - a. Walmart and the Enforcement Committee may agree to the calculations set forth in Section IV.C.i.1, above, prior to the

Directing Administrator making such determination. In such case, they shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligation to determine such calculations.

2. The Directing Administrator shall determine the allocations of the Initial Year 1 Payments within each Settling State pursuant to Section V.C, Section V.D and Exhibit G of the Walmart Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.
  - a. If a Settling State and its Participating Subdivisions agree as to the intrastate allocation, the Attorney General's Office in the Settling State shall so inform the Directing Administrator and such agreement shall satisfy the Directing Administrator's obligations under Section IV.C.i.2, above.
  - ii. Upon making the calculations under Section IV.C.i, above, the Directing Administrator shall give notice to Walmart, the Settling States, and the Enforcement Committee of the amount of: (a) the Payout Amount; (b) the amount to be received by each Settling State; (c) the amount to be received by the separate types of funds for each Settling State (if applicable); and (d) the amount to be received by each Settling State's Subdivisions listed on Exhibit G of the Walmart Settlement Agreement.
  - iii. The Directing Administrator shall send payment instructions to the Directed Trustee, consistent with the notices provided in Section IV.C.ii, above, as soon as a distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.H, below; *provided, however*, any distribution set pursuant to sections Section IV.C.i.1.a and Section IV.C.i.2.a, above, payment distributions may be made as soon as this notice is provided.
  - iv. The Directed Trustee shall disburse the amounts due to each Settling State and to its Subdivisions listed on Exhibit G of the Walmart Settlement Agreement as soon as practical after receiving instructions pursuant to Section IV.C.iii, above; *provided, however*, that the Directing Administrator shall instruct the Directed Trustee 1) that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VI.C of the Walmart Settlement Agreement shall not be transferred or disbursed until the Participating Subdivision has secured such dismissal; and 2) that any amounts allocated to a Non-Participating Subdivision shall not be transferred or disbursed until the Subdivision has become a Participating Subdivision and secured a dismissal with prejudice of its lawsuit as required under Section VI.C of the Walmart Settlement Agreement. Walmart shall notify the Directing Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of

its lawsuit as required under Section VI.C of the Walmart Settlement Agreement. If so notified, the Directing Administrator will notify the Participating Subdivision.

- v. The Settlement Fund Administrators shall be also responsible for disbursing the Additional Remediation Amount Payments among Settling States listed in Exhibit N of the Walmart Settlement Agreement as part of the Initial Year 1 Payment. The Directing Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above, in directing the Directed Administrator's distribution of this money.

*D. Second Year 1 Payment.*

- i. As soon as practicable following July 15, 2023, the Directing Administrator shall be responsible for determining the Incentive Payments that each Settling State was eligible for based on Subdivision Participation as of July 15, 2023, and allocating the Incentive Payments among Settling States and Subdivisions listed on Exhibit G of the Walmart Settlement Agreement.
  - 1. The Directing Administrator shall use the data provided to it by Walmart and the Enforcement Committee, which shall be submitted to the Directing Administrator no later than August 1, 2023, to fulfill its obligations under this Section IV.D and determine the allocations to Settling States and their Subdivisions listed on Exhibit G of the Walmart Settlement Agreement.

## EXHIBIT O

### Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V of the Settlement Agreement and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes<sup>1</sup>, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) 200% of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.
4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be a Participating Subdivision.

---

<sup>1</sup> Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

4. Compliance with Laws
  - a. Walmart acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements

of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Walmart of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Walmart to engage in any acts or practices prohibited by such laws, regulations or rules.

- b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Walmart from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Walmart to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.
- c. In the event that Walmart 1) determines that there may be a conflict between the Injunctive Terms and the requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court (“Express Interpretations”), such that Walmart determines that it cannot comply with the Injunctive Terms without violating these requirements or Express Interpretations; or 2) believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Walmart may notify the Attorney General of the Settling State of such potential conflict or potential or pending action. Within thirty (30) days after receipt of a notification from Walmart referenced above, Walmart and the State shall meet and discuss the potential conflict, and Walmart shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the requirements of federal, state, or local laws, or the Express Interpretations thereof by an agency responsible for their enforcement, or a conflict with the Injunctive Terms giving rise to the court or administrative action. If the State agrees that there is a conflict or that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the State to disagree with Walmart as to the conflict; or (ii) be deemed to relieve Walmart from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action; (iii) be deemed to relieve Walmart from adhering to the outcome of the court or administrative action

when it is determined there is no conflict; or (iv) limit the State's ability to relieve Walmart of a duty under these Injunctive Terms if that State determines that that term is in conflict with that State's express legal requirements.

- d. Walmart shall retain all records it is required to create pursuant to its obligations hereunder for a period no shorter than three years, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or CID for records pursuant to an applicable law, and nothing in these Injunctive Terms shall waive any applicable privilege that may be asserted over any such record. Unless otherwise required by law, if a Settling State seeks to disclose any records created and obtained from Walmart under this provision as part of a proceeding to enforce these Injunctive Terms against Walmart, it shall first provide ten (10) days' notice to Walmart unless doing so would conflict with applicable law. A Settling State shall not otherwise disclose or provide any records created by and obtained from Walmart under this provision to third parties during or after the term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any records created by and obtained from Walmart under this provision to third parties during or after the term of these Injunctive Terms, it shall first provide ten (10) days' notice to Walmart unless doing so would conflict with applicable law. This notification requirement shall not apply to documents obtained by a Settling State or its agencies that are required to be produced to the Settling State or its agencies by law or regulation, nor shall it apply to documents obtained by a Settling State or its agencies that are shared with federal, state, or local law enforcement. This notification requirement shall also not apply to documents obtained by a Settling State or its agencies from other sources.
5. No Admission and No Use as Evidence. Walmart does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing, or the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, (2) an admission, concession or evidence of the reach, requirements, meaning or interpretation of any statute or regulation, or (3) a waiver or limitation of any defense otherwise available to Walmart. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

## **II. TERM AND SCOPE**

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until ten years from the Injunctive Terms Implementation Date, unless otherwise specified herein.
2. Except as otherwise stated herein, the Injunctive Terms shall apply to Walmart's retail pharmacy stores registered or licensed with each Settling State that dispense Schedule II Designated Controlled Substances to Patients and to Schedule II Designated Controlled Substances dispensed by any such retail pharmacy stores that are mailed or shipped to patients in a Settling State. Should Walmart operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such online pharmacy as well.<sup>1</sup>
3. This agreement may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Walmart. Any such amendments must be in writing.

8. The term “Injunctive Terms Implementation Date” means (i) 90 days after the Effective Date of the Settlement Agreement, or (ii) 90 days after CVS and Walgreens have agreed to implement materially the same Injunctive Terms nationwide pursuant to a binding agreement with state attorneys general and such Injunctive Terms imposed upon CVS and Walgreens have become effective, whichever is later. To the extent there is a dispute between the Settling States and Walmart regarding whether the Injunctive Terms imposed on other pharmacies are materially the same as these Injunctive Terms, such dispute shall be heard by the National Arbitration Panel. If any Injunctive Term is found to be materially different, only that term and any co-dependent terms, as applicable, would be invalidated and inoperative. However, in no event shall the Injunctive Terms be any less stringent than those applied in the Walmart-Florida Injunctive Relief Terms.
9. The term “National Arbitration Panel” is defined in Section VI.F.3.b of the Walmart Settlement Agreement.

#### **IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL**

1. Walmart shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Walmart’s compliance with 21 C.F.R. 1306 these Injunctive Terms. As used in these Injunctive Terms, the terms “Controlled Substance

Compliance Committee” and “Controlled Substance Compliance Department” refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.

2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. 1306.
3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Walmart’s compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.
4. Staffing levels of Walmart’s Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Walmart’s Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.
5. Throughout the term of these Injunctive Terms, Walmart shall maintain a telephone and electronic submission hotline(s) (the “Hotline”) to permit employees and/or Patients to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms, Walmart’s company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Walmart shall publish its Hotline contact information to its employees and Patients in the Settling States. Walmart shall maintain for the duration of these Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Walmart to investigate a pharmacist’s professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

## **V. INDEPENDENCE**

1. Walmart's Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Walmart's pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations for sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Walmart from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
3. Personnel in Walmart's Controlled Substance Compliance Department shall not report to Walmart's sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel. This provision does not apply to an officer or executive to whom both the Controlled Substance Professional Practices Department and sales, marketing and/or business development departments report.
4. Walmart's sales, marketing and business development department personnel are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-making. This provision does not apply to an officer or executive to whom both the Controlled Substance Professional Practices Department and sales, marketing and/or business development departments report.
5. To the extent necessary to comply with this section, Walmart's Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

## **VI. OVERSIGHT**

1. To the extent not already established, within thirty (30) business days of the Injunctive

Terms Implementation Date, Walmart shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, and pharmacy operations departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the “Controlled Substance Compliance Committee.” Walmart shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.

2. Walmart’s Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Walmart’s adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.
3. On an annual basis, Walmart’s Controlled Substance Compliance Committee shall provide a written report to Walmart’s President, Chief Financial Officer, Chief Legal Officer, and Chief Compliance Officer, outlining (a) Walmart’s adherence to, and any material deviations from, these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The Walmart Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.
4. Walmart, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.
5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Walmart from implementing changes to the CSCP Policies and Procedures pending such review and approval.

## **VII. MANDATORY TRAINING**

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each Walmart pharmacy location in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.
2. Walmart shall launch training for all existing CSCP Employees, to the extent practical (for example, accounting for employee leave), on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within 120 days of the Injunctive Terms Implementation Date. All CSCP Employee new hires, to the extent practical, must complete such trainings within 60 days of hiring or 6 months of the Injunctive Terms Implementation Date, whichever is later. Walmart will further require that every CSCP Employee, to the extent practical, receive such training at least once every 3 years for the term of these Injunctive Terms.
3. On an annual basis for the duration of these Injunctive Terms, Walmart shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and their corresponding responsibility.
4. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.
5. All trainings required under these Injunctive Terms shall also make clear that (a) Walmart's compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and (b) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility.

## **VIII. THE PRESCRIPTION VALIDATION PROCESS**

1. As part of its CSCP, Walmart shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Walmart in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an

admission, concession, or evidence of any fact or contention related to such Red Flag. Nothing in these Injunctive Terms shall require Walmart to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any Red Flags, including but not limited to instances where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.

2. A Red Flag will be considered “resolved” if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber’s professional practice. All Red Flags described in Sections IX.3 and IX.5 below shall be based on internal Walmart dispensing data regarding prescriptions filled at Walmart pharmacies and shall not be based on Prescription Monitor Program (“PMP”) or Prescription Drug Monitoring Program (“PDMP”) data or dispensing data regarding prescriptions filled at pharmacies other than Walmart pharmacies. Nothing in this Agreement requires Walmart to use nor prohibits Walmart from using any data other than internal Walmart dispensing data to identify any Patient Red Flags or Prescriber Red Flags (described in Section IX.3 and IX.5 below).
3. Walmart’s CSCP Policies and Procedures shall provide that if a pharmacist identifies any “Patient Red Flags” associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient’s profile and history with Walmart, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist’s pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program (“PMP” or “PDMP”) data, and/or reviewing other data or information available to the pharmacist.
4. Walmart’s CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other “Prescription Red Flags” associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must either reject the prescription if the pharmacist concludes without further inquiry that the prescription is invalid or resolve the Prescription Red Flags; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient’s profile and history with Walmart, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist’s pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the

pharmacist.

5. Walmart's CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Walmart records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Walmart.
6. Walmart's CSCP Policies and Procedures shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any Controlled Substance prescriptions that were rejected pursuant to the Prescription Validation Process, and the reasons why they were rejected, must be documented. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Walmart's records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a patient lives 55 miles from a Walmart pharmacy but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing patient distance from the pharmacy is required in connection with individual prescriptions dispensed for that patient. A lack of documentation does not create a presumption that a pharmacist did not resolve any identified Red Flags.
7. Walmart's CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

## **IX. RED FLAGS**

1. On an annual basis, either Walmart or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Walmart or the States Injunctive Relief Committee may provide additional research, information or data available to them. For example, Walmart might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

- a. If Walmart and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes. Further, any modified Red Flags shall thereafter become subject to tracking by Walmart.
  - b. If Walmart and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from other research, data and information.
  - c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration or any Settling State's Board of Pharmacy or other Controlled Substance government regulators.
3. Walmart shall treat the following circumstances as "Patient Red Flags":
- a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of more than two earlier prescriptions of the Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription);
  - b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Walmart pharmacy from more than four other Prescribers, from separate practices, in a given 6-month period;<sup>2</sup>
  - c. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at the same Walmart pharmacies within 30 days;

---

<sup>2</sup> In Walmart's sole discretion, for administrative convenience Walmart may implement this Red Flag without regard to whether prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

- d. The distance between a Patient's residence and the Walmart pharmacy receiving the Designated Controlled Substance prescription is farther than 50 miles;
  - e. The Patient resides more than 100 miles from the Prescriber who issued the Designated Controlled Substances prescription; and
  - f. To the extent personally known by the dispensing pharmacist, a Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to refusals to fill by a Walmart pharmacist within the past 30 days.
4. Walmart shall treat the following circumstances as "Prescription Red Flags:"
- a. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;
  - b. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a Prescriber;
  - c. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a Prescriber; and
  - d. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.
5. Walmart shall treat the following circumstances as "Prescriber Red Flags:"
- a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol; and
  - b. A Prescriber has no office within 50 miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted.

**X. PRESCRIBER REVIEW**

1. Walmart shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Walmart's retail dispensing for potential Prescribers of concern.
2. Walmart shall initiate the Prescriber Review Process in the following circumstances:
  - a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances has been the subject of a blanket refusal to fill by one or more of Walmart's retail pharmacy stores;

- b. Personnel implementing the Prescriber Review Process become aware that a Prescriber has been charged or indicted with a crime related to prescribing Controlled Substances by the Federal Government or in any jurisdiction of the United States; or
    - c. Walmart has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Controlled Substances.
3. Based on the professional judgment of the employees operating the Prescriber Review Process, Walmart may also initiate the Prescriber Review Process based on one of the following circumstances:
  - a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of controlled substances;
  - b. A Prescriber of Designated Controlled Substances was flagged for review by a Walmart pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise Walmart's pharmacies in a Settling State; or
  - c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Walmart's retail dispensing.
4. Once Walmart identifies a Prescriber for further investigation, Walmart shall review pertinent and available data and information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. When permitted by law, nothing contained in this Section prevents Walmart from taking immediate action to Block a Prescriber in lieu of referral for further investigation or prevents a Walmart Pharmacist from refusing to fill any particular prescription or refusing to fill prescriptions from a given Prescriber.
5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused Walmart to further investigate the Prescriber, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at Walmart's retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of Walmart to seek future reinstatement by providing information to Walmart that may resolve its concerns. Nothing in this Section shall limit the right or ability of individual Walmart pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given prescriber independent of any decision by Walmart to Block or not Block

a given prescriber. Walmart shall provide the names of doctors it has Blocked to the Board of Medicine in each Settling State.

6. Walmart shall report to each Settling State the number and identity of Prescribers from such Settling State that were Blocked and the number of Prescribers from such Settling State who were referred for a decision regarding whether the Prescriber should be Blocked as part of Walmart's Prescriber Review Process. Such reporting shall occur on an annual basis. Walmart may, at its discretion, report on a more frequent basis.

## **XI. PROACTIVE DUE DILIGENCE AND SITE VISITS**

1. During the term of these Injunctive Terms, Walmart shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze the data associated with each pharmacy to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Walmart and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.
2. During the term of these Injunctive Terms, Walmart personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy identified for review in a calendar year. Walmart shall provide a list of such pharmacies to Settling States on an annual basis. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to Controlled Substances.
3. During site visits, Walmart personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.
4. Walmart personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.
5. Site visit reports and all other compliance reports related to the dispensing of Designated Controlled Substances shall be maintained by Walmart and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.

## **XII. THEFT AND LOSS PREVENTION**

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, Walmart shall maintain for at least three years information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store.
2. In addition to any other reporting obligations under state and federal law, Walmart must provide to each Settling State on a quarterly basis any reports it has made to the Drug Enforcement Administration regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 CFR §1301.76(b). Each Settling State shall provide contact information in order to receive such reports. There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy.

## **XIII. REPORTING TO LAW ENFORCEMENT**

1. The Settling States shall inform Walmart to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Walmart shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to Settling States who have indicated that they want to accept it, within 5 business days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.
2. Walmart shall document and for at least 2 years maintain records of any such reports that are made to law enforcement regarding confirmed forged prescriptions.

## **XIV. ENFORCEMENT OF INJUNCTIVE TERMS**

1. Notice of Potential Violations and Opportunity to Cure.
  - a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Walmart is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement does not necessarily occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Walmart violates Walmart's CSCP Policies and Procedures or the law.

- b. Potential Violation Discovered by Settling State.
  - 1. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Walmart in writing (the “State’s Notice”).
  - 2. Within thirty (30) days of receipt of the State’s Notice, Walmart shall provide a written response to the Settling State. The response shall include Walmart’s position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Walmart believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.
  - 3. If the Settling State wishes to meet with Walmart, Walmart shall promptly make itself available for such a meeting.
- c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Walmart and work in conjunction with Walmart to devise, within thirty (30) days, a corrective action plan (“Corrective Action Plan”) to remedy such Potential Violation, including a reasonable period for implementation of such plan.
- d. Within 60 and 120 days after implementing the Corrective Action Plan, Walmart will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Walmart. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.
- e. If Walmart fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Walmart. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.

- f. If, after review of a written response and any meeting, pursuant to subsections 1(b) or 1(c), above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the State will provide written notice of this conclusion to Walmart within 30 days of reaching its conclusion.
2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to Walmart prior to initiating any such action.

## **XV. COMPLIANCE CERTIFICATION**

1. Walmart's Controlled Substance Compliance Director shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).
2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.
3. The certification shall state:

“I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to ensure compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State].”

4. If the Controlled Substance Compliance Director or Certifying Employee is unable to provide such a certification, the Controlled Substance Compliance Director or Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

## **XVI. DATA SHARING**

1. Walmart shall consent to the provision by its distributors of Walmart's unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Walmart) regarding Designated Controlled Substances to opioid manufacturers as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Walmart, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data; (b) to implement safeguards and procedures to limit access to and use of the 867 Data; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.
2. To the extent that Walmart provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Walmart agrees that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Walmart, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

## **XVII. CLEARINGHOUSE**

1. To the extent that a Settling Distributor distributes Controlled Substances to Walmart pharmacies, Walmart will confer with such Settling Distributor(s) and the States Injunctive Relief Committee for a period not to exceed six months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from Walmart for a Settling Distributor to perform suspicious order monitoring; if additional deidentified information is needed, how Walmart shall provide it to a Settling Distributor; and what information provided by Walmart to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, Walmart will not agree to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.
2. Walmart and Settling Distributors will also determine whether and in what amount Walmart will contribute financially to the Clearinghouse. Such contribution, if any, shall be in an amount proportionate to the contributions of other Chain Pharmacies

- based upon Controlled Substance market share, but in no event shall Walmart be obligated to contribute more than a total of \$7,000,000 for the life of the Clearinghouse. If Walmart contributes financially to the Clearinghouse and/or provides data directly to the Clearinghouse, it shall have the option, in its sole discretion, to have a seat on the Clearinghouse Advisory Panel with rights identical to those of the Settling Distributors. If Walmart becomes a member of the Clearinghouse Advisory, the number of state members shall remain equal to the number of non-state members
3. Any data provided by Walmart to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and all applicable state and federal privacy laws.
  4. At Walmart’s sole option, Walmart may obtain relevant information, analyses, and reports from the Clearinghouse, subject to the following conditions:
    - a. Walmart shall be permitted to use information obtained from the Clearinghouse for anti-diversion purposes, including the uses expressly contemplated by the Injunctive Terms.
    - b. Walmart shall ensure any data obtained from the Clearinghouse cannot be accessed by any of its employees or agents who are involved in negotiating pricing or other business terms with pharmaceutical distributors or manufacturers.
    - c. No pharmacy shall receive from the Clearinghouse information specific to another pharmacy. Notwithstanding the prior sentence, Walmart may receive from the Clearinghouse blinded data.
    - d. Walmart may use information it receives from the Clearinghouse only for the purposes of identifying, minimizing, or otherwise addressing the risk of Controlled Substances diversion. Walmart shall not attempt to obtain revenue from this information.
    - e. Walmart shall not sell (or obtain license fees for) data obtained from Clearinghouse to any third-parties.
  5. Liability Related to the Clearinghouse.
    - a. Walmart is entitled to rely upon information or data received from the Clearinghouse, whether in oral, written, or other form. Walmart shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Clearinghouse. In addition, Walmart shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Walmart based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Clearinghouse, unless the information or data was incorrect, inaccurate,

incomplete or otherwise erroneous because Walmart itself provided incorrect, inaccurate, incomplete or otherwise erroneous data or information to the Clearinghouse.

- b. Reports or analysis generated by the Clearinghouse may not be based on complete data due to a lack of participation by other pharmacies and distributors. As such, Walmart shall not be held responsible for actions or inactions related to reports and analysis prepared by the Clearinghouse which may be based on incomplete data due to a lack of participation by other pharmacies and distributors.
- c. Walmart shall not require any distributor to indemnify or otherwise be responsible to it for any claims resulting from the provision of data, including Pharmacy Clearinghouse Data, to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse. Nothing in these Injunctive Terms shall require Walmart to indemnify, or otherwise be responsible to, any pharmacy, distributor, or Walmart customer for any claims arising out of or resulting from the provision of data, including Pharmacy Clearinghouse Data, to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse.
- d. Walmart and the Settling States shall not be liable for any breaches of any databases maintained by the Clearinghouse. This does not excuse the Clearinghouse or its vendor(s) from compliance with all state and federal laws and regulations governing (1) the protection of personal information and protected health information, or (2) notifications relating to Data Security Events. Solely for purposes of this Section XVII, the term “Data Security Event” means any compromise, or threat that gives rise to a reasonable likelihood of compromise, by unauthorized access or inadvertent disclosure impacting the confidentiality, integrity, or availability of Pharmacy Clearinghouse Data.

## **XVIII. CHANGES AND MODIFICATIONS**

- 1. This Agreement may be amended or modified with the written consent of Walmart and a majority of the States Injunctive Relief Committee.

## II. Fees and Costs

### A. Total Attorneys’ Fees and Costs

1. Total attorneys’ fees and costs to be paid by Walmart to Attorneys under this Fee Agreement shall be up to but in no event more than \$297,720,376.93, subject to the reductions and provisions set forth below. The total attorneys’ fees and costs consists of up to \$267,720,376.93 for the Attorney Fee Fund, as set forth in Section II, and \$30,000,000 in total for the Subdivision Cost and Expense Fund and MDL Expense Fund, as set forth in Sections II.E and II.F respectively.
2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys’ fees and costs to be paid under this Fee Agreement by Walmart shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Walmart Agreement.
3. The total attorneys’ fees and costs to be paid under this Fee Agreement by Walmart shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that continue

---

<sup>2</sup> Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

to pursue Released Claims (“*Non-Participating Litigating Subdivisions*”), as set forth in Section II.D.4 and II.H.7 below.

4. If Walmart settles with any Non-Settling State after November 14, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Walmart agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the Walmart Settlement and been awarded its full portion of the Remediation Payment (the “*Walmart State Settlement CBF Assessment*”). If Walmart settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after November 14, 2022, then Walmart agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the “*Walmart Subdivision CBF Assessment*,” and, along with the Walmart State Settlement CBF Assessment, each a “*Walmart CBF Assessment*”). If (a) Walmart settles with a Non-Settling State after November 14, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Walmart later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Walmart agrees to deposit the Walmart State Settlement CBF Assessment in the Common Benefit Fund. Any Walmart CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Ongoing Common Benefit Order (Dkt. #4428) in *In re National Prescription Opiate Litigation*, Case No. 1:17-md-2804. To the extent that Walmart is required to pay any additional and/or separate assessment on such settlement as a result of the Ongoing Common Benefit Order, the Walmart CBF Assessment shall be reduced by the amount required to be paid pursuant to the Ongoing Common Benefit Order.

*B. Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund.

2. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund. The Cost Funds shall include the MDL Expense Fund, and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process

and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Walmart Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. In no event shall Walmart be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walmart Agreement, as set forth in Exhibit G to the Walmart Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund.)

1. Walmart shall pay the entirety of the Common Benefit Fund payments into the Attorney Fee Fund within fifteen (15) calendar days of the Effective Date of the Walmart Agreement, subject to the reductions set forth in Section II.A.2 and the adjustments set forth below.
2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
  - a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and
  - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Walmart have also reached a settlement for Released Claims with Walmart, and these settlements are the subject of agreements with Walmart. Attorneys are eligible for Common Benefit consideration provided such agreement with Walmart became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.
4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for

purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Walmart Agreement as of the Threshold Subdivision Participation Date, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Walmart Agreement, including the Walmart Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other Settlement Agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Walmart Agreement or not. It is the intent of this provision to recognize that the goal of the Walmart Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Walmart Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions or Later Litigating States is antithetical to the Walmart Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any refunds provided to Walmart as set forth in Section II.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivision. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to allocate funds among Applicants and to determine the amounts to refund to Walmart. Any reduction to an Applicant not refunded to Walmart shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Threshold Subdivision Participation Date.

*D. Contingency Fee Fund. (40% of the Attorney Fee Fund.)*

1. Walmart shall pay the entirety of the Contingency Fee Fund payment into the Attorney Fee Fund within fifteen (15) calendar days of the Effective Date of the Walmart Agreement, subject to the reductions set forth in Section II.A.2 and the adjustments set forth below.

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.
  - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.
  - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
3. The amount owed by Walmart to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions. The Fee Panel shall remit payment to Walmart from the Contingency Fee Fund for any amounts corresponding to such reductions.
4. In the event that after the date of the Walmart Agreement, Walmart, prior to the Effective Date of the Walmart Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Walmart Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be returned to Walmart, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

E. *Subdivision Cost and Expense Fund*

1. Walmart shall pay \$22,500,000 into the Subdivision Cost and Expense Fund.
2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund

may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Subdivision Cost and Expense Fund, the Administrator shall not allocate any funds for costs incurred after November 14, 2022.

3. During the period between November 14, 2022 and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Subdivision Cost and Expense Fund shall make best efforts to cease litigation activity against Walmart, including by jointly seeking stays or severance of claims against Walmart, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that Walmart, prior to the Effective Date of the Walmart Agreement, settles with any Litigating Subdivision and, under such settlement agreement pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the Walmart Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Walmart, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims against Walmart. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Walmart that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, the Subdivision Cost and Expense Fund is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions and no funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Expense Fund*

1. Walmart shall pay \$7,500,000 into the MDL Expense Fund.

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided

below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after November 14, 2022, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to November 14, 2022 and that special circumstances exist to justify costs incurred following the public announcement of the Walmart Agreement, including reasonable costs related to the implementation of the Walmart Agreement.

*G. Eligibility*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.
2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.
3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit

Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

- a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
- b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
- c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Threshold Subdivision Participation Date.
- d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.
- e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.
- f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Walmart

Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

- g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
  - h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Walmart Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.
4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
  5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
  6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.
  7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Walmart

and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below. If an Attorney fails to notify Walmart and the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Walmart when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Walmart Agreement represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Walmart. Walmart or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Walmart to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Walmart Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

*H. Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Walmart as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Walmart may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Walmart) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
  - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

- b. The novelty, time, and complexity of the Qualifying Representations;
- c. The skill requisite to perform legal services properly and undesirability of the case;
- d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
- e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
- f. Any “common detriment,” as set forth in paragraph II.C.4;
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Applicant in cases against Walmart or any risk for Walmart created by the Applicant in cases against Walmart;
- m. Any risk for defendants created by Applicants in cases against Walmart;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

- o. The date of filing of any cases filed by the Applicant;
  - p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;
  - q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
  - r. Whether the Applicant's clients brought claims against Walmart prior to the announcement of this settlement on November 14, 2022;
  - s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
  - t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;
  - u. Whether the Applicant's cases have survived motions to dismiss;
  - v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
  - w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Walmart Agreement on November 14, 2022, such latter litigation both being of less value and, the case of litigation filed after the announcement of the Walmart Agreement on November 14, 2022, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and
  - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Walmart Settlement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:
- a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;

- b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after November 14, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;
  - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
  - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
  - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:
- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
  - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
  - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
  - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
  - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

- f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
    - g. Notwithstanding “a-f” above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.
6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
  - a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.
  - b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.
7. With respect to the Contingency Fee Fund, the Fee Panel shall:
  - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
  - b. Apply the Mathematical Model in Exhibit A.
  - c. Use such allocations to determine refund amounts owed to Walmart from the Attorney Fee Fund, and inform Walmart and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Walmart is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise

a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

*I. Miscellaneous.*

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Walmart.
2. The MDL PEC will seek, and the Attorneys General for Settling States and the Walmart will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.
3. The MDL PEC shall provide to Walmart information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or having signed a Participation Agreement.
4. The MDL PEC and Walmart agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision to represent a Later Litigating Subdivision or Later Litigating State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the Walmart Agreement until the Effective Date of the Walmart Agreement, as well as thereafter, if the Walmart Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not

share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

### III. Miscellaneous

- A. *Termination.* If the Walmart Agreement does not proceed past the date on which the Settlement Fund Administrator makes a determination as to whether the Subdivision Participation Thresholds have been satisfied and the time for the Parties to the Walmart Agreement to dispute such determination has passed, this Fee Agreement shall be null and void, Walmart shall have no obligation to make any payments under this Fee Agreement, and Walmart and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*. All funds paid by Walmart into the Attorney Fee Fund and Cost Fund shall be promptly returned to Walmart (including interest that accrues during such time as the monies are in escrow).
- B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Walmart Agreement. This Fee Agreement shall also be submitted by Walmart and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the notice date under Section II.A.3 of the Walmart Agreement as to whether the State Participation Threshold has been satisfied, to this Fee Agreement, as Exhibit B.
1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Walmart under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Walmart and the MDL PEC shall meet and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Walmart related to fees and costs beyond the amounts described in this Fee Agreement.
  2. If Walmart and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Walmart shall have no obligation to make any payments under this Fee Agreement, and Walmart and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*. All funds paid by Walmart into the Attorney Fee Fund and Cost Fund shall be promptly returned to Walmart (including interest that accrues during such time as the monies are in escrow prior to the Effective Date of the Walmart Agreement).

- C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Walmart and the MDL PEC and (2) approval by the MDL Court.
- D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Walmart as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Walmart, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Walmart Agreement.

## Description of Mathematical Model for the Allocation of the Contingency Fee Funds

### Walmart Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Walmart Settlement Agreement.<sup>3</sup> Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walmart Settlement Agreement.<sup>4</sup> A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Walmart (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Walmart Settlement Agreement is \$107,088,150.77.<sup>5</sup>

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, *not* for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Walmart Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the \$2,393,794,118.64 Remediation amount [see Exhibit M of the Walmart Settlement Agreement].
- 50% of the 1% share allocated to State A is \$11,968,970.59.

---

<sup>3</sup> See Walmart Settlement Agreement, Exhibit R § II.D.2.

<sup>4</sup> Walmart Settlement Agreement, Exhibit R § II.D.2.

<sup>5</sup> Walmart Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$11,968,970.59, or \$119,689.71.

(2) Adjust the amounts in paragraph 1 as follows:

- a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Walmart in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Walmart in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
- If City C named Walmart before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.

- b. *Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's

percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Walmart in a lawsuit).

Illustrative example:

- $\$220,000$  [from para. 2.b]  $\div$   $\$120,000,000$  [total amount owed under contingency fee contracts nationwide] = 0.1833333%<sup>6</sup>
- 0.1833333% \*  $\$107,088,150.77$  [Contingency Fee Fund] =  $\$196,328.28$

- b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Walmart Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund.

Illustrative example:

- 1% \*  $\$107,088,150.77$  =  $\$1,070,881.51$  [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of  $\$1,600,000$  is owed under contingency fee contracts for State A.
- $\$220,000$  [from para. 2.b]  $\div$   $\$1,600,000$  = 13.75%
- 13.75% \*  $\$1,070,881.51$  =  $\$147,246.21$

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above less any amounts the Fee Panel is authorized to, and does, withhold.<sup>7</sup>

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract

---

<sup>6</sup> In this example, \$120 million is the amount theoretically owed under all contingency fee contracts for litigation against Walmart as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

<sup>7</sup> The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

## EXHIBIT S

### Agreement on the State Outside Counsel Fee Fund for Chain Pharmacy Settlements

1. **Definitions.**

- a. “Chain Pharmacy” means any of CVS, Walgreens, and Walmart, and “Chain Pharmacies” means all of the foregoing.
- b. “Multistate Chain Pharmacy Settlement Agreement” means This Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and a Chain Pharmacy.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Chain Pharmacy to which this Agreement is attached as an Exhibit.
- d. “Settling Chain Pharmacy” means the Chain Pharmacy that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Chain Pharmacy Settlement Agreement.

2. **Creation of a State Outside Counsel Chain Pharmacies Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Chain Pharmacies (such fund, the “State Outside Counsel Chain Pharmacies Fee Fund”).

3. **State Outside Counsel Chain Pharmacies Fee Fund Administration.** The State Outside Counsel Chain Pharmacies Fee Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Chain Pharmacies Fee Fund (the “Chain Pharmacies Fee Fund Committee”). The Chain Pharmacies Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Chain Pharmacies. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Chain Pharmacies Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Chain Pharmacies Fee Fund Committee.

4. **State Outside Counsel Chain Pharmacies Fee Eligibility.**

- a. To receive any amount from the State Outside Counsel Chain Pharmacies

Fee Fund, an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Chain Pharmacy in a state or federal court as of November 1, 2022. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Chain Pharmacies Fee Fund and any “Additional Remediation Amount” as may be provided for in This Settlement Agreement.

- b. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Chain Pharmacies Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Chain Pharmacies Fee Fund Amount.** The Settling Chain Pharmacy shall pay funds into the State Outside Counsel Chain Pharmacies Fee Fund in an amount equal to, and on the schedule identified in, Exhibit M (the “Contribution”). The Settling Chain Pharmacy’s Contribution shall subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Chain Pharmacies Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Chain Pharmacies Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraph 6.c, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Fees shall be aggregated across the Multistate Chain Pharmacy Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Chain Pharmacy Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State’s

outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State's contract with its outside counsel assuming that fifty percent (50%) of the Settling State's recovery is allocable to a Settling State (rather than allocable to the Settling State's Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Chain Pharmacies Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Chain Pharmacies Fee Fund. Fees shall be split proportionally among each Multistate Chain Pharmacy Settlement Agreement, as set forth on the Fee Schedule.

- d. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator. The remainder of any unused administrative expenses shall be disbursed pro rata to States receiving monies from the State Outside Counsel Chain Pharmacies Fee Fund at the conclusion of such administration.

**7. Payment by the Fee Fund Administrator.**

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) the last of the three Multistate Chain Pharmacy Settlement Agreements becomes effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Chain Pharmacies Fee Fund in the following scenarios ("Payment Scenarios"):
  1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Chain Pharmacy Settlement Agreement.
  2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Chain Pharmacies Fee Fund.
  3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Chain Pharmacies Fee Fund Committee how to pay the amount

listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.
- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Chain Pharmacies Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Chain Pharmacy bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Chain Pharmacy.

8. **Reduction of Amounts owed**

- a. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Chain Pharmacy to the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. Specifically, the reduction in the

amount owed by the Settling Chain Pharmacy shall be calculated as 2.25% times the total Remediation Payments that would have been allocated to the Non-Settling State had it been a Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

- b. **Settling States; Redistribution.** If a Settling State under This Settlement Agreement (i) would otherwise be entitled to a payment from the State Outside Counsel Chain Pharmacies Fee Fund and (ii) is eligible to be a “Settling State” under either of the two other Multistate Chain Pharmacy Settlement Agreements but does not become such a “Settling State”, then that Settling State’s payment from the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced to an amount equal to the Contribution times the Settling State’s allocation percentage on Exhibit F, which shall be treated as an additional remediation payment in lieu of a fee payment. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.
- c. If either or both of the other Chain Pharmacies fail to enter into a Multistate Chain Pharmacy Settlement Agreement, or if such Multistate Chain Pharmacy Settlement Agreements fail to take effect by December 15, 2023, then the Settling Chain Pharmacy and the Enforcement Committee shall renegotiate the terms of Paragraph 8.b in order to permit prompt payment to Settling States that terminated contested litigation with the Settling Chain Pharmacy, and permitting additional time if necessary to finalize payments to the other Settling States. In no event will such renegotiation result in additional reversion of monies in the State Outside Counsel Chain Pharmacies Fee Fund to the Settling Chain Pharmacy.

9. **Interpretation.**

- a. This Agreement shall be an Exhibit to each Multistate Chain Pharmacy Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.
- b. It is the intent of all parties that the State Outside Counsel Chain Pharmacies Fee Fund function in a similar manner, with similar calculations and mechanics, as the “State Outside Counsel Fee Fund” established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

## EXHIBIT T

### Agreement on the Joint State Cost Fund

1. **Definitions.**

- a. “Opioids Defendant” means Walmart, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
- b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
- c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
- d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
- e. “Settling States” has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and

expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
  1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)

2. Funds in any State Cost Fund shall be primarily used to reimburse costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.
3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:
  - the reasonable costs of the Joint State Cost Fund Administrator;
  - repayment of National Association of Attorneys General grants made in connection with opioid litigation, without regard to when the grants were made;
  - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
  - litigation-related costs; then
  - investigation-related costs; then
  - settlement and negotiation related costs; then
  - cost shares.
5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate

Settlement or bankruptcy plan for the reimbursement of costs or any individual state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.
  9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.
  10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.
  11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).
- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
  - d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.

- e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.
- f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
- b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;
- c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and
- d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

# **EXHIBIT B**

**RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

Whereas, the people of the State of Rhode Island and its communities have been harmed by the opioid epidemic, which was caused, in part, by manufacturers and distributors of opioids, and dispensers of opioids and related drugs (collectively, “Opioids Defendants”); and

Whereas, the actions of the Opioids Defendants have resulted in a rise in opioid addiction, overdoses, and deaths in Rhode Island, as well as increased healthcare, social services, and criminal justice costs and the destabilization of families and communities across the state; and

Whereas, the State and certain Rhode Island cities and towns are engaged in litigation seeking to hold certain Opioids Defendants accountable for the damage they have caused; and

Whereas, the State and the Eligible Cities and Towns share a common desire to abate and alleviate the impacts of the Opioids Defendants’ misconduct through the State of Rhode Island in a coordinated and expeditious manner; and

Whereas, upon satisfaction of the terms of each of the Settlement Agreements, each will become binding on all Settling States and Participating Cities and Towns, and other settling entities party thereto;

Whereas, each Settlement Agreement encourages or allows each Settling State and its respective cities and towns to enter into a State-Subdivision Agreement, or a similar framework, in order to direct allocation of their portion of the Opioid Settlement Funds.

Now, therefore, the State and its Participating Cities and Towns enter into this Agreement (the “Agreement”) relating to the allocation and use of the proceeds of the Settlement Agreements:

**I. Definitions**

As used in this Agreement:

- A. “Approved Purposes” means care, treatment, and other programs and expenditures designed to (1) address the misuse and abuse of opioid products; (2) treat or mitigate opioid use or related disorders; or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic as identified by the terms of Exhibit C of the Distributor Settlement Agreement, Exhibit E of the Janssen Settlement Agreement, or any other relevant Settlement Agreement. For purposes of any payments pursuant to a Confirmation Order in a bankruptcy proceeding, the Approved Purposes means those approved by the confirmed plan. Qualifying expenditures may include reasonable related administrative expenses.

- B. “Attorney General,” “Chief Justice of the Rhode Island Supreme Court,” “Director of the Department of Behavioral Healthcare, Developmental Disabilities & Hospitals,” “Director of the Department of Health,” “Governor,” “Senate President,” and “Speaker of the House,” mean the officials holding these offices under Rhode Island law.
- C. “Distributor Settlement Agreement” means an agreement between McKesson Corporation (“McKesson”), Cardinal Health, Inc. (“Cardinal”), and AmerisourceBergen Corporation (“Amerisource”), on the one hand, and the State of Rhode Island and Participating Subdivisions as that term is defined therein, on the other hand, to resolve opioid related claims against McKesson, Cardinal, and/or Amerisource.
- D. “Eligible City or Town” means the cities or towns of Barrington, Bristol, Burrillville, Central Falls, Charlestown, Coventry, Cranston, Cumberland, East Greenwich, East Providence, Exeter, Foster, Glocester, Hopkinton, Jamestown, Johnston, Lincoln, Little Compton, Middletown, Narragansett, New Shoreham, Newport, North Kingstown, North Providence, North Smithfield, Pawtucket, Portsmouth, Providence, Richmond, Scituate, Smithfield, South Kingstown, Tiverton, Warren, Warwick, West Greenwich, West Warwick, Westerly, and Woonsocket. Together the Eligible Cities or Towns are the “Eligible Cities and Towns.”
- E. “EOHHS” means the Rhode Island Executive Office of Health and Human Services, or successor agency, and “Secretary” means the Secretary of EOHHS, or successor official.
- F. “Janssen Settlement Agreement” means that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among Janssen Pharmaceuticals, Inc., Johnson & Johnson, Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.
- G. “Opioid Settlement Funds” means all the funds deposited into a Rhode Island Settlement Fund or sub-fund, deposited into a Rhode Island Qualified Settlement Fund, or held and distributed by an administrator or a Rhode Island Qualified Settlement Administrator pursuant to the terms of the relevant Settlement Agreements, except for any funds needed to pay an administrator or a Rhode Island Qualified Settlement Administrator, or designated by a Settlement Agreement or court order for State or Participating Subdivision attorneys’ fees and costs.
- H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in each Settlement Agreement. Together the Participating Cities or Towns are the “Participating Cities and Towns.”
- I. “Parties” means the State and each Eligible City or Town that is a signatory to this Agreement.

- J. “Settlement Agreements” means the Distributor Settlement Agreement, the Janssen Settlement agreement, and any similar agreement (including consent judgments or consent decrees) entered into after the date of this Agreement, by between, or among one or more opioid manufacturers, pharmaceutical distributors, or pharmacies, or an affiliate, agent, consultant, or advisor of an opioid manufacturer, if mutually agreed to by the Parties in writing. “Settlement Agreement” means one such agreement.

In addition to the foregoing, upon confirmation of the plan in any bankruptcy proceeding for which the State will receive a payment or distribution in connection with claims similar to those released in the Settlement Agreements, which shall include both *In re Purdue Pharma L.P., et al*, No-19-23649 (RDD) (Bankr. S.D. N.Y.) and *In re: Mallinckrodt PLC, et al.*, No. 20-12522 (JTD) (Bankr. D. Del.), such confirmed plan will also become a Settlement Agreement hereunder.

- K. “State” means the State of Rhode Island acting through its Attorney General.

Capitalized terms used and not otherwise defined herein have the meaning given to them in the Settlement Agreements.

## **II. Allocation of Settlement Proceeds**

- A. *Allocation.* All Opioid Settlement Funds, at the times designated in the Settlement Agreements, shall be divided and distributed as follows:
1. 20% directly to the Participating Cities and Towns (“City and Town Share”) for Approved Purposes in accordance with Section III below.
  2. 80% directly to the State (“Statewide Abatement Share”) for forward-looking Approved Purposes throughout the state, which share shall be held in the Rhode Island Statewide Opioid Abatement Account in accordance with Sections IV and V below.
- B. *Use of Funds.* All Opioid Settlement Funds, regardless of allocation, shall be utilized solely for Approved Purposes to abate the harms of the opioid epidemic.

## **III. City and Town Share**

- A. *Allocation and Payment.* The division of the City and Town Share paid to Participating Cities and Towns shall be based on the allocation set forth in Exhibit A, which assigns each Eligible City or Town a percentage share of funds.
- B. *Use of Funds.* The City and Town Share shall be used for Approved Purposes and the Parties intend for the Opioid Settlement Funds to be used on forward-looking opioid abatement efforts. But, the City and Town Share may also be used for past expenditures so long as the expenditures were made for Approved Purposes and are not otherwise restricted by a confirmed plan in a bankruptcy proceeding. Prior to using any portion of the City and Town Share as restitution for past expenditures, a Participating City or Town

shall pass a resolution or take equivalent governmental action that explains its determination that its prior expenditures for Approved Purposes are greater than or equal to the amount of the City and Town Share that the City or Town seeks to use for restitution.

- C. *Collaborative Abatement Initiatives Encouraged.* Participating Cities and Towns may, and are encouraged to, share, pool, or collaborate on opioid abatement efforts with their respective allocation of the City and Town Share in any manner they choose, so long as the shared, pooled, or collaborative abatement efforts comply with the terms of this Agreement and the Settlement Agreements.
- D. *Option to Direct Allocation to Statewide Abatement.* Participating Cities and Towns may, at their discretion, forego their allocation of the City and Town Share and direct their allocation to the Statewide Abatement Share by affirmatively notifying the Advisory Committee and any relevant settlement fund administrator on an annual basis of their decision to forego their allocation of the City and Town Share and designation to the Statewide Abatement Share.
- E. *Non-participating City or Town.* In the event an Eligible City or Town does not participate in the Settlement Agreements, the allocation percentage for that Eligible City or Town shall be redistributed to the Participating Cities and Towns based on a recalculated allocation that does not include the non-participating city or town.
- F. *Municipal Merger or Dissolution.* In the event an Eligible City or Town merges, dissolves, or ceases to exist, the allocation percentage for that City or Town shall be redistributed equitably based on the composition of the successor City or Town.
- G. *City and Town Attorneys' Fees.* The Parties agree that attorneys representing the Participating Cities and Towns in litigation against the Opioids Defendants will satisfy any contractual obligations relating to those legal representations through the mechanisms provided for in the Settlement Agreements. Notwithstanding the provisions of part B of this subsection, no portion of the City and Town Share shall be used to pay any attorneys' fees, costs, or other contractual obligations relating to legal representation in litigation against the Opioids Defendants.

#### **IV. Statewide Abatement Share**

- A. *Allocation and Payment.* The Statewide Abatement Share will be paid directly to the State and these funds shall be held in an account, the Rhode Island Statewide Opioid Abatement Account (the "R.I. Statewide Opioid Abatement Account"), that (1) is established by, authorized by, or subject to any court orders or consent judgments entered to effectuate the terms of the Settlement Agreements including in *State of Rhode Island v. Purdue Pharma L.P. et al.*, C.A. No. PC-2018-4555; (2) has the restricted purpose of holding these funds separately, ensuring they are not comingled with non-Opioid Settlement Funds, and distributing the funds for Approved Purposes; and (3) otherwise meets any requirements for such a fund or account in the Settlement Agreements. The Parties intend for the R.I. Statewide Opioid Abatement Account to hold and distribute the

Statewide Abatement Share in a manner substantially similar to the Opioid Stewardship Fund created under Chapter 28.10 of Title 21 of the Rhode Island General Laws and agree that the R.I. Statewide Opioid Abatement Account may be similarly codified into law by the General Assembly.

**B. *Use of Funds.***

1. The Statewide Abatement Share shall be used for forward-looking Approved Purposes only.
2. Consistent with the provisions of Section V of this Agreement and Section 15 of Article IX of the Rhode Island Constitution, at least annually the Secretary shall present to the Governor, for inclusion in the Governor's budget presentation to the General Assembly, the Secretary's recommendations on the use of the Statewide Abatement Share.

**C. *Reporting.*** The Secretary shall report to the Advisory Committee annually on the distribution and use of funds from the Statewide Abatement Share.

**D. *Compliance.*** Recipients of funds distributed from the Statewide Abatement Share shall be subject to auditing and other compliance procedures as deemed appropriate by the Secretary.

**V. Advisory Committee**

**A. *Committee Established.*** An Advisory Committee (the "Advisory Committee"), consisting of the representatives in part B of this subsection, shall be created to ensure that the State and the Participating Cities and Towns have equal input into the distribution of the Statewide Abatement Share for Approved Purposes across the state of Rhode Island.

**B. *Representatives.*** The Advisory Committee shall consist of the following seventeen (17) members:

1. *State Representatives.* Six (6) State representatives as follows:

- a) Attorney General or designee;
- b) Speaker of the House or designee;
- c) Senate President or designee;
- d) Chief Justice of the Rhode Island Supreme Court or designee;
- e) Director of the Rhode Island Department of Health ("RIDOH"); and
- f) Director of the Rhode Island Department of Behavioral Healthcare, Developmental Disabilities & Hospitals ("BHDDH").

2. *Participating City and Town Representatives.* Six (6) Participating City and Town representatives as follows:
  - a) Mayor of the City of Providence or designee;
  - b) Representative from a city or town in Bristol County;
  - c) Representative from a city or town in Kent County;
  - d) Representative from a city or town in Newport County;
  - e) Representative from a city or town in Providence County other than the City of Providence; and
  - f) Representative from a city or town in Washington County (together with the Representatives from a city or town in Bristol, Kent, Newport, and Providence Counties are the “County Representatives”).

Participating Cities and Towns from Bristol, Kent, Newport, Providence, and Washington counties shall collaborate to appoint the County Representatives. The County Representatives shall serve three (3) year terms.

3. *Expert Representatives.* Three (3) experts (“Expert Representatives”) drawn from fields including but not limited to: public health, pharmacology, epidemiology, emergency medicine, behavioral health, and recovery. The Expert Representatives shall be appointed by a majority vote of the State Representatives and the Participating City and Town Representatives. To stagger the Expert Representative terms, the initial Expert Representative appointments shall be for two (2) years, three (3) years, and four (4) years, and all subsequent Expert Representative appointments shall be for three (3) year terms.
  4. *Community Representatives.* Two (2) Community Representatives (“Community Representatives”). The Community Representatives shall be appointed by a majority vote of the State Representatives and the Participating City and Town Representatives. To stagger the Community Representative terms, the initial Community Representative appointments shall be for two (2) years, and three (3) years, and all subsequent Community Representative appointments shall be for two (2) year terms.
- C. *Chair.* The Advisory Committee shall be chaired by a non-voting representative appointed by the Governor.
- D. *Administrative and Technical Support.* EOHHS shall provide staff support to the Advisory Committee and assist the Advisory Committee in the fulfillment of its responsibilities under this Agreement.
- E. *Meetings and Process for Receiving Public and Local Government Input.*

1. The Advisory Committee shall meet at least quarterly.
2. Meetings of the Advisory Committee shall be public, open meetings consistent with the Open Meetings Act, Chapter 46 of Title 42 of the Rhode Island General Laws.
3. The Advisory Committee shall, in consultation with EOHHS, establish a process for receiving input from Rhode Island's communities, provider organizations, and cities and towns regarding how the opioid crisis is affecting their communities, understanding their abatement needs, and considering proposals for opioid abatement strategies and responses.

The Advisory Committee is encouraged to further coordinate with established groups like the Governor's Overdose Prevention and Intervention Task Force, as well as organizations focusing on prevention, rescue, harm reduction, treatment, and recovery strategies, to gather community input, understand abatement needs, and consider proposals for opioid abatement strategies and responses.

F. *Recommendations.*

1. *Statewide Abatement Recommendations.* The Advisory Committee shall, at least annually, make formal recommendations to the Secretary on the use of the Statewide Abatement Share (the "Statewide Abatement Recommendations"). To aid the Advisory Committee in formulating the Statewide Abatement Recommendations, EOHHS, RIDOH, and BHDDH shall present information regarding the State's opioid abatement strategy and appropriations plan, and information on how that strategy responds to the opioids crisis and the abatement needs of Rhode Island's communities. The Advisory Committee may also consider how non-Opioid Settlement Funds are used as part of the State's opioid abatement strategy when formulating the Statewide Abatement Recommendations.
2. *Good Faith Review and Consideration by Secretary.* The Secretary shall review and consider the Statewide Abatement Recommendations and shall make a good faith effort to incorporate the Statewide Abatement Recommendations into EOHHS's annual budget process.
3. *Deviation from Statewide Abatement Recommendations.* If the Secretary substantially deviates from the Statewide Abatement Recommendations, the Secretary shall provide the Advisory Committee with a written explanation, that will be made public, of any substantial deviations.

## VI. General Terms

- A. *Relationship of this Agreement to Other Agreements and Resolutions.* The Parties acknowledge and agree the Distributor Settlement Agreement and the Janssen Settlement Agreement will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement and

the Janssen Settlement Agreement that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement and the Janssen Settlement Agreement to release the city or town's claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town's claims.

- B. *Scope of this Agreement.* The Parties acknowledge and agree that they must comply with all the requirements of the Settlement Agreements and that this Agreement does not excuse any requirements placed upon them by the terms of the Settlement Agreements, except to the extent those terms allow for a State-Subdivision Agreement or Statewide Abatement Agreement to do so.
- C. *Legislation.* The Parties may seek to further codify the terms of this Agreement in the Rhode Island General Laws through legislation that may be submitted to the General Assembly.
- D. *Applicable Law, Venue, and Severability.* Unless required otherwise by a Settlement Agreement, this Agreement shall be interpreted using Rhode Island law and any action related to the provisions of this Agreement must be adjudicated by the Superior Court of Providence County. If any provision of this Agreement is held invalid by a court of competent jurisdiction, this invalidity does not affect any other provision which can be given effect without the invalid provision.
- E. *Counterparts.* This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

## **VII. Amendments**

- A. *Amendments as Necessary.* The Parties agree to make such amendments as necessary to implement the intent of this Agreement.
- B. *Written Amendments.* This Agreement may be amended by written agreement of the Parties.

**FIRST AMENDMENT TO RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

The State of Rhode Island (the “State”) and the Participating Cities and Towns entered into the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioid Settlement Funds (the “R.I. MOU”), which became effective on January 21, 2022, and governs the allocation and use of the proceeds of Settlement Agreements as that term is defined in the R.I. MOU. This First Amendment (the “First Amendment”) modifies the R.I. MOU pursuant to Section VII of the agreement.

**I. Amendment to Cover Additional Settlement Agreements**

The State and the Participating Cities and Towns agree to amend the R.I. MOU as follows:

A. The Teva Settlement Agreement and the Allergan Settlement Agreement (jointly the “Teva and Allergan Settlement Agreements”) are Settlement Agreements under Section I.J of the R.I. MOU.

B. Section I, “Definitions” will be modified to add the following:

“L. “Teva Settlement Agreement” means an agreement between Teva Pharmaceuticals Ltd., on the one hand, and the State of Rhode Island on the other hand, to resolve opioid related claims against Teva.”

“M. “Allergan Settlement Agreement” means an agreement between Allergan, on the one hand, and the State of Rhode Island on the other hand, to resolve opioid related claims against Allergan.”

“H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in each Settlement Agreement; and, for the purposes of the Teva and Allergan Settlement Agreements, is both (i) a signatory to the First Amendment and (ii) a Participating Subdivision as defined in those agreements. Together the Participating Cities or Towns are the “Participating Cities and Towns.”

C. Section II, “Allocation of Settlement Proceeds” will be modified to add the following:

“C. *Payment of City and Town Share of the Teva and Allergan Settlement Agreements.* For the City and Town Share of the Opioid Settlement Funds resulting from the Teva and Allergan Settlement Agreements:

1. If, within 60 days of the Effective Date of the Teva and Allergan Settlement Agreements, a sufficient number of Eligible Cities and Towns have become Participating Cities and Towns such that the population of the Participating Cities and Towns accounts for 95% or more of the population of all Eligible Cities and Towns,

each Participating City or Town that has joined by that date shall be paid an amount equal to the full amount of Opioid Settlement Funds the City or Town is due to receive over the duration of the Teva and Allergan Settlement Agreements, based on the allocation in Section III.A, within the first year of the Teva and Allergan Settlement Agreements. A Participating City or Town that receives such a lump-sum payment will not receive any further payments from the Teva and Allergan Settlement Agreements.

2. An Eligible City or Town that becomes a Participating City or Town after 60 days following the Effective Date of the Teva and Allergan Settlement Agreements, shall receive its share of Opioid Settlement Funds as determined under Section III.A at the times designated in those settlement agreements.”

- D. Section VI.A, “*Relationship of this Agreement to Other Agreements and Resolutions*” will be modified as follows, “The Parties acknowledge and agree the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ the Teva Settlement Agreement, and the Allergan Settlement Agreement will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ and the Teva and Allergan Settlement Agreement that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement, ~~and the Janssen Settlement Agreement,~~ and the Teva and Allergan Settlement Agreement to release the city or town’s claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town’s claims.”

## II. Related Terms

- A. *Relationship of this Amendment to Other Provisions.* Except as amended in this First Amendment, all other provisions within the R.I. MOU shall remain in full force and effect.
- B. *Counterparts.* This First Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

**SECOND AMENDMENT TO RHODE ISLAND MEMORANDUM OF UNDERSTANDING  
BETWEEN THE STATE AND  
CITIES AND TOWNS RECEIVING OPIOID SETTLEMENT FUNDS**

The State of Rhode Island (the “State”) and the Participating Cities and Towns entered into the Rhode Island Memorandum of Understanding Between the State and Cities and Towns Receiving Opioid Settlement Funds (the “R.I. MOU”), which became effective on January 21, 2022, and governs the allocation and use of the proceeds of Settlement Agreements as that term is defined in the R.I. MOU. On May 17, 2022 the Attorney General executed and made effective the First Amendment to the R.I. MOU (the “First Amendment”), which addressed the Teva and Allergan Settlement Agreements. This Second Amendment (the “Second Amendment”) modifies the R.I. MOU pursuant to Section VII of the agreement and addresses the Pharmacy Settlement Agreements and the Endo Resolution.

**I. Amendment to Cover Additional Settlement Agreements**

The State and the Participating Cities and Towns agree to amend the R.I. MOU as follows:

A. The CVS Settlement Agreement, the Endo Resolution, the Walgreens Settlement Agreement, and the Walmart Settlement Agreement are Settlement Agreements under Section I.J of the R.I. MOU.

B. Section I, “Definitions” will be modified to add the following:

“N. “CVS Settlement Agreement” means an agreement between CVS Health Corporation and CVS Pharmacy, Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“O. “Endo Resolution” means the confirmation of the plan in the bankruptcy proceeding *In re Endo International plc., et al*, No-22-22549 (JLG) (Bankr. S.D. N.Y.), or similar resolution of opioid claims against Endo International plc for which the State will receive a payment or distribution in connection with claims similar to those released in the Settlement Agreements.”

“P. “Walgreens Settlement Agreement” means an agreement between Walgreens, on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“Q. “Walmart Settlement Agreement” means an agreement between Walmart Inc., on the one hand, and certain Settling States and Participating Subdivisions on the other hand.”

“R. “Pharmacy Settlement Agreements” means the CVS Settlement Agreement, the Walgreens Settlement Agreement, and the Walmart Settlement Agreement.”

“H. “Participating City or Town” means an Eligible City or Town that is both (i) a signatory to this Agreement and (ii) an Initial Participating Subdivision as defined in

each Settlement Agreement and, for the purposes of the Teva and Allergan Settlement Agreements, and the Pharmacy Settlement Agreements is both (i) a signatory to the First Amendment and the Second Amendment and (ii) a Participating Subdivision as defined in those agreements. Together the Participating Cities or Towns are the “Participating Cities and Towns.”

- C. Section VI.A, “*Relationship of this Agreement to Other Agreements and Resolutions*” will be modified as follows, “The Parties acknowledge and agree the Distributor Settlement Agreement, the Janssen Settlement Agreement, the Teva and Allergan Settlement Agreements, ~~and the Allergan Settlement Agreement~~ and the Pharmacy Settlement Agreements will require Participating Cities and Towns to release all their claims against the settling defendants to receive Opioid Settlement Funds. The Parties further acknowledge and agree based on the terms of the Distributor Settlement Agreement, the Janssen Settlement Agreement, ~~and the Teva and Allergan Settlement Agreements~~, and the Pharmacy Settlement Agreements that a Participating City or Town may receive funds pursuant to this Agreement only after complying with all the requirements set forth in the Distributor Settlement Agreement, the Janssen Settlement Agreement, ~~and the Teva and Allergan Settlement Agreements~~, and the Pharmacy Settlement Agreements to release the city or town’s claims. If another Settlement Agreement contains similar requirements, the Parties acknowledge that a Participating City or Town may receive funds pursuant to that agreement only after complying with all the requirements set forth in that agreement to release the city or town’s claims.”

## II. Related Terms

- A. *Relationship of this Amendment to Other Provisions.* Except as amended in this Second Amendment, all other provisions within the R.I. MOU shall remain in full force and effect.
- B. *Counterparts.* This Second Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.
